

EQUESTRIA GIRLS

(VERSE)

When I'm hanging with my friends
We are setting all the trends
Check this sweet emoticon
Hey, did you just photo bomb?
Posting videos online
Of us goofing all the time
Friends like these are super cool
Hashtag My Friends Really Rule

Don't you know that
friends like these
are really rare?
But these friends
of mine are
far beyond compare.
Oh yeah!

(CHORUS)

With my best friends...
Though we're different, we belong And it makes our friendship strong
True friends always are lifelong

With my best friends...
I know that these friends are true That I can depend on you
You will always follow through

With my best friends...
There's a guarantee for fun
We will laugh under the sun
They are always number one

With my best friends...
To my heart, they hold the key
They are always there for me
It's a friendship guarantee

With my best friends
It'll never end
With my best friends
It'll never end

(VERSE)

Texting always gets confused
But we always are amused
My friends stand out in a crowd
Having fun and laughing loud
Running 'round all through the day
Singing music that we play
There is never time for rest
Hashtag My Friends are the Best

Don't you know that
friends like these
are really rare?

But these friends
of mine are
far beyond compare.
Oh yeah!

(CHORUS)

With my best friends...
Though we're different, we belong And it makes our friendship strong
True friends always are lifelong

On our latest site update
Posted photos that were great
They were "liked" by some cute guys
So we wrote them a reply
We said come and meet the band
And they showed up, just as planned
So we knew this was our chance
Hashtag My Friends Love to Dance
