

122 PRINCESS CADENCE
(with a smile)
It's lovely.

Our MONTAGE MUSIC resumes.

E) Rainbow Dash does some stretches in preparation for performing her Sonic Rainboom. Princess Cadence approaches with a little box of food and sets it down in front of her.

123 PRINCESS CADENCE (CONT'D)
Don't forget to eat a little
something. You'll need to keep up
your stamina.

Rainbow Dash grins.

F) Shining Armor, wearing his tuxedo, checks himself out in a mirror. Twilight enters frame and uses her magic to place his top hat on his head. He reaches over and tussles her mane with his hoof.

124 SHINING ARMOR
Love ya, Twily.

125 TWILIGHT
Love you too, B.B.B.F.F.

Shining Armor raises an eyebrow -- B.B.B.F.F.? Twilight just gives him a big old grin.

The MUSIC FADES as we END MONTAGE.

INT. WEDDING BALLROOM - SOON AFTER

The wedding of Shining Armor and his real bride begins. Fluttershy peeks through the doors that lead into the ballroom and gestures to her song bird choir. They begin to WHISTLE and TWEET a version of PACHELBEL'S CANON.

*

The doors open and the members of the wedding party make their entrances.

This time each Groomsmen escorts two bridesmaids. On one side is a Ponyville Pony in a brand new bridesmaid dress. On his other side one of the no-longer zombified original bridesmaids.

Twilight is the last member of the wedding party to make her way down the aisle. She and her brother share a smile as she takes her place by his side for this momentous occasion.

Once the procession of groomsmen and bridesmaid's is complete, the songbird choir concludes the Pachelbel Canon. Fluttershy blushes as Princess Celestia gives her a nod of approval for the birds' performance.

Another gesture from Fluttershy and the birds begin to CHIRP a **version of our "WEDDING SONG"**. *

Once again, the doors to the ballroom swing open, this time revealing Princess **Cadence**. Dressed in a brand new WEDDING GOWN, she is absolutely radiant. A soft white glow literally emanates from her. *

She slowly makes her way down the aisle. Unicorn wedding guests use their magic to dab their eyes with LEVITATING HANDKERCHIEFS as she passes by them.

She takes her place beside Shining Armor. The songbird choir goes silent and Princess Celestia begins to speak.

126 PRINCESS CELESTIA
Ladies and Gentlecolts, we are
gathered here today to celebrate
the union of the *real* Princess Mi
Amore Cadenza...

*

127 PRINCESS CADENCE
Princess Cadence is fine.

Princess Celestia gives her a nod of understanding.

128 PRINCESS CADENCE (CONT'D)
The union of Princess *Cadence* and
Shining Armor. The strength of
their commitment is clear. The
power of their love undeniable.

PRINCESS CADENCE (CONT'D)

(then)

May we have the rings please.

Spike steps forward holding a red velvet pillow. Upon it are two gold rings. Twilight uses her magic to lift them off the pillow. She smiles at her brother and the pony who will soon be her sister-in-law. Princess Cadence and Shining Armor look deep into one another's eyes. *

INT. WEDDING BALLROOM - SOON AFTER

Princess Celestia concludes the wedding ceremony.

129 PRINCESS CADENCE

I now pronounce you husband and wife.

A <CHEER> goes up from the crowd as Princess Cadence and Shining Armor share their first kiss as a married couple. *
NOTE: Their kiss should be short and sweet, more like a peck. *
PINK and WHITE SPARKS fly from their horns and we can see *
they are now wearing the gold wedding bands on them. *

Princess Celestia looks over at Rainbow Dash who is starting to tear up a little.

130 PRINCESS CELESTIA

(whispering)

Rainbow Dash, that's your cue.

Rainbow Dash quickly wipes away a tear and takes off. Suddenly, through the open windows of the ballroom we see Rainbow Dash perform a SONIC RAINBOOM.

131 WEDDING GUESTS

Ooooooh.

Rainbow Dash follow it up with another, equally impressive Sonic Rainboom.

132 WEDDING GUESTS (CONT'D)

Ahhhhh.

EXT. SKY - AT THE SAME TIME

A proud Rainbow Dash looks down at the wedding.

133 RAINBOW
Yep. Best. Wedding. Ever.

INT. RECEPTION BALLROOM - SOON AFTER

The party is in full swing. Pinkie Pie plays DJ as the wedding guests happily play her party games and shake their pony rumps on the dance floor. Twilight stands in the corner watching the affair with a smile.

A giddy Shining Armor and Princess Cadence approach Twilight.

134 SHINING ARMOR
None of this would've been possible
without you, little sis.

Twilight shrugs off the compliment.

135 PRINCESS CADENCE
Whatta ya say? Wanna get out there
and dance with us?

INT. RECEPTION BALLROOM - A MOMENT LATER

Silence. Absolute DARKNESS. Then a single spotlight shines down on Princess Celestia and Shining armor who have taken their places in the center of the dance floor. Our "WEDDING SONG" begins and they dance a slow dance together. SCREECH. The sound of a needle sliding off a record.

ANGLE ON PINKIE PIE at her DJ booth.

136 PINKIE PIE
Let's get this party moving!

Suddenly, the room is filled with bright flashing lights, falling balloons and confetti. The romantic version of our "Wedding Song" turns into a fast-paced, dance version.

*

Princess Celestia and Shining Armor share a smile and then break into fast-paced, disco style dance moves. They part to let Twilight join them on the dance floor. **She begins to SING.**

137 TWILIGHT

**Love is in bloom. A beautiful
bride. A handsome groom./ Two
hearts become one. A bond that
cannot be undone./ Love is in
bloom. A beautiful bride. A
handsome groom./Through good and
bad weather/They face the world
together./Love is in bloom.**

She then joins Princess Celestia and Shining Armor in a choreographed DANCE ROUTINE.

138 PRINCESS CADENCE

Come on everybody. Join us!

The rest of the wedding guests join Twilight, Shining Armor, and Princess Cadence on the dance floor.

A BIG MUSICAL DANCE NUMBER follows that should include, but shouldn't be limited to the following:

The original bridesmaids putting on a CHOREOGRAPHED ROUTINE that has them re-enacting their earlier zombie-like states with stiff "Thriller"-esque dance moves.

A circle forming around Pinkie Pie who does "the worm" and then a back-spin.

Shining Armor and Twilight sharing a goofy dance together.

Spike trying desperately to dance next to Rarity, but constantly being shoved aside by the shaking rump of a wedding guest.

Princess Cadence doing the pony-equivalent of a chorus line with all her bridesmaids...

EXT. CANTERLOT STREET - SOON AFTER

The newlyweds get ready to depart for their new lives and new home together. Princess Cadence gives out kisses to her friends and family as Shining Armor pushes through the crowd to reach Twilight.

139 SHINING ARMOR

You're welcome to come and stay
with us if you want. We have plenty
of guest rooms.

140 TWILIGHT

Nah. Think I'll give you and
Cadence a little time to settle in
to your new life together.

(then)

Seriously though, I get why Queen
Chrysalis wanted to be with you,
but how did you get someone as
amazing as Cadence to marry you?

141 SHINING ARMOR

Told her she wouldn't just be
gaining a husband, she'd be getting
a pretty great sister too.

Twilight beams.

142 PRINCESS CADENCE

(calling out)

Honey?

Shining Armor returns to his bride's side.

143 SHINING ARMOR

Ready to go?

Princess Cadence nods, then realizes something.

144 PRINCESS CADENCE

Ooh. Almost forgot.

Princess Cadence uses her magic to toss a bouquet.

145 RARITY
It's mine!

Rarity DIVES for the bouquet and catches it in her teeth.
She looks around to see everyone REACTING to her overzealous
efforts to catch it. She smiles sheepishly.

146 RARITY (CONT'D)
<EMBARRASSED LAUGHTER.>

The crowd turns its attention back to Princess Cadence and
Shining Armor as they share another kiss and climb aboard a
waiting CHARIOT pulled by a pair of STALLIONS.

*
*

ANGLE ON TWILIGHT who stands next to SPIKE.

147 TWILIGHT
Now this was a great wedding.

148 SPIKE
Oh yeah? Just wait until you see
what I have planned for the
bachelor party.

Spike rubs his hands together with glee. Twilight looks down
at him and just <LAUGHS> as we...

FADE OUT.
