INT. REHEARSAL ROOM AT CANTERLOT HIGH - DAY 1

Twilight is doing an adorably silly dance around Spike.

1 TWILIGHT 1
I did it, I did it, I finally
figured out the chorus to my song-
it.
(off his look)
And, yes, it rhymes better than
that.
(then)
C'mon, I FINALLY figured out the
chorus I've been struggling with
forever and you have NOTHING to
say?

Spike's eyes dart to the left, trying to direct Twilight's attention to something behind her but she's oblivious.

2 TWILIGHT (CONT'D) 2
Why are your eyes doing that? Those
are weird eye looks, Spike. Did
someone cast a spell on--

She finally looks in the direction Spike's eyes have been directing her, to see FLASH SENTRY, in all of his super cute glory, smiling at her.

3 TWILIGHT (CONT'D) 3
Oh! Hey! What's up?

Twilight tries to play it cool and lean against a music stand, but it can't support her and she ends up FALLING and landing on her butt.

Flash runs in and bends down to help her up.

4 FLASH SENTRY 4
You, okay?

5 TWILIGHT 5
Oh. Yeah. I totally meant to do
that. It's like no big deal at all
that this just happened.

Flash helps Twilight to her feet.

6 FLASH SENTRY 6
So, can I hear it?

7 TWILIGHT 7
Hear what?

8 FLASH SENTRY 8
Your song that you figured out.

9 TWILIGHT 9
Oh! That! Hear it? Like, with your ears?

10 FLASH SENTRY 10
Are you embarrassed to do it for me?

11 TWILIGHT 11
What? No! I am NOT embarrassed to do it for you! I'm a singer in a band that sings outside to people in the world, so I don't know why I'd be embarrassed to sing it around you!
(then)
My throat's just a little dry at the moment. Probably just need a little water.

She grabs a glass of water to drink and in her haste SPILLS IT ALL OVER HER.

12 TWILIGHT (CONT'D) 12
(pointing to the spill)
That's something singers do for luck.
(then)
I'm just going to warm up my vocal chords for a second.

She starts doing VOCAL WARM-UPS which quickly devolve into a COUGHING FIT.

13 TWILIGHT (CONT'D) 13
Do you happen to have any lemon? I hear that's great for the throat.

14 FLASH SENTRY 14
(smiling)
No, not on me.

15 TWILIGHT 15
Right, okay. So here I go!

She pauses, then takes the mic. She starts to sing and DEAFENING FEEDBACK comes from the microphone.

16	TWILIGHT (CONT'D)	16
	I know why this is happening. I forgot my lucky, uh, object, that I carry... for luck. You know what, let me go and get it, and we'll meet back here in 0 100 hours. Sidenote: I have no idea when that would be.	

She starts to run away and SLIPS on the water she spilled earlier and starts to fall again.

Flash CATCHES HER and looks into her eyes.

17	FLASH SENTRY	17
	Hey, Twilight.	

She practically melts under his gaze.

18	TWILIGHT	18
	Mmmhmm?	

19	FLASH SENTRY	19
	You're going to be great, it's okay.	

She looks at him and takes a breath.

20	TWILIGHT	20
	Okay.	

She stands up and closing her eyes, starts to SING. As she gets more into her performance, she "PONYS UP" and her wings, ears, and mane appear.

Flash is clearly smitten and when Twilight opens her eyes and sings directly to him, he LEANS BACK, trying to play it cool. Unfortunately, there is no wall there to support him and he FALLS backward and lands on his butt.

Twilight abruptly stops singing and returns to her normal form as she rushes over to Flash.

21	TWILIGHT (CONT'D)	21
	Are you okay?	

22	FLASH SENTRY	22
	Oh. Yeah. I totally meant to do that. It's like no big deal at all that this just happened.	

The two share a smile and we...

FADE OUT.
