EXT. CANTERLOT HIGH SCHOOL - DAY

A beautiful day. The <BELL RINGS>.

INT. CANTERLOT HIGH SCHOOL - CAFETERIA - DAY

Rainbow Dash ZOOMS in and slaps her PHONE onto the table, surprising the rest of the Mane 7 who are seated, eating lunch.

1 RAINBOW DASH
Guess whose band just cracked ten
thousand followers!?

[illegible]

Pinkie's eyes dart around. Her face scrunches with effort.

3 FLUTTERSHY
...Pinkie Pie, she means the
Rainbooms.

4 PINKIE PIE
THE RAINBOOMS! Come on, you didn't
give me a chance!

5 SUNSET SHIMMER
Congratulations-- you all deserve
every one of them.

Sci Twi scrolls through her own phone.

6 SCI TWI
But *Scurvy and the Juicers* have
fifty thousand followers.

7 RAINBOW DASH
We'll get there.

8 SCI TWI
But then we won't be as good as
Graveyard Junglegym-- they have a
hundred thousand followers.

Applejack rolls her eyes. Pinkie Pie scrolls on her phone and <GASPS>, showing everyone something...

9 PINKIE PIE
Do you follow Catamiranda on
SnapGram? Look-- she's on a boat!

10 SUNSET SHIMMER
I'm hashtag jealous of all these
people living amazing lives while
we're here just... meh.

11 RAINBOW DASH
Seriously. I'm not saying our
geodes aren't cool, but...

12 APPLEJACK
They seem pretty cool to me.

13 PINKIE PIE
SHE'S ON A BOAT, APPLEJACK!

Rarity gives everyone a sly look.

14 RARITY
Fingers crossed, things might get
pretty amazing for me this summer.
 (off everyone's intrigue)
Applejack and I should be hearing
from potential employers at any
moment. We applied for summer jobs
at the new Theme Park together!
Sorry for not telling you...

15 APPLEJACK
We didn't want to jinx it.

16 PINKIE PIE
WILL YOU GET TO GO TO EQUESTRIA
WORLD FOR FREE?

17 RARITY
Indeed!

18 APPLEJACK
Actually, they'd be paying us to go
there.

Pinkie Pie spasms and freezes, her eye twitching.

19 PINKIE PIE
...money, park, rides, you...

20 SCI TWI
I think you short-circuited Pinkie
Pie.

21 SUNSET SHIMMER
What about your jobs at the mall?

22 APPLEJACK
They don't keep me on in the summer, and I just can't go back to the Apple Farm. If I spend another summer working there I'll lose my mind.

23 RARITY
I'll miss the mall, but this new job would be the opportunity of a lifetime.
 (grandly)
Lead Costume Designer For the Equestria World Light Parade.

<EXCITED WALLAH> from everyone.

24 SCI TWI
Rarity, that's incredible! That parade has over sixty thousand individual tungsten-filament size-J light bulbs!
 (seeing everyone stare)
Uh, "...and great costumes."

25 RARITY
There's only ONE costume designer for the entire parade! I'd have people working for me! Can you imagine it? I can, and have every night ever since I drew my first sketch of a pair of socks I made for Applejack in fifth grade.

26 APPLEJACK
I love those socks.

27 RARITY
Remember the cross-sewn serged invisible elastic? A top-notch innovation if I say so myself.

28 APPLEJACK
And they had apples on 'em.

Rarity checks her phone again.

29 RARITY
No missed calls while we were talking about socks. Shall we practice answering our phones and sounding calm?

Suddenly BOTH OF THEIR PHONES <DING> at the same time!

30 RARITY/APPLEJACK
AHHHHH!

31 SUNSET SHIMMER
That was about as calm as Pinkie
Pie on cake day.

32 PINKIE PIE
WAS THAT TODAY DID I MISS IT!?!???

As Sunset soothes Pinkie Pie, Rarity and AJ are checking:

33 RARITY/APPLEJACK
One new email!

34 RARITY/APPLEJACK (CONT'D)
It's from the park!

35 RARITY/APPLEJACK (CONT'D)
You open yours first.

36 RARITY/APPLEJACK (CONT'D)
No, you go first!

They laugh.

37 APPLEJACK
Okay, same time...

38 RARITY
One, two...

39 RARITY/APPLEJACK
Three!

Fingers dance on their phones. Rarity SCREAMS!

40 RARITY
Lead Costume Designer for the
Equestria World Light Parade!

41 TS/PP/FS/RD/SS
That's incredible! Rooftastic! /
I'm really happy for you / Nice
one! / That's great, Rarity...

Their congratulatory mood darkens as they turn slowly, and
we... PULL OUT to reveal Applejack, apart from the group,
staring at her phone, bummed. She looks up trying to smile.

42 APPLEJACK
I'm really happy for you, Rarity.

43 SUNSET SHIMMER

Oh, Applejack...

44 RARITY

There must be a mix-up, Darling.

45 PINKIE PIE

Maybe the internet mailman gave you the wrong letter!

Sci Twi reads the phone over AJ's shoulder.

46 SCI TWI

Mailer-daemon and IP addresses look good. ...Sorry.

47 RARITY

Well I'm not going to accept it without you, obviously.

48 APPLEJACK

WHAT!? You can NOT let the opportunity pass you by, Rarity. I won't let you!

49 RARITY

Don't try to change my mind, because honestly, I know we planned to spend the summer together, so I wouldn't dream of--

50 RAINBOW DASH

--Oh please.

51 APPLEJACK

You're takin' the job, and that's final.

52 RARITY

(instantly)

Okay-if-you-insist-Aieeeeeeeeeeee-I'm-gonna-be-Lead-Costume-Designer!!!!

As her friends gather round and <WALLAH> about how awesome this is, Sunset hangs back with Applejack, who watches with a fake smile pasted on her face.

53 SUNSET SHIMMER

Don't worry, Applejack. I'm sure we'll be seeing plenty of Rarity when we visit Equestria Land.

54 APPLEJACK
Me? Worried? Not even a smidge,
Sunset. This wasn't meant to be.
And I know earlier I said I didn't
want to, but I actually love
working at the apple farm.

Everyone stares at her, dubious. She forces a smile.

55 APPLEJACK (CONT'D)
It's my dream job!

MUSIC UP: "Dream Job." A bouncy, gleeful pop song not unlike
Uptown Funk.

CUT TO:

EXT. SWEET APPLE ACRES - DAY

APPLES FALLING from a basket land on a conveyer belt. Shots
of the apples getting whisked this way on that on conveyor
belts, until they get to APPLEJACK, in apron and hair net.
She stares straight ahead, bored out of her mind.

56 APPLEJACK
(singing)
*I'm workin my dream job, baby.
Doin' what I want to do.
I got glamour and glitz
Singin' number one hits,
You think I'm missing you?*

Applejack sorts apples with no enthusiasm. Big Mac dumps
more. She <SIGHS>

57 APPLEJACK (CONT'D)
(singing)
*Don't need no bathroom breaks, baby.
Sortin' these things all day.
Don't look so stunned!
I'm havin' fun!
Not thinkin' of you, no way.*

The conveyor belt speeds up.

58 APPLEJACK (CONT'D)
(pre-chorus)
*Cause I pick it, wash it, toss it,
flip it,
check it, shine it, stamp it, ship
it.*

59 APPLEJACK (CONT'D)
Workin' the dreeeeeeam!
Workin' my dreeeeeeeam job, yeah!
Can't believe my luck,
You won't see me cryin'
 (the happy song starts to
 unravel...)
I swear I'm not lyin'
Well I might be lyin'
Okay fine I'm lyin'
I'm a hundred percent lyin'
 (spoken, slumping to the
 floor)
Cause this job really sucks.

<SONG ENDS> as GRANNY SMITH comes over.

60 GRANNY SMITH
You look miserabler than a
centipede with shin splints. What
happened to spendin' summer with
your best friend?

61 APPLEJACK
She's not my best friend, Granny
Smith. I just thought we'd be
together is all.

62 GRANNY SMITH
Sometimes people drift apart. Takes
a lot of guts to fight for what's
worth keepin...

63 APPLEJACK
Things will never get that bad
between us. We'll always be there
for each other.
 (looking outside, smiling)
Ha! See?

EXT. SWEET APPLE ACRES - MOMENTS LATER

AJ walks out of the barn, dusting her hands, as Rarity gets
out of her car. They hug.

64 APPLEJACK
How's the new job!?

65 RARITY
I'll tell you all about it, but
first, I have a favor to ask.

66 APPLEJACK
Anything!

67 RARITY
The Light Parade premier's tomorrow night, and my boss was wondering if the Rainbooms would perform in it.

68 APPLEJACK
The Rainbooms? REALLY!? Of course!

69 RARITY
Yes?

70 APPLEJACK
Darn tootin! We'll make you look good, I promise.
(re: the car)
...Why didn't you just text me?

71 RARITY
I... wasn't sure how we left things, with me taking the job...

72 APPLEJACK
Rarity, believe me... I am completely over it. I've got a great job on the farm, I get to visit you whenever I want. Things couldn't be better.

Off Rarity's smile...

CUT TO:

EXT. EQUESTRIA WORLD - DAY

The CLOUDSDALE COASTER ROARS through frame. People <SCREAM>!
ANOTHER ANGLE: cute couples ride the HOT AIR BALLOON FERRIS WHEEL. ANOTHER ANGLE: Kids check out the games on the MIDWAY.

AT THE MAIN ENTRANCE: The Mane 7 (minus Rarity) enter, instruments on their backs.

73 PINKIE PIE
What should we do first!? Appaloosa Wild West Stunt Show...? Nightmare Moon's Haunted Castle...?

74 APPLEJACK
--Remember, we're here to support Rarity. Not just by playin' in the parade. She's still brand new...
(MORE)

APPLEJACK (CONT'D)

(softer)

She hasn't had enough time to make new friends at the park, so y'all be extra-nice. And... why do I feel like nobody's listenin'?

Because everyone is now HIDING behind a tree, spying on someone who sits on a bench across the way (VIGNETTE).

75 APPLEJACK (CONT'D)

(whispering, joining them)

What's the what-now going down over thisa-way?

76 PINKIE PIE

SHH! Your folksy-talk's gonna get us busted!

77 FLUTTERSHY

(re: Vignette)

I can't believe she's here...

Vignette holds out her phone for a selfie but doesn't take one yet. First, she tries several angles, tossing her hair this way and that, pouting lips, making peace signs. While she does all that, the girls keep talking:

78 SUNSET SHIMMER

It's really Vignette! (clarifying)
Like, Vignette Vignette Vignette!

79 APPLEJACK

Who, who, and who?

80 FLUTTERSHY

(to AJ, realizing)

...You're not on SnapGram.

81 APPLEJACK

Is she one of them... internet whatchamakalits?

82 SCI TWI

She's SnapGram FAMOUS.

83 PINKIE PIE

She has like a kajillion followers!

84 SUNSET SHIMMER

Look...!

Sunset hands Applejack her phone, launching us into **A QUICK MONTAGE OF VIGNETTE'S POSTS:**

1) Applejack stares at the phone.

85 APPLEJACK
 (deadpan)
 "Chillin' sandy-style, you know how
 I do."

THE PICTURE: A selfie of Vignette alone at the beach.

86 VIGNETTE (V.O.)
 (super-over-the-top excited
 voice)
 Chillin' sandy-style, you know how
 I do!!!!!!!!!!!!!!

2) Applejack swipes, raises an eyebrow at the next post.

87 APPLEJACK
 (deadpan)
 "Hashtag vintage. Hashtag blessed."

THE PICTURE: A Vignette selfie, sitting in a perfectly manicured Anthropologie-style "quirky" room. She's holding a very-used badminton racquet.

88 VIGNETTE (V.O.)
 (super-over-the-top excited
 voice)
 Hashtah Vintage!!!
 (soft, super-reverent/solemn)
 Hashtag... blessed.

3) Applejack is like "whatever," She swipes, reacts-- whoa!

89 APPLEJACK
 "I hate that one freckle on my
 leg...?"

THE POST: Vignette in a bikini lounging by the pool.

90 VIGNETTE
 (super over the top baby-
 talk girl voice)
 <POUTY SOUNDS>. I hate that one
 freckle on my leg. <MORE POUTY
 SOUNDS>

BACK TO SCENE: Applejack gives back Sunset's phone. She is NOT into this girl.

91 APPLEJACK
 This is crazy. What freckle? All I
 can see is her fake tan. This got
 twenty thousand likes?!
 (MORE)

APPLEJACK (CONT'D)
And over 600 comments... they're
all boys telling her she's
beautiful!

92 SS / ST / PP / FS / RD
(dreamily)
I know.

93 APPLEJACK
It ain't right.

94 SUNSET SHIMMER
It's not fair, you mean. She gets
to live this incredibly rich,
exciting, perfect life.

95 SCI TWI
Shhh! I think it's time!

An expectant HUSH falls over the girls. AJ rolls her eyes.

Vignette stops primping and holds still. We hear the <SHUTTER
CLICK> sound from her phone. Our girls <GASP> as Vignette
fiddles with her phone.

96 SS / ST / PP / FS / RD
She's posting!

They check, showing each other their phone, geeking out.

97 RAINBOW DASH
We just witnessed history.

98 APPLEJACK
Oh, not you too, Rainbow Dash?

99 RAINBOW DASH
Hey, you don't even know her. I've
been following her for years. It's
like I know her whole life.

100 APPLEJACK
Well, what she chose to show you.

101 RAINBOW DASH
What's the difference?

102 APPLEJACK
Of course her life looks perfect.
You're only seein' what she wants
you to see.

103 SUNSET SHIMMER
We all do that, Applejack.

104 APPLEJACK
But I mean, we saw her spend ten
minutes tryin' to make that picture
look "natural."

105 SUNSET SHIMMER
Maybe you just need to spend more
time on SnapGram.

106 APPLEJACK
I'll stick to having fun in real
life, thanks. I got no desire to
see more of...
 (re: Vignette)
"...that" in my life.

107 RARITY (O.S.)
There you are!

Applejack brightens up seeing Rarity walking their way.

108 APPLEJACK
Here comes the Lead Costume
Designer!

109 RARITY
"Guilty as charged!" Ah-hahaha.

110 APPLEJACK
So, how can we help? I know you're
probably dyin' to put us to work
since you've been workin' solo here
without your best friends.

111 RARITY
Hold that thought-- Vignette! Over
here!

The others get wide-eyed frozen looks.

112 APPLEJACK
You know Vignette...?

113 RARITY
Do I know her!?

Vignette comes running and gives Rarity a hug and two air-
kissy kisses.

114 RARITY (CONT'D)
Why, she's my best friend at the
park!

Off AJ's STUNNED expression, Vignette pulls her and Rarity in for a picture.

115 VIGNETTE
Selfie!

She and Rarity spend a LONG, LONG beat trying out different facial expressions, while AJ just stands there stunned. Finally... <SHUTTER CLICK SOUND> and we CUT TO BLACK.
