

My Little Pony: Equestria Girls Series

“That Sinking Feeling” Episode #403-090

Written by
Nick Confalone

Second Draft 09/08/17

FADE IN:

INT. TWILIGHT'S CASTLE - DAY

Picking up where we left off... Sci Twi stands at the mirror portal, torn with fear. Sunset, Rainbow Dash, Spike, and Princess Twilight watch, concerned.

1 RAINBOW DASH
If you're wrong... then our
friends' lives are in danger, along
with everyone else on that ship.

Sci Twi closes her eyes, scared. Rainbow Dash comes over.

2 RAINBOW DASH (CONT'D)
If I tell you a secret, do you
promise you'll never say anything
to anyone, ever?! Because I'll deny
everything.
(after Sci Twi nods)
One time Freshman year before the
all-star game... I was... nervous.

3 SCI TWI
You were nervou--

4 RAINBOW DASH
(directed at the others)
--AH! AH! NO I WASN'T-- SHE'S
LYING!!!

Rainbow Dash gives Sci Twi a wink, then continues...

5 RAINBOW DASH (CONT'D)
Point is: I know how it feels to
face something bigger, stronger,
faster, and... scarier than
yourself. I do it every week. But
you know how I get myself out on
the field?

6 SCI TWI
With that song, the one they play
every time-- "dun dun dah--"

7 RAINBOW DASH
I'm part of a team.
(thinks)
The pump-up song helps, though.

8 SCI TWI
...You were right, though. I didn't
want to believe there was magic
because... I was scared.

Sunset comes over...

9 SUNSET SHIMMER
Whatever the seven of us are
facing... however our lives are
changing-- in crazy ways we don't
understand... we're going through
it and learning together.

Sci Twi nods, teary-eyed.

10 RAINBOW DASH
Now I know we don't have to go out
looking for trouble. We have to be
there for each other when it finds
us... because it always will.

11 SCI TWI
(re: the staff)
But I guess if you hadn't gone off,
we wouldn't have what we need to go
back and save our friends.

12 RAINBOW DASH
All part of the plan.

PULL BACK: they Princess Twilight and Spike are watching.

13 SCI TWI
(warmly joking)
...Anything to add, Princess of
Friendship?

14 PRINCESS TWILIGHT SPARKLE
(proud)
Nope, you pretty much nailed it.

They share a smile. <KICK-ASS MUSIC> comes up and Rainbow
Dash turns to the others.

15 RAINBOW DASH
In that case... It's time to go
suck a storm up with a staff.
(then)
That sounded cooler in my head.

CUT TO:

EXT. CRUISE SHIP - DAY

Pinkie Pie, Rarity, and Fluttershy steady themselves on the deck against wind/rain. *

16 RARITY
Wherever did these horrible rocks
come from? *

17 FLUTTERSHY
(pointing)
An island! *

Through the storm, they can barely see the outline of THE
DESERTED ISLAND. Pinkie Pie looks over the rail. Bubbles from
below as the ship SINKS. *

18 PINKIE PIE
To the lifeboats! *

Pinkie Pie points triumphantly! *

ANGLE ON: THE RACK OF LIFEBOATS. A GIANT WAVE crashes on deck
and when the water clears-- THE BOATS ARE GONE. *

Pinkie stays frozen, pointing triumphantly where the
lifeboats were. Her finger gives a daffy-duck droop. *

Lightning strikes the ship. <THUNDER>! They faceplant on the
deck, clinging as water sprays over them from the assaulting
waves. *

19 AJ/FS/PP/RY
AHHHHHHHHH--!

Suddenly all <CHAOS SOUNDS> cut out except their scream...
which becomes a confused <SCREAMY-LAUGHING-HUH> sound,
because--

The storm is getting SUCKED TOWARD THE ISLAND! *

IN THE SKY: Clouds funnel downward. IN THE OCEAN: A glowing
blob gets sucked out. IN THE JUNGLE: The giant carnivorous
plant suddenly shrinks to a tiny little thing and makes a
cute <MEEP MEEP> sound. *

BACK ON THE SHIP: Sunny blue sky. Calm seas. Rarity,
Fluttershy, and Pinkie Pie look around, spotting-- *

OVER ON THE ISLAND-- Sunset, Sci Twi, and Rainbow Dash
walking out of the jungle... HOLDING THE STAFF ABOVE THEIR
HEAD. It glows with magical energy. *

20 SCI TWI *
Weather update: sunny... *

21 RAINBOW DASH *
...with a chance of awesome. *

Rainbow Dash's geode GLOWS and she puts her arms over their *
shoulders, then SPEED-RUNS SO FAST she runs along the surface *
of the water, towing them with her! *

EXT. CRUISE SHIP - DECK - MOMENTS LATER

Rainbow Dash LEAPS onto the deck with Sunset and Sci Twi. *
They land next to the other Mane 7 with a thud (as Applejack *
comes outside). *

22 PINKIE PIE *
You're back! *

She SQUEEZES them into a big hug. *

23 RAINBOW DASH *
Listen everyone... I'm sorry I *
left. I-- *

The ship LURCHES-- they all stumble. Pinkie Pie looks over *
the side. *

24 PINKIE PIE *
We're still sinking, by the way. *

25 SCI TWI *
We'll tell you everything later. *
Right now there's a lot of scared *
people on this ship and no *
lifeboats. We didn't ask to be *
heroes, but we have gifts. It's up *
to us how we use them. *
(power stance)
I say we get everyone off this ship
before it sinks! Who's with me? *

26 RAINBOW DASH *
I am! *
(then, to everyone) *
SEE HOW EASY THAT WAS?! *

27 FLUTTERSHY *
How will we do it without *
lifeboats? *

PUSH IN ON SCI TWI-- confident. *

28 SCI TWI
We can do anything when we work
together.

She holds out her hand. On the girls-- they're into it! As *
soon as their hands touch... A LINE OF ENERGY CRACKLES AROUND *
SUNSET'S GEODE NECKLACE. It travels down her arm and up Sci *
Twi's, activating HER GEODE. Down her arm to the next, and so *
on. After a BRIGHT FLASH, The Mane 7 are floating in *
formation, decked out in their CRYSTAL ARMOR, holding hands, *
wind blowing behind them. *

<ENDING MONTAGE MUSIC UP>! *

EXT. CRUISE SHIP - DAY *

Fluttershy hops onto a rock next the ship. Sea animals poke *
their heads up as she lays out a plan like a football coach. *

EXT. CRUISE SHIP - MAIN DECK - SAME *

Passengers gather on deck. Sci Twi's geode GLOWS... and she *
levitates the passengers off the boat... and onto... *

A SHIELD-LIFEBOAT, created by Rarity's geode... which is then *
PUSHED ACROSS THE LAGOON TO THE ISLAND by Rainbow Dash with *
SUPER SPEED! *

On their way, they pass a bunch of confused/amazed passengers *
riding dolphins and turtles to the shore. *

EXT. CRUISE SHIP - SAME *

ANGLE ON a closed bulkhead with a glass porthole. Micro Chips *
is visible through the porthole, banging on the glass-- *
<MUFFLED YELLING>. Applejack grabs the spinning handle but it *
won't budge. SHE PULLS-- her geode GLOWING with strength-- *

And the door opens! Micro Chips scrambles out, water gushing *
behind him. *

EXT. CRUISE SHIP - MAIN DECK - MOMENTS LATER *

Sunset helps Micro Chips and the last few incidentals gather *
together, then gives Sci Twi the signal to levitate. Sci *
Twi's geode GLOWS, and up they go-- Sunset and AJ too! *

They land in a Rarity-Shield lifeboat and Rainbow Dash ZOOMS *
them to the island. *

EXT. DESERTED ISLAND - LATER

The passengers stand on the beach, all watching...

THE SHIP, AS IT SINKS INTO A BUBBLY STEW. Only the very tippy-top of it is still above the waterline now.

29 SUNSET SHIMMER
That's everyone.
 (looking, realizing)
Wait... where's Pinkie Pie? Has
anyone seen Pinkie Pie!?

Pan down the Mane 7 (minus Pinkie)-- shaking their heads no-- ending with Sci Twi and Rainbow Dash. Who look over and spot--

--PUFFED PASTRY in uniform, wringing out her water-logged chef's hat.

30 SCI TWI/RAINBOW DASH
I know where she is.

They look at each. Rainbow Dash raises an eyebrow.

31 RAINBOW DASH
Game time?

32 SCI TWI
Game time.

<PUMP-UP MUSIC>! Sci Twi closes her eyes, her geode GLOWING as... she STRAINS HARD. <THE CROWD MURMURS> because... Out in the ocean... THE GLOWING SHIP STOPS SINKING!

Rainbow Dash BUR-ZOOMS across the water and dives into the ship's stack. Sci Twi falls to her knees, straining to keep it from sinking. IN THE WATER: Bubbles all around the ship!

Sunset, Rarity, Applejack, and Fluttershy watch, amazed. Suddenly Rainbow Dash ZOOMS back to the shore, carrying Pinkie Pie-- both of them soaking wet, panting.

33 RAINBOW DASH
I found her three decks underwater
swimming through the dining hall.

The chef glares. Pinkie Pie grins.

34 PINKIE PIE
IT WAS WORTH IT!

She reveals a plate of CAKE, then SCARFS IT DOWN. <BURP>. She brushes off the crumbs as everyone else looks around the island. WIDE SHOT: they stand there for a while.

35 FLUTTERSHY *
Soooo... now what? *

36 RARITY *
No reason to rush. Why, we could be *
quite comfortable building palm *
leaf chaise lounges and miniature *
tiki huts with duel-zone air- *
conditioning. *

37 APPLEJACK *
There aint no air conditionin' on a *
deserted island, Rare. *

38 RARITY *
SAVAGERY! *

Sunset looks down at her STAFF. *

39 SUNSET SHIMMER
I might have a way home, but it's
kind of weird...

Rainbow Dash and Sci Twi exchange a grin... *

CUT TO: *

EXT. EQUESTRIA - DAY *

A normal day in Ponyville at Twilight's castle... *

INT. TWILIGHT'S CASTLE - MAP ROOM - DAY *

Spike and Twilight sit with their jenga-like tower game. *
Spike gingerly removes a block, wobbling the tower-- but it *
doesn't fall. He's triumphant-- until <THE DOOR OPENS>, and *
when he whirls to look, his tail knocks over the tower. *

REVEAL IN THE DOOR: Sunset Shimmer. *

40 PRINCESS TWILIGHT SPARKLE *
Spring break...? *

BEHIND HER: EVERY OTHER PONY FROM THE SHIP. *

41 SPIKE *
Hoo boy. *

CUT TO BLACK. *

END OF PART SIX. *
