**EXT. CRUISE SHIP - DAY**

Sci Twi and Sunset Shimmer load up a LIFE BOAT with red lifeguard rescue floats, blankets, a megaphone, etc...

SCI TWI

You should stay here where it's safe-- this is my fault.

SUNSET SHIMMER

She's out there looking for magic that wouldn't be here if it weren't for me.

FLUTTERSHY

Maybe she'll turn around on her own?

PINKIE PIE

I found this in her cabin...

She holds out a note. Rarity reads it.

RARITY

(reading)

Not turning around. Got to save the day. I'll bring you back souvenirs.

SCI TWI

(frustrated)

As if a broken engine and massive storm weren't enough...

SUNSET SHIMMER

We've got to catch her before she kills herself in that storm.

FLUTTERSHY

But if you're gone, who'll fix the engine...?

APPLEJACK (O.S.)

Leave that to me.

Applejack comes out a bulkhead and steadies herself against a rail.

SUNSET SHIMMER

You're seasick. Going below decks is the worst thing you could do.

APPLEJACK (O.S.)

Not worse than losing Rainbow Dash. Bring her back now, you hear?

PUSH IN on Sunset and Sci Twi... they will.

SUNSET SHIMMER  
And you all make sure there's not a  
single person up here when that  
storm hits.

Fluttershy still looks worried.

SUNSET SHIMMER (CONT'D)  
No bunnies either.

RARITY  
...And I'll make sure Micro Chips  
is looking good.

Everyone turns to her, surprised. Rarity is indignant.

RARITY (CONT'D)  
Suddenly it's a crime to Micro  
Chips a makeover? Fluttershy's  
worried about a rabbit for heavens'  
sake!

CUT TO:

**EXT. OCEAN - LATER**

PAN ACROSS the empty ocean for a moment before we hear a  
<MOTORBOAT ENGINE>, then a LIFEBOAT with Sunset and Sci Twi  
skips across the waves-- the distant CRUISE SHIP shrinking  
below the horizon behind them.

CLOSE ON Sunset and Sci Twi-- bracing against the wind, but  
more determined than ever.

**EXT. THE SKY - DAY**

Clouds darken and swirl. Rain speeds up and pelts the sea.  
LIGHTNING FLASHES. As the <THUNDER> cracks, CUT TO:

Sunset Shimmer, one hand on the outboard motor-- the other  
shielding her eyes from the rain.

SUNSET SHIMMER  
Look-- it's getting worse!

SCI TWI  
But not because of us!

SUNSET SHIMMER  
Not sure about that.

A giant wave SPLASHES onto them.

SCI TWI  
(shouting over wind)  
Increase our angle of incidence to  
be perpendicular with oscillation  
vector!

SUNSET SHIMMER  
What!?

SCI TWI  
WATCH OUT FOR THAT WAVE!!!

PUSH IN ON SUNSET-- eyes widening!

WIDE SHOT: Like a toy boat, they're carried up a giant wave  
as big as a house. It curls over them, blocking out the sky.

They cover their faces and WATER COMPLETELY FILLS THE FRAME.  
Bubbles and <SPLASHES> toss us around and we...

FADE TO BLACK.

<THE SOUNDS OF WAVES ON THE BEACH>.

FADE IN:

**EXT. SANDY BEACH - LATER**

Sci Twi opens her eyes, groggy at first...

SCI TWI  
I had a horrible dream we were in a  
lifeboat and a storm sank it.

PULL BACK to reveal Sunset Shimmer sitting next to her,  
groggily taking in their surroundings: a tropical beach,  
their boat in pieces.

SUNSET SHIMMER  
You're safe and sound now...  
shipwrecked on a deserted island.  
Now our only hope is finding  
Rainbow Dash-- fingers' crossed her  
boat's still in tact...

Sci Twi looks out over the ocean.

SCI TWI  
She could be anywhere...

A PARROT <SQUAWK> gets their attention. It <SQUAWK> frantically, trying to tell them something.

SUNSET SHIMMER

Where's Fluttershy when we need her...?

PARROT

<SQUAWK>! "It's Jungle Time."  
<SQUAWK>! "It's Jungle Time."

They exchange a look.

SCI TWI

...Guess we don't need her.

The parrot SQUAWKS again.

SUNSET SHIMMER

(to Sci Twi)

So someone's been here already...  
do you think it's Rainbow Dash...?

SCI TWI

There's no way to know for sure.

PARROT

<SQUAWK>!!! "Quit saying everything  
I say, you stupid bird!" <SQUAWK>!

SUNSET SHIMMER / SCI TWI

That's her. / Definitely.

DISSOLVE TO:

**EXT. JUNGLE - DAY**

Sunset and Sci Twi push their way through thick branches...

**EXT. JUNGLE - DAY**

More jungle trekking, where they perk up on hearing--

RAINBOW DASH (O.S.)

Help!

**EXT. JUNGLE CLEARING - LATER**

Sunset and Sci Twi push their way through vines, they look up to see--

A GIANT VENUS-FLY-TRAP-LIKE PLANT with Rainbow Dash in its jaws. Vine-Tentacles sway in the air.

RAINBOW DASH

Oh hey.

SUNSET SHIMMER

Rainbow Dash-- are you okay?

RAINBOW DASH

Sure, just hanging out.

THWACK! THWACK! Sunset and Sci Twi are SNATCHED up by the giant plants' vines. They struggle but it coils around them and lifts them up toward its mouth.

RAINBOW DASH (CONT'D)

Did you come to apologize?

SCI TWI

Did we-- what!?

RAINBOW DASH

If this isn't Equestrian Magic, what is?

SCI TWI

The natural world!

The creature opens its mouth.

SUNSET SHIMMER

Can we have this debate some time when we're not about to get eaten?

RAINBOW DASH

You all bailed on your responsibility-- someone had to be a hero.

(to the plant)

Heh heh, that tickles.

It GULPS her down to her neck, startling her--

RAINBOW DASH (CONT'D)

Okay, now you're making me mad.

SCI TWI

The problem isn't that you wanted to be a hero-- you went off ON YOUR OWN! You put us all in danger.

RAINBOW DASH

We were already in danger.

SCI TWI  
But we could have handled it  
together. We--AHH!!

All three of them get SQUEEZED. Suddenly Sunset <GASPS>.

SUNSET SHIMMER  
Rainbow Dash-- you're right about  
the magic!

SCI TWI  
You're taking her side?!

SUNSET SHIMMER  
Look-- our faces!

HER CUTIE MARK is becoming visible, as though she were pony'd  
up. They look at each other and realize it's happening to all  
of them.

SCI TWI  
What does it mean?!

RAINBOW DASH  
It means I'm rig--AUGH!!

The plant CHEWS on them. Sunset's eyes dart around and she  
sees-- A SHIMMERING POOL OF WATER below them.

PUSH IN on Sunset-- touching her cutie mark'd face.

PUSH IN on the shimmering pool below...

SUNSET SHIMMER  
We have to jump!

RAINBOW DASH  
We're stuck--!

SCI TWI  
And even if we could-- those vines  
would pull us underwater!

SUNSET SHIMMER  
If I'm right-- going under water is  
our only chance...

She wriggles free, hanging upside down above the shimmering  
pool...

SUNSET SHIMMER (CONT'D)  
But I won't go without you. Friends  
stick together.

Big moment. They do it!

BRIGHT LIGHT TRANSITION...!

**INT. FOREST - LATER**

In a deciduous forest-- very unlike the jungle, we PAN DOWN from the sun to find a mound of dirt with a hole in the middle. We hear a three magical <FWOOSHES>!

SUNSET SHIMMER/SCI TWI/RAINBOW DASH  
<OUCH WALLAH>...

SCI TWI (O.S.)  
Where are we...?

RAINBOW DASH (O.S.)  
In a hole, obviously.

SUNSET SHIMMER  
Well, it's a little more  
complicated than that...

They climb out of the hole, and we see that it's actually a shimmering pool just like the one they fell into.

Also... they're ponies.

<MUSIC STING> AND WE FADE OUT!

**END OF PART FOUR.**
