EXT. EQUESTRIA WORLD - DAY

A wide establishing shot of the park with the sounds of
<RIDES> and <SCREAMS> and <PEOPLE HAVING FUN>.

HARD CUT TO:

EXT. EQUESTRIA WORLD - ENTRANCE PLAZA - DAY

Applejack SCOWLING hard, the way only she can. Meanwhile,
everyone has gathered around Vignette and Rarity.

1 RARITY
Everyone, this is Vignette. She
runs PR for the park... and she's
my boss.

Vignette doesn't look up from typing on her phone.

2 VIGNETTE
I told you not to use the b-word.
I'm your friend...
 (knowing fake smile)
...who gets to "boss" you around.

3 RARITY/SS/RD/FS/PP/ST
<FAKE LAUGH>!

WHIP PAN to Applejack with a <WHIP CRACK> sound. She shakes
her head like "Come on..."

4 RARITY
So, this is Sunset Shimmer, Rainbow
Dash, Pinkie Pie, Twilight Sparkle,
Fluttershy, and Applejack.

A curious look from AJ... miffed to be named last?

5 VIGNETTE
 (without looking up)
Mmmm.

6 RARITY
They're my best friends, soooo, I
thought you'd like to meet them.

7 VIGNETTE
 (still typing away)
Mmmmmmm-hmmm.

WIDE SHOT of everyone just standing there. AJ raises an
eyebrow to Rarity, who begins grasping at straws...

8 RARITY
Ummmm, you know, we're in a band
together-- The Rainbooms?

Vignette looks up for the first time, a hint of recognition.

9 VIGNETTE
Rainbooms...? Why is that
familiar...
 (fingers flying at her
 phone)
Twenty-one thousand followers.
Focused consumer-centric
demographic, too-- is your curated
content consistently on-brand?

A moment where the girls look to each other like uhh, then--

10 PINKIE PIE
...We sing songs!

Everyone nods in agreement. Vignette <CLAPS>, pleased.

11 VIGNETTE
Ok. We absolutely have to *collab*.

Everyone nods in even bigger agreement.

12 VIGNETTE (CONT'D)
Dream Big, that's been my power
phrase since I started my first
company. A middle school girl
selling artisinal handmade mascara?
Haters said I just melted a bunch
of non-toxic crayons, but I said...
DREAM. BIG. <GASP OF AN IDEA>! I am
going to turn you into the
centerpiece of tonight's Light
Parade.

13 SCI TWI
 (sotto)
Without melting us though, right?

14 SUNSET SHIMMER
We'd be honored, right everyone?

Nods and <AGREEMENT WALLAH>. AJ eventually nods too.

15 VIGNETTE
 (quickly pointing at each
 girl in turn)
Like. Like. Like. Like. Like. Like.
 (MORE)

VIGNETTE (CONT'D)

Upload and post this one, ladies--you
all are going to trend nationally.
I'll at you individually later with
exact deets on tonight.

(to Rarity)

Keep Dreaming Big, Rare. V out.

Vignette turns on her heel and walks away suddenly... leaving
everyone confused but excited. (And AJ dubious...)

16 RARITY
Isn't she amazing?!

17 APPLEJACK
She sure is... something.

18 TWILIGHT SPARKLE
Logistical question: how are we
supposed to get our instruments?

19 RARITY
Vignette will handle everything.

20 APPLEJACK
I got a question too: when you said
she's your "Best Friend at the
park," did you mean "Best Friend--
comma-- At the Park?"

21 RARITY
Oh, don't make that face! Tonight's
a huge opportunity-- not just for
me, now-- but for all of us!

Everyone agrees. But Applejack still looks bummed.

22 RARITY (CONT'D)
(off AJ's look, kind of
annoyed, but playing it off)
Really? Well... enjoy the park.
I'll be occupied preparing for
tonight's preparation. Though I do
have a three minute break at four
o'clock-- let's meet then in the
staging area for soundcheck and run-
throughs. Don't have too much fun
without me!

Rarity heads off. Applejack watches her go with a <SIGH>.
Rainbow Dash leans into frame next to her.

23 RAINBOW DASH
Welllllll Applejack, looks like
Rarity doesn't need our support as
much as you thought, so... let's
all go fun our brains out!

24 SUNSET SHIMMER/PP/ST/FS
*Great idea./ Yay!/ She sure is in
her element./ Mmm-hmmm.*

PUSH IN ON APPLEJACK, wondering what to do...

CUT TO:

EXT. CLOUDSDALE COASTER - DAY

ANGLE ON: An empty track. <ROLLER COASTER SOUNDS> approach,
and then the Cloudsdale Coaster ROCKETS through frame. It
ZOOMS through a loop, then another loop. CLOSE ON FLUTTERSHY:
her eyes tracking all over the place, watching the coaster,
as she gets more scared by the second. Rainbow Dash cups her
hands and yells.

25 RAINBOW DASH
 (yelling)
Don't be scared!

<ROLLER COASTER SOUNDS> and <TERRIFIED SCREAMING>.

26 FLUTTERSHY
 (yelling over noise)
WHAT!?

27 RAINBOW DASH
 (yelling)
DON'T BE SCARED!

28 FLUTTERSHY
 (yelling)
I can't hear you over all the
scared people!

The coaster comes to a <HISSING> stop at the loading zone.

29 FLUTTERSHY (CONT'D)
I wish I'd gone with Sunset and
Twilight, or Pinkie Pie, or
literally anyone else in the entire
park...

30 RAINBOW DASH
Look at it this way-- it's the
perfect opportunity to conquer your
fears.

31 FLUTTERSHY
 (looking over a park map)
Can't I conquer something a little
smaller first?

32 RAINBOW DASH
A warm-up before the big game? As
long as it's not a "kiddie ride." I
got a reputation to uphold, you
know.

33 FLUTTERSHY
Don't worry, this will be way too
scary for little kids...

CUT TO:

EXT. KIDDIE ROLLER COASTER - SUGARCUBE COUNTRY - LATER

Rainbow Dash and Fluttershy sit together in a roller coaster
car as CLANK-CLANK, it crests the top of a hill, Fluttershy
hangs on to the safety bar for dear life and <SCREAMS>.

WIDE SHOT: they're going down the tiniest hill ever on the
tiniest coaster ever: the "Lil' Nimbus." The rest of the
coaster is LITTLE KIDS. As the cart wobbles down the shallow
sloping track, Fluttershy marvels to Rainbow Dash:

34 FLUTTERSHY
These kids are so brave!

Rainbow Dash facepalms.

EXT. EQUESTRIA WORLD - PARADE STAGING AREA - DAY

A flurry of activity in this behind-the-scenes space, filled
with props, costumes on racks, and several massive platforms
for the parade. Two people in DUCK costumes waddle by and
trip over a string of ELECTRIC LIGHTS, yanking them off a
float and BREAKING a fake CANDY CANE which almost hits
Applejack, who is PULLED out of the way at the last moment by
RARITY, who never even looks up from her clipboard:

35 RARITY
Applejack, this is a living,
breathing dance of light and sound.

Throughout the scene, Rarity and Applejack never stop walking, and Rarity makes decisions and talks to underlings without breaking stride. Two ASSISTANTS rush over and wrap Rarity's waist/legs in fabric from her carousel dress (see toy line B4909). One measures, the other sets pins.

36 RARITY (CONT'D)
Even when the lead platform is
passing over the Ghastly Gorge
bridge, the final rig will still be
undergoing last minute changes in
here. Love it, lock it, make it.

The two assistants scurry away and four people have lined up, each holding different choices in their hands, (including props and outfits from B4910). Rarity points to options.

37 RARITY (CONT'D)
Beautiful. Perfect. I just threw
up. Love it. Brilliant. NOW HURRY
UP! I NEED THESE DONE YESTERDAY!

38 APPLEJACK
You were born for this, Rarity.
Anything I can do to help?

39 RARITY
...Play a great show tonight?
EXCUSE ME, I KNOW I'M NOT SEEING A
ZIPPER ON THAT CHANGELING FULL-FUR!
A "WORKING ZIPPER" IS SIMPLY A
STUCK ZIPPER WAITING TO HAPPEN.
(shaking her head, to AJ)
This is what I'm up against,
Applejack.

40 APPLEJACK
So... want to take a break and go
get a candy apple?

Rarity blinks, a stupefied expression stuck on her face.

41 RARITY
(patronizing)
I'd love to darling, but I am a tad
bit quite insanely super busy!

42 APPLEJACK
Of course-- I just thought--
nevermind. You're right-- I wouldn't
want to keep ya from knockin' the
skin off a snake tonight.

43 RARITY
Thank you, I-- WHAT DID I JUST
SAY!?

Rarity storms away because-- Two ASSISTANTS tug at a STUCK ZIPPER on a CHANGELING COSTUME. They fall over, crashing into the already-broken Candy Cane platform, breaking it more. Off Applejack's WINCING FACE...

CUT TO:

EXT. CLOUDSDALE COASTER - LATER

WIDE SHOT of the massive CLOUDSDALE COASTER. It CLANKS up the steep first hill. CLOSE ON: Rainbow Dash in the front.

44 RAINBOW DASH
Now this is more like it, am I
right?

REVEAL: an empty seat next to her. Down below, Fluttershy waves. Rainbow Dash rolls her eyes. As the coaster goes higher and higher into the clouds, it passes birds and even low-flying aircraft. As it climbs, Rainbow Dash babbles...

45 RAINBOW DASH (CONT'D)
(growing more frantic with
each realization...)
Her loss. I mean what's so scary
about a four hundred foot vertical
drop right into three loop de loops
and a corkscrew-- oh wait, an
"inverted" corkscrew... wow, I
didn't know it had one of those...
and do those loops intersect?
Fluttershy would HATE that I bet.
And that next part where it goes
backwards? She's be all "stop the
ride, I want to get off!" That's
what she'd say. Right now, she'd
yell it, like "STOP THE RIDE!"
(trying to get the
attendant's attention)
Seriously! "I WANT TO GET OFF!
PLEASE SOMEBODY STOP THE RIDE!
SOMEBODY ST--

HARD CUT TO:

EXT. CLOUDSDALE COASTER - LATER

Park attendants escort Rainbow Dash down the steps at the base of the coaster. As she approaches Fluttershy, Dash puffs up, head held high.

46 RAINBOW DASH
This is all a mix-up...! I didn't
want to get off. I was just saying
what you would have said. Whatever.

With a straight face, Fluttershy nods with empathy. But as soon as RD passes, Fluttershy smiles, covering her mouth, then silently cracking up-- savoring one of the few times she's ever out-braved Rainbow Dash.

Then FS's phone <DINGS>. She checks it. Off her intrigue...

CUT TO:

EXT. EQUESTRIA WORLD - CANDY APPLE STAND - DAY

AJ wanders the park, alone, bored. Her face is buried in the fold-out map, which she rotates around, no idea which way is up. She tries to fold it several times before becoming frustrated and crumpling it up to shove it in her pocket.

47 MICRO CHIPS
Apples-- Candy Apples over here. We
got red and green and everything in
between! Get your Candy Apples!

Applejack perks up, realizing she's at-- THE CANDY APPLE STAND.

48 APPLEJACK
Micro Chips?!

49 MICRO CHIPS
Candy Apple?

50 APPLEJACK
(pointing at herself,
correcting him)
Applejack. You're who they hired to
be the Candy Apple Girl?

51 MICRO CHIPS
Guess I was the best "man" for the
job. Exhibit A:

He dips an apple on a stick into a caramel-spinning machine. He pulls it out, stretching the brown goop, which he gets tangled in, tying himself up until he can only move his wrist a tiny bit... which is how he offers AJ the finished product.

52 MICRO CHIPS (CONT'D)
Ahem, hand made.

Applejack stares, dumbfounded. Micro Chips struggles against the hardened caramel webbing that now encircles him.

53 MICRO CHIPS (CONT'D)
Do you by any chance have a knife,
or samurai sword, or several tiny
but very sharp nail clippers?

Applejack ignores him-- her attention drawn to FLUTTERSHY WALKING WITH VIGNETTE. Curious, Applejack watches them walk around the corner, in what looks like a serious conversation.

EXT. EQUESTRIA WORLD - SUGARCUBE COUNTRY

Following Vignette and Fluttershy, we see them emerge in a different area of the park, a candy-inspired wonderland.

54 VIGNETTE

I know what you're thinking. "But Vignette, how can I ever thank you for coming up with such a brilliant idea for the parade?"

 (with a flip of her hair)

De nada... as the French say.

55 FLUTTERSHY
I don't understand... you want me to
pretend I'm someone else tonight?

56 VIGNETTE

Everyone in the band has a new role.
It's part of my BOLD NEW VISION-- all
caps, helvetica sixty-five.

Vignette gestures at the empty space in front of them, selling an idea that Fluttershy is NOT buying.

57 VIGNETTE (CONT'D)
Fluttershy: Bad girl! Spiked hair,
ripped tights-- and I've already
commissioned an A-list grafitti
slash sneaker artist to design the
perfect guitar: how do you feel
about flaming skulls? Specifically
ten of them?

58 FLUTTERSHY
Listen... um... I was already
nervous about being in a parade-- I
don't like performing on moving
objects--

59 VIGNETTE
What are you saying?

60 FLUTTERSHY
Maybe I, um, just... shouldn't do
it... at all.

61 VIGNETTE
You're forgetting one thing...
(super-dramatic whisper)
Dream Big.

62 FLUTTERSHY
I usually dream about cuddling with
fluffy bunnies.

63 VIGNETTE
You can't say no to this kind of
opportunity...

PUSH IN ON VIGNETTE, frustrated, then an idea forms...

64 VIGNETTE (CONT'D)
No, I'm sorry. You're not
comfortable with my vision, that's
your right as a citizen of the free
world. In fact, I just thought of a
way to for us both to get exactly
what we want!

65 FLUTTERSHY
You did?

66 VIGNETTE
Of course! It's what I do, sweetie.
Now... "Say cheese..."

Vignette holds up her phone to snap a pic of Fluttershy, who awkwardly poses-- confused to be suddenly photographed. The phone GLOWS with snaking lines of EQUESTRIAN MAGIC. Smoky tendrils sprout, wrapping themselves around Fluttershy, engulfing her in a cloud of magical smoke that gets sucked back into the phone, and then...

Fluttershy is gone.
