**EXT. EQUESTRIA WORLD - DAY**

OPEN ON: The amusement park. Shots of the rides, unmoving, empty, contrasted with VIGNETTE narrating an excited introduction with <TRIUMPHANT MUSIC>.

1                   VIGNETTE (O.S.)  
Excitement. Adventure. Romance.  
Danger. Experience Equestria like  
you've never seen it before, at the  
one... the only... EQUESTRIA WORLD!

ANGLE ON: a parade platform as it wobbles through the park.  
FOUR PEOPLE on it are waving, smiling, but... they're wearing  
WHITE LONG JOHNS.

ANGLE ON: Vignette (19, cooler than you)-- horrified.

2                   VIGNETTE (CONT'D)  
Stop, cut-- CUT!!!

<TRIUMPHANT MUSIC> playback grinds down to a halt, as does  
the parade platform.

3                   VIGNETTE (CONT'D)  
Why is everyone dressed like  
they're not dressed!? Where's my  
idiot costume designer!?

4                   COSTUME DESIGNER  
That's me. And I quit.

The BOHEMIAN COSTUME DESIGNER smugly walks away. Vignette  
gawks, then composes herself.

5                   VIGNETTE  
Whatever! My vision don't need you!  
I'm the PR person for this park--  
it's my job to make sure the world  
knows how amazing Equestria World  
is going to be, and I will not  
fail! In two weeks, on opening day,  
the last thing they'll see is this  
light parade, and it's going to  
have the best costumes ever-- with  
or without you! Ugh. SALAD, PLEASE!

Frustrated, Vignette sits down at a nearby TABLE, putting her  
PHONE down next to her. An ASSISTANT mediately brings over a  
salad.

6 VIGNETTE (CONT'D)  
Where am I going to find a new  
costume designer for the light  
parade with only two weeks left...?

Vignette's fork stabs a tomato and she brings it up to her  
eyes, annoyed.

7 VIGNETTE (CONT'D)  
Tomatoes. Ugh. No filter could make  
this salad look good. This day is  
the worst!

While she's complaining about it... EQUESTRIAN MAGIC SEEPS  
INTO HER PHONE... which she then uses to take a photo of her  
food...

8 VIGNETTE (CONT'D)  
Oh well. Foodie Lunch post--  
complete.

<CLICK>-- and MAGIC TENDRILS COME OUT OF HER PHONE AND HER  
FOOD DISAPPEARS. <EXCITING DRAMATIC MUSIC> and PUSH IN ON  
VIGNETTE'S FACE, LIKE: OH SNAP, WHAT!?

CUT TO:

**INT. THE MALL - DAY**

At the FOOD COURT, we find the MANE 7 as they gather for  
lunch. Rarity gives AJ a look. They both check their phones.

9 RARITY  
Anything...?

10 APPLEJACK  
Nuthin. You?

She shakes her head. ANGLE ON: Everyone else, curious.

11 RARITY  
(off everyone's intrigue)  
Applejack and I should be hearing  
from potential employers at any  
moment. We applied for summer jobs  
at the new Theme Park together!  
Sorry for not telling you...

12 APPLEJACK  
We didn't want to jinx it.

13 PINKIE PIE  
WAIT, WILL YOU GET TO GO TO  
EQUESTRIA WORLD FOR FREE?

14 APPLEJACK  
Actually, they'd be paying us to go  
there.

Pinkie Pie spasms and freezes, her eye twitching.

15 SCI TWI  
I think you short-circuited Pinkie  
Pie.

16 APPLEJACK  
We've applied to work side-by-side  
as Candy Apple Girls.

17 RARITY  
It's not that I'm nervous, but  
Applejack-- you're practically made  
for that job, and I'm, well... not.

18 APPLEJACK  
We'll be together, I got a good  
feeling.

They share a smile, then Rarity checks her phone again.

19 RARITY  
No missed calls while we were  
talking about Candy Apples. Shall  
we practice answering our phones  
and sounding calm?

Suddenly BOTH OF THEIR PHONES <DING> at the same time!

20 RARITY/APPLEJACK  
AHHHHH!

21 SUNSET SHIMMER  
That was about as calm as Pinkie  
Pie on cake day.

22 PINKIE PIE  
WAS THAT TODAY DID I MISS IT!?!???

As Sunset soothes Pinkie Pie, Rarity and AJ are checking:

23 RARITY/APPLEJACK  
One new email!

24 RARITY/APPLEJACK (CONT'D)  
It's from the park!

25 RARITY/APPLEJACK (CONT'D)  
You open yours first.

26 RARITY/APPLEJACK (CONT'D)  
No, you go first!

They laugh.

27 APPLEJACK  
Okay, same time...

28 RARITY  
One, two...

29 RARITY/APPLEJACK  
Three!

Fingers dance on their phones. Rarity SCREAMS!

30 RARITY  
I didn't just got a job as a Candy  
Apple Girl-- they hired me to be a  
costume designer! What does that  
even MEAN?! AHHHHHHH!

31 MANE 6  
<CONGRATULATIONS WALLAH>.

Their congratulatory mood darkens as they turn slowly, and  
we... PULL OUT to reveal Applejack, apart from the group,  
staring at her phone, bummed. She looks up trying to smile.

32 APPLEJACK  
I'm really happy for you, Rarity.

33 SUNSET SHIMMER  
Oh, Applejack...

34 RARITY  
There must be a mix-up, Darling.

35 PINKIE PIE  
Maybe the internet mailman gave you  
the wrong letter!

Sci Twi reads the phone over AJ's shoudler.

36 SCI TWI  
Mailer-daemon and IP addresses look  
good. ...Sorry.

37 RARITY  
Well I'm not going to accept it  
without you, obviously.

38 APPLEJACK  
WHAT!? You can NOT let the  
opportunity pass you by, Rarity. I  
won't let you!

39 RARITY  
Don't try to change my mind,  
because honestly, I know we planned  
to spend the summer together, so I  
wouldn't dream of--

40 RAINBOW DASH  
--Oh please.

41 APPLEJACK  
You're takin' the job, and that's  
final.

42 RARITY  
(instantly)  
Okay-if-you-insist-Aieeeeeeeeeeee-I'm-  
gonna-be-a-Costume-Designer!!!!

As her friends gather round and <WALLAH> about how awesome  
this is, Sunset hangs back with Applejack, who watches with a  
fake smile pasted on her face.

43 SUNSET SHIMMER  
Don't worry, Applejack. I'm sure  
we'll be seeing plenty of Rarity  
when we visit Equestria Land.

44 APPLEJACK  
Me? Worried? Not even a smidge,  
Sunset. Besides, I'll just ask for  
my old job back at the shake place.

**QUICK CUT TO:** THE SHAKE PLACE, where SNIPS and SNAILS are  
working the shake blender. They yell off to AJ, off-screen---

45 SNIPS  
Too late for that, Applejack!

46 SNAILS  
Yeah, they hired us one for the  
price of two. Or was it the other  
way around?

THE MILKSHAKE MACHINE SPEWS MILKSHAKE EVERYWHERE. **BACK TO:**

Applejack, shaking her head, annoyed, and we CUT TO:

**EXT. EQUESTRIA WORLD - DAY**

FIND Rarity, wide-eyed, trailing behind Vignette, who leads her through the park at a snappy pace (and sometimes literally <SNAPPING>.)

47 VIGNETTE  
My Name is Vignette, I'll be your  
direct, immediate, and ultimate  
supervisor while you work here.  
"Welcome to Equestria World,  
Rarity. Where Dream Come To Life."  
Do you like that? I work in PR and  
I'm toying with a catchphrase...

48 RARITY  
It's--

49 VIGNETTE  
I hate it.

50 RARITY  
Oh.

51 VIGNETTE  
Anyway, this is the main concourse.  
Cloudsdale's over there, Sugarcube  
Corner's that way, and the Hot Air  
Balloon Ferris Wheel is the  
centerpiece. The parade route  
weaves through the entire park.

52 RARITY  
About that...

53 VIGNETTE  
As you know, you weren't hired as  
a...  
(reading Rarity's file with  
disdain)  
"Candy Apple Girl." You're going to  
be Lead Costume Designer for the  
Light Parade-- the most important  
event in the park. Ten thousand  
lights, streamers, fifty costumed  
cast members-- it's the last thing  
guests see before they leave, and  
it has to be perfect.

Rarity takes a deep breath-- yikes.

54 VIGNETTE (CONT'D)  
Oh and one tiny thing... no putting  
phones on that table, got it?  
(MORE)

VIGNETTE (CONT'D)

It's out of order. No reason, just  
a suuuuper-important rule I made  
up.

Rarity looks to the table Vignette's phone was "magicized" to  
see it covered in CAUTION TAPE. Vignette sees how nervous she  
it.

55 VIGNETTE (CONT'D)

You can do this, Rarity. You have a  
good energy-- I know these things.  
It's like... my brand.

Off Rarity, looking less than convinced...

CUT TO:

**EXT. SWEET APPLE ACRES - DAY**

CLOSE ON APPLEJACK, doing some work we can't see O.S. Her  
phone <RINGS>. SPLIT SCREEN WITH RARITY AT THE PARK.

56 APPLEJACK

Rarity!

57 RARITY

Applejack, *darling*.

(cautiously)

So... how's the new job going...?

58 APPLEJACK

Great! I could not be happier.

REVEAL: She knee deep in a wooden barrell stomping on apples  
with her bare feet to make applesauce like a wine-maker.

59 GRANNY SMITH

Less talkin, more stompin!

AJ makes a frumpled face, but puts back on her happy face as  
they both cover how they feel:

60 RARITY

Oh good, I'm so happy for you!

61 APPLEJACK

And I'm so happy for you and your  
new job, too!

62 RARITY

Yes, well, it's certainly a big  
job.

63 APPLEJACK  
I'm sure you're up to it. Just like  
I'm up to my job.

64 RARITY  
I have a great idea! You all should  
come on opening night to see the  
parade! VIP passes, you could cut  
the lines.

65 APPLEJACK  
YES! Whoop!

Applejack SLIPS and falls into the APPLESAUCE with a <SPLAT>.  
She licks her phone clean.

66 APPLEJACK (CONT'D)  
I mean... sure, that would be fun,  
I guess.

CUT TO:

**EXT. EQUESTRIA WORLD - DAY**

The CLOUDSDALE COASTER ROARS through frame. People <SCREAM>!  
ANOTHER ANGLE: cute couples ride the HOT AIR BALLOON FERRIS  
WHEEL. ANOTHER ANGLE: Kids check out the games on the MIDWAY.

AT THE MAIN ENTRANCE: The Mane 7 (minus Rarity) enter.

67 PINKIE PIE  
Equestria World opening day! What  
should we do first!? Appaloosa Wild  
West Stunt Show...? Nightmare  
Moon's Haunted Castle...? SUGARCUBE  
EVERYTHING!?

68 APPLEJACK  
Now, we aren't here for fun-- we're  
here to support Rarity.

69 SUNSET SHIMMER  
(bummed)  
That could be fun... too.

70 APPLEJACK  
I get the sense she's overwhelmed,  
which is understandable... I mean  
she's all alone here without any of  
her friends. Which is why I  
wouldn't have taken the job, but  
that's just me, heh.  
(then)  
(MORE)

APPLEJACK (CONT'D)  
And... why do I feel like nobody's  
listenin?

Because everyone is now HIDING behind a tree, spying on  
someone who sits on a bench across the way (VIGNETTE).

71 APPLEJACK (CONT'D)  
(whispering, joining them)  
What's the what-now going down over  
thisa-way?

72 PINKIE PIE  
SHH! Your folksy-talk's gonna get  
us busted!

73 FLUTTERSHY  
(re: Vignette)  
I can't believe she's here...

Vignette holds out her phone for a selfie but doesn't take  
one yet. First, she tries several angles, tossing her hair  
this way and that, pouting lips, making peace signs. While  
she does all that, the girls keep talking:

74 SUNSET SHIMMER  
It's really Vignette! (clarifying)  
Like, Vignette Vignette Vignette!

75 APPLEJACK  
Who, who, and who?

76 FLUTTERSHY  
(to AJ, realizing)  
...You're not on SnapGram.

77 APPLEJACK  
Is she one of them... internet  
whatchamakalits?

78 SCI TWI  
She's SnapGram FAMOUS. She did a  
whole series of posts at a robotics  
factory once. Hashtag  
RobotsTakeOverTheWorld, which may  
not be a bad thing, by the way--

79 FLUTTERSHY  
--And she volunteers at the a  
private veterinarian for  
celebrities.

Sunset hands Applejack her phone, launching us into **A QUICK  
MONTAGE OF VIGNETTE'S POSTS:**

1) Applejack stares at the phone.

80           APPLEJACK  
          (deadpan)  
          "Chillin' sandy-style, you know how  
          I do."

THE PICTURE: A selfie of Vignette alone at the beach.

81           VIGNETTE (V.O.)  
          (super-over-the-top excited  
          voice)  
          Chillin' sandy-style, you know how  
          I do!!!!!!!!!!!!!!

2) Applejack swipes, raises an eyebrow at the next post.

82           APPLEJACK  
          (deadpan)  
          "Hashtag vintage. Hashtag blessed."

THE PICTURE: A Vignette selfie, sitting in a perfectly manicured Anthropologie-style "quirky" room. She's holding a very-used badminton racquet.

83           VIGNETTE (V.O.)  
          (super-over-the-top excited  
          voice)  
          Hashtah Vintage!!!  
          (soft, super-reverent/solemn)  
          Hashtag... blessed.

3) Applejack is like "whatever," She swipes, annoyed.

84           APPLEJACK  
          "New haircut. Hashtag hair hashtag  
          cut."

THE POST: Vignette selfie with "cool bangs."

85           VIGNETTE  
          (super over the top baby-  
          talk girl voice)  
          <POUTY SOUNDS>. New haircut.  
          Hashtag hair, hashtag cut... <MORE  
          POUTY SOUNDS>

**BACK TO SCENE:** Applejack gives back Sunset's phone. She is NOT into this girl.

86           APPLEJACK  
          I'll stick to having fun in real  
          life, thanks.  
                  (MORE)

APPLEJACK (CONT'D)  
I got no desire to see more of...  
(re: Vignette)  
"...that" in my life.

87 RARITY (O.S.)  
There you are!

Applejack brightens up seeing Rarity walking their way.

88 APPLEJACK  
Here comes the Lead Costume  
Designer!

89 RARITY  
"Guilty as charged!" Ah-hahaha.

90 APPLEJACK  
So, how can we help? I know you're  
probably dyin' to put us to work  
since you've been workin' solo here  
without your best friends.

91 RARITY  
Hold that thought-- Vignette! Over  
here!

The others get wide-eyed frozen looks.

92 APPLEJACK  
You know Vignette...?

93 RARITY  
Do I know her!?

Vignette comes running and gives Rarity a hug and two air-kissy kisses.

94 RARITY (CONT'D)  
Why, she's my best friend at the  
park!

Off AJ's STUNNED expression, Vignette pulls her and Rarity in for a picture.

95 VIGNETTE  
Selfie!

She and Rarity spend a LONG, LONG beat trying out different facial expressions, while AJ just stands there stunned. Finally... <SHUTTER CLICK SOUND> and we CUT TO BLACK.

**END OF PART 1**
