

Project: MLP – Equestria Girls
Song: “Coinky Dink World”
Type: Lyric Sheet – Full Demo
Date: 2/29/16

In her 1950’s style diner, Pinkie Pie plays cupid with two people in her special way, but ultimately it’s their own unique shared interests that make them connect.

Give this a swing Dance Broadway stage play feel. Lots of happy cheesy mugging type expressions on incidentals.

INTRO

Ext Establishing shot of the diner, truck in on doors by following behind 2 Incidentals as they approach the diner doors (Steady cam shot)

Put on a smile
It’s a coinky dink world

Laugh yourself awhile
In a coinky dink world

Transition to the interior with a rotating card wipe (ask me, I don’t know the proper name for it)
Show the interior shop buzzing and happy with activity – Lyra, Bon bon, and the gay boys are on a double date at one of the booths.

C’mon take a whirl
Thru a coinky dink world

V1

On the piano scale have PP suddenly pop up in the FG

Ya never know where you'll find a best friend – PP winks and zips os again

Coinky dink coinky dinky doo wah- quick shots (can be jump cuts) of PP and fellow waitresses zipping around doing their jobs

In a loud crowd or sitting all alone
Coinky dink coinky dinky doo wah

A little bity smile- PP notices our two quiet nerdy kids sitting near each other but alone and unawawre
has the power to start some fun – Back on PP who's face lights up (can get hearts in her eyes) she sees the potential for fun!

Coinky dink coinky dinky doo wah- Pinki-vision. BG dissolves behind nerd kids and they slide closer together on a colour card BG where a big heart forms around them?

CHORUS

Treat this like a Broadway musical dance number- we'll re-use the shots and choreography for all the choruses. Keep the shots quick and short with the beats, you can use cut ins of just their feet and roller skates as well as food being served or milkshakes being poured etc. Cut out occasionally to have PP and the 2 other waitresses dance in sync, jazz hands ect. This is where they'll lip sync along with the song

It's a zip zap – quick cuts to micro shots
Toe tap
Coinky dink world

A cling clang- dance choreography here- stay in one shot
Shake your thang
Coinky dink world

A wham pow- diff angle of choreography (stay in one shot)
Wonder how
Coinky dink world

A fizz pop- quick cuts to micro shots
Never stop
Coinky dink world

Take a whirl- dance choreography here- stay in one shot
In a coinky dink world- end with them clustered close together with jazz hands

V2

This verse will feature little gags of Pinkie trying and failing to get the 2 nerds to notice each other

Life has a way of keeping us all dancing- set up the gag on this line (she mixes them a special- but gross soda, a combo of what they're both drinking)

Coinky dink coinky dinky doo wah- it fails on this bit- they spit it out, each runs in a different direction

Don't skip a beat just do your thing- etc
Coinky dink coinky dinky doo wah

Step on up to all the world has to bring
Coinky dink coinky dinky doo wah

CHORUS

BRIDGE

One little thing leads to another- Pinkie begins building that HUGE oversized sundae in a series of shots

One tiny start never stops

You've got a special magic about ya

Big smile,- she's about to put the cherry on top big mind, big heart- it explodes, b/c of her magic the two characters are covered

CHORUS

VERSE 3

Whadaya know great minds meet at the same time – they look over at each other- each has a funny configuration of whipped cream and ice cream on them

Coinky dink coinky dinky doo wah – they girl looks like Einstein

Whadaya say? – boy pulls out his Einstien book No way, me too!- girl pulls out the exact same book

Coinky dink coinky dinky doo wah- they laugh

Coincidence is a joyride shared with you - she takes his hand and pulls him onto the dance floor.

Coinky dink coinky dinky doo wah- pinkie brushes some sundae off herself- satisfied, job well done

CHORUS

Same dance choreography as before- but this time add the two nerds dancing along with Pinkie and the waitresses too. Instead of the mall macro shots from before (food getting served etc) just use the 2 nerds having a great time dancing together, in a close to mid shot.
