EXT. TREE OF KNOWING LIBRARY - DAY

Twilight Twinkle walks into scene carrying a book on her back.

Suddenly Rainbow Dash runs through the scene, almost knocking Twilight over. Rainbow leaps up and takes flight off screen.

TWILIGHT TWINKLE
Rainbow! Careful!

RAINBOW DASH
Sorry! Practicing moves! Woo hoo!

TWILIGHT TWINKLE
<sigh>

Twilight settles herself, grabs the book with her mouth and sets it on the ground. She opens it, bends her neck forward and begins to read. She does not get far when Pinkie Pie comes trotting into scene, an open umbrella over her shoulder, and a closed one in her mouth.

PINKIE PIE
Whiwight, I bwrought oo ahm
unbwewwa.

Twilight looks up from her book.

TWILIGHT TWINKLE
What?

She spits out the umbrella at Twilight's feet.

PINKIE PIE
I mean.. I brought you an umbrella!

TWILIGHT TWINKLE
But Pinkie,
(motioning to sky)
there isn't a cloud in sky!

PINKIE PIE
I know, but this morning...? I
woke up...? And I had a funny
twitch in my tail. That *always*
means *something* will be falling out
of the sky.

TWILIGHT TWINKLE
Oh Pinkie. Do you really think a
tail twitch is a reliable signal
for rain?

All of a sudden...

RAINBOW DASH (V.O.)
LOOK OUT BELOW!! AAAAAAAHH!!!

Before they can do anything, Rainbow Dash flies into scene from above and...

WHAM!!! Crash lands into Pinkie and Twilight. When the dust cloud settles, the 3 fillies lay in an awkward heap. Pinkie's umbrella is demolished.

Beat.

Pinkie pops her head up out of the pony pile.

PINKIE PIE
Whoah! That was awesome...

Twilight scowls at Pinkie.

TWILIGHT TWINKLE
(sotto)
Was that your "rain?"

PINKIE PIE
Yes... no... wait a sec...

Her tail visibly twitches.

PINKIE PIE (CONT'D)
No, that wasn't i---

Suddenly Twilight's book falls out of the sky and bonks her on the head,

PINKIE PIE (CONT'D)
THAT was it.

There's an awkward beat as Pinkie and Dash await Twilight's scolding.

Then...

ALL 3
HA HA HA HA HA HA HA!!!!!!
