TEASER

SC. 1 - INT. SUGARCUBE CORNER - DAY

CLOSE on PINKIE PIE staring across the counter at SPIKE and STARLIGHT staring back. In a series of cuts we go back and forth between them, getting closer every time (think the camerawork in a Spaghetti Western as two gunfighters face off) until finally...

1 PINKIE PIE
So let me get this straight...
(TAKES A LONG EXAGGERATED BREATH)
You and Spike are putting together
a magical book of memories that you
plan to give to Twilight as a
surprise at her coronation and you
need me to get her to talk about
her favorite memories of me so you
can record them in your book?

Spike and Starlight stare at her for a beat, then...

2 SPIKE
Pretty much.

64

Starlight whips out the book and sets it on the counter.

29 30

3 PINKIE PIE
Twilight is headed over to taste
the cupcakes I made for her
coronation... Ooh! I know just how
I can use that to get her memory
muscles moving! Don't worry. I
totally got this.

Starlight looks around at the empty shop.

4 STARLIGHT GLIMMER
That's good, because there isn't
any place for us to hide while you
do it, so you're gonna be on your
own.

Starlight's horn glows as she sends a bit of magic at the book.

5 STARLIGHT GLIMMER (CONT'D)
The book's all set. When you're
ready just tap the cover with your
hoof and it'll start recording
whatever memories are nearby.

5A 31A

She taps the book and it starts to GLOW. Starlight taps the book again, and the glow fades.

Pinkie nods and slides the book under the counter out of sight, just as TWILIGHT SPARKLE walks into the shop.

Both Spike and Starlight snap to an awkward attention.

29 30

6 STARLIGHT GLIMMER (CONT'D)
And that's why a savory pie is a far superior pie to a sweet pie-- (making a big show of it) Oh, hiiii Twilight. How are you?

2

7 TWILIGHT
Hi, Starlight. I'm fine. Hey, Spike.

29 30

Starlight whirls around, grandly.

8 STARLIGHT GLIMMER
Oh! Hello, Spike. I didn't see you there, since we came into the shop separately and not together.

68

9 SPIKE
Uh-- Yeah. We definitely came here for totally different things, but now it's time for us to go.

With that, the two of them turn and walk out.

29 30

10 SPIKE/STARLIGHT
Bye, Twilight!

Twilight turns to Pinkie, confused.

2

11 TWILIGHT
What was that all about?

Pinkie looks back at her oblivious.

29 30 6C

12 PINKIE PIE
What was what all about?

Off Twilight's confused expression we...

For your coronation cakes I've used the science of baking to come up with a formula that connects tastes with memories!

Memories? How does that work?

15 PINKIE PIE
Take a bite and tell me the first thing you remember. Whatever pops into your head.

She shoves the vanilla cup cake at Twilight.

23 TWILIGHT
I don't know about your memory formula, but I sure liked the cupcakes... and thinking of some of my favorite times with you was pretty fun too.

24 PINKIE PIE
Close enough! Thanks for your help.

With that, Pinkie escorts Twilight to the door, just as Spike and Starlight return.

25 STARLIGHT GLIMMER
Oh. Hello again. It seems that we, er-- I, forgot to pick up our, um-- my, order.

26 SPIKE 68ABC 69ABC
Me too. III III

Twilight stares at them for a beat, confused. Finally, Pinkie ushers her out the door.

Pinkie closes the door behind Twilight and pulls the blinds closed. She peers out for second, then...

27 PINKIE PIE
Well that could not have gone better. I got Twilight to remember all sorts of fun memories of me.

Starlight rushes back behind the counter.

28 STARLIGHT GLIMMER
That's great! And the book worked okay when you tapped it?

Pinkie stares for a beat, then...

29 PINKIE PIE
Oh, yeah. I kinda forgot about that part.

Starlight pulls out the book and flips through EMPTY PAGES. Off her and Spike's frustrated expressions...

30 PINKIE PIE
Thanks for coming back. I really thought I had my taste/memory formula figured out, but I was completely and totally wrong. So... On to stage two!

With a flourish, Pinkie pulls the cover off of a small table on which she reveals... several cakes, all meticulously decorated in excruciating detail.

Twilight looks down at a cake topped with multiple mini-Pinkie's. Pinkie gives her a bite and she smiles...

ON TWILIGHT - puzzling this out.

Yes. Absolutely. That's exactly
what this cake reminds me of.

Twilight looks to Pinkie, hesitant.

37 TWILIGHT
Yes?

38 PINKIE PIE
(emphatic)
NO! Those were all trick questions.
This cake is about my ability to
sum up a series of events in a
quickly stated run-on sentence that
keeps going for as long as it takes
for me to say either everything
that's happened up to this point or
everything that's going to happen
with no real way of explaining how
I could possibly know that
information.

Off Twilight looking at Pinkie with a smile...

39 TWILIGHT
Pinkie, I love that you are taking
this job so seriously. Memories or
not, I trust you to make whatever
coronation cakes you want.

With that, Twilight heads out. Pinkie looks after her for a beat, then opens the glass display case below the counter like it's the trunk of a car.

Shelves of sweets appear to sit below until Pinkie pulls at the bottom and we see the sweets display was actually a painted canvas which Pinkie now rolls up like a sun shade.

Under the canvas, Starlight and Spike are smooshed together hiding and they tumble out onto the floor. As they stand and dust themselves off, Starlight taps her glowing book and it stops glowing.

47 48
↓ ↓
40 STARLIGHT GLIMMER
Pinkie that was great. I think we
got everything we needed.

41 PINKIE PIE
We most certainly did not! Twilight
got all those memories wrong. My
taste/memories formula isn't
working.

42 SPIKE
Didn't you make that up?

47 48
↓ ↓
43 PINKIE PIE
Sure, but that doesn't mean it
shouldn't work! We need to try
again! BACK TO THE CUTTING BOARD!

Pinkie marches back into the kitchen. Off SK and SL's long-suffering expressions we...
