MY LITTLE PONY II

"The Cutie Pox"

EP 206

Written by  
Amy Keating Rogers

As Recorded: December 2, 2010

**TEASER**

**SC. 1 EXT. PONYVILLE PINS BOWLING ALLEY - DAY**

Pushing in on the Ponyville Pins sign we hear...

1           APPLE BLOOM (V.O.)  
Today's the day, Cutie Mark Crusaders! I  
can just feel it!

TRANSITION TO:

**SC. 2 INT. PONYVILLE PINS BOWLING ALLEY - CONTINUOUS**

APPLE BLOOM, SWEETIE BELLE, and SCOOTALOO stand in front of their lane in the alley. Apple Bloom has a wildy-styled ball under her hoof. Sweetie Belle has a fun, flowered 50s-style bowling bag in her mouth, and Scootaloo has a bowling saddle bag over her back. PONIES are bowling in the background.

2           APPLE BLOOM  
Today is the day we are all going to get  
our Cutie Marks in...Bowling!

3           SCOOTALOO  
Woohoo!

Sweetie Belle still has her bag straps in her mouth.

4           SWEETIE BELLE  
(muffled)  
Yammfph!  
(she puts down her bag)  
I mean...YAY!

5           APPLE BLOOM  
Why, after today, we won't even be the  
Cutie Mark Crusaders anymore. We'll be  
the...The Three Strikes!

Scootaloo makes a face.

6           SCOOTALOO  
That makes us sound like we've struck  
out!

7           APPLE BLOOM  
Hmmm...How 'bout The Pin Twins!?

8           SWEETIE BELLE  
But there are *three* of us!

9 APPLE BLOOM  
Okay then...um...The Bowling Dolls!

10 SWEETIE BELLE  
The Bowling Dolls! That's it!

11 SCOOTALOO  
Perfect!

12 APPLE BLOOM  
Alrighty then! Let's bowl 'em over!

CUT TO:

**SC. 3 BOWLING MONTAGE:**

Sweetie Belle lines up her ball and gives it a powerful push with her nose. She smiles as she watches it go down the lane and land right in the gutter. Sweetie Belle shrugs lightly, not upset by this a bit.

Next, Scootaloo has her back end towards the lane and her ball right behind her hoof. She concentrates and gives it a swift back kick. The ball ricochet's all over the alley. Ponies duck out of the way, other players' pins are knocked over, other players' bowling balls are hit out of the way.

On Scootaloo grinning sheepishly as she shuffles off apologetically.

Apple Bloom steps up with a look of determination. She has the eye of the tiger. The ball is in front of her face. She licks her lips. Her eyes grow wide as she stretches her mouth ridiculously wide to grab the bowling ball. Sweetie Belle watches in awe. Scootaloo's jaw drops.

With the ball in her mouth, Apple Bloom stumbles clumsily towards the lane and with a...

13 APPLE BLOOM  
Pa-tooie!

She spits out the ball, causing her face to plant right on the ground, her legs sticking awkwardly up in the air. She kicks them about, struggling to get herself upright.

14 APPLE BLOOM (CONT'D)  
<Unh! Unh!>

Still stuck she hears <CRASH!> as a ball hits the pins.

15 APPLE BLOOM (CONT'D)  
Hunh?

The crowd <CHEERS> wildly.

16 APPLE BLOOM (CONT'D)  
What?

17 PONIES  
Wow! Hey! Will ya look at that! Is  
that a Cutie Mark?! Congratulations! A  
Bowling Cutie Mark! <Amazed Walla>

AB's eyes light up as she continues to get upright.

18 APPLE BLOOM  
I did it! I did it!

She finally rights herself and looks at her hindquarters.

Fast Truck in on her flank, which is as blank as ever.  
She can't believe it and begins to chase her own tail  
looking for the Cutie Mark.

19 APPLE BLOOM (CONT'D)  
Blank? But...but...

Apple Bloom stops, looks over, and sees a BOY PONY being  
lifted in the air. Her eyes ZOOM in on his flank, which  
now has an awesomely cool Bowling Ball Cutie Mark on it.

20 APPLE BLOOM (CONT'D)  
But what about *my* ball?

She looks over eager and hopeful and sees her ball  
rolling painfully SLOWLY down the lane. It finally  
reaches the lead pin and stops, knocking NOTHING over.

On Apple Bloom's bright eyes and hopeful smile. Push in  
fast as it turns into a defeated frown.

Music Bump.

CUT TO:

**MY LITTLE PONY TITLE SEQUENCE**

TRANSITION TO:

**ACT I**

**SC. 4 EXT. PONYVILLE - DAY**

Back on Apple Bloom's frowning face as she walks through Ponyville. The shot widens, revealing that she's walking in between Scootaloo and Sweetie Belle. Scootaloo scoots while Sweetie Belle walks. (Reminder: Scootaloo must be wearing a helmet whenever she is riding her scooter. AB & SB must also have them when they are riding with her.) As they talk, the shot bounces back and forth across AB, like a tennis match, over her sad face.

21 SWEETIE BELLE  
That bowling sure was fun, even if all I  
got was gutter balls!

22 SCOOTALOO  
<chuckling> Yeah, at least you were able  
to keep your ball in your lane! I don't  
think Mr. Kingpin is ever going to let me  
play again!

Scootaloo does a sweet jump over a rock.

23 SCOOTALOO (CONT'D)  
Hey! Maybe I could get my Cutie Mark in  
demolition!

Scootaloo and Sweetie Belle <LAUGH> to each other,  
looking over Apple Bloom's back.

24 SCOOTALOO (CONT'D)  
Aw, c'mon Apple Bloom, buck up!

But AB just pouts more. Push in on her frowning face.

25 SWEETIE BELLE (O.S.)  
I know just what you need to put the  
bloom back on your apple!

MATCH CUT TO:

**SC. 5 INT. SUGARCUBE CORNER - CONTINUOUS**

Still close on Apple Bloom, now at Sugarcube Corner,  
where a delicious cupcake is placed in front of her.

26 SWEETIE BELLE  
A treat from Sugarcube Corner will cheer  
you up!

A stony-eyed Apple Bloom doesn't even look at the treat.

27 APPLE BLOOM  
No it won't.

AB puffs out her lip.

MATCH CUT TO:

**SC. 6 INT. SUGARCUBE CORNER - CONTINUOUS**

Same shot of Apple Bloom, but now there are balloons around her, streamers coming down, and a party hat on her head. PINKIE PIE sticks her smiling face into the shot.

28 PINKIE PIE  
A party will cheer you up!

PINKIE blows a horn with confetti in it in Apple Bloom's face. AB doesn't move a muscle.

29 APPLE BLOOM  
No it won't.

AB puffs out her lip even more.

MATCH CUT TO:

**SC. 7 INT. CAROUSEL BOUTIQUE - CONTINUOUS**

Same shot of Apple Bloom's face (without the party hat), but now she's in Carousel Boutique. RARITY steps in.

30 RARITY  
A lovely, new chapeau will cheer you up!

Rarity puts an over-the-top feathered hat on her head.

31 APPLE BLOOM  
No it won't.

The feather falls into her face.

MATCH CUT TO:

**SC. 8 EXT. PONYVILLE - CONTINUOUS**

Apple Bloom's pouting face with the town fading behind her. Sweetie Belle and Scootaloo are in the background, following slowly behind.

32 SCOOTALOO  
(calling out)  
C'mon Apple Bloom! It's just a Cutie  
Mark.

33 SWEETIE BELLE  
(calling out)  
Or lack of a Cutie Mark.

34 SCOOTALOO  
(to SB)  
Shhh. That's not helping!  
(calling out)  
Apple Bloom, where are you going?

Sweetie Belle's eyes grow wide.

35 SWEETIE BELLE  
<GASP!> Scootaloo! Look!

Rotate to reveal that Apple Bloom is heading from sunny  
Ponyville to the dark, brooding Everfree Forest.

36 SCOOTALOO  
Apple Bloom! Stop!

37 SWEETIE BELLE  
You're about to go into the...

38 SWEETIE BELLE/SCOOTALOO  
Everfree Forest!

Scootaloo and Sweetie Belle speed up to catch her.  
Scootaloo does some awesome jumps on her scooter to get  
to her as fast as she can.

Apple Bloom's face goes from sunny to shadowed as she  
gets close to the forest.

Her friends race to catch up but Apple Bloom is  
determined and steps right into the forest. She walks  
in, getting engulfed by the shadows.

Scootaloo is quickly approaching the Everfree Forest, but  
skids to a stop on the Ponyville side. Sweetie Belle  
comes to a stop right behind. They can barely see Apple  
Bloom anymore as she's covered in mist.

With Apple Bloom on her pouting face as she walks in the  
creepy forest. Her friends call out through the mist.  
With each thing they say, AB gets more and more cranky.  
Her shoulders raise and her brow furrows as she continues  
to stomp through the forest.

39 SCOOTALOO (O.S.)  
Apple Bloom! Come back!

40 SWEETIE BELLE (O.S.)  
You know how dangerous the Everfree  
Forest is!

41 SCOOTALOO (O.S.)  
Poisonous plants!

42 SWEETIE BELLE (O.S.)  
Creepy-crawly creatures!

43 SCOOTALOO (O.S.)  
Get out of the Everfree Forest, Apple  
Bloom!

44 SWEETIE BELLE/SCOOTALOO  
It's gonna get you!

AB just can't take it anymore.

45 APPLE BLOOM  
No it won't!

AB misses seeing a rock right in front of her. Suddenly,  
she trips and falls forward, falling right on her face.

Just then, two familiar hooves walk up.

46 ZECORA  
Well, who it is that we have here?

A groggy AB turns over, her two front hooves to her face.

47 ZECORA (CONT'D)  
Why it's Apple Bloom, my dear!

48 APPLE BLOOM  
(muffled)  
Ooowwww!

49 ZECORA  
What has happened to you, youth?

AB's lowers her hooves and opens her mouth, showing she's  
chipped her front tooth.

50 ZECORA (CONT'D)  
Ah! You've gone and chipped your tooth.

Zecora puts her head under AB's body and gets her onto  
her back.

51 ZECORA (CONT'D)  
Come with me. I have just the trick,  
that will fix you up quite quick.

DISSOLVE TO:

**SC. 10 EXT. ZECORA'S HUT - DAY**

Zecora arrives at her hut, carrying AB on her back.

CUT TO:

**SC. 11 INT. ZECORA'S HUT - LATER**

Apple Bloom is now awake and watching Zecora add ingredients in small cauldron. As AB talks, she has a bit of a lisp due to her chipped tooth and spits a bit.

52 APPLE BLOOM  
I've tried everything, Zecora and still  
no Cutie Mark. Why I'm gonna be as old  
as Granny Smith and still have a blank  
flank!

Zecora chuckles as she shakes herbs into the cauldron, making it bubble.

53 ZECORA  
You will not be a granny before you find  
a Cutie Mark on your behind.

54 APPLE BLOOM  
Well then, when? And for what? If I  
just knew what my talent was, I could get  
it lickety-split!

Some of Apple Bloom's spit flies into the cauldron as Zecora mixes.

55 APPLE BLOOM (CONT'D)  
Sorry.

56 ZECORA  
Your frustration is well understood. But  
one must be patient for all things good.

57 APPLE BLOOM  
Ugh! I've heard that from every pony I  
know! And now from every **zebra** I know!  
I'm just too impatient to be patient!

Zecora drops liquid in the mix. It begins to froth.

58 ZECORA  
When your heart tells you where your  
talent lies. That is when you'll get  
your prize.

59 APPLE BLOOM  
I've tried! But no talent is *my* talent!  
And I'll take *any* talent. You name it,  
I'll do it. I just want my Cutie Mark  
and I want it NOW!

With a final ingredient, the potion POOFS just as Apple  
Bloom says, "NOW!"

60 ZECORA  
For your Cutie Mark, you will have to  
wait. We must fix that tooth before it's  
too late.

Zecora pours the potion in a cup.

61 ZECORA (CONT'D)  
Now drink down every little drop, and  
this mixture will mend that chip on top.

Apple Bloom gulps it down. She looks in the mirror as  
her tooth begins to wiggle and then grows back. As it  
finishes, it gives a little SPARKLE and <BLING!>. Apple  
Bloom finally smiles.

62 APPLE BLOOM  
Oh my Star Apples, you did it, Zecora!

Her eyes light up brightly. She begins to look around  
Zecora's hut at all the mixtures and potions.

63 APPLE BLOOM (CONT'D)  
Golly, you have tonics that heal all  
sorts of ailments. Bad bones...bad  
back...bad breath...

64 ZECORA  
Yes, little one, it is true. I have many  
a healing brew.

Apple Bloom keeps on looking about, getting even more  
excited with every bottle she reads.

65 APPLE BLOOM  
And not only stuff that fixes the bad,  
but stuff that brings the good.  
(MORE)

APPLE BLOOM (CONT'D)

Good health...good hair...Good heavens!  
I bet you can mix up a brew to  
fix...*anything*!

Apple Bloom gives her a knowing look. But Zecora gives her one of warning.

66 ZECORA

There are many mixtures in this room.  
But none for what you want, dear Apple Bloom. A magic potion does not hold the key. For a Cutie Mark, time is the only remedy.

Apple Bloom slouches, defeated again.

67 APPLE BLOOM

Fine.

Zecora smiles and begins gathering ingredients.

68 APPLE BLOOM (CONT'D)

What 'cha got goin' on there?

Zecora starts pouring and shaking things into the big caldron, which now bubbles and brews.

69 ZECORA

I am brewing up another mix for a rooster and his chicks. Seems the rooster has lost his crow, making mornings very slow.

Apple Bloom watches wide-eyed as Zecora takes heart-shaped flowers, picks off the petals, puts them in a mortar and starts grinding them with a pestle.

70 APPLE BLOOM

Hey! I've seen that flower bloomin' in Ponyville! What is it?

71 ZECORA

It is one that we call Heart's Desire. A dash will ignite the rooster's fire.

Zecora now shakes the ground-up petals into the mix. Apple Bloom watches as it bubbles up stars and hearts and rainbows.

72 ZECORA (CONT'D)

A fire deep within his core. Suddenly his heart will soar! With Heart's Desire his talent comes into view, and he'll give a mighty, Cock-a-Doodle-Do!

73 APPLE BLOOM  
Zowie!  
(to herself)  
Heart's Desire, huh?

Zecora looks around confused.

74 ZECORA  
Ay me! But what is this? I have run out  
of Amethyst. I must go get this purple  
flower for my brew to have full power.

Apple Bloom's eyes are fixed on the still bubbling brew.

75 APPLE BLOOM  
(distracted)  
Yeah, you go, you go.

Zecora grabs her basket and heads out.

Apple Bloom's mesmerized eyes turn to the rest of the  
Heart's Desire flowers. A sly smile fills her face.

CUT TO:

**SC. 12 EXT. SCHOOLHOUSE - THE NEXT DAY**

Various SCHOOL PONIES (TWIST, SNIPS, SNAILS, SILVER  
SPOON, DIAMOND TIARA) are arriving at school, mingling  
and playing. Scootaloo and Sweetie Belle are chatting  
when Apple Bloom walks up with HUGE smile on her face.

NOTE: We do not see Apple Bloom's middle section. We  
only see her from her head and shoulders at this point.

76 SWEETIE BELLE/SCOOTALOO  
Apple Bloom!

Cut to a shot of Apple Bloom's lower half (still not  
seeing her middle) as she turns her hip towards them. A  
light shines off her flank, almost blinding them.

77 SWEETIE BELLE/SCOOTALOO  
(CONT'D)  
OW!

But then they see it!

78 SWEETIE BELLE/SCOOTALOO  
(CONT'D)  
APPLE BLOOM! YOU GOT YOUR CUTIE MARK!!!

On Apple Bloom's Cutie Mark, a silver circle.

END ACT I

ACT II

**SC. 13 EXT. SCHOOLHOUSE - CONTINUOUS**

Back on Apple Bloom's silver circle Cutie Mark. Sweetie Belle and Scootaloo's mesmerized eyes come in close to her newly decorated flank.

79 SWEETIE BELLE/SCOOTALOO  
OH!

Then they both look confused.

80 SWEETIE BELLE/SCOOTALOO  
(CONT'D)  
OH?

81 SWEETIE BELLE  
Um, Apple Bloom, what *is it*?

82 SCOOTALOO  
Yeah. Is it an "O?" Is your talent  
*spelling*?

83 SWEETIE BELLE  
Or is it a ring? Are you a jewelry  
maker?

TWIST jumps in and looks with bright eyes.

84 TWIST  
Or irth it a powdered donut, 'cauthe that  
thoundth delithiouth!

On AB's impish smiling face, pleased she's stumped them.

85 APPLE BLOOM  
No...it's a LOOP-D-HOOP!

Finally reveal Apple Bloom's entire body. In the center, she has a metal hoop around her waist. AB begins "hula hooping." She starts with the basics of just hooping around her waist.

86 SWEETIE BELLE/SCOOTALOO  
<Excited inhale>

But then Scootaloo looks confused.

87 SCOOTALOO  
A what now?

88 APPLE BLOOM  
A Loop-d-Hoop! Least, that's what I  
always called it. Applejack made it for  
me from an old rain barrel when I was  
littler. Who'da thought that Loop-d-  
Hooping would end up being my special  
talent!?

89 SWEETIE BELLE  
Wow, Apple Bloom! That's amazing!

Silver Spoon and Diamond Tiara scoff at her.

90 DIAMOND TIARA  
*That's* it? *That's* your talent?

91 SILVER SPOON  
Spinning a hoop around your waist? Puh-  
lease!

92 APPLE BLOOM  
Oh, you ain't seen nothin' yet!

Apple Bloom maneuvers the hoop through her front legs,  
getting the hoop around her neck.

93 SCOOTALOO  
Apple Bloom! You're a super-duper loop-d-  
hooper!

Diamond Tiara and Silver Spoon still don't look  
impressed. More of the School Ponies gather to watch  
AB's performance. AB gets the hoop back through her  
front legs, then through her back legs and all the way to  
her tail.

94 STUDENT PONIES  
Oooh!/Aaaah!/Cool!/Go Apple Bloom!

AB whips the hoop off her tail, sending it flying up to  
the flag pole. The hoop does a spin down the pole. AB  
is there when it gets close to the bottom. She nudges it  
with her head, sending it back up the pole. It whips  
off, back into the air. As it comes down, AB is there to  
catch it right around her neck just as the school bell  
<RINGS>. The ponies <CHEER>. Diamond Tiara and Silver  
Spoon's jaws are dropped.

95 SCOOTALOO  
YAAAAY! Awesome Apple Bloom! Woo hoo!

AB basks in their awe and amazement.

96      APPLE BLOOM  
Thanks, everypony!

CHEERILEE comes out of the Schoolhouse.

97      CHEERILEE  
Alright, my little ponies, time for  
class!

The ponies file in, still buzzing from AB's performance.  
AB, Scoot, and Sweetie Belle are the last to head in. AB  
continues to hula hoop as they walk in.

98      SWEETIE BELLE  
That was so amazing, Apple Bloom!

99      SCOOTALOO  
Yeah! Congratulations on being the first  
Crusader to get her Cutie Mark.

Apple Bloom struts and hoops proudly.

100      APPLE BLOOM  
Pretty awesome, hunh?

101      SCOOTALOO  
Really awesome, Apple Hoop!

Apple Bloom smiles at this great name.

102      SWEETIE BELLE  
Oh no! Does this mean you're no longer a  
Cutie Mark Crusader?

103      APPLE BLOOM  
Naw, it just means that now you have an  
expert to show you how it's done!

104      SWEETIE BELLE/SCOOTALOO  
Yay!

CUT TO:

#### **SC. 14 INT. SCHOOLHOUSE - CONTINUOUS**

The ponies all settle in at their desks. But at her  
desk, AB still continues to hula hoop, showing off for  
some other kids, mesmerized by her talent. Her friends  
look at her with concern and eye Cheerilee up at the  
front with her back to the students.

105 STUDENT PONIES  
Ooooooooooh!!!

106 SWEETIE BELLE  
(whisper)  
Apple Bloom! You better stop loop-d-  
hooping before Miss Cheerilee sees you!

107 SCOOTALOO  
Yeah, you're gonna get in trouble!

Apple Bloom keeps on hooping confidently.

108 APPLE BLOOM  
Eh, when you got it, you gotta flaunt it!

Cheerilee turns to the class with a big smile.

109 CHEERILEE  
Good morning, everypony! So nice to see  
you all today!

She looks across the classroom, her eyes landing on the  
hooping Apple Bloom.

110 CHEERILEE (CONT'D)  
Are you ready to learn about...

Cheerilee raises her eyebrows and starts to approach AB.  
Sweetie Belle give AB a nervous side glance while Diamond  
Tiara smirks.

111 DIAMOND TIARA  
(sotto)  
Busted!

Cheerilee stands before AB, still hooping. She sees AB's  
Cutie Mark.

112 CHEERILEE  
Looks like somepony got their Cutie Mark.

113 APPLE BLOOM  
Sure did!

Apple Bloom smiles, showing off to her teacher now.

114 CHEERILEE  
Apple Bloom?

Apple Bloom still hooping confidently.

115 APPLE BLOOM  
Yes, Miss Cheerilee?

116 CHEERILEE  
I want to you take your loop-d-hoop out  
into the yard...

AB's eyes pop open, she's in trouble. But...

117 CHEERILEE (CONT'D)  
And give us all a lesson in your amazing  
loop-d-hooping!

118 STUDENT PONIES  
YAY!!!

AB beams.

CUT TO:

**SC. 15 EXT. SCHOOLHOUSE - LATER**

Apple Bloom proudly stands before the other students demonstrating her hooping awesomeness All the student ponies and Cheerilee are out in the yard with hoops around their waists, trying to hoop. But their hoops keep circling down, falling at their back hooves.

119 SNIPS  
Awwwww!

Or spinning up and choking them.

120 SNAILS  
Ackh! Ackh!

Or getting caught on one back leg...

121 SILVER SPOON  
Oh, ooh! Whoops!

Silver Spoon falls on her butt.

Or getting caught around all four hooves.

122 DIAMOND TIARA  
Oh, oh, oh! Woah!

Diamond Tiara topples on her side. THUMP!

AB walks among them with a self-assured smirk as she effortlessly spins her hoop.

123 APPLE BLOOM  
Don't worry gals, keep at it and you  
might get to be half as good as me!

She effortlessly does a one-legged hand stand and spins the hoop around a back leg. Tiara and Silver Spoon fume as AB recovers and continues on.

124 DIAMOND TIARA AND SILVER  
SPOON  
<Grrrrrr!>

Sweetie and Scoot are trying hard and get the hoop to go around a few times.

125 APPLE BLOOM  
Great job, girls!

126 SWEETIE BELLE  
You're too kind, Apple Bloom.

127 SCOOTALOO  
Yeah, we stink!

128 APPLE BLOOM  
Naw, you just need a little practice.  
Soon you'll be able to...

On Apple Bloom as she demonstrates each trick. First AB spins the hoop around one leg while the other legs hop over the hoop.

129 APPLE BLOOM (CONT'D)  
Hoop and hop!

The hoop bounces on the ground and AB jumps through back and forth.

130 APPLE BLOOM (CONT'D)  
Hoop and bop!

AB has the hoop in her mouth, using it as skipping rope.

131 APPLE BLOOM (CONT'D)  
(with the hoop in her mouth)  
Hoop and skip!

The hoop sails through the air and AB does a back flip through it.

132 APPLE BLOOM (CONT'D)  
And hoop and flip!

AB lands from this move and the hoop whooshes right around her, continuing to spin around her waist. She basks in the resulting accolades.

133 STUDENT PONIES  
Yeah!/Totally cool!/Amazing!/The best!

134 CHEERILEE  
Show us some more, Apple Bloom!

135 APPLE BLOOM  
Well, alright. Just a few more tricks.  
But be warned, these are *advanced* moves.  
Not for beginners. Got that Diamond  
Tiara?

Diamond Tiara scowls at Apple Bloom.

136 APPLE BLOOM (CONT'D)  
I call this one, The Hoopla!

AB gets the hoop spinning really fast around her waist. She spins it down through her back legs, down her tail. It's going REALLY fast now. She whips it up and does a leap. But just as she's jumping through, another Cutie Mark appears right next to her Loop-d-Hoop Cutie Mark.

Surprised, Apple bloom plummet to the ground, with her hoop right around her waist. All the ponies circle her.

137 SILVER SPOON  
ANOTHER Cutie Mark?

138 DIAMOND TIARA  
Ha! Guess that last trick WAS a lot of  
hoopla! Those Cutie Marks are FAKE!

AB looks around guiltily, like she's been caught.

139 APPLE BLOOM  
What? N-no they're not!

140 TWIST  
Yeah! I thaw it appear before my very  
eyeth. It'th the real deal!

141 SILVER SPOON  
Nuh-uh! Nopony can get TWO Cutie Marks!

142 TWIST  
Yeah! I only have one!

143 SCOOTALOO  
Lucky you! I've got none!

Diamond Tiara turns to Cheerilee.

144 DIAMOND TIARA  
Miss Cheerilee, have you ever heard of a  
pony with TWO Cutie Marks?

145 CHEERILEE  
I must say that I never have. But maybe  
Apple Bloom has two special talents.

146 SILVER SPOON  
Oh yeah! Then let's see you do that!

She points at her new Cutie Mark. A nervous Apple Bloom  
looks and sees the new Spinning Plates Cutie Mark.

147 SNIPS  
Spin plates!!

148 SNAILS  
Yeah!

Snips and Snails toss plates at her like Frisbees. Foom!  
Foom! Foom! Foom! They come zipping right towards  
Apple Bloom's head. Just as they are about to smack into  
her, she instinctively gets them to stack and starts  
spinning them on her head.

Everypony's jaws drop, including Apple Bloom.

149 STUDENT PONIES/CHEERILEE  
<GASP!>

150 APPLE BLOOM  
(super cocky)  
Awww yeah!!!

Apple Bloom is now spinning plates and hooping her hoop.

151 SWEETIE BELLE  
Two Cutie Marks?!

152 SCOOTALOO  
Two Talents?!

Truck in on Apple Bloom as her friends make the most  
amazing statement she's ever heard....

153 SWEETIE BELLE/SCOOTALOO  
Our friend is the most special pony ever!

It's Apple Bloom's best day ever! Jubilantly, she exclaims...

154 APPLE BLOOM  
Alright, everypony! You ready for a *real* show?

**SC. 16 EXT. PONYVILLE - CONTINUOUS**

**MUSIC SEQUENCE:**

Apple Bloom proudly prances into the heart of town with all the student ponies and Cheerilee following excitedly behind. She spins her plates and hoops her hoop as she does, immediately drawing an eager crowd.

AB tosses the hoop in the air. She spins the plates up through the hoop, she zips under to the other side and catches the plates. The crowd CHEERS, stomping their hooves.

AB uses her hoof to spin the hoop down the road, like a hoop and stick without the stick. She then jumps back and forth through the hoop, spinning the plates all the while. More CHEERS and HOOF APPLAUSE.

RAINBOW DASH is sleeping above on a cloud. AB sees her, tosses her hoop WAY up, making it hoop through Rainbow and her cloud, waking her up. The hoop then lands back around AB's neck. RD looks down, rubbing her eyes, not believing what she's seeing. CHEERS and APPLAUSE.

On her back, AB spins the hoop on her tail while she spins the plates from hoof to hoof in a Slinkee motion, arching over the hoop as they go.

In a swift motion, AB gets her plates back to her head and stands back up while her hoop continues on her tail.

AB sees an amazed Sweetie Belle standing next to her sister RARITY and TWILIGHT. AB spins the hoop down off her tail, sending it flying from horn to horn of the unicorns. They smile amazed. The hoop then comes flying back to AB's head, which is still spinning the plates. The hoop comes over the plates and her head. She lifts her hooves and the hoop continues to circle her body.

AB sees Pinkie Pie bouncing with excitement. AB takes the hoop and "skips" with it in her mouth. She times it with Pinkie's bouncing so she's skipping the hoop too.

APPLEJACK, BIG MAC, and GRANNY SMITH are at the Applecart, watching with their jaws dropped. AB sidles up to Granny. AB shifts the hoop so it's going around both their heads. Granny <GIGGLES> silently with a big smile.

AJ tosses AB an apple pie on a pie plate. AB gets the pie spinning right on top. She then does a quick turn around and kicks the plates with her hooves. The plates go flying back at her family and land on the cart, each with a slice of pie on them.

The Crowd goes WILD!!! Apple Bloom smiles with pride, happier than ever.

CUT TO:

**SC. 17 EXT. SWEET APPLE ACRES - NIGHT - ESTABLISHING SHOT**

**SC. 18 INT. SWEET APPLE ACRES - CONTINUOUS**

The Apple Family comes in, full of excitement. Apple Bloom is still hooping and spinning with a big smile on her face. But she looks a bit tired from this busy day.

155     APPLEJACK  
Yee haw, little sis! Congratulations on getting not just one, but TWO Cutie Marks! We're mighty proud of you, right Big MacIntosh?

156     BIG MAC  
Yup.

157     APPLEJACK  
I've never seen anything like it. Have you, Big Mac?

158     BIG MAC  
Nope.

Granny gets animated, reenacting the performance.

159     GRANNY SMITH  
Why the way you were hoopin' and hoppin' and kickin' and spinnin' reminded me of when I was a spry young filly!

Granny gets a cramp and freezes.

160 GRANNY SMITH (CONT'D)  
Ow! Charlie Horse! Charlie Horse!

Big Mac gives her a bump with his hip and she unfreezes.

161 GRANNY SMITH (CONT'D)  
Phew! That's better!

162 APPLEJACK  
Why, Apple Bloom, I think you're ready to  
hit the rodeo circuit right now!

163 APPLE BLOOM  
Actually, I'm ready to hit the hay right  
now. I'm plumb tuckered! I'll see y'all  
in the mornin'. G'night.

AB heads to her room, still spinning and hooping.

164 APPLEJACK  
'Night!

AJ and Big Mac watch her with pride.

165 APPLEJACK (CONT'D)  
Oh my. Our little Apple Bloom has  
finally blossomed. Hasn't she, Big Mac?

Big Mac puffs up with pride.

166 BIG MAC  
Yup!

CUT TO:

**SC. 19 INT. APPLEJACK'S ROOM - LATER**

The lights are out and Applejack is trying to sleep. But there's an incessant <TAPPING> disturbing her, making her wince and toss and turn.

167 APPLEJACK  
<SLEEPY GRUNTS> Nunh! Unh!

Finally her eyes pop open.

168 APPLEJACK (CONT'D)  
What in tarnation is that?

AJ gets up and goes down the hall, following the  
<TAPPING> which grows louder and has a "Time Step" beat.

AJ gets outside Apple Bloom's door and sees that the door is ajar and light is on. AJ nudges the door open.

169      APPLEJACK (CONT'D)  
Apple Bloom? What is that awful...

AJ then sees AB still hooping, spinning, and now TAP DANCING!

170      APPLEJACK (CONT'D)  
Tapping?!

AJ looks at AB's flank, which now sports a THIRD Cutie Mark--Tap Shoes. AJ is stunned.

171      APPLEJACK (CONT'D)  
<GASP!> Three Cutie Marks?

AJ looks at her sister who is clearly exhausted yet still doing all of these tasks that seem out of her control.

172      APPLE BLOOM  
(desperate whisper)  
Help me!

END ACT II

ACT III

**SC. 20 INT. APPLE BLOOM'S ROOM - CONTINUOUS**

On Apple Bloom's face as she hoops, spins, and taps.

173      APPLE BLOOM  
(desperate whisper)  
HELP ME!

Applejack scrambles to help her sister, trying to get her to stop her tasks. First she tries to grab some of the spinning plates with her mouth.

174      APPLEJACK  
C'mere you!

But she gets too close and gets whacked by the plates.

175      APPLEJACK (CONT'D)  
Ow! Ow! Ow! Ow!

Next she goes for AB's feet doing the Wings tap move, but they send AJ jack hammering up and down.

176 APPLEJACK (CONT'D)  
Ooh! Ah! Eee! Ooh! Ah!

She lets go, getting thrown on her back.

177 APPLEJACK (CONT'D)  
Oof!

Finally, she goes for the hoop spinning on AB's tail.

She jumps and grabs the hoop with her mouth. But instead of pulling it away, she goes spinning around and around.

178 APPLEJACK (CONT'D)  
(with a hoop in her mouth)  
Woah! Woah! Woah! Woah!

She let's go and flies across the room, landing SPLAT on her belly.

179 APPLE BLOOM  
I'm sorry, Applejack! I don't know how to make it stop!

AJ gets up and puts her hat back on with determination.

180 APPLEJACK  
Well, I know somepony who might...

CUT TO:

**SC. 21 INT. GOLDEN OAK LIBRARY - SUNRISE**

On Twilight, jaw dropped, looking closely at AB's flank.

181 TWILIGHT  
Three Cutie Marks.

She watches as AB performs all three tasks.

182 TWILIGHT (CONT'D)  
Three talents. I've never seen anything like it!

183 SPIKE (O.S.)  
Are you kidding? Just look at me!

On SPIKE trying to hula hoop, spin plates, and tap dance. Everything comes crashing down on him.

184 SPIKE (CONT'D)  
Sorry.

Twilight is busy scanning the stacks for a book.

185 TWILIGHT  
This is serious, Spike. Now, help me! I  
was just reading something about unusual  
equine illnesses. What was it?

Far from where Twilight is, Spike looks up at the stacks  
and immediately pulls a book down.

186 SPIKE  
Perplexing Pony Plagues, perhaps?

Twilight's eyes light up.

187 TWILIGHT  
Yes! Spike, you're amazing!

Spike blows on his knuckles and polishes them on his  
scales.

188 SPIKE  
Yes, well, I do have *some* talents.

Twilight uses her horn to flip through the book.

189 TWILIGHT  
Hay Fever...the Trots...<GASP!> Cutie  
Pox!

190 APPLEJACK/APPLE  
BLOOM/SPIKE  
Cutie Pox!

191 TWILIGHT  
Cutie Pox...

Slow pan across from Twilight to Spike to Applejack to  
Apple Bloom, all riveted. But of course, AB is still  
doing all her tasks.

192 TWILIGHT (CONT'D)  
This Puzzling Pony Plague afflicted a  
population of ponies back in the  
Paleopony Period.

193 SPIKE  
Say that 10 times fast.

194 TWILIGHT  
Random Cutie Marks appeared all over the  
ponies' bodies, causing them to perform  
all the talents that came with them.

195 APPLE BLOOM  
Just like me!

196 APPLEJACK  
Yes, but what's the cure? What's the  
cure?!

197 TWILIGHT  
It says here that there is no known cure.

198 APPLEJACK/APPLE  
BLOOM/SPIKE  
No known cure!

199 APPLE BLOOM  
Oh no!

200 TWILIGHT  
The cause of the breakout was never  
discovered and the Cutie Pox disappeared  
as mysteriously as they arrived.

201 APPLE BLOOM  
But how long did that take?

202 TWILIGHT  
It doesn't say.

203 APPLE BLOOM  
Well, how many pox did those ponies get?

204 TWILIGHT  
It doesn't say.

205 APPLE BLOOM  
What if happens if I'm stuck doing this  
forever?

206 TWILIGHT  
It doesn't say.

207 APPLE BLOOM  
WELL WHAT DOES IT SAY?!!

Suddenly, three more Cutie Marks breakout on AB's body.

208 APPLE BLOOM (CONT'D)  
Sacré bleu! Plus de Marques de Cutie!  
<GASP!>

\*

Apple Bloom looks horrified.

210 APPLE BLOOM (CONT'D)  
Qu'est-ce que c'est? Je parle français?!

\*

AB then begins hurriedly shelving books (while tapping, hooping, and spinning).

212 APPLEJACK  
Good gravy! My sister's speakin' in fancy!

213 TWILIGHT  
It's French.

214 APPLE BLOOM  
Aidez-moi!

\*

AB grabs a duster with her tail and dusts the shelves.

216 TWILIGHT  
She needs help!

217 APPLEJACK  
I know she needs help! And we can't just wait for this to go away. We gotta find somepony to mix up a cure! And fast!

218 APPLE BLOOM  
Tout de suite!

\*

Twilight's eyes light up.

220 TWILIGHT  
Not somepony! Some zebra!

221 TWILIGHT/APPLEJACK  
ZECORA!

CUT TO:

**EXT. PONYVILLE - DAY**

Applejack and Twilight with Spike on her back run through Ponyville towards the Everfree Forest. Apple Bloom looks worried and is trying to catch up to stop them but takes a bit more time as she hoops, spins, and shuffles.

222 APPLEJACK  
Hurry! Hurry!

223 APPLE BLOOM  
Non, non! Pas Zecora! Pas Zecora!

\*

225 TWILIGHT  
Oui! I mean, yes, we have to get Zecora,  
Apple Bloom. She's our only hope!

226 APPLE BLOOM  
Depechez-vous!!!

227 APPLE BLOOM (ENGLISH  
TRANS) (CONT'D)  
Hurry up!

But then AB breaks out again, covered in even more Cutie Pox. AJ, Twilight, and Spike stop.

228 APPLEJACK  
Apple Bloom!

But AB can't slow down and dashes wildly about town doing her various tasks while still doing 1 or 2 of the original talents--hooping, spinning, and tapping, drawing a crowd of curious onlookers.

Close shots of her polishing muddy pony hooves, pulling weeds from a flower box with her mouth, nailing a fence together with her back hooves, taking a hose and watering a lawn, painting the fence with her tail, fencing with a PONY across the square, delivering orders from her spinning plates at the cafe, jumping rope as Scootaloo and Sweetie Belle turn it.

A gathered crowd watches stunned as Apple Bloom rushes this way and that. LILY, ROSE and DAISY, Ponyville's resident melodrama-queens stand near Spike (who is snacking on some hay seeds) watching AB, mortified.

229 LILY  
She's cursed!

230 ROSE  
Hexed!

231 DAISY  
Enchanted!

232 SPIKE  
No she's not.

233 LILY/ROSE/DAISY  
Phew!

234 SPIKE

She just has some weird, mysterious disease with no known cure called Cutie Pox.

The crowd freaks.

235 PONIES

CUTIE POX!!!

The Ponies panic, high-tailing it away from AB. They run for the hills, hide in their houses, bar the doors, shut the shutters.

On Zecora, who has appeared from out of nowhere, is now standing right next to Twilight.

236 ZECORA

(light-hearted)

I thought I had removed their fear the last time that I visited here. But doors are barred and shutters shut. Guess I should have stayed inside my hut.

Twilight rushes to Zecora.

237 TWILIGHT

Zecora!! Apple Bloom has Cutie Pox!

Twilight gestures towards the pocked-out Apple Bloom wildly performing all her talents (washing windows with her tail, doing push-ups, eating cupcakes). Zecora's eyes widen.

238 TWILIGHT (CONT'D)

We were just on our way to see if you had a cure.

239 APPLEJACK

But magically you're here! Was your Zebra Sense a-tinglin'?

240 ZECORA

My "Zebra Sense" did not bring me round. It was a special flower that I needed found.

241 ZECORA (CONT'D)

Grown only here in Ponyville, this heart shaped flower can bring good... or ill.

As Zecora talks, she eyes AB knowingly. AB feels this, but continues her frantic tasks.

242 ZECORA (CONT'D)  
I thought I'd picked enough to fix all of  
the potions I had to mix. But after my  
visit from Apple Bloom, some had  
mysteriously left my room.

Zecora gives Apple Bloom a knowing look.

243 ZECORA (CONT'D)  
Apple Bloom, what do you say? Did this  
flower just walk away?

AB gets a worried face as she continues to dash around  
doing her tasks.

244 APPLE BLOOM  
I...uh...um...

Apple Bloom breaks out in more pox. She begins  
performing more tasks, spinning out of control. Zecora  
eyes Apple Bloom knowingly, then changes the subject.

245 ZECORA  
A Cutie Pox cure I have, forsooth. For  
healing power is in the *Seeds of Truth*.

Zecora opens a pouch full of the Seeds.

246 APPLEJACK  
Well, then, give 'em to her! Quick!

247 ZECORA  
These seeds must be planted in the  
ground. With the truth they'll grow and  
the cure is found.

248 APPLEJACK  
Come again?

249 ZECORA  
The Seeds of Truth do hold the cure. But  
one must speak words...

She glances to Apple Bloom.

250 ZECORA (CONT'D)  
...true and pure.

Apple Bloom <GULPS> nervously. AJ looks at Twilight.

251 APPLEJACK  
Please translate.

252 TWILIGHT

Zecora said that the seeds themselves are not the cure. They have to be planted and when the truth is told, they'll grow. Then Apple Bloom will be cured.

253 APPLEJACK

Then let's get to it!

Applejack knocks the seeds off Zecora's hoof. They land in the ground. AJ kicks some dirt on them.

254 APPLEJACK (CONT'D)

Alright, they're planted!

Applejack makes a big pronouncement to the pony folk, who are peeking out from their doors and shutters. Diamond Tiara and Silver Spoon peek out mockingly. Scootaloo and Sweetie Belle peek out confused.

255 APPLEJACK (CONT'D)

Now somepony tell the truth!

But AB spinning out of control like whirling dervish.

256 APPLE BLOOM

Woah! Woah! Woah!

257 APPLEJACK

Somepony! Anypony!

On Pinkie Pie, who is about to burst.

258 PINKIE PIE

Yesterday, I told Mrs. Cake that I ate two corn cakes, but I really ate three!

All the ponies from Pinkie to Apple Bloom, but Apple Bloom is still out of control, going from task to task.

On Pinkie Pie.

259 PINKIE PIE (CONT'D)

Okay, six! I ate six corn cakes!

Everypony looks back at Apple Bloom. She's still going.

The ponies automatically look back at Pinkie, who can't take the pressure.

260 PINKIE PIE (CONT'D)

Just make it stop, oh make it stop!

\*

They look back at AB and she's still out of control.

261 TWILIGHT  
Why isn't it working, Zecora?

262 ZECORA  
While Pinkie Pie has told the truth about her big appetite and sweet tooth, I fear there is another pony who must admit to being phony.

Zecora gives AB a knowing look. AB finally bursts.

263 APPLE BLOOM  
Ahhhhh! I...I...I...can't stand it anymore! It's me! I admit it! I didn't earn my Cutie Mark! They're all fake!

Cut around town to the various pony reactions. Diamond Tiara and Silver Spoon smirk. Scootaloo and Sweetie Belle give a sympathetic look. Zecora sighs with relief.

Apple Bloom halts, finally able to at least stand still, but still doing some of her tasks.

264 APPLE BLOOM (CONT'D)  
I figured the Heart's Desire would help me get what I wanted most, so when Zecora left her hut, I mixed up a special potion and put the rest of the Heart's Desire in it!

Apple Bloom hangs her head. Suddenly the dirt begins to tremble and an amazingly beautiful flower springs up. All are in awe.

265 PONIES  
OOOOOOOH!

Everypony stands mesmerized by the glowing plant for a BEAT. Then...

Apple Bloom CHOMPS it down in one big bite.

266 APPLE BLOOM  
<CHOMP!>

Suddenly, POP POP POP POP!!! ---all her Cutie Marks disappear and Apple Bloom is finally still.

267 APPLE BLOOM (CONT'D)  
<SIGH> Whew!

Sweetie Belle and Scootaloo come running up.

268 SWEETIE BELLE  
Apple Bloom!

269 SCOOTALOO  
Are you okay?

270 APPLE BLOOM  
I'm great! And I've never been happier  
to be a blank flank!

The friends all <GIGGLE>.

271 APPLE BLOOM (CONT'D)  
But I'm awful sorry I lied, especially to  
you gals. I was so desperate for my  
Cutie Mark, I just got carried away.

AB turns to Zecora.

272 APPLE BLOOM (CONT'D)  
And I'm really sorry I snuck those  
flowers from you, Zecora. Why, I  
wouldn't blame you if you never wanted me  
to come by again.

273 ZECORA  
Now Apple Bloom, do not be silly. You  
are always welcome, my little filly.  
With each mistake, you learn something  
new, growing up into a better you.

274 APPLEJACK  
Zecora's right, Apple Bloom. And I'm  
mighty proud of you for telling the  
truth.

275 APPLE BLOOM  
Thanks, sis.

276 TWILIGHT  
Apple Bloom, would you mind writing to  
Princess Celestia and telling her what  
you learned?

277 APPLE BLOOM  
I'd be happy to, Twilight!  
(calling out)  
Spike?

Spike ZIPS up, quill in one hand, scroll in the other.

278 SPIKE  
Ready!

As AB talks, Spike writes. We pan over Twilight, Applejack, and Zecora.

279 APPLE BLOOM  
Dear Princess Celestia, waiting for what your heart desires can be really hard. So you may try to take a shortcut, cheating and lying to get what you want. But this dishonesty never works because you didn't earn what your heart desired. The only cure is being honest with yourself and others. And that's something every heart desires.

As she finishes, we pan over Sweetie Belle, Scootaloo, and Apple Bloom.

Spike nods, rolls up the scroll, and blows out fire to send it off.

280 APPLEJACK  
I'm proud of you sis. Seems like you finally learned the importance of patience.

281 APPLE BLOOM  
Yup. All good things come to those who wait.

AB, Scootaloo, and Sweetie Belle wait for a BEAT, at first, perfectly still. But then their eyes begin to shift, unable to stand it anymore.

282 APPLE BLOOM (CONT'D)  
Well, I've waited long enough.

283 SWEETIE BELLE  
Me too.

284 SCOOTALOO  
Actually, that was way too long.

Applejack's jaw drops in shock.

285 APPLEJACK  
What?

But the Crusaders pay her no mind.

286 APPLE BLOOM

So, what're we gonna do today to earn our Cutie Marks?

287 SCOOTALOO

Well, I was thinking. For a pony who's never mixed up a potion before, you sure stirred up something fierce!

288 SWEETIE BELLE

Yeah! So what if your talent is potion making?

289 APPLE BLOOM

Oh my gosh! Totally! Let's go talk to Zecora! Now!

290 SCOOTALOO

Yeah!

291 SWEETIE BELLE

Woo hoo!

The three scamper off towards Zecora, who is heading back towards the Everfree Forest. Applejack facepalms.

THE END.
