EXT. EVERFREE FOREST - DAY

Sunset, Sci Twi, and Rainbow Dash stand around the SHIMMERING POOL, in the forest. While the other two gawk at their bodies, Sunset explains...

SUNSET SHIMMER

It was our faces-- the only other time they change like that is when we're about to unleash powerful magic. So that made me think we must be near something powerful...

SCI TWI

But, a portal to Equestria? What's it doing out there? And-- oof!

Rainbow Dash and Sci Twi keep falling like Bambi.

SCI TWI (CONT'D)

I should have taken horseback riding lessons.

RAINBOW DASH

It's all about muscle control...

Rainbow Dash closes her eyes.

RAINBOW DASH (CONT'D)

I'm concentrating on wiggling my legs.

Her back legs wiggle in the air.

SCI TWI

Back legs.

RAINBOW DASH

That means our arms control the front legs. See, athletics is all about understanding how--

WHOOSH! She flaps her wings and TAKES OFF, CRASHING into the ceiling.

RAINBOW DASH (CONT'D)

Nope-- arms are wings-- arms are wings--

(realizing)

I have wings!

She gets a groove going. Hovering. Sunset shares in her joy.

RAINBOW DASH (CONT'D)
THIS IS THE GREATEST!

Sci Twi stumbles again, frustrated. Sunset helps her up...

SUNSET SHIMMER
It'll be second nature by the time
we get to the castle.

SCI TWI
Whose castle...?

PUSH IN ON: Sunset's sly smile...

SUNSET SHIMMER
...Yours.

CUT TO:

EXT. RIDGE OVERLOOKING PONYVILLE - LATER

The three ponies emerge from the tree line and crest a ridge.
Sci Twi and Rainbow Dash are amazed at the view.

SUNSET SHIMMER
There it is... Ponyville.

The city bustles below them. Suddenly a HOODED ROBE gets
whisked over Rainbow Dash's head, put on by Sci Twi. From a
nearby ABANDONED WAGON, she pulls ANOTHER ROBE onto herself.

SCI TWI
I know it's happened before, but I
still think that interacting with
ourselves could... get complicated.
As in "tear apart the fabric of the
multiverse" complicated.

SUNSET SHIMMER
I don't think any world can handle
more than one Rainbow Dash.

They head off. Rainbow Dash follows...

RAINBOW DASH
We're not identical, though, right?
I've got to be at least twenty-one
percent cooler.

CUT TO:

EXT. TWILIGHT'S CASTLE - DAY

Two GUARD PONIES stand at attention, blocking the closed doors. From nearby, our trio watches, wary.

SUNSET SHIMMER

Let me talk to them-- stay here.

Sunset climbs the stairs.

SUNSET SHIMMER (CONT'D)

Hiiiiii, can I see Twilight Sparkle?

GUARD PONY

No pony allowed inside-- orders of the Princess.

SUNSET SHIMMER

But this is an emergency.

GUARD PONY

Come back tomorrow.

SUNSET SHIMMER

Our friends are going to be twenty thousand feet underwater tomorrow if you don't let me see--

GUARD PONY

--Princess Twilight!!!

SUNSET SHIMMER

Exactly! Huhh...?

She turns to see Princess Twilight Sparkle striding up the castle stairs, regal head held high.

SCI TWI

Open this door, peasant! Whoops!

Sci Twi trips. Sunset winces, rolling her eyes.

SCI TWI (CONT'D)

(recovering)

...For it is definitely I, the queen of friendships, the real Twilight Sparkle... a pony.

They open the doors. The trio enter-- Sci Twi grinning on seeing the guards bow.

SCI TWI (CONT'D)

I could get used to this.

SUNSET SHIMMER

...So much for the spacetime
multiverse.

RAINBOW DASH

Careful, Sunset-- she might throw
you in the dungeon.

CUT TO:

INT. TWILIGHT'S CASTLE - MAP ROOM - DAY

Spike and Twilight are doing something adorable. They turn at
the sound of <THE DOOR OPENING>. It's--

TWILIGHT SPARKLE

Sunset Shimmer...!

They nuzzle.

TWILIGHT SPARKLE (CONT'D)

What are you doing here?

SUNSET SHIMMER

It's... complicated.

REVEAL: In the doorway behind her-- Sci Twi and Rainbow Dash.
Sci Twi sheepishly waves a hoof. Spike looks from one
Twilight to the other.

SPIKE

Hoo boy.

CUT TO:

INT. TWILIGHT'S CASTLE - DAY

Stairway up a parapet... a walk and talk. Princess Twilight
Sparkle leads Spike and their three guests...

TWILIGHT SPARKLE

You're not going to like this, but
I have a guess as to who might be
behind all this... The Storm King.
He stole Alicorn magic and used it
to create a powerful storm in
Equestria, before my friends and I
were able to drain the storm's
magic and seal it in a staff. TK
more details, drama

SCI TWI
You really did that?

SPIKE
Oh it's nothing-- they do that kind
of stuff all the time.

Sci Twi is amazed. She and Rainbow Dash share a moment.
Twilight Sparkle opens a WOODEN CHEST...

TWILIGHT SPARKLE
Good thing I saved this.

Twilight reveals... THE STAFF!

TWILIGHT SPARKLE (CONT'D)
It can contain the storm's stolen
magic.

SUNSET SHIMMER
I just hope we're not too late.

CUT TO:

EXT. CRUISE SHIP - DAY

Back in the human world...

The Dance Club has been decorated with sea weed and
flashlights. People drink punch and dance to music. Octavia
reaches to fill her cup--

MICRO CHIPS
Allow me.

Her eyes widen. <RAD MUSIC> and we reveal he's lookin' FINE.

From across the way, Rarity watches him fill their punch
cups, pleased.

EXT. CRUISE SHIP - MAIN DECK - SAME

BIG STORM! Pinkie comes out from the Dance Club.

PINKIE PIE
Everybody inside!? Last call for
the "Eternity Under the Waves"
theme party!

RARITY
Rather morbid, don't you think...?

APPLEJACK
I couldn't fix it.

RARITY
If it makes you feel any better...

They watch Micro Chips dancing with Octavia.

APPLEJACK
Actually... it kinda does.

Fluttershy runs across the deck in the pouring rain--

FLUTTERSHY
I can't find Mr. Bouncy!

She's at the railing when-- STORM ENGULFS THEM!

Huge wave! <CREAK>!

The ship TEARS down the middle!

APPLEJACK
We're sinking!

FADE OUT.
