

A Musical Amusement—This music video takes place at a Canterlot High School carnival (think the finale of Grease). It will have the Equestria Girls up on a stage performing (They are Ponyed Up when they are performing) intercut with shots of the girls being fun and silly all around the school carnival.

- Rarity, Fluttershy, and Twilight drive up in Rarity's sweet convertible while Applejack and Rainbow Dash arrive on cool scooters Pinkie, meanwhile, rides up on the cutest beach bicycle ever, honking her horn.
- There are two photo booths. Three of the Girls go into each of them, taking silly photos.
- The Girls ride Carousel Horses (Ponies). Pinkie looks at hers with a lot of interest as if she's communicating with her (maybe looks vaguely similar to Pony Pinkie Pie?) Applejack takes a picture of the two and posts it.
- The Girls switch photo booths in a different combination of themselves, taking more silly photos.
- Pinkie Pie and Fluttershy are on opposite ends of the park while Twilight and Rainbow Dash are together and Applejack and Rarity are together. They are all texting each other emoticons and chat abbreviations. Their speech bubbles can pop up in their colors to help identify them.
- The Girls cram all of themselves into one photo booth at take photos. They're so jammed in there that the pictures are practically just a sea of eyes, noses, and lips.
- Pinkie runs up to the cotton candy vendor and watches with wild eyes as the cotton candy swirls around and around and around. He hands it over and it's as big as Pinkie's hair. Pinkie puts eyes out of jellybeans and a smile out of red licorice so now it looks just like her. Rarity takes a picture of the cotton candy and Pinkie side by side and posts it.
- Rarity is looking at herself in the funhouse mirrors. In the most unattractive one, Rainbow Dash takes a picture with her phone. Rarity is mortified and chases after her.
- Rainbow Dash and Applejack get into an intense competition to see who can win the most carnival prizes.
- The Girls fall out of the photo booth, cracking up.
- One last shot of all the photos that have been taken in a big collage of all the fun they had the entire day..
