

MY LITTLE PONY FRIENDSHIP IS MAGIC LOGLINES

Season Three

301 – The Crystal Empire– Part 1: A magical empire has suddenly appeared in the arctic north of Equestria and Princess Celestia needs Twilight and her friends to find a way to protect it.

302 – The Crystal Empire– Part 2: While her friends try to keep the Crystal Ponies occupied at the Crystal Faire, Twilight searches for the hidden Crystal Heart that is the key to keeping their empire safe from harm.

303 – Too Many Pinkie Pies: When Pinkie Pie finds it impossible to choose between fun activities with her friends, she decides to use magic to make more Pinkie Pies. But her clones soon make it impossible for Pinkie Pie to be with any of her friends at all.

304 – One Bad Apple: Apple Bloom's cousin and fellow "blank flank" is coming for a visit and the Cutie Mark Crusaders can't wait for her to join their club. But their hopes of gaining a new member are dashed when it turns out that all she wants to do is bully them.

305 – Magic Duel: When the great and powerful Trixie defeats Twilight in a magic duel, she forces Twilight out of Ponyville. Twilight must find a way to beat Trixie so that she can return to her home, but Twilight's magic may not be strong enough to do the trick.

306 – Sleepless in Ponyville: Rainbow Dash's scary campfire stories are giving Scootaloo nightmares and she's afraid to go to sleep. But if Scootaloo wants the nightmares to go away, she'll have to face her greatest fear – her idol finding out she's a scaredy pony.

307 – Wonderbolt Academy: It's a dream come true when Rainbow Dash is invited to attend the Wonderbolt Academy. But when she is paired up with a Pegasus named Lightning Dust who seems to be getting ahead by being reckless, Rainbow Dash starts to question whether or not she's Wonderbolt material.

308 – Just for Sidekicks: When Fluttershy asks Spike to watch Angel in exchange for a gem, Spike eagerly agrees to take care of her pet. But finds himself in over his head after he convinces all of her friends to leave him in charge of their critters as well.

309 – Apple Family Reunion: The entire Apple clan is getting together for a family reunion and Granny Smith has tapped Applejack to take over planning duties. But Applejack's efforts to make it the most memorable reunion ever may end up making it memorable for all the wrong reasons.

310 - Spike at Your Service: When Applejack saves his life, Spike insists that he now owes her a life debt and must serve her forever. Applejack is uncomfortable with this arrangement and turns to the other ponies to help her find a way to convince Spike that he doesn't owe her a thing.

311 – Keep Calm and Flutter On: When the Ponyville Ponies are tasked with helping reform Discord, Fluttershy is the only one really willing to give him a chance. He starts to show signs of progress, but is he actually becoming a better guy or just playing on Fluttershy's sweet nature to maintain his freedom?

312 – Games Ponies Play: The Crystal Empire is in the running to host the Equestria Games and Princess Cadence asks Twilight and her friends to help welcome the Games Inspector. But when the Inspector arrives early, they find themselves struggling to keep her entertained.

313 – Magical Mystery Cure: Twilight accidentally casts a spell that switches the Cutie Marks of all her friends. She must find a way to reverse the spell and put her friends back on the right path. In the process, Twilight's own true destiny is revealed.
