A-Dressing Memories

Beatsheet by Josh Haber

TEASER**INT. BOUTIQUE – DAY**

- RARITY putters around the boutique waiting for TWILIGHT SPARKLE to arrive for her dress fitting.
- Suddenly SPIKE and STARLIGHT barge in. They're in a sweat.
 - They explain their big plan—they are making a scrap book for TS. More than that, actually. It's a magical book of memories. SL found a spell, TS will be able to see the memories anytime she wants, but they have to record them.
 - They need RY to go over some memories with TS so they can get them into the book
- RY wants to know how to go about doing that, but before they can get into it... KNOCK, KNOCK. TS is at the door! END TEASER

ACT ONE**INT. BOUTIQUE – RESUME**

- SL and SK tell RY to just talk to TS about old times, they'll do the rest. They hide, just as TS walks in.
- Twilight thanks RY for being so generous with her time re the fitting and RY demurs. She's not the most generous pony in the world. TS, "Of course you are!" RY glances at SL & SK in their hiding place and they indicate for her to get on with it. RY, "Name one time when I was generous." TS, "I can name a billion, but the first one was not long after I met you..." RIPPLE TO:
 - RY moment from the pilot with Steven Magnet. (102)
 - If we have time for more, we can do V.O. of TS a la, "And then there was the time when... etc."
- Back with TS and RY. RY admits she's had her moments, but she hasn't always been prefect. RIPPLE TO:
 - The clip of her forcing her friends to work like in a sweatshop. (408)
 - Others if there's time. (413 Trenderhoof, etc.)
- Back with TS and RY. TS admits, everyone slips up from time to time. Just as she says that SL slips in her hiding place with a CRASH. Off TS asking what that was we... END ACT ONE

ACT TWO**INT. BOUTIQUE – RESUME**

- TS wonders what the CRASH was and RY quickly explains it away: The Raccoon family from her Manehattan store is helping out in back.
- Glancing over to ensure SK & SL are good to continue, RY changes the subject explaining how nice it is to sit and reminisce. "We hardly get the chance now that everypony is so busy. Especially you, TS. I can't believe you're going to rule all of Equestria. You are such an inspiration."

- TS explains that RY is an inspiration to her! She's such a successful business pony... RIPPLE TO:
 - Clip of RY opening her first shop outside of Ponyville. (514 Canterlot Boutique)
 - More RY as entrepreneur clips, time dependent. (610 Saddle Row and Rec, etc.)
- Back with TS, who talks about how much she admires RY and points out that she's not the only one... RIPPLE TO:
 - Various clips of ponies appreciating RY (It's Not the Mane Thing About You, etc) culminating in...
 - Supercut of Spike's crush.
- Back with TS and RY as RY admits her and SK's relationship is very special.
 - Embarrassed, SK knocks over a bolt of fabric and nearly reveals himself and SL again as we...END ACT TWO

ACT THREE

INT. BOUTIQUE – RESUME

- TS wonders what the family of raccoons are doing to make such a racket and RY says she should look into it. She tells TS to stand still or she'll mess up the measurement and ducks out.
- RY rushes over to talk to SL and SK. Surely they have enough memories by now. They tell her almost. Just a bit more.
- RY heads back out. "Where were we?" TS tells her she was just explaining what an inspiration she is. RY tells her that she isn't quite convinced. After all, she's just a fashion pony. Basically she only sews.
- TS points out that she is so much more as we RIPPLE TO:
 - Various clips of the many sides of RY:
 - RY investigates
 - RY in dragon costume
 - RY kicking bad guy butt
 - Etc.
- Back to RY and TS. RY is touched TS thinks so highly of her. Of course she would never brag about herself, but everything TS said sounds more or less correct.
- RY looks over to SK and SL who give her a thumbs up type signal to indicate that they have what they need.
- RY tells TS that she has everything she needs. TS is confused. She doesn't actually remember RY taking any measurements. RY explains there's no need, the dress is basically finished. WHAT?! RY shows it off on a dress form and they both swoon. RY explains she just wanted to double check—she's a bit of a perfectionist when it comes to design. TS, "That's just one of the things I love about you." She goes on to say she's glad they had the chance to reminisce about all the rest. As they embrace as we...
FADE OUT.
