

**MY LITTLE PONY
EQUESTRIA GIRLS
SPRING BREAK BREAKDOWN**

**Part Six: "That Sinking Feeling"
#403-090**

Written by
Nick Confalone

First Draft 8/23/17

EXT. EVERFREE FOREST - DAY

IN EQUESTRIA... back at the forest portal with Twilight, Spike, Sunset and Sci Twi. Above them, Rainbow Dash flying...

RAINBOW DASH
Aww man, I'm gonna miss this.

Twilight Sparkle shows Sunset the staff...

TWILIGHT SPARKLE
All you have to do is bring the staff near the storm, and it should drain its magic right away.

SUNSET SHIMMER
If it doesn't work, we're not going to last very long...

They prepare. Sunset takes the staff.

TWILIGHT SPARKLE
Oh, and Sunset...? About what you wrote me? My friends and I do spend a lot of time dropping whatever we're doing to fight evil magic. But it's our friendship that keeps us grounded.
(then)
What else is worth fighting for...?

All three of them absorb that lesson. They say goodbyes, and--

RAINBOW DASH
See you on the other side!

They jump! <FWOOSH>!

CUT TO:

EXT. TROPICAL ISLAND - SAME

The girls <FWOOSH> out of the portal on the deserted island. They cover their eyes, finding themselves IN A WINDY THUNDERSTORM.

The staff begins GLOWING.

SCI TWI
MAKE IT WORK FASTER!!!

SUNSET SHIMMER

I'm trying! Which way to your boat,
Rainbow Dash?!

RAINBOW DASH

Forget the boat-- I've got a better
idea!

Off her confident look...

CUT TO:

EXT. CRUISE SHIP - DAY

The ship <GROANS> in the storm, tearing apart in the middle.

INT. CRUISE SHIP - SAME

In a hallway-- a BULKHEAD blows open and WATER GUSHES IN,
flooding the whole thing in seconds.

EXT. CRUISE SHIP - DECK - DAY

AN ENORMOUS CRACK splinters down the deck, breaking the ship
in half. As it begins to pull apart...

APPLEJACK

Get to the other side!

Applejack pushes Fluttershy, Applejack, and Pinkie Pie across
the gap. As she goes to jump-- she skids to a halt.

APPLEJACK (CONT'D)

It's too far!

PINKIE PIE

You can do it! The lifeboats are
right over there!

ANGLE ON-- the rack of lifeboats. A GIANT WAVE crashes on
deck and when the water clears-- THE BOATS ARE GONE.

Panic on their faces. Lightning strikes the ship. <THUNDER>!
They face plant on the deck, clinging as the ship lists
almost to 90 degrees!

AJ/FS/PP/RV

AHHHHHHHHH--!

Suddenly all <CHAOS SOUNDS> cut out except their scream... which becomes a confused <SCREAMY-LAUGHING-HUH> sound, because--

The storm is GONE. Sunny blue sky. And the ocean-- CALM.

As they look around trying to understand what happened, they see--

Distant storm clouds being sucked into something glinting on the ocean, kicking up spray like a hydrofoil and moving FAST.

Recognition on their faces...

EXT. OCEAN - SAME

IT'S RAINBOW DASH-- running along the top of the water!

RAINBOW DASH

Who needs a boat when you've got
this kind of speed?

Sunset and Sci Twi cling to her back, terrified. Sunset points--

SUNSET SHIMMER

The ship's cracked in half!

SCI TWI

Just get me on the deck-- I've got
this!

EXT. CRUISE SHIP - DECK - MOMENTS LATER

Rainbow Dash ZOOMS past the ship and tosses Sci Twi and Sunset onto the deck-- THUD.

PINKIE PIE

You got rid of the storm!?

RARITY

And found Rainbow Dash?

SCI TWI

I'll explain later. Right now we've
got something more important to do--
we didn't ask to be heroes, but we
have gifts, and it's up to us how
we use them.

(power stance)

I say we get everyone off this ship
before it sinks!

APPLEJACK
There ain't no more lifeboats!

PUSH IN ON SCI TWI-- confident.

SCI TWI
We can do anything when we work
together.

On the girls-- they're into it!

EXT. CRUISE SHIP - DAY

Applejack uncoils rope from a dock-line and swings it overhead like a lasso-- WHOOSH WHOOSH WHOOSH-- and sends it flying! The loop sails right across the crack and closes around a pipe. SHE PULLS-- her geode GLOWING with strength--

Applejack strains... she can't hold it... but then--

Sci Twi joins her. Her geode glows and magical TELEKINESIS LINES pull the two halves of the ship back together.

EXT. THE OCEAN - SAME

Rainbow Dash ZOOMS along the water alongside the ship. She veers away just as she comes to-- THE JAGGED CRACK IN THE BOAT.

RAINBOW DASH
It's still sinking-- We don't have
much time!

INT. CRUISE SHIP - NIGHT CLUB - MOMENTS LATER

Pinkie Pie bursts in the dance club, surprised/happy to see--

The party's still going! She cranks up a tropical song--

PINKIE PIE
Conga Line! Cha-cha-cha! Let's go!
Cha-cha-cha! Follow me! Cha-cha-
cha!

EXT. CRUISE SHIP - DECK

Pinkie Pie leads the crowd outside to <DANCE MUSIC>. They seem oblivious to any danger, having tons of fun!

PINKIE PIE
Let's go! Cha-cha-cha! Follow me!
Cha-cha-cha!

SUNSET SHIMMER
But Pinkie Pie-- there's no
lifeboats...

A moment of worry on their faces before we PUSH IN ON
FLUTTERSHY, a sly smile...

FLUTTERSHY
I took care of that...

WIDE SHOT OF THE WHOLE SHIP: the ocean bubbles all around it,
and suddenly-- A BLUE WHALE SURFACES ALONGSIDE THEM. Pinkie
Pie immediately leads the conga-line onto the whale's back.

CLOSE ON SUNSET-- blinking.

SUNSET SHIMMER
That'll work.

Meanwhile, Applejack and Sci Twi give it their all, but THE
ROPE SNAPS and the ship begins to break apart again!

Suddenly a BLUR streaks by them. Rainbow Dash zooms back and
forth between the crowd and the whale, helping people get off
the ship!

The ship starts to sink underwater. The stern disappearing
below the ocean's surface.

EXT. THE WHALE - SAME

Sunset helps the last few incidentals onto the whale.

SUNSET SHIMMER
That's everybody! Applejack,
Twilight-- let's go!

Applejack and Sci Twi hurry onto the whale's back just as it
floats away from the sinking ship.

WIDE SHOT: the crowd watches sadly...

THE SHIP IS SINKING INTO A BUBBLY STEW. There's only a little
bit left, when...

FLUTTERSHY
Mr. Bouncy!!!

A FLUFFY BUNNY hops back and forth on top of the wreckage, frantically trying to find a way to get help!

But they're too far! He's about to go under--

--when Rainbow Dash runs so fast she not only skims the surface of the ocean on her way to SCOOP HIM UP--

RAINBOW DASH
Gotcha--!

--But then her feet begin to lift... and SHE FLIES!!!

Everyone on the whale CHEERS!

Soaring up into the sky, cradling the bunny, savoring the amazingness of flight.

EXT. THE WHALE - LATER

Rainbow Dash touches down, passing the bunny to Fluttershy.

SCI TWI
Rainbow Dash! That... was...
AMAZING! You can fly!?

RAINBOW DASH
Listen everyone... I'm sorry I left. I got so caught up in being a hero that I lost sight of my friends.

SCI TWI
And I wanted to be normal so bad that I ignored my friend.

SUNSET SHIMMER
I think we can all agree things are going to be different, but whatever comes, we'll face it together.

Hugs!

WIDE SHOT: They stop hugging and then stand among everyone, on the back of a whale, in the middle of the ocean...

PINKIE PIE
Soooo.... Now what?

Sunset looks down at her STAFF. Then out at the ocean...

SUNSET SHIMMER

I might have a way home, but it's
kind of weird...

Off their looks...

EXT. EQUESTRIA - DAY

We hear Sunset's V.O. over a series of gags of the gang as ponies making their way through Everfree Forest and Ponyville. (E.g., The two Pinkie Pies having a silly-off.)

SUNSET SHIMMER (V.O.)

Dear Princess Twilight, Spring
Break has come and gone. It wasn't
what we'd planned for... it turned
out to be better. It's hard to
accept that we might never have a
normal vacation again, or a normal
school dance, or soccer game, or
who-knows-what, but... knowing that
we're going to face the it together
makes it a lot easier. With my
friends by my side, I'm ready for
anything.

Ending with Rainbow Dash and Sci Twi as they stumble out the
portal at CHS, human again, laughing.

END OF PART SIX.
