First Draft 03/13/17

EXT. EQUESTRIA WORLD - DAY

A wide establishing shot of the park with the sounds of
<RIDES> and <SCREAMS> and <PEOPLE HAVING FUN>.

EXT. EQUESTRIA WORK - MAIN ENTRANCE - SAME

RARITY stands by VIGNETTE across from THE REST OF THE MANE 7.

1 RARITY
Everyone, I'd to officially
introduce my boss, Vignette.

2 SUNSET SHIMMER
 (too quickly)
Oh we know who she is. I mean um...
 (sotto, to herself)
Stupid, stupid, STUPID!

3 VIGNETTE
Rarity-- I told you not to think of
me as your boss. I'm your friend...
 (knowing fake smile)
...who gets to "boss" you around.

4 RARITY/VIGNETTE/SS/RD/FS/PP/ST
<FAKE LAUGH>!

WHIP PAN to Applejack with a <WHIP CRACK> sound. She shakes
her head like "Come on..." Rainbow Dash and Pinkie Pie pull
Rarity aside...

5 RAINBOW DASH
 (sotto to Rarity)
Rarity I can't believe you know an
internet celebrity!

6 PINKIE PIE
 (sotto to Rarity)
How did you keep a secret like
this!?

Rarity answers loud enough for Vignette to hear her...

7 RARITY
 (SUPER fake modesty)
Oh, you know, I find that internet
celebrities are just like you and
me once you get to know them.

8 VIGNETTE
I'm a big fan of your band, which
is why I told Rarity you just had
to perform in the parade.

The girls steady themselves, all reacting to that...

9 SUNSET SHIMMER
(too quickly)
A huge internet celebrity likes our
band? I mean um...
(sotto, to herself)
Stupid, stupid, STUPID!

10 APPLEJACK
(skeptical)
What's your favorite song?

11 VIGNETTE
Ohhhhhhhhhhhh, don't make me pick--
I like them all, wouldn't your ten
thousand followers agree? And
speaking of "likes," let's get
some!

She shows off her phone: the picture she just took of herself
with Rarity (looking great) and AJ (looking dazed/stunned).

12 VIGNETTE (CONT'D)
How about "New Friends / Old
Soulmates?"

13 RARITY
Love it.

14 VIGNETTE
Except, Applejack, you're not
looking so... how do I say this...

CLOSE ON AJ in the photo: Dazed Face like "huh!?"

15 VIGNETTE (CONT'D)
You don't mind if I just kinda...
(cropping her out)
"Vwoop!"

ANOTHER WHIP PAN to Applejack with a <WHIP CRACK> sound.
Through gritted teeth:

16 APPLEJACK
By all means, Vwoop away.

17 VIGNETTE
(after a few taps)
It's up!

Everyone checks their phones except Applejack, who <SIGHS>.

18 RARITY
It already has two THOUSAND likes?!

19 VIGNETTE
Top tier, Rarity. Let me tag you...

Rarity's eyes go wide and then suddenly-- <DING>! <DING>!
...Her phone starts <DINGING> nonstop.

20 ST/PP/FS/RD/SS
(checking their phones)
You're blowing up! / The band's
getting new followers too! / This
is crazy!

21 RARITY
So... <DING> when will <DING> this
<DING> stop? <DING>!

22 VIGNETTE
Hopefully never, am I right?

23 RARITY/VIGNETTE/SS/RD/FS/PP/ST
<FAKE LAUGH>!

Applejack as had enough of this...

24 APPLEJACK
Hey Rarity, can I talk to you for a
sec?
(stepping aside)
I know we've <DING> had <DING> some
<DING> <DING> time <DING> <DING>
<DING> to <DING> <DING> CAN YOU
TURN THAT OFF!?

25 RARITY
(muting it)
Sorry.

26 APPLEJACK
So... you and Vignette... when you
said she's your "Best friend at the
park," did your mean, "Best friend
at the park?" Or "Best Friend at
the park?" Or "Best friend at the
park?" Or "BEST--"

27 RARITY
I know what you're thinking. But
trust me-- Vignette only comes
across as distant because she's so
popular online!
(a whisper, gesturing to
her own heart)
She's built a wall here. But she's
wonderful once you get to know her.

28 APPLEJACK
That so...?

29 RARITY
Think about it-- even with all the
fashion elite she knows, she still
found it in her heart to take a
chance on a nobody like me for this
job. And OH! Wait until you see the
costume I've designed for you!

Applejack appreciates that last part. Rarity takes her hand,
absolutely glowing with happiness.

30 RARITY (CONT'D)
It's all happening, Applejack. I'm
living the dream.

31 APPLEJACK
(genuine)
Well okay then. I guess I better
give Vignette a chance, huh.

32 VIGNETTE
Did I hear my name? <FAKE LAUGH>.
How about a behind-the-scenes tour
of the park while Rarity gets back
to work on the costumes...

Sunset puts her arm around Applejack.

33 SUNSET SHIMMER
Count us in!
(sotto)
This is your chance to get to know
her.

Applejack nods-- she'll try. Meanwhile, Rainbow Dash,
Fluttershy, and Pinkie Pie exchange a look, then...

34 SCI TWI
You three should spend some quality
time together.

35 RAINBOW DASH
While WE spend some quality time on
the Cloudsdale Coaster. OH YEAH!

PUSH IN ON FLUTTERSHY-- eyes widening with fear.

36 SCI TWI
I'll set up our instruments with you,
Rarity. For me, rigging the
soundboard puts the fun in Fun Park!

37 RARITY
This is wonderful! I'll see you all
at sound check this afternoon. You
wouldn't believe the amount of work
I have to get ready for the parade.
Until then-- HAVE FUN!

CUT TO:

EXT. CLOUDSDALE COASTER - DAY

ANGLE ON: An empty track. <ROLLER COASTER SOUNDS> approach,
and then the Cloudsdale Coaster ROCKETS through frame. It
ZOOMS through a loop, then another loop. CLOSE ON FLUTTERSHY:
her eyes tracking all over the place, watching the coaster,
as she gets more scared by the second. Rainbow Dash cups her
hands and yells. (PP is watching in the b.g.)

38 RAINBOW DASH
 (yelling)
It's not scary, I promise!

<ROLLER COASTER SOUNDS> and <TERRIFIED SCREAMING>.

39 FLUTTERSHY
 (yelling over noise)
WHAT!?

40 RAINBOW DASH
 (yelling)
IT'S NOT SCARY!

41 PINKIE PIE
 (yelling)
I don't think she can hear you over
all the terrified screaming!

42 FLUTTERSHY
 (yelling)
I can't hear you over all the
terrified screaming!

The coaster comes to a <HISSING> stop at the loading zone.

43 RAINBOW DASH
Look at it this way-- it's the
perfect opportunity to conquer your
fears. Think how great you'll feel!

44 FLUTTERSHY
Couldn't we start with something
small and build up to it?

45 RAINBOW DASH
As long as it's not a "kiddie
ride." Cause I got a reputation to
uphold, you know.

46 FLUTTERSHY
Oh no, the ride I'm thinking of
would be way too scary for little
kids.

CUT TO:

EXT. KIDDIE ROLLER COASTER - SUGARCUBE COUNTRY - LATER

Rainbow Dash and Fluttershy sit together in a car as CLANK-CLANK-CLANK, it crests the top of a hill, Fluttershy hangs on to the safety bar for dear life and <SCREAMS>.

WIDE SHOT: they're going down the tiniest hill ever on the tiniest coaster ever: the "Lil' Nimbus." Sci Twi and Pinkie Pie sit behind them, having ironic fun. The rest of the coaster is LITTLE KIDS. As the cart wobbles down the shallow sloping track, Fluttershy marvels to Rainbow Dash:

47 FLUTTERSHY
I can't believe how brave these
little kids are!

Rainbow Dash facepalms.

ANOTHER ANGLE NEAR THE KIDDIE COASTER: Vignette leads Applejack and Sunset on her tour.

48 VIGNETTE
This is the Lil' Nimbus, one of our
kiddie coasters... a favorite among
fragile old ladies and frightened
toddlers.

Spotting them from the coaster, Fluttershy proudly waves. Next to her, Rainbow Dash covers her face, embarrassed.

49 APPLEJACK
So, Vignette, um...

Off her silence, Sunset gives an encouraging nod, "go on..."

50 APPLEJACK (CONT'D)
...Rarity tells me you're pretty
popular on the internet.

51 VIGNETTE
Not as popular as Catamiranda,
unfortunately...

52 APPLEJACK
Wellllllll, did Rarity tell you that
I'm a little popular myself?

53 VIGNETTE
(suddenly very interested)
Oh what app?

54 APPLEJACK
...in the quadruple-A circuit
rodeo, juniors eleven through
seventeen bracket.

Applejack beams with pride.

55 VIGNETTE
Um, refresh-reload: that's
amazefrogs. How'd you get into
that? Tell me everything...!

56 APPLEJACK
(taken aback, happy)
Really? Well, I got my first rope
off a crate pulley at our loading
dock, and I was kind of a natural
when it came to the ins and outs of
the ol' lasso-dance...

Applejack trails off with a confused look. PULL BACK:
Vignette is next to AJ, holding up her phone to take a video
of the two of them.

57 VIGNETTE (V.O., ON PHONE)
Sup Vinsiders, V here with a sup-
sup to all my new followers who
subscribed to check out the one and
only cowboy princess, Apple to the
Jack.
(sotto to AJ)
Which filter do you like?

ANGLE ON THE PHONE: She swipes through a few filters. One makes them look like cats. One makes them underwater, One makes it rain money.

58 APPLEJACK
What are you doing?

59 VIGNETTE
SnapGramCasting live. What's your
handle, I'll tag you.

60 APPLEJACK
Oh, um, my SnapGram handle... does
not exist. I don't use it.

Off Vignette's "R U SERIOUS" shocked look...

CUT TO:

INT. LARGE HANGER - DAY

A flurry of activity in this behind-the-scenes space, filled with props, costumes on racks, and several massive platforms for the parade. Two people in DUCK costumes waddle by and trip over a string of ELECTRIC LIGHTS, yanking them off a float and BREAKING a fake CANDY CANE which almost hits Sci Twi, who is PULLED out of the way at the last moment by RARITY, who never even looks up from her clipboard:

61 RARITY
Twilight, this is a living,
breathing dance of light and sound.

Throughout the scene, Rarity and Sci Twi never stop walking, and Rarity makes decisions and talks to underlings without breaking stride. Two ASSISTANTS rush over and wrap Rarity's waist/legs in fabric from her carousel dress (see toy line B4909). One measures, the other sets pins.

62 RARITY (CONT'D)
Even when the lead platform is
passing over the Ghastly Gorge
bridge, the final platform will
still be undergoing last minute
changes in here. Love it, lock it,
make it.

The two assistants scurry away and four people have lined up, each holding different choices in their hands, (including props and outfits from B4910). Rarity points to options.

63 RARITY (CONT'D)
Beautiful. Perfect. I just threw
up. Love it. Brilliant. NOW HURRY
UP! I NEED THESE DONE YESTERDAY!

64 SCI TWI
You were born for this, Rarity.

65 RARITY
<SIGH>... all I need is for
Vignette to post ONE picture of the
parade showing off my costumes, and
my whole life will change.

(before Sci Twi can respond)
I mean she's a great friend too, I
don't want you to think that I'm
using her.

(before Sci Twi can respond)
It's more like I'm using her
platform. Her followers include
sartorially-inclined bloggers,
fashion magazine editors, even the
woman whose grandmother invented
bobby pins!

(before Sci Twi can respond)
And I know Applejack thinks she's
shallow, and I do feel like a bad
friend for abandoning our summer
plans. But as Vignette says, "if
you don't seize your dreams, your
dreams will seize you."

Sci Twi stops, confused.

66 SCI TWI
What does that mean?

67 RARITY
What does--? I-- it means, um...
"Follow your dreams."

68 SCI TWI
Why doesn't she just "Follow your
dreams?"

69 RARITY
That's not the point!

CUT TO:

EXT. SUGARCUBE COUNTRY - LATER

Toddlers ride very slow FLYING SWINGS. Rainbow Dash watches, then breaks down in front of Pinkie Pie and Fluttershy.

70 RAINBOW DASH
I can't take it any more! I'm going
to ride the Cloudsdale Coaster.
You're welcome to come with me,
whoever wants to.

71 PINKIE PIE
Let's do this thing.

72 RAINBOW DASH
Fluttershy? Are you in... or out?

They turn to Fluttershy. PUSH IN as she decides...

CUT TO:

EXT. EMPLOYEES ONLY DOORWAY - LATER

Vignette leads AJ and SS through a Wild West set to a CANYON WALL with the outline of a door on it.

73 VIGNETTE
Employees only-- and friends of
employees, of course.

She opens the door and leads them into...

INT. HALLWAY - EMPLOYEES ONLY - MOMENTS LATER

...an average-looking office complex hallway.

74 SUNSET SHIMMER
So this must be office-land?

75 VIGNETTE
It's just offices. Mine is just
back here.

76 SUNSET SHIMMER
I know. It was... a joke.
(sotto, to herself)
Stupid, stupid, STUPID!

77 VIGNETTE
Applejack, can I ask you something?
How can you, like... LIVE without
SnapGram?

78 APPLEJACK
Well, when I look at what you do on
there, I have to ask... are you
really living? ...Or just staging a
life.

Vignette makes a face-- "did you just insult me?" Sunset's
eyes widen.

79 SUNSET SHIMMER
What she means is, um-- you're
great, Vignette. So cool.

80 VIGNETTE
I actually have a lot of prep for
the parade to get done, so like,
I'll see you later? K thanks bye.

Vignette turns on her heel and sashays away.

81 SUNSET SHIMMER
"Staging a life!?"

82 APPLEJACK
I was just bein' honest.

83 SUNSET SHIMMER
Applejack, you insulted her entire
existence!

84 APPLEJACK
In my defense, she did literally
crop me out of her "Hangin' with
friends" picture to be next to
Rarity without me.
 (off Sunset's glare)
She'll be fine-- as soon as she
posts again she'll have six hundred
boys ready to comment and cheer her
up.

Off Sunset's admonishing look...

CUT TO:

EXT. CLOUDSDALE COASTER - LATER

The coaster CLANKS up the steep hill. Rainbow Dash, Pinkie
Pie, and... an empty seat. Fluttershy watches from the
ground. She waves. Rainbow Dash waves back, then shakes her
head, annoyed.

As the coaster goes higher and higher into the clouds, it passes birds and even low-flying aircraft. As it climbs, Rainbow Dash babbles to Pinkie Pie...

85 RAINBOW DASH
Her loss. I mean what's so scary about a four hundred foot vertical drop right into three loop de loops and a corkscrew-- oh wait, an "inverted" corkscrew... wow, I didn't know it had one of those... and do those loops intersect? Fluttershy would hate those I bet. And that next part where it goes backwards? She's be all "stop the ride, I want to get off!" That's what she'd say. Right now, she'd yell it, like "STOP THE RIDE!" Seriously! "I WANT TO GET OFF! PLEASE SOMEBODY STOP THE RIDE! SOMEBODY ST--

HARD CUT TO:

EXT. CLOUDSDALE COASTER - LATER

Park attendants escort Rainbow Dash and Pinkie Pie down the steps at the base of the coaster. Dash puffs up.

86 RAINBOW DASH
I didn't want to get off. I was saying what Fluttershy would have said. This is all a mix-up...!

Pinkie Pie <CRACKS UP>.

87 RAINBOW DASH (CONT'D)
HEY! I WASN'T SCARED, ALRIGHT!?

88 PINKIE PIE
(laughing)
Oh really? Should we go back? We could go back--

89 RAINBOW DASH
(overlapping)
NO! Ahem, not yet, I'm a little hungry, aren't you...?

90 PINKIE PIE
(sighing from laughing)
Oh, I hope Fluttershy was watching.

91 RAINBOW DASH
Where is Fluttershy, anyway...?

WIDE SHOT: the three of them looking around, but there's no one in sight.

CUT TO:

EXT. EQUESTRIAN EATS - LATER

A food court with Appaloosan Meat-on-a-stick served off a wagon. Sandwiches from a deli push-cart. And we find Sunset Shimmer waiting at a SUSHI TRUCK. She gets her food and meets AJ at a table, where AJ has Meat-on-a-stick. The both smell their food.

SUNSET SHIMMER APPLEJACK
Mmmmmm, the perfect lunch. Mmmmmm, the perfect lunch.

Sci Twi, Pinkie Pie, and Rainbow Dash show up...

92 SUNSET SHIMMER
How was the roller coaster? Where's Fluttershy...?

93 RAINBOW DASH
She's not with you?

94 PINKIE PIE
Wait, wait-- I found her! She's with Vignette. WAIT, WHAT!? NO WAY!

Rainbow Dash is engrossed in her phone.

Everyone pulls out their phones. Fingers tap. Applejack reluctantly slides over and looks at Sunset's phone. It's a video of Vignette and Fluttershy having fun RIDING THE ROLLER COASTER!

95 PINKIE PIE (CONT'D)
They're riding the Cloudsdale Coaster together!

96 PINKIE PIE (CONT'D)
I guess she wasn't scared after all. Unlike somebody we know...

97 RAINBOW DASH
I WASN'T SCARED!

98 SUNSET SHIMMER
Gee, Applejack... Vignette seems
nice enough in real life to
convince Fluttershy to try a roller
coaster. Maybe you owe her an
apology...?

As Applejack grumbles and takes a bite of lunch...

CUT TO:

EXT. CLOUDSDALE COASTER - SAME TIME

The coaster <HISSES> to a stop in the station. Vignette sits
alone in her seat. She's been holding her phone out for a
selfie this whole time.

99 VIGNETTE
What do you say, Fluttershy... that
wasn't so bad, was it? And look at
that... ten thousand likes already.

PAN FROM Vignette sitting by herself over to HER PHONE, where
its screen shows her SITTING NEXT TO FLUTTERSHY, who makes
kissy faces and adjusts her pose/hair just like Vignette, as
GREEN MAGIC TENDRILS OF ENERGY flow around the phone.

100 VIGNETTE (CONT'D)
...You're going to make a great
SnapGram Filter.

Fluttershy-on-the-phone poses one last time before Vignette
SWIPES her finger and Fluttershy DISAPPEARS. <MUSIC STING>
and we FADE OUT..
