INT. EQUESTRIA WORLD - EMPLOYEES ONLY HALLWAY - DAY

<OMINOUS MUSIC> as we pick up a little before where we left off with part 3...

PUSH IN ON: Vignette's office door - identifiable by her picture on it. (A selfie of her at the office.)

INT. VIGNETTE'S OFFICE - DAY

Inside, we find APPLEJACK hunched over Vignette's computer, watching the monitor with fearful eyes...

THE SCREEN: A security video showing Vignette as she takes a picture of Fluttershy on her phone-- and then MAGIC TENDRILS snake out from the phone, ensnaring Fluttershy until she disappears.

1 APPLEJACK
Is that... Equestrian Magic...?

Suddenly Applejack turns, frightened at the sounds of <FOOTSTEPS>.

2 VIGNETTE (O.S.)
I'll be right there... I just have
to get something from my office!

As Vignette's shadow falls across the door, PUSH IN ON APPLEJACK'S WORRIED FACE!

INT. EMPLOYEES ONLY HALLWAY - SAME

Vignette walks up to her office. She pulls a KEY from her pocket and moves to unlock the door, but makes a surprised face because... the door is already slightly ajar.

3 VIGNETTE
Hello...?

<DRAMATIC MUSIC> as she pushes the door open, revealing...

...her office is empty. Vignette thinks for a beat, then jiggles the door handle. Curious. She approaches her desk and begins shuffling papers.

4 VIGNETTE (CONT'D)
Hmmm... where are you...?!

While she searches, ADJUST ANGLE so we can see APPLEJACK hiding under Vignette's desk!

11 VIGNETTE (CONT'D)
Keep an eye on that for me, would
you, Fluttershy? And oh, don't
worry-- you'll be with your friends
soon enough.
(catching herself)
Whoa, I like just sounded totally
evil just then-- ew! Ahem...
(calling off-screen)
Sorry I'm taking so long! Are you
ready to go?!

As Vignette heads out, she SHOVES her chair under her desk--

12 APPLEJACK (O.S.)
Ow!

Vignette pauses, looking back at her desk... then decides,
nahhh... and goes out the door.

13 APPLEJACK (CONT'D)
(sotto)
I gotta warn everybody!

CUT TO:

INT. EQUESTRIA WORLD - HANGER - LATER

Excited <CROWD WALLAH> and <THUMPING BASS> from a speaker.
CLOSE ON: Measuring tape stretching taut. Scissors clipping.
Sewing machines chewing fabric. Assistants crossing left and
right with armfuls of fabric.

ANGLE ON: clothes hanging on a rolling rack. They're whisked
apart to create an opening through which steps RARITY--

14 RARITY
One hour until wheels up, everyone!
The Light Parade waits for no one--
tick tock, tick tock!
(pointing O.S.)
Why am I still seeing hot pink trim
on that dragon's tail?! Neon is the
enemy, people! WE ARE AT WAR!!!

Up on the RAINBOOMS PARADE PLATFORM: SUNSET SHIMMER, SCI TWI,
RAINBOW DASH, and PINKIE PIE inspect their outfits-- plain
white jumpsuits.

15 SUNSET SHIMMER
Uh... Rarity?

16 RARITY
WHAT IS IT NOW!?
(catching herself)
I'm sorry-- I so appreciate you
being here for me, all of you. Even
Applejack, who apparently has more
important things to be doing at the
moment, and-- I'm sorry-- is there
something I can help you with...?

17 SUNSET SHIMMER
I'm not sure...

Sunset holds up the outfit, showing off how plain and white
it is.

18 RARITY
Of course you're right, your
outfits are not finished-- but
that's no reason for me to panic,
right?

Rarity shakes Sunset by the jacket collar.

19 RARITY (CONT'D)
TELL ME NOT TO PANIC, SUNSET! TELL
ME NOT TO PANIC!!!

20 SUNSET SHIMMER
Breathe, Rarity. Everything's fine.

21 SCI TWI
Even if we're just wearing...
white... nylon... space suits...
what are these anyway?

22 PINKIE PIE
Don't worry, I'm sure you've got
something TOTALLY AMAZING up your
sleeve.
(checking Rarity's sleeves)
You did remember to wear sleeves
with amazing things up them, right?

Just then, Vignette strides over, <CLAPPING> to get their
attention. She's walking with TRENDING TOPIC ("cool tween").

23 VIGNETTE
There she is-- the lady of the hour!
I know you're *supes-biz*, but can you
squeeze a Q and A with my friend,
Trending Topic?
(aside)
(MORE)

VIGNETTE (CONT'D)
Fashion blogger-- two million, six
hundred twenty-one thousand
followers.

24 RARITY
(dazed)
I'm one of them.

25 VIGNETTE
(even more aside, winking)
Make us look good.

26 TRENDING TOPIC
Hiiiiiiiiii. Big fan. So like...

She thinks for a LONG TIME. Rarity desperately checks a clock
on the wall, tapping her foot, sweating until Trending Topic
points her phone at Rarity and starts recording.

27 TRENDING TOPIC (CONT'D)
(a super-deep question)
...what does fashion mean to you?

28 RARITY
What an... insightful question!
One I can definitely answer while
simultaneously preparing for
tonight's parade, if you don't mind
a little multitasking?

29 VIGNETTE
While the two of them do their
thaaang, why don't the rest of us
pop into the other room for a quick
photo-op...? Fluttershy will meet
you there, and it will just take a
second and then I won't bother you
again. I promise.

As Vignette grins and pulls out her phone... <BOOM>!
Applejack slams open the door!

30 APPLEJACK
Stop!

WIDE SHOT: Everyone freezes. <SILENCE>.

31 APPLEJACK (CONT'D)
Oh, not everybody stop, I just
meant my friends. You all, keep...
doin' what you're doin... sewin' up
them... clothes... uh... sorry.

Rarity stares in disbelief as Applejack hurries across the hanger, her <FOOTSTEPS> echoing in the awkward silence.

32 APPLEJACK (CONT'D)
Nobody go anywhere with Vignette,
understand?

33 SUNSET SHIMMER
Not really.

34 RAINBOW DASH
Not a clue.

35 PINKIE PIE
Nuh-uh.

36 SCI TWI
Nope.

37 APPLEJACK
I found out what happened to
Fluttershy.

38 VIGNETTE
...we're about to go meet her!

Applejack smirks.

39 APPLEJACK
You'd like us to believe that,
wouldn't you? Rather than the
truth, which is that Fluttershy...
IS TRAPPED IN YOUR PHONE!

Applejack's triumphant finger-pointing accusation is met with confused stares from the others.

40 APPLEJACK (CONT'D)
Alright I suppose that may require
a little more background info for
y'all to understand... uh, let's
see, where to even begin? Hmmm...

Rarity looks around to see-- EVERYONE is staring at Applejack.

41 RARITY
Less staring, more working, people!
TICK TOCK TICK TOCK!

Scissors cut. Needles thread. But eyes stay on AJ...

42 APPLEJACK
From the first moment I met her, I
knew there was something about
Vignette I didn't like.

Rarity is MORTIFIED. Sunset and Sci Twi exchange a look--
yikes. Pinkie Pie glances from Vignette to AJ, eyes wide.

43 PINKIE PIE
("sotto" but really loud
whisper)
APPLEJACK! I THINK SHE CAN HEAR
YOU!

44 APPLEJACK
(ignoring Pinkie Pie)
I couldn't figure out why she'd
want to be your friend.

RARITY'S FACE: "what did she just say?" Rainbow Dash looks at
Vignette, who glares at Applejack.

45 RAINBOW DASH
Uh yeah, she can definitely hear
you.

46 APPLEJACK
...But then I saw what she's up to
and I put it all together...
(lowering her voice)
Vignette's been corrupted by
Equestrian Magic.

ANGLE ON Trending Topic's phone as she records every second.
Rarity clocks it and closes her eyes, taking a calming
breath.

47 SUNSET SHIMMER
Wait a minute... it can't hurt to
check Vignette's phone, right? You
wouldn't mind...?

48 VIGNETTE
(glaring at AJ)
Be my guest, but Rarity, I'm
disappointed. Don't you trust me?

ANGLE ON: Rarity's assistants stop measuring to watch. WIDE:
in fact, everyone is watching as Vignette hands her phone to
Rarity.

Rarity scrolls through the phone. AJ waits...

49 RARITY
There's nothing here.

50 APPLEJACK
Go to the filters.

51 RARITY
It's a normal phone, Applejack.
There aren't any filters.

52 APPLEJACK
That's impossible-- I saw them in
her office!

53 VIGNETTE
You broke into my office?

Vignette goes to take the phone back, but Applejack reaches
and tries to hold on to it. They pull it back and forth.

54 APPLEJACK
Let me see it!

Suddenly the phone DROPS-- it CRACKS and breaks!

Rarity's eye twitches.

55 RARITY
Pinkie Pie, do you still work at
the Bumper Cars...?

56 PINKIE PIE
Uh-huh! Why...?

CUT TO:

EXT. EQUESTRIA WORLD - BUMPER CARS - DAY

Behind the wheel of a BUMPER CAR...

57 RARITY
HOW COULD YOU DO THIS TO ME!?

Rarity stomps on the gas-- her bumper car roars straight at
APPLEJACK's bumper car, bumping it! She backs up and bumps it
again and again. Pinkie Pie works the control booth, covering
her eyes.

<SAD MUSIC> overwhelms the soundtrack. Applejack closes her
eyes as Rarity rams her car.

Finally, exhausted, Rarity stops, gets out, and heads off
toward Vignette, who watches, shaking her head.

As a Park Security Guard helps Applejack out of her bumper car and takes her away...

...Vignette escorts Rarity the other direction. Pinkie Pie follows, looking back sadly.

INT. EQUESTRIA WORLD - HANGER - LATER

As Rarity and Vignette re-enter the hanger, Pinkie Pie trails behind them.

58 VIGNETTE
Applejack will get over it, once she finally understands that this is your night. Sure, she was jealous of our friendship, but who wouldn't be?

59 RARITY
(empty)
Is everyone working as hard as they can? Good. I'm taking a break.

CUT TO:

INT. EQUESTRIA WORLD - HANGER - BACK ROOM - LATER

Rarity still feels bad. Vignette and Pinkie Pie watch from the doorway. Rarity is on her phone, flicking through photos of herself and AJ having fun: making funny faces, hanging out together at the mall, on the farm, and finally catching up to the present: earlier that day at the park.

Then suddenly she gets a funny look.

60 RARITY
That photograph you and Fluttershy on the roller coaster...

61 VIGNETTE
What about it?

RARITY opens the photo on Vignette's timeline. She zeroes in on... VIGNETTE HOLDING HER PHONE in the photo.

62 RARITY
If you took the picture with your phone... how are you holding a phone too? Do you have two phones...?

Vignette smirks. She pulls out her second, identical phone.

63 VIGNETTE
What social media star doesn't?

64 RARITY
...Can I see that one?

65 VIGNETTE
I'm afraid not...
(closing the door behind
her...)
...because it has your friends
trapped in it.

66 PINKIE PIE
PLOT TWIST!

67 VIGNETTE
And while you were playing bumper
cars, I captured the rest of them.
Oh, except you, Pinkie Pie.

As Pinkie <GASPS>, Vignette points the phone at her and TAKES
HER PICTURE. Magic tendrils grab Pinkie and pull her into the
phone.

68 PINKIE PIE
Rarity...! Tell my boss I'm taking
a sick day...!

She's gone. Rarity backs away, her world spinning...

69 RARITY
Applejack was right!? But I
thought... how could you-- why--

70 VIGNETTE
I'd explain myself, but I'd rather
just get this over with.

71 RARITY
No!

Vignette points the phone at Rarity and TAKES HER PICTURE.
Magic tendrils come out, enveloping Rarity as she tries to
protect herself but she's completely covered in colorful
magic as Vignette <LAUGHS> and we...

FADE OUT!
