TEASER

INT. CANTERLOT – DAY

- CELESTIA and LUNA look through the scrap book that STARLIGHT and SPIKE have made for Twilight. The Princesses aren't sure if there is anything that they could add that isn't already covered, but there does seem to be a pretty glaring omission. SL and SK are shocked. What could they possibly have forgotten? The Princesses smile. "You are both so thoughtful, clearly Twilight is important to you. Don't you think the two of you might be important to her?" SL and SK share a look. Whoops. They forgot to put in memories of themselves! END TEASER

ACT ONE

INT. CANTERLOT – DAY

- With Celestia and Luna, SL and SK reminisce about their memories of TS. SK's memories of Twilight go back as far as he can remember. She's always been there for him... RIPPLE TO:
 - Supercut CLIPS of SK as a baby with TS (his hatching in Sonic Rainboom, maybe flashbacks with Shining Armor from ep 200)
- Back with SK as he points out that, even more important than being there as long as he can remember, TS has been there when he really needed her... RIPPLE TO:
 - TBD CLIPS of TS standing up for SK, providing him with advice, helping him when he needed it, etc. (in Gauntlet of Fire, or when he becomes a big greedy dragon in Secret of My Excess, etc.)
 - End on a CLIP of TS assuring Spike she'll always love him and be there for him, and that he's her family from 824.
- Back with SL who admits that her initial memories of Twilight don't start out quite as warm and fuzzy as Spike's... RIPPLE TO:
 - TBD CLIPS of SL being a villain in 501-502 and 525-526
- Cut to SL explaining that, of course, all of that is behind her because when TS reached her hoof out in friendship everything changed... RIPPLE TO:
 - TBD CLIPS of TS and SL as friends. TS reaching out to SL in 526, SL helping out in 610, TS giving her the School in 920, etc.
- Back on SL who quickly points out that it certainly hasn't been easy and that she hasn't always been the best student... RIPPLE TO:
 - CLIP from Every Little Thing She Does Is Magic
- Back to SL, SK, and the Princesses. Celestia points out that now that they've heard Starlight and Spike's memories, it's brought to mind a few of their own... RIPPLE TO:
 - TBD CLIPS of TS with Celestia (Pilot, Sonic Rainboom, etc.)
 - TBD CLIPS of TS with Luna (Luna Eclipsed, etc.)
- Back with SL and SK. It seems that they all have some great memories of TS. Then it occurs to them that most of the book is filled with TS's memories of her friends and not the other way around. Just as SK, SL, and

the Princesses have their own favorite memories of TS, the rest of the friends probably do too. As SK and SL agree they have more work to do we... END ACT ONE.

ACT TWO

INT. TWILIGHT'S CASTLE – DAY

- SK and SL have gathered the rest of Twilight's friends. They explain that the book is almost finished but as the two of them reminisced about Twilight, they realized that they hadn't given everypony else the chance to do the same. Rarity, "You want us to put our own memories of Twilight in the book?" Applejack, "You mean, like, how she's always studyin'?" Dash, "Or freaking out?" Pinkie, "Or just being the teensiest bit detail oriented?" Starlight tells them yes. All of that. As the gang considers...

RIPPLE TO:

- A series of TBD CLIPS reflective of those specific kinds of TS moments: (Lesson Zero, It's About Time, etc.) Each of the M5 have a chance to weigh in.
- Finish with a series of more sentimental TBD CLIPS of TS and her friends.
- Cutting back to the group, SK and SL are excited. They are certain they have everything they need and they couldn't be happier with the scrap book. Twilight is going to love it. Their plan is to give it to her right before they all leave for the coronation tomorrow. Everypony is excited!

INT. TWILIGHT'S CASTLE – NEXT DAY

- But when SL and SK show up to give TS the book, everypony is running out in a panic (linked to ep 926). SK asks what's going on and Pinkie explains, "Twilight was upset that we weren't upset, but then we told her we were upset, then we all got upset. We feel better now, only we used up so much time being upset that we don't have time for the coronation which is a big upset!" As Pinkie runs off with the others, SK and SL share a look. SL, "So we'll just give it to her later, then? END ACT TWO

ACT THREE

EXT. CANTERLOT – NIGHT

- Spike and Starlight reflect on the coronation. It sure was a mess, but at least Twilight actually was crowned, so the good news is it's over. It seems like the only thing that actually worked out was giving Twilight the scrap book. As they walk up to the table around which TS and the rest sit, TS tells SK and SL how much she loves it. She can't believe they worked so hard on it. It really is the perfect present. No matter what happens, she'll always be able to open it and remember all of her friends. As TS opens the book we... RIPPLE TO:

- A series of TBD CLIPS of them all as a group: going on adventures; the first time using the elements of harmony, the sonic rainboom showing them their united destiny. We can include lighter things like them working together during the escape room, or even arguing, but it should wrap up on them together and happy as...

- We cut back to them at the table and TS closes the book. She's so grateful for her friends and everything they've given her over the years. Of course, she doesn't need a book to remember it all, but it's wonderful to have it all in one place. They all embrace and off of SL and SK smiling at a job well done we... FADE OUT.
