MY LITTLE PONY III

"Fluttershy's Home for Reformed Draconequi"

Episode 311

Written by

Dave Polsky

Polish V2: Dec 15, 2011

Notes Due: Dec 16, 2011

TEASER

EXT. PONYVILLE - DAY

TWILIGHT, RAINBOW DASH, PINKIE PIE, RARITY and SPIKE stand around together waiting.

1 TWILIGHT
I'm surprised she's not here yet.

2 SPIKE
I wonder what's taking so long.

3 PINKIE PIE
Ohohoh, I love it when Princess Celestia comes to Ponyville! I got my hooves shined just like Rarity for the occasion. You like?

4 RARITY
I certainly do. I can see myself in them.

5 RAINBOW DASH
So you like them because they're shiny or because you can see yourself in them?

6 RARITY
Do I have to choose?

Rainbow Dash rolls her eyes.

7 TWILIGHT
And where are Applejack and Fluttershy?

8 RARITY
Fluttershy's detained helping Applejack with a mishap at Sweet Apple Acres. They'll be along.

9 SPIKE
I still don't get why the Princess would be so late.

10 TWILIGHT
She's bringing an important visitor. That could be part of it.

11 RAINBOW DASH
A visitor who's important and slow.

12 RARITY

Maybe it's somepony so terribly important she still had many more terribly important things to do before she got here.

13 PINKIE PIE

Maybe it's a pony who invented an invisibility cloak and she's already here.

(spookily)

Oooooooh... Invisibility Cloak
Ponyyyyyy, I sense you're presence... if you're among us, I welcome you...

14 RAINBOW DASH

And if you're not, Pinkie's just embarrassing herself.

(then)

Can't we just come back later when they get here? Is this visitor really so important that we have to stand around like this?

15 PINKIE PIE

Ahem. If I'm right about the invisibility cloak, our visitor heard everything you just said.

(harumph)

Who's embarrassed now?

16 SPIKE

(looking O.S., scared)

Or maybe the visitor has a deer antler, a goat leg, a bat wing and a snake tail.

17 TWILIGHT

(not seeing, amused)

Yeah, right. That's Discord - the guy who came closer to destroying our friendships than any creature before or since.

18 RARITY

Why in the wide wide world of Equestria would Princess Celestia bring along someone like that?

19 SPIKE

M-maybe you should ask her.

They all look in the direction Spike's looking...

ANGLE ON PRINCESS CELESTIA approaching, leading the way while TWO PEGASI drag an enormous statue of DISCORD cast in stone behind her.

ANGLE BACK ON the ponies reacting.

20 THE PONIES AND SPIKE
(in unison)
<gulp>

FADE TO BLACK.

END OF TEASER

MAIN TITLES

ACT I

EXT. PONYVILLE - MOMENTS LATER

Princess Celestia stands before the stone-cast Discord while Twilight, Rainbow Dash, Pinkie Pie, Rarity and Spike look on.

21 TWILIGHT
With all due respect, Princess
Celestia...
(losing it)
... how could you bring Discord
here???
(then, meekly)
... your majesty?

22 PRINCESS CELESTIA
I truly understand the concerns you
all have. I'm fully aware the last
time Discord was here he created
serious havoc.

23 RAINBOW DASH
If by "serious havoc" you mean
turning Ponyville into the chaos
capital of the world...

24 RARITY
... and tricking us all into being
the opposite of our true selves...

25 PINKIE PIE
... and making yummy delicious
chocolate milk rain all over the
place without a single dollop of
whipped cream to go with it
anywhere in sight...

(MORE)

PINKIE PIE (CONT'D)

(outraged)

... not a single dollop!

26 RAINBOW DASH

Then, yeah, "serious havoc" just about covers it.

27 PRINCESS CELESTIA

Yes, I understand, but I have use for Discord's magic if it can be reformed to serve good instead of evil. This is why I've brought Discord here. Because I believe that you are the ponies who can help him do just that.

28 SPIKE

(running in circles)

This will never work! This is a disaster! How will we ever control him? We're doomed!

29 PRINCESS CELESTIA

Need I remind you that you are the ponies who turned him back into stone like this in the first place?

30 SPIKE

Oh uh, yeah. Good point.

31 TWILIGHT

I suppose we can just use the Elements of Harmony against him again if he gets out of hand.

32 SPIKE

(still trembling)

We probably need a volunteer to run away from here right away to get them. I'll do it!

Spike's about to BOLT, when...

33 PRINCESS CELESTIA

No need, Spike. I have them right here. And I've cast a spell so Discord can't take them and hide them again.

(then)

Now where is Fluttershy? I believe she may know best how to begin reforming Discord.

The other ponies share surprised looks.

34 RAINBOW DASH
Fluttershy? Really?

EXT. SWEET APPLE ACRES - SAME TIME

FLUTTERSHY speaks to a BEAVER standing on his dam, while
APPLEJACK looks on.

35 MR. BEAVERTON BEAVERTEETH
<beaver sounds>

36 APPLEJACK
What's he going on about now?

37 FLUTTERSHY
Good news. Mr. Beaverton
Beaverteeth has agreed to take his
dam apart and move it.

38 APPLEJACK
Well it's about time.

WIDEN TO REVEAL Applejack standing knee-deep in water that
has overflowed the banks of the stream into his orchard.

39 APPLEJACK (CONT'D)
My apple trees are so waterlogged I
can practically hear 'em gargle.

40 MR. BEAVERTON BEAVERTEETH
<indignant beaver sounds>

41 FLUTTERSHY
But he says first you'll have to
apologize for calling him "a
nuisance."

42 APPLEJACK
Apologize?? He's lucky I didn't
call him a varmint!

43 MR. BEAVERTON BEAVERTEETH
(gesticulating wildly)
<outraged beaver sounds>

44 FLUTTERSHY
Mr. Beaverton Beaverteeth! Such
language!

45 APPLEJACK
Fine. Fine. I apologize.

The beaver nods, satisfied, and then proceeds to CHEW THROUGH HIS DAM LIKE A BUZZAW, enable the stream to flow again, and the overflow to rapidly recede.

46 APPLEJACK (CONT'D)
Thanks, Fluttershy. Dunno what I
woulda done withoutcha.

47 FLUTTERSHY
Glad I could help.

Meanwhile, Rainbow Dash arrives, flying in at high speed and SCREECHING to a halt.

48 RAINBOW DASH
Hey slackers, double-time it on
over back to Ponyville, wouldja?
We're all waiting on you.

EXT. PONYVILLE - A LITTLE LATER

Applejack and Fluttershy are now with the other ponies. They
all wear their respective Elements. ***

49 PRINCESS CELESTIA
I **realize that** this is a tall ***
order, but I wouldn't ask if I
weren't confident you could get him
to use magic obediently of his own
free will.

50 FLUTTERSHY ***
And you really think I'll know best ***
how to do that? ***

51 PRINCESS CELESTIA ***
I do. ***
(then) ***
Now I must return to Canterlot for ***
Equestria's Royal Summit. You may
release Discord when ready. ***

Fluttershy GULPS nervously. Princess Celestia smiles and
FLIES OFF as the others look on.

52 TWILIGHT
Okay, ponies. Guess it's time to
get started. Let's just hope this
releasing spell works.

53 SPIKE
Or let's not.

54 TWILIGHT

Remember, we can always use the Elements of Harmony together to turn Discord back to stone if we need to.

(then)

We'd best keep our elements on at all times till further notice.

55 ALL THE PONIES

Check.

Twilight closes her eyes, points her horn, and fires her magic at the statue.

56 FLUTTERSHY

Wait, wait, wait! I'm not ready!

They all stop.

57 TWILIGHT

How much time do you need?

58 FLUTTERSHY

Um, I'm not sure. How much time does it take to change your identity and flee the country?

59 TWILIGHT

Don't worry, Fluttershy. Princess Celestia may have said you should to take the lead when it comes to reforming Discord, but we're all here to help you.

60 APPLEJACK

That's right. We're in this thing together.

The other ponies nod in agreement, setting Fluttershy's mind at ease.

61 TWILIGHT

(to Fluttershy)

Ready?

Fluttershy nods "yes". The magic resumes. The stone RUMBLES and CRACKS. Discord gradually emerges.

62 DISCORD

<emerging roar>

63 PONIES

<collective fearful gasp>

His upper torso free, Discord STRETCHES.

64 DISCORD
<roar morphing into yawn>

Discord, totally free now, straightens his legs, delighted.

65 DISCORD (CONT'D)
Oof, it's about time somebody got
me out of that prison block. What
a relief!

Stretching his arms, Discord casually ZAPS a SQUIRREL and,
turns it instantly into an ENORMOUS CLUB-WIELDING SQUIRREL.

66 TWILIGHT
What do you think you're doing?

67 DISCORD
Why stretching, of course. When
you're a creature of chaos, stone
bodysuits aren't your typical go-to
fashion choice.

Stretching out again, this time Discord ZAPS a BUNNY and
turns it instantly into a GIANT SABER-TOOTHED TIGER BUNNY.

68 APPLEJACK
You're doing that on purpose!

69 PINKIE PIE
Make that bunny cute again. Now!

70 DISCORD
Oh pish. He's adorable the way is.

71 GIANT SABER-TOOTHED TIGER BUNNY
<terrifying roar>

72 DISCORD
Know what else is adorable? You
ponies truly seem to believe you
can reform me. And you're putting
your faith in this one here to make
it happen.

Discord leans toward Fluttershy, looking at her as one might
at an ADORABLE LITTLE BABY. Fluttershy SHRINKS away timidly.

73 DISCORD (CONT'D)
Makes me wanna just pinch your
little horsie cheeks.

74 TWILIGHT
How'd you know about that?

75 DISCORD
Being turned to stone doesn't keep
me from hearing every word Celestia
says. Though I'll admit it made
rolling my eyes a challenge.

76 TWILIGHT
Well, unless you want us to turn
you back to stone, you'll zap those
animals back to the way they were
pronto.

77 DISCORD
You wouldn't dare turn me back to
stone and risk disappointing your
precious Princess.

78 RAINBOW DASH
Try us, Dip-cord.

79 TWILIGHT
If it turns out we need to use our
elements against you, I'm sure we
can convince Princess Celestia it
was for good reason.

Discord considers this, THROWING A SLY GLANCE at Fluttershy.

80 DISCORD
Hmm... I suppose that's correct...

Fluttershy shrinks from him again.

ANGLE ON the TIGER BUNNY who is now threatening a BEAR.
Discord ZAPS it back to a REGULAR BUNNY, who then REACTS IN
TERROR to the bear he was just menacing, and BOLTS.

ANGLE ON the MONSTER SQUIRREL, who is now popping WATERMELONS
into each cheek like gigantic nuts. Discord ZAPS it BACK TO
REGULAR SQUIRREL whose CHEEKS are now IMPOSSIBLY STRETCHED TO
ACCOMMODATE WATERMELONS.

ANGLE ON MR. BEAVERTON BEAVERTEETH with THREE OTHER BEAVERS
in the distance.

81 BEAVERS
<contended chuckling>

ZAP! Mr. Beaverton Beaverteeth suddenly registers a HOSTILE
EXPRESSION, and his eyes turn to HYPNOTIC SPIRALS.

ANGLE BACK ON Fluttershy reacting in horror.

82 FLUTTERSHY
Mr. Beaverton Beaverteeth!

Discord grins a wicked grin.

ANGLE BACK ON the beavers. ZAP! ZAP! ZAP! The other three beavers' eyes likewise become HYPNOTIC SPIRALS, and their expressions also TURN HOSTILE.

83 BEAVERS
<nasty snarling>

They all turn and dart off in different directions.

ANGLE BACK ON Discord's sinister sneer.

84 DISCORD
Oopsie.

85 FLUTTERSHY
You think you can treat poor defenseless animals like that and get away with it? I'll teach you a thing or two.

86 RAINBOW DASH
You go, Fluttershy.

87 DISCORD
Oh you will now?

88 FLUTTERSHY
I sure will. You best watch your step, buster, or I'll give you... THE STARE!

PUSH IN on Fluttershy dramatically.

89 DISCORD
(mock fear)
"The stare?" No, no, please, not that. Anything but your disapproving eyeballs!

Discord ERUPTS into PEALS OF LAUGHTER. Fluttershy scowls then WHIPS OUT THE STARE. Discord stops in his tracks.

90 DISCORD (CONT'D)
(choking)
Gak! No... agh... stop... don't... can't...

Fluttershy leans in, INTENSIFYING THE STARE. Her fellow ponies look on in amazement.

91 DISCORD (CONT'D)
Stop... can't take... anymore...
will do whatever you... say...
because...
(then, totally fine)
You're hilarious!

More PEALS OF LAUGHTER. The other ponies can't believe they fell for Discord's act. As he ROLLS AROUND GIDDILY, laughing helplessly, Fluttershy shrinks with embarrassment.

92 DISCORD (CONT'D)
Looks like I've decided where I'll
be crashing while I'm being...
(finger quotes)
... reformed.
(then)
With you, Fluttershy!

More WHOOPS OF LAUGHTER from Discord. Fluttershy reacts.

93 FLUTTERSHY
Oh. Dear.

FADE TO BLACK.

END OF ACT I

ACT II

INT. FLUTTERSHY'S COTTAGE - LATER

The ponies and Spike all gather in Fluttershy's living room, while Fluttershy busily FIXES UP THE PLACE for her new guest while ANGEL follows her around anxiously.

94 FLUTTERSHY
He says he wants to stay here. He
may be horrible but that doesn't
mean we have to act the same way.
We should at least try to be
hospitable.
(then)
You don't mind giving up your
favorite spot on the couch, do you,
Angel?

ANGLE ON enormous Discord sprawled on the couch. Angel, having a fit, rushes over to pull helplessly on Discord's leg, growing increasingly frustrated, while...

95 FLUTTERSHY (CONT'D)
I'm sorry about Angel. He's a
little uncomfortable around
strangers. Are you all right?

96 DISCORD
Oh, yes. Thank you, Fluttershy,
for your concern. If only your
pony friends could be as
considerate.

97 RAINBOW DASH
Don't listen to him, Fluttershy.
He's just trying to drive a wedge
between us like he always does.

98 DISCORD
("innocent")
Now why in the world would I ever
try to do a thing like that?

99 RAINBOW DASH
So we can't unite to use the
Elements of Harmony against you,
that's why.

100 DISCORD
Why, I never thought of that.

101 RAINBOW DASH
Big fat liar.

102 DISCORD
Now look who's the liar. Anyone
can plainly see I'm not fat at all.

Discord gloats, then "accidentally" knocking a LAMP OVER.

103 DISCORD (CONT'D)
Oopsie.

Discord uses his magic to "fix" it, putting in back together
in the most cock-eyed "lamp" imaginable and setting it back
on the endtable.

104 DISCORD (CONT'D)
There. All better.

ANGLE BACK ON the ponies.

105 APPLEJACK
I can't watch.

106 RAINBOW DASH
We'll be outside.

The ponies exit. Twilight crosses to Fluttershy. They are out of earshot of Discord.

107 TWILIGHT
You sure you're okay with this?

108 FLUTTERSHY
I know it's not going to be easy.
But Princess Celestia is counting
on me.
(then)
And I think I actually know what to
do.

109 TWILIGHT
(eager)
You do?

Twilight tries her darndest to stay focused on what Fluttershy's saying... but, unbeknownst to Fluttershy, in the b.g. Discord and Angel are in a PITCHED BATTLE OVER THE COUCH and TWILIGHT CAN'T HELP BUT FIND IT DISTRACTING.

110 FLUTTERSHY
You see, when I tried The Stare on
Discord I was hopping mad, but I
learned something from that.

In the b.g., Discord causes HIMSELF AND THE ENTIRE COUCH TO DISAPPEAR. Angel, who was furiously pulling on Discord's leg, now HAD A HOLD OF NOTHING and TUMBLES BACKWARD ACROSS THE FLOOR.

111 FLUTTERSHY (CONT'D)
I learned that...
(then)
Twilight, are you listening?

In the b.g., Angel looks every-which-way for his nemesis.

112 TWILIGHT
(still distracted)
Mmm-hmm.

113 FLUTTERSHY
I learned that...

In the b.g., Discord REAPPEARS, COUCH AND ALL, right behind Angel, who doesn't see him. Twilight can't resist getting Angel's attention and POINTING THIS OUT.

Fluttershy looks annoyed. Behind her, Angel finds Discord thanks to Twilight and thanks Twilight with a THUMBS UP.

114 FLUTTERSHY (CONT'D)
Twilight...

115 TWILIGHT
Sorry.

In the b.g., the struggle between aggravated Angel and the bemused Discord resumes. Twilight tries not to look.

116 FLUTTERSHY
I learned that berating Discord does no good. I think the key is to befriend him. Letting him be my houseguest is probably the best way to do that.

ANGLE ON Discord LIFTING THE REFRIGERATOR and SHAKING THE CONTENTS OF IT INTO HIS MOUTH.

117 DISCORD
Any more food around here?

118 FLUTTERSHY
(cheery to Discord)
Check the pantry.

119 TWILIGHT
And you really think that will work?

120 FLUTTERSHY
I hope so. I think it's worth a try.

Twilight considers this for a moment.

121 TWILIGHT
Okay.

Twilight casts another spell in Discord's direction.

122 TWILIGHT (CONT'D)
But if you need us, all you need to do is whisper "help" and we'll be back here with our Elements.
(then to Discord)
So watch that goat-legged step of yours, pal.

123 DISCORD
What? Look at me, I'm practically
reformed already.

With a dismissive look, Twilight exits.

EXT. FLUTTERSHY'S COTTAGE - MOMENTS LATER

Twilight **is with the** other ponies, who still wait outside. ***

124 RARITY ***
She's really alright with him
staying there?

125 TWILIGHT
That's what she said.

126 APPLEJACK
He's gonna run roughshod over her
sweet nature. I'm just sure of it.

127 RAINBOW DASH ***
Personally I think we should come ***
up with a back-up plan in case this ***
whole "befriending" him business ***
doesn't work out. ***

128 RARITY ***
Rainbow Dash is right. This is ***
Discord we're talking about, girls. ***
It wouldn't be a bad idea to have ***
another trick up our sleeves. ***

Twilight considers this for a moment then arrives at an idea. ***

129 TWILIGHT ***
And I think I know just the trick. ***

INT. FLUTTERSHY'S COTTAGE - A LITTLE LATER

Fluttershy busies herself in the kitchen.

130 FLUTTERSHY
Now Discord, I don't know if you're
full from your snack but dinner
should be in just a few -

Fluttershy OPENS THE PANTRY, which is COMPLETELY BARE except
for ANGEL, who lies on a shelf throwing a look back at
Fluttershy as if to see "Ya huh... ya see??"

131 FLUTTERSHY (CONT'D)
Maybe I'd better make a quick run
to the store first.

Fluttershy looks around.

132 FLUTTERSHY (CONT'D)
Discord? Discord where are you?

Discord SUDDENLY REAPPEARS. He has several sheets of paper in his hand. He crumples one up and starts EATING it.

133 FLUTTERSHY (CONT'D)
Oh there you are. Listen, Discord,
I just want to make sure you know
that if there's anything I can do
to-
(then)
Um... uh, Discord, are you
eating... paper???

134 DISCORD
Am I? How odd of me.

He shoves another piece in his mouth.

135 FLUTTERSHY
Well, uh, I'm heading out so you
just make yourself at home while
I'm gone.

DFluttershy tosses SOME GROCERY BAGS over her back and exits.
Discord gives her a happy little wave, then turns his
attention to Angel.

136 DISCORD
You like carrots, Angel?

Angel looks at Discord sceptically. Discord, gloating, leans
down so they're face-to-face.

137 DISCORD (CONT'D)
I'm playing your owner for a fool.
Howdya like them carrots?

Angel FUMES then stomps on Discord's foot.

138 DISCORD (CONT'D)
Ow!

INT. TWILIGHT SPARKLE'S LIBRARY - LATER

Twilight FLIPS RAPIDLY through book after book.

139 TWILIGHT

Hmm. That's weird. The spell I
had in mind isn't in here. Spike,
where are the other books I asked
you to pull?

ANGLE ON Spike next to stack of books as tall as he is.

140 SPIKE

Right here, Twilight.

Twilight rushes over to the stack, hastily PAGING THROUGH ONE
BOOK AFTER ANOTHER, through... ***

141 TWILIGHT

I really want to have a reforming
spell up and running pronto. ***
(then, re: another book)
Weird. It's not here either.

She tries another.

142 SPIKE

But what if he makes the Elements
of Harmony disappear like he did
last time?

143 TWILIGHT

Princess Celestia cast a spell
protecting them, remember? ***
(then)
Uh oh.

144 SPIKE

What's wrong?

145 TWILIGHT

Princess Celestia didn't cast a
spell protecting our books! ***
Everywhere I thought I'd find the
reforming spell--.

Twilight shows Spike one of the books. A page has clearly
been ripped out.

146 TWILIGHT (CONT'D)

That sneak!

INT. FLUTTERSHY'S COTTAGE - LATER

CLOSE ON Discord. He shoves the last crumpled piece of paper
in his mouth, chews and swallows.

147 DISCORD
(disingenuous)
Are you sure this isn't overdoing
it? You said to make myself at
home while you were gone, but I
wouldn't want to overstep my
bounds.

WIDEN TO REVEAL Fluttershy hovering while her house BARREL
ROLLS around her, doing her best to help Angel, who's getting
knocked around far worse by it than she is, through...

148 FLUTTERSHY
I did say that. So, if this makes
you more comfortable, by all means,
please feel free.

The house keeps spinning wildly. Upside down, Angel hangs on
for dear life from the floor to keep from falling to the
ceiling. Fluttershy must turn upside down also to help.

149 DISCORD
Oh it does. Very much so. You're
so very kind, my dear Fluttershy.
I always knew you were the
understanding one. Not like those
nasty friends of yours.

150 FLUTTERSHY
My friends aren't nasty.

151 DISCORD
Of course you'd say that. It just
goes to show how understanding you
truly are.
(then, off her look)
You know, I think Princess Celestia
was right when she singled you out
as the one who could reform me.
You're off to such a good start,
I'm seriously considering actually
being reformed.

Unbeknownst to Fluttershy, Discord looks to Angel and sneers.

152 TWILIGHT (O.C.)
Fluttershy! Fluttershy, can you
hear me?

153 FLUTTERSHY
Goodness! I hear Twilight!

Fluttershy flies out the window... then flies back in and
grabs Angel... then flies back out.

EXT. PONYVILLE - CONTINUOUS

Fluttershy flies out the window of her cottage, which we now see is FLOATING AND SPINNING HIGH UP IN THE AIR.

Fluttershy flies to the ground to join Twilight and Spike.

154 TWILIGHT
Fluttershy, what's going on? Are you okay?

155 FLUTTERSHY
We're fine. Everything's going great. Isn't it, Angel?

Fluttershy sets Angel safely down on the ground... and Angel hops off as fast as he possibly can. The ponies watch him disappear into the distance... then Fluttershy looks back at Twilight and Spike sheepishly.

156 FLUTTERSHY (CONT'D)
He um...
(clears throat)
... probably just needs to stretch his legs a bit.

157 TWILIGHT
We've come to get you away from Discord. He's just trouble and, from the looks of it, completely out of control.

158 FLUTTERSHY
Oh but you're wrong. We're making great progress.

Twilight and Spike both look at her blankly for a beat... then up at the WILDLY SPINNING HOUSE.

159 TWILIGHT/SPIKE
Seriously?

160 FLUTTERSHY
I'm earning his trust by giving him a little space to be himself.

161 SPIKE
Hate to break it to you, but he used that "space to be himself" to tear out all the reforming spells from the library.

Fluttershy considers this for a moment.

162 FLUTTERSHY
That does explain the paper eating.

163 TWILIGHT
He ate them?!

164 FLUTTERSHY
But we aren't going to need a spell. He's already really considering being reformed. He said so.

165 TWILIGHT
And you believed him?

166 FLUTTERSHY
If I'm going to be his friend, I have to start by giving him the benefit of the doubt.
(then)
Tell you what: bring all the ponies over for a dinner party this evening and I'll bet his manners will have really improved by then.

167 TWILIGHT
(sigh)
All right. Dinner it is.

Fluttershy starts to fly up, then doubles back.

168 FLUTTERSHY
I'll even get him to put the cottage back on the ground first.

169 TWILIGHT
Yeah. That would be nice.

Encouraged, Fluttershy smiles and flies back into the sky toward her cottage. Meanwhile, Twilight and Spike exchange looks of concern.

EXT. FLUTTERSHY'S COTTAGE - THAT EVENING

With all of the ponies, including Spike, gathered around the front door, Twilight knocks.

170 RAINBOW DASH
I can't believe we're having a dinner party with Discord. Aren't you just supposed to have dinner parties with folks you *like*?

171 TWILIGHT

Fluttershy thinks this is the way
to reform Discord and asked us to
give it a chance.

172 RARITY

This evening's sure to be a
disaster. Glad I didn't bother
wearing my fanciest outfit.

173 PINKIE PIE

You still look pretty nice, though.

174 RARITY

Oh this old rag? It's only my
eighth fanciest outfit.

175 TWILIGHT

Game faces, girls. I think I hear
Fluttershy coming to the door now.

Door opens... it's Discord with the mien of a butler, with a
towel draped over his forearm.

176 DISCORD

Our pony guests. We're so
delighted you've come. Please do
come in.

The ponies enter past the gracious Discord, holding the door
for them. The ponies glance at one another in disbelief.

INT. FLUTTERSHY'S COTTAGE - CONTINUOUS

The ponies step inside. The cottage is beautifully decorated
for a party, including a long table set with elegant
dishware, candles and a tablecloth.

Fluttershy stands there, smiling, as they walk in.

177 FLUTTERSHY

See what a beautiful job he did
helping? Discord set the entire
table himself. I'm so proud.

Discord beams. The ponies are shocked. They turn to
Discord, who smiles back at them smugly.

178 DISCORD

May I take your hats, ladies?

The ponies balk, realizing he means the Elements of Harmony
they're wearing. Twilight turns to the others warily.

179 TWILIGHT
Hang on to your Elements, girls.
It's going to be a bumpy night.

INT. FLUTTERSHY'S COTTAGE - LATER THAT EVENING

The ponies are now all seated around the table.

180 FLUTTERSHY
As you all know, Princess Celestia
hoped we'd help Discord use his
magic for good instead of evil.
(then, pointedly)
Pinkie Pie, care for some gravy?

181 PINKIE PIE
You bet. Pass the gravy, please.

182 DISCORD
Allow me.

Discord ZAPS the GRAVY BOAT, which SPROUTS ARMS AND LEGS and
runs over to where Pinkie Pie sits... then sits up in front
of her, PANTING, like an OBEDIENT DOG.

183 ALL THE PONIES
Oooh. / Wow. / Hey, not bad...

INSERT: Discord's hand underneath the table operating an
identical gravy boat as though it were a marionette.

184 PINKIE PIE
Ooh, what a cute little gravy boat
you are! Yes you are, yes you are!

185 RAINBOW DASH
That's one creepy little gravy boat
if you ask me.

186 FLUTTERSHY
Oh come on now, Dashie, you're not
even giving this a chance.

The gravy boat POURS ITSELF OUT onto Rainbow Dash's lap. She ***
leaps out of the way of the hot liquid. ***

187 RAINBOW DASH ***
Hey! That's hot! ***

188 DISCORD
Oopsie. So sorry.

189 RAINBOW DASH
He did that on purpose!

190 DISCORD
Oh, I don't know about that.
Mistakes happen.
(then)
Ooh, hey look everypony - dancing
candles.

ANGLE ON a few candles TAP DANCING UP A STORM, while Discord
manipulates marionette versions of them under the table.

191 FLUTTERSHY
Ooh, look - how fun!

192 RAINBOW DASH
I'm not falling for that. Discord's
just trying to distract us from -

The DANCING CANDLES suddenly RUSH INTO FRAME and start
KICKING RAINBOW DASH MERCILESSLY. (NOTE: This should not play***
extreme.) ***

193 RAINBOW DASH (CONT'D)
Hey! Knock it off! I suppose
that's another "mistake?"

194 DISCORD
No, I think you just made them mad.

Some PIES then start FLYING ACROSS THE ROOM and HITTING
Rainbow Dash, one after another.

195 RAINBOW DASH
Now wait a second. I never said
anything bad about pies!

196 PINKIE PIE
And who would? I mean really!

197 TWILIGHT
What the horse-and-bridle's
happening here?

198 DISCORD
Why whatever do you mean?

199 TWILIGHT
Walking gravy boats? Dancing
candles? There's something fishy
going on.

ANGLE ON two FISH SHAPED SOUP TUREENS SPLASHING EVERYPONY
WITH SOUP by FLAPPING THEIR TAILS.

200 ALL THE PONIES
(ducking flying soup)
Hey! / Cut it out! / Stop!

201 FLUTTERSHY
Discord?

202 DISCORD
It's hardly my fault if the soup
tureen finds the term "something
fishy" offensive.

203 APPLEJACK
That tureen's only doin' what
you're makin' it do!

204 FLUTTERSHY
Now let's not jump to
conclusions...

205 RAINBOW DASH
Fluttershy, can't you see what he's
doing? He's playin' the innocent
with you so you'll never agree to
use the Elements of Harmony against
him. Then he'll be free to act
however he pleases forever!

206 DISCORD
Oh, that's a bit harsh, isn't it?

207 RAINBOW DASH
You see what I'm saying, right
Fluttershy?
(a beat)
Fluttershy?

208 FLUTTERSHY
You know what I see? I see that
Discord's far from perfect, but I
also see none of you giving him a
chance.

209 ALL THE OTHER PONIES
Oh, come on! / Are you serious? /
Give me a break!

210 RAINBOW DASH
What's gotten into you? Why do you
keep cutting him so much slack?

211 FLUTTERSHY
Because that's what friends do.

Her complete lack of guile catches Discord off guard.

212 DISCORD
Buh whuh... we're... friends?

213 FLUTTERSHY
Why of course. I can't remember my
house ever being this lively before
you came along.

Discord seems to be genuinely moved by this new development.

214 DISCORD
I - I never really had... a friend.

215 FLUTTERSHY
Well, now you do.

Fluttershy smiles sweetly at Discord. He gives her an awkward smile back. The other ponies watch this exchange in awe.

Just then, ANGEL rushes into the cottage, HOPPING through the window from outside and UP ONTO THE TABLE.

216 FLUTTERSHY (CONT'D)
Angel! No. Not on the table!
Naughty, Angel... naughty.

217 APPLEJACK
Hold up. I think he's trying to
tell us something.

Angel makes all kinds of FRANTIC GESTURES.

218 APPLEJACK (CONT'D)
Sorry. Not a clue.

Frustrated, Angel looks around and then, getting an idea, grabs an apple, and holds it up.

219 ALL THE PONIES
Apple.

Angel TOUCHES HER NOSE, then points to Applejack.

220 ALL THE PONIES (CONT'D)
Applejack!

Angel shakes her head in frustration.

221 RARITY
Sweet Apple Acres?

Angel lights up, touching her nose again. Then, walking across the table to a PITCHER OF WATER, she PLUNKS THE APPLE INSIDE with a TA-DA GESTURE as it SINKS TO THE BOTTOM.

A beat. Every pony is confused... except Applejack, whose face goes white.

222 APPLEJACK
Oh no! Those darn beavers!

As Applejack exits, Rainbow Dash gets it.

223 RAINBOW DASH
Flooding at Sweet Apple Acres!
(then)
And we all know who's behind that,
now don't me.

She glares at Discord, who does his best to look shocked.

224 DISCORD
Who? Me??

225 RAINBOW DASH
Oh give it a rest.
(then)
What do you think of your "friend"
now, Fluttershy?

Rainbow Dash exits. Fluttershy looks at Discord helplessly. Discord shrugs. Not knowing what to think, Fluttershy also flies out and exits.

FADE TO BLACK.

END OF ACT II

ACT III

EXT. SWEET APPLE ACRES - A LITTLE LATER

The ponies look on, dumbfounded, at an IMPOSSIBLY ELABORATE BEAVER DAM CONSTRUCTION PROJECT. The beavers from ACT I (whose eyes are still swirling in their sockets) are working on separate dams in proximity of one another. The result is a stream so completely backed-up that it's SWAMPING EVERYTHING UPRIVER, including Sweet Apple Acres.

Fluttershy climbs up from the river bank to join the others.

226 FLUTTERSHY
It's no use. They won't listen to
a word I say.

227 APPLEJACK
They've built dams around here
before but never like this. I've
never seen the flooding this bad!
What's going on?

228 FLUTTERSHY
They're in some kind of crazy
competition.

229 RARITY
It's like each bunch of beavers is
trying to outdo the others.

230 APPLEJACK
(yelling down at them)
Knock it off, you buck-toothed
knuckleheads!

231 FLUTTERSHY
This is so not like them. I don't
understand.

232 RAINBOW DASH
Oh come on, Fluttershy. You see
Discord's behind all this, right?

233 FLUTTERSHY
Oh of course I do. Do you all
think I'm a silly gullible fool?

They all look down at the ground, a little embarrassed to
admit that's what they were thinking.

234 PONIES
Well../Not exactly../Can you blame
us?...

235 FLUTTERSHY
I've just been trying to gain his
friendship any way I can so he'd
come to trust and listen to me.

ANGLE ON Discord out on the floodwaters, WATERSKIING. He's
using the two platters as skis and being TOWED along by the
two FISH SOUP TUREENS swimming swiftly in tandem.

236 DISCORD
Hey there, Fluttershy! You want a
turn. The water's great!

ANGLE BACK ON Fluttershy.

237 FLUTTERSHY
Time to see if it worked.

Fluttershy heads off toward Discord, who steers the fish pulling him ashore to join her.

238 DISCORD
Fluttershy! There you are. A sight for sore eyes.

239 FLUTTERSHY
As you can see, there's a big mess down here at Sweet Apple Acres...

240 DISCORD
Oh yes, awful business that.

241 FLUTTERSHY
It is awful. This is Applejack's home and it's being destroyed by innocent creatures who would never be acting this way if it weren't for your reckless behavior.
(then, firm but calm)
You need to fix this.

242 DISCORD
Hmm. Very well, I will fix it. I only ask one thing in return.

243 FLUTTERSHY
Yes?

244 DISCORD
I ask that you never use your Element of Harmony against me. As a sign of our friendship.

Fluttershy considers this for a moment.

245 FLUTTERSHY
As a sign of our friendship, I will never use my Element of Harmony against you.

Discord beams.

246 DISCORD
Excellent!

Discord SNAPS HIS FINGERS and SUDDENLY THE WEATHER IS FREEZING and the POND TURNS TO ICE. Discord has a SCARF and ICE SKATES and GLIDES along with ease.

247 DISCORD (CONT'D)
There. Much better. I so prefer ice skating to water skiing. Don't you?

ANGLE BACK ON Fluttershy, trying to suppress a simmering rage. ***

248 FLUTTERSHY
That's not fixing it. ***

249 DISCORD ***
(sincere) ***
Really? I thought you'd love ice skating. You're so naturally graceful. ***

Fluttershy growing increasingly irate, BOLTS off in his direction. ***

Twilight turns to the other ponies.

250 TWILIGHT
Quick! The Elements! Spike, bring Fluttershy's!

251 SPIKE
Got it!

ANGLE ON Discord as Fluttershy bears down on him.

252 DISCORD ***
I don't blame you for hurrying. I wouldn't want to miss out on a second of this either.
(holds up four skates)
Brought two pair for you. Hope they fit.

Fluttershy, now in a full on rage, runs straight out onto the ice, sending herself into a LONG SKID. ***

253 DISCORD (CONT'D)
Looks like horse hooves work pretty well, too. So glad you'll be able to join me.

254 FLUTTERSHY
(skidding right past him)
Why you I oughta...

She can't stop. She keeps right on skidding.

255 DISCORD

Where are you going? Don't you
want to skate together?

SLAM! Fluttershy collides with AN APPLE TREE on the opposite
side of the pond (production note: without hitting her head).

256 FLUTTERSHY

DISCORD!!!

257 DISCORD

(skating over)
What's wrong, pal? You sound
upset.

258 FLUTTERSHY

Don't call me your pal. I'm done
being pals with you!

259 SPIKE

(re: Fluttershy's element)
Here you go, Fluttershy. Game on.

260 DISCORD

(re: the four skates)
Oh don't be silly. She'll feel
better after she skates with me.

261 TWILIGHT

(re: Fluttershy's element)
Put it on, Fluttershy. He fixes
this or he goes back to being
stone. Spilling gravy and throwing
pies is one thing, flooding our
friend's orchard is another.
Princess Celestia will understand.

Spike extends the Element of Harmony to Fluttershy. She
looks at it, the turns away.

262 FLUTTERSHY

No. I made a promise not to use my
Element against him and I'm going
to keep it.

Discord grins.

263 PINKIE PIE (O.C.)

Hey guys, check this out!

Pinkie Pie FIRES HER ELEMENT, and the RECOIL of it sends her
SKATING BACKWARDS at terrific speed.

264 PINKIE PIE (CONT'D)
Wheeeeeeeeeehoooooooooooo!

265 APPLEJACK
(as she shoots by)
Pinkie, knock it off. This is
serious!

266 PINKIE PIE (O.C.)
(doppler effect)
Whooo-hooooooooooo....

A scowling Fluttershy regards the two offerings, the Element
of Harmony and the four ice skates.

267 DISCORD
(re: skates)
Come skating with me and we'll let
bygones be bygones. It'll be fun.

Fluttershy TAKES THE SKATES. Discord glares at Twilight
triumphantly. Twilight sinks.

268 DISCORD (CONT'D)
Haha! You see? She wants to have
fun with me because we're friends!
She can't use the elements against
me because we're friends! I'm free
forever! Haha! I -

269 FLUTTERSHY
(heaving the skates)
Not! Your! Friend!

Discord watches the SKATES SKID across the ice as Fluttershy
storms off. ***

270 DISCORD
Who cares? I can do whatever I
want. Whenever I want. I'm
Discord! The Master of Chaos!

Fluttershy storms off. Discord watches her go, defiant.

271 DISCORD (CONT'D)
You think you can boss Discord
around? You think I'm just going to
turn all this back because you say
so? Because if I don't I'll lose
the one friend I ever had? Ever!

We see on his face the weight of this hitting home.

Discord then turns to look at the FOUR LONELY SKATES
Fluttershy tossed aside, SPRAWLED AND ABANDONED ON THE ICE.

272 DISCORD (CONT'D)
(sigh)
Well played, Fluttershy. Well
played.

Discord sits down, defeated... and as he does so the weather
TURNS WARM, the ICE MELTS, the DAMS DISAPPEAR, the FLOOD
WATERS RECEDE, and the BEAVERS PLAY TOGETHER CONTENTEDLY.

Fluttershy stops and turns back to look at Discord, amazed.

273 DISCORD (CONT'D)
I liked it better my way. But... I
guess when you're friends you can't
always have things exactly your way
all the time, huh?
(then)
Sorry. Still new to this.

The ponies all look at Fluttershy, impressed. She blushes.

DISSOLVE TO:

EXT. PONYVILLE - DAY

Princess Celestia returns to retrieve Discord while all the
other ponies and Spike look on. Discord bows before her.

274 DISCORD
Yes, Princess. I am ready to use
my magic for good instead of
evil... usually.

275 PRINCESS CELESTIA
I suppose we can settle for that
for now. I must say, that sort of
honesty from you is a good sign.
(then)
Congratulations on your success,
ponies. I definitely sense a big
change in Discord.

276 TWILIGHT
You were right, when you said
Fluttershy would be the one to find
a way to reform Discord. She tried
something that the rest of us never
would have considered...

Fluttershy blushes a little.

277 TWILIGHT (CONT'D)

By treating Discord as a friend,
she got him to realize that
friendship was actually important
to him. And something that once he
had, he didn't want to lose.

278 FLUTTERSHY

(to Discord)

But you still could you know. So
watch yourself.

(then)

Go on. Say it.

279 DISCORD

Oh. Alright.

(fighting every syllable)

"Friendship is magic."

Fluttershy gives him an approving pat on the leg, which he
seems to appreciate.

280 FLUTTERSHY

See. He can be a real sweetheart
once you get to know him.

Her friends don't look so sure about that as we...

SLAM TO BLACK.

END.
