TEASER**EXT. SWEET FEATHER SANCTUARY – DAY**

- TWILIGHT arrives at the Sanctuary to find FLUTTERSHY working with a collection of animals on a presentation for the coronation. ANGEL is “helping.” Twilight watches as Fluttershy addresses a group of butterflies, a group of humming birds, a couple of swans, etc. When Twilight is crowned they will all fly up in a choreographed design/routine around her head. Fluttershy sees Twilight and takes a break to talk to her. TS is impressed, she’s sure that what FS has planned will be amazing. FS is less convinced. Getting these animals to work together is going to be a challenge. TS is confident. If anypony can do it, it’s Fluttershy. Fluttershy hopes her friend is right, but as they turn back we see Angel in the middle of the animals all fighting, arguing, slacking off, or otherwise in disarray. Off FS, miserable we... ACT ONE**EXT. SWEET FEATHER SANCTUARY – RESUME**

- FS tries to corral the animals but can’t manage to get them to listen. She doesn’t know what the problem is. She wonders if it might be that they are picking up on her stage fright since she’s training them for such a public performance. As TS remembers how difficult performing is for FS we... RIPPLE TO:
 - CLIP from Filli Vanilli (414)
- Back at the sanctuary, FS agrees that might be it. Regardless she can’t get them to respond to her polite requests. She had hoped that with TS there, they would fall in line, but that doesn’t seem to be the case. She knows she should get tough with them, but can’t quite bring herself to do it. TS knows FS has always struggled with being assertive, but points out that she’s made such great strides. As TS remembers we... RIPPLE TO:
 - CLIP when she stood up to the fans in Fame and Misfortune (714)
 - CLIP where she stands up to her brother in Flutter Brutter (612)
 - Possible CLIP from the Breezies episode in 416
- Back at the sanctuary, FS agrees, but counters that being assertive is all well and good as long as you don’t take it too far... RIPPLE TO:
 - CLIP of her out of control in Putting Your Hoof Down (219)
- Back to TS nodding. FS does have a tendency to do that... RIPPLE TO:
 - CLIP – Fake It Till You Make It (804)
 - CLIP – FS as the Hulk-like character in Power Ponies (406)
- Back at the sanctuary with FS, a bit downhearted. “Thanks for reminding me. Now I really don’t know what to do.” As TS considers what she can say to help we PAN to reveal...
 - The Animal mayhem has gotten worse. Angel now leads the group in a strike/walk-out. Off FS’s desperate <SIGH> we... END ACT ONE.

ACT TWO**EXT. SWEET FEATHER SANCTUARY – RESUME**

- As TS tries to reassure her, she wonders if FS shouldn't just use her inherent power over animals, "Have you thought about using The Stare? That almost always works." Off TS's suggestion we... RIPPLE TO:
 - CLIP from Staremaster (117)
- Back to FS who points out that it doesn't always... RIPPLE TO:
 - CLIP from Flash Bees episode when it didn't work.
- Back again to FS. She explains that she gets the best results when animals participate of their own free will.... RIPPLE TO:
 - CLIP from Scaremaster
- Back to FS, "Besides, I'm not comfortable forcing them to do anything." But as the animals start to leave, TS flies in front to stop them. She gives a big speech asking them how they can leave and not stand by Fluttershy. "Just think of all the times Fluttershy stood up for you!" ... RIPPLE TO:
 - TBD CLIPS of FS standing up for animals (Bats! perhaps?)
- Back to TS still giving her speech, "And that's not even getting into all the other things that are so great about her..." RIPPLE TO:
 - TBD CLIPS of FS being great
- Cut back to the end of TS's moving speech to find the animals are still leaving. TS doesn't understand why until FS comes over and explains. TS gave a very nice speech. It even made FS blush and it's nice to know TS thinks so highly of her. TS, "So what went wrong. Why are they all still leaving?" FS, "Oh, probably because you don't speak animal." Off TS, frustrated we... END ACT TWO.

ACT THREE**EXT. SWEET FEATHER SANCTUARY – RESUME**

- Back at the sanctuary, FS cleans up the mess from the animal uprising. Depressed she wonders if the whole thing wasn't a bad idea to begin with. Besides, she doesn't feel like she or her ideas are all very important in the grand scheme of things. Twilight takes exception to this. FS is important and she's especially important to her. As TS explains we... RIPPLE TO:
 - TBD CLIPS of TS and FS as friends.
- Cut back to TS, FS is moved. She's glad they are such good friends. But this coronation routine has become so difficult. FS admits she isn't sure she has the patience to see it through. TS laughs. She's sure dealing with all those creatures is frustrating, but FS knows how to deal with the most frustrating creature in existence... RIPPLE TO:
 - TBD CLIPS of FS and Discord.
- Back to FS. "Wow. I hadn't even thought of that. You know what? You're right!" With that, FS runs over to the groups of animals and give a little speech of her own. She knows it's been hard but she's going to stick with it and she expects each and every one of them to do the same. As the animals begrudgingly agree, FS returns to TS and thanks her. She gave her just what she needed, but now TS needs to go. FS wants the final product to be a surprise.

- Once TS is gone, Angel Bunny comes over and gives FS a hoof/paw bump. FS responds, “Yes. You did a pretty good job too!” She looks to the other animals, “You all did.” The animals all LAUGH.
- Just then SL and SK emerge from some nearby bushes with their magical quill and scrape book. They explain that Fluttershy’s plan worked perfectly. FS agrees, “Convincing TS that I didn’t know what to do with the animals was even easier than I thought it would be. After that it was pretty easy to get her to remember all the things we’d been through together.” SL and SK beam. They are almost done collecting all the memories for TS’s scrape book. FS is excited. It’s such a good idea and she can’t wait to see the finished product. Off all of them happy we...
