TEASER

SC 1 - EXT. PONYVILLE - MORNING

TWILIGHT stands with SPIKE staring at an apple on a table.

1 SPIKE
Try again, Twi. You can do it.

2 TWILIGHT SPARKLE
Whew, this spell's a toughie, but I
feel lucky this time. One, two -

3 PINKIE PIE (O.C.)
Hug!

PINKIE PIE zips into frame and grips Twilight in an exuberant hug the split second the magic fires from Twilight's horn.

4 TWILIGHT SPARKLE
Pinkie! Why'd you do that??

5 PINKIE PIE
Because hugs are funnerific.
Especially when you throw one
around a friend. Whatcha doin'?

6 TWILIGHT SPARKLE
Trying to turn that apple into an
orange.

7 SPIKE
But you kinda threw her aim off.

ANGLE ON a tree branch where there's perched an ORANGE WITH WINGS AND BIRD LEGS. It CHIRPS and flies away.

8 PINKIE PIE
Whee! What a cute orange birdie.
Do me next, Twilight. Do me do me!
(then)
Ooh Rarity, wanna see Twilight turn
me into an orange. It's gonna be
fun-a-fun-fun!

REVEAL RARITY strolling up in an extravagant outfit.

9 RARITY
As fun as creating this haute
couture ensemble I just finished
making? Delightful, no?

10 PINKIE PIE
This - this is terrible!

11 RARITY
Why Pinkie, I - I admit it's
perhaps not my finest work, but -

12 PINKIE PIE
You had total awesome amazing fun
and I missed out on it??
(then)
Wait - what if there's more awesome
amazing fun with friends happening
somewhere in Ponyville right now
that I'm missing out on, too?

Pinkie ZIPS off in search of whatever fun she might be
missing. Rarity looks at Twi and Spike, mystified.

13 SPIKE
We weren't gonna turn her into an
orange. I swear.

SC 2 - EXT. RAINBOW DASH'S HOME - MOMENTS LATER

RAINBOW DASH stands in the middle of a CLOUD that's settled
on the ground. She KICKS at it as Pinkie RUSHES into frame,
as though searching frantically for something.

14 PINKIE PIE
Hey, Rainbow Dash, whatcha doin'?

15 RAINBOW DASH
This punk cloud got so heavy it's
making fog. Figure I'll thin this
bad boy out so it floats back up.

16 PINKIE PIE
(running round and round)
Ooh, fun! Whee!
(then)
Gotta go.

Pinkie DARTS OFF - what other fun could she be missing?
Meanwhile, the cloud, thinned by her manic running, FLOATS
back up into the sky.

17 RAINBOW DASH
Er, thanks Pinkie...

SC 3 - EXT. SWEET APPLE ACRES - MOMENTS LATER

APPLEJACK playfully pulls APPLE BLOOM along in a WHEELBARROW. Pinkie BOLTS INTO FRAME, and (horrors!) discovers yet more Pinkie-free fun! She catches up to run alongside.

18 PINKIE PIE
(winded)
Hey, Applejack. That looks like
fun. Can I join you?

Pinkie Pie jumps into the wheelbarrow with Apple Bloom.

19 PINKIE PIE (CONT'D)
Whee!
(then)
Next time I'll pull you!

Pinkie DARTS OFF ANXIOUSLY - if she's already found this much fun she's been missing, there's surely more! Meanwhile, Applejack and Apple Bloom exchange shrugs.

SC 4 - EXT. EVERFREE FOREST - MOMENTS LATER

Pinkie Pie - now more frantic than ever - rushes over to FLUTTERSHY, who sits contentedly.

20 PINKIE PIE
(barely able to breathe)
Fluttershy! There. You. Are.
Been looking - everywhere - for
you. Doing... anything... fun?

21 FLUTTERSHY
Not especially.

22 PINKIE PIE
Oh good. Fun is hard.

Pinkie Pie teeters and passes out. Fluttershy looks worried.

FADE TO BLACK.

ACT I

SC 5 - EXT. PONYVILLE - LATER THAT MORNING

Pinkie lies in a chez lounge sipping a drink surrounded by butterflies. Fluttershy looks on.

23 FLUTTERSHY
Feeling better, Pinkie?

24 PINKIE PIE
Absatutely-lutely. Thanks for letting me rest in your Butterfly Grove while I get my Pinkie strength back.

25 FLUTTERSHY
What are friends for?

26 PINKIE PIE
That's just the thing. I've got so many wonderful friends having fun in every last corner of Ponyville I can't figure out how to keep up with it all. It's driving me even more coco-loco than usual.

27 FLUTTERSHY
I can promise to not do anything fun at all if that would help.

28 PINKIE PIE
(tenderly)
You're such a good friend.

Applejack walks up.

29 APPLEJACK
There y'are, Pinkie. Been looking everywhere for you, girl.

Rainbow Dash drops in for a landing.

30 RAINBOW DASH
Hey Pinkie. Got something fun planned this afternoon thought you might wanna know about.

31 APPLEJACK
Well, I'll be an apple crisp - I'm here for the same reason.

32 PINKIE PIE

This is perfect! Everyone will now bring their fun to me. This will solve everything! Why didn't I think of that?

33 RAINBOW DASH

Actually, what I meant is after I'm done whippin' up the day's weather I'll be chillin' by the lake, catchin' some rays. Wanna hang?

34 PINKIE PIE

I am so there! Whee!

35 APPLEJACK

And my family's having a barn raising this afternoon at Sweet Apple Acres. You're welcome to join us there too for a spell.

36 PINKIE PIE

And I am also so there! Whee-whee!

37 RAINBOW DASH

But that's when I'll be at the swimming hole. Ah well, doesn't matter, whichever one you choose is okay with me.

38 APPLEJACK

Me too.

Pinkie looks distraught.

39 PINKIE PIE

Choose?!

SC 6 - EXT. PONYVILLE - DAY

TWILIGHT stands with SPIKE staring at the apple from earlier.

40 TWILIGHT SPARKLE

One, two -

Pinkie goes RACING BY IN A BLUR, distracting Twilight just as the magic emits from her horn.

ANGLE ON the magic ZAPPING a frog, who TURNS INTO AN ORANGE and makes CROAKING noises as he hops away.

Twilight looks on as Pinkie RACES BY IN BLUR again, this time in the opposite direction.

41 SPIKE
(ducks under table)
Don't shoot!

42 TWILIGHT SPARKLE
Pinkie!

Pinkie Pie SCREECHES to a halt. She checks the time on a stopwatch around her neck.

43 TWILIGHT SPARKLE (CONT'D)
What in the wide wide world of
Equestria are you doing now?

44 PINKIE PIE
(panting, quickly)
Timing myself galloping back and
forth between the swimming hole and
Sweet Apple Acres. I'm trying to
cut down my time so if Rainbow Dash
dives off the tire swing I can get
to Sweet Apple Acres to help with
the barn raising and then be back
in time to see Rainbow Dash hit the
water after doing a double flip.
(re: watch, still panting)
If I can cut my time by only twenty
minutes I'm good.

45 TWILIGHT SPARKLE
(chuckling)
Oh Pinkie, I'm afraid no matter how
hard you try the only way to pull
something like that off is if
there's more of you to go around.

Pinkie Pie considers this for a moment.

46 PINKIE PIE
That's it, Twilight! The Legend of
the Mirror Pool.

Pinkie Pie DARTS off.

47 TWILIGHT SPARKLE
(calling after)
Legend of the who-what now?
Pinkie? I'm familiar with loads of
legends and I never heard of -

48 SPIKE
(hopeful)
Does this mean practice is over?

49 TWILIGHT SPARKLE
Of course not. Back to work.

50 SPIKE
(cowers under table)
Mind if I stay under here just in case?

SC 7 - INT. EVERFREE FOREST - DAY

Pinkie pushes through a dark and spooky bramble patch.

51 PINKIE PIE
Ouch, stop scratching me up, you
brambles. Enough already!

Pinkie pushes her way through yet more DENSE BRUSH.

52 PINKIE PIE (CONT'D)
Seems like hardly anypony's been
through here in ages. I hope I'm
remembering the rhymes right from
my Nana Pinkie's story.
(thinking hard)
*Where the brambles are thickest
there you will find, a pond beyond
the most twisted of vines.*
(then, startled)
What was that? I heard a voice...
(then, giggling)
Oh, it was me.

With a big final push, Pinkie emerges into a small clearing
with a POND in the middle.

53 PINKIE PIE (CONT'D)
There it is, the pond!
(startled again)
And there's that voice again!
(catching herself)
Tsk, tsk. Pinkie, you have got to
stop talking to yourself.
(catching herself again)
Starting now.

Pinkie steps over to the pond, gazing at her REFLECTION.

54 PINKIE PIE (CONT'D)
(thinking hard again)
*And into her own reflection she
stared, yearning for one who's
reflection she shared...*

WINDS kick up... LEAVES swirl... general ATMOSPHERICS...

55 PINKIE PIE (CONT'D)
*... and solemnly swore not to be
scared at the prospect of being
doubly mared.*

The wild stirrings escalate to a peak and then... POP!

ANGLE ON, an exact DUPLICATE of Pinkie Pie.

56 PINKIE 2
Whee-hee!

The duplicate begins gleefully jumping around, bounding on top of rocks, jumping off of rocks, jumping back onto them, etc... entertaining herself in a manic fashion, through...

57 PINKIE PIE
Wow! The legend is true - it
really worked!
(then)
Hey wait, I promised not to talk to
myself anymore. I should say
something to her.
(then)
Or would that still be talking to
myself?
(then)
Excuse me, me. Can I have a word
with you, I mean me, I mean...
whatever you are?

Pinkie 2 continues BOINGING AROUND gleefully.

58 PINKIE PIE (CONT'D)
Listen, I can see you're having
lots of fun, but -

Pinkie 2 stops in her tracks.

59 PINKIE 2
Fun? Did someone say fun? Where?

60 PINKIE PIE
I did. Over here. I'm so excited
to meet you! I bet we have loads
in common...

61 PINKIE 2
I thought someone said something
about fun. Where is it?
(zips to the left)
Over here?
(zips to the right))
Over here? I don't see it. Where
is it??

62 PINKIE PIE
Calm yourself, silly. There's
loads of fun to be had in Ponyville
with my girls. Trot on over back to
Ponyville with me and I'll tell you
all about 'em.

SC 8 - EXT. PONYVILLE - BOUNDARY OF EVERFREE FOREST - DAY

Pinkie Pie emerges from the Everfree Forest with Pinkie 2.

63 PINKIE PIE
And then there's Rarity. She's the
one with all the fancy clothes and
ribbons and stuff. I'm thinking
she can maybe make us all matching
T-shirts that say "Team Pinkie" and-

64 PINKIE 2
Is this Ponyville? Where's the
fun? Where's the fun?

65 PINKIE PIE
Oh, there's bucketloads of fun.
Don't you worry your incredibly
pretty little head.
(floofing her own mane)
So... which of my friends would you
like to have fun with first?

66 PINKIE 2
Where's the fun? Where's the fun?
Quick, quick, quick.

67 PINKIE PIE
Well, let's see... Applejack's
having a barn raising at -

Pinkie 2 DARTS off.

68 PINKIE PIE (CONT'D)
(re: opposite direction)
It's thataway.

Pinkie 2 DARTS back through the opposite way.

69 PINKIE PIE (CONT'D)
Wait! Come back!

Pinkie 2 DARTS back into frame.

70 PINKIE PIE (CONT'D)
Don't forget to meet me back here
to tell me everything about
everything like I was there
myself, because I was there myself,
because I'm you and you're me and
oh my gosh - this is the greatest
plan ever!!
(then)
Now off to double my fun...

In classic cartoon style, she and Pinkie 2 ZIP out of frame
in opposite directions.

SC 9 - EXT. SWIMMING HOLE - DAY

Rainbow Dash settles down for a rest poolside. She YAWNS,
smacking her lips, and then, just as she's dropping off for a
delicious nap... ZOOM! Pinkie zips in, decked out in a
snorkel mask and duckie floatation device around her waist.

71 PINKIE PIE
Let's rock this pool, ponies!
(jumping in)
Whee! Comin' in, Dashie?
(splash!)
The water's great. It's totally
wet and everything!

72 RAINBOW DASH
I dunno. Cloudbusting was tougher
work than usual today... I'm kinda
of exhausted.

73 PINKIE PIE
That's fine. You relax. At least
we'll still be together.

74 RAINBOW DASH
Glad you made it. I thought maybe
you went to Applejack's instead.

75 PINKIE PIE
I did.

76 RAINBOW DASH
Oh, so how's it going over there?
The barn up yet?

77 PINKIE PIE
I have no idea.

78 RAINBOW DASH
But I thought you said you were
just at Applejack's.

79 PINKIE PIE
Actually, I'm probably still on my
way there now. Wheeeee!

Pinkie swings from the tire, SPLASHING again into the lake
while Dash looks on, more confused than ever.

SC 10 - EXT. PONYVILLE - DAY

Pinkie 2 hurries in the direction of Sweet Apple Acres.
Fluttershy, catching sight of her, approaches.

80 FLUTTERSHY (O.C.)
Pinkie Pie! I'm so glad you
wandered by. I know I promised not
to have any fun today but I
couldn't help myself.

ANGLE ON a WOODLAND PICNIC attended by WOODLAND CRITTERS.

81 FLUTTERSHY (CONT'D)
All of my critter friends wanted to
picnic and I couldn't disappoint
them. Come join us. We have
plenty of hay juice and marmalade
to go around. Don't we, critters?

82 CRITTERS
<agreeable critter walla>

83 PINKIE 2
Wait, that sounds super-fun. But
Applejohn's sounds super-fun, too.
(MORE)

PINKIE 2 (CONT'D)

And - and - and I can't do one
without missing out on the other.

84 FLUTTERSHY

Who's... Applejohn?

85 PINKIE 2

Two fun things? At once? But
which - what - ?? Can't decide.
Trouble breathing... walls...
closing in...

86 FLUTTERSHY

Walls? We're outside.

87 PINKIE 2

Gaaaaaah!

Pinkie 2 runs in circles then DARTS back the way she came.

88 FLUTTERSHY

(to critters)

Goodness. Was it something I said?

89 PINKIE 2

(darts back into frame)

Yes!!

Pinkie 2 darts off again. Fluttershy reacts, bewildered.

FADE TO BLACK.

END OF ACT I

ACT II

SC 11 - EXT. SWIMMING HOLE - A LITTLE LATER

Pinkie excitedly explains everything to Rainbow Dash, who
looks like she isn't buying a word of it.

90 PINKIE PIE

So you see - that's how I'm able to
have fun in two places at once.
Quite simple, really.

91 RAINBOW DASH

Duplicates of you, huh? Yeah, sure
sure, Pinkie. Whatever you say...
look, I was just gearing up to
catch some Z's, so-

92 PINKIE PIE
Gotcha. Say no more. I'll have
the rest of my fun really quietly.

Pinkie takes a monster FLYING SWING off the tire.

93 PINKIE PIE (CONT'D)
(whispered)
Wheeeeeee...

Rainbow Dash opens an eye to see Pinkie make a huge splash
that impossibly only MAKES THE SOUND OF SOFT PILLOW THUMP,
followed by a LIGHT SPRINKLING OF POWDER.

94 RAINBOW DASH
Huh? How did you do that?

95 PINKIE PIE
Just trying to show a little
consideration for my sleepy friend.

Pinkie notices Pinkie 2 in the distance jumping up and down
trying to get Pinkie's attention, through...

96 PINKIE PIE (CONT'D)
Ooh ooh, gotta run. Looks like I'm
trying to get my attention. Gotta
go have a word with me. Excuse me.
And me.

Pinkie darts off. A baffled Rainbow Dash shakes her head and
resumes trying to take her nap.

SC 12 - EXT. BUSHES NEAR SWIMMING HOLE - MOMENTS LATER

Pinkie races excitedly over to the anxious Pinkie 2.

97 PINKIE PIE
Ooh, ooh, tell me all about it.
Did they pull the walls of the barn
up slow or fast?

98 PINKIE 2
I -

99 PINKIE PIE
Maybe slow-to-medium fast,
somewhere in that range?

100 PINKIE 2
I -

101 PINKIE PIE
Did you get ice cream? What kinds
did they have? Banana brickle?

102 PINKIE 2
I didn't make it. I was on my way
there and then Fluttershutter-

103 PINKIE PIE
Fluttershy.

104 PINKIE 2
Yeah. Her. She offered something
else fun for me to do. A picnic.
With cute little animals.

105 PINKIE PIE
How could you say no to that?

106 PINKIE 2
It's what I'm saying. But then I
would've missed the super-fun thing
with Applesauce -

107 PINKIE PIE
Applejack.

108 PINKIE 2
(bawling)
So I didn't do anything fun at all!

109 PINKIE PIE
Oh my poor, poor me. There-there.

110 PINKIE 2
So I came running back here. I -
(sob-squeaking)
I didn't know where else to turn.

111 PINKIE PIE
Been there, girlfriend. Tell you
what, we just need a couple more
Pinkie Pies. Easy peasy.

112 PINKIE 2
Really?

113 PINKIE PIE
C'mon - would I lie to me?

SC 13 - INT. EVERFREE FOREST - REFLECTING POND - LATER

Pinkie Pie and Pinkie 2 stare into the pond at their reflections together, with the WINDS HOWLING and LEAVES SWIRLING as they recite the incantation together.

114 PINKIE PIE/PINKIE 2
*...and solemnly swore not to be
scared at the prospect of being
doubly mared.*

POP! POP! Two more duplicates emerge from the pond.

115 PINKIE 2
Look! A double me!

116 PINKIE PIE
Ahem. I think you mean a double
double me. Plus another double
double me. Which makes two double
double me's. Or a double double
double me, if you will.

117 PINKIE 2
This is so fun!

118 PINKIE 3
Did someone say fun?

119 PINKIE 4
Fun! Fun! Fun!

120 PINKIE 2/PINKIE 3/PINKIE 4
Fun! Fun! Fun! Fun! Fun! Fun!

The three duplicate Pinkies all start bouncing around and zipping here and there doing whatever fun they can think of... rubbing sticks together, then climbing trees, then jumping off low-lying branches, etc., through...

121 PINKIE PIE
Now Applejack, Rainbow Dash, and
Fluttershy are covered, plus one
extra Pinkie Pie in case we get an
extra invite from somebody else.
Perfect. Okay, let's go.

Pinkie turns to go, but no one follows. Pinkie turns to see the three other Pinkie's leaning over the reflecting pond.

122 PINKIE PIE (CONT'D)
Hey, Pinkies. Yoo-hoo!

123 PINKIE 2/PINKIE 3/PINKIE 4
*...and solemnly swore not to be
scared at the prospect of being
doubly mared.*

POP! POP! POP! Three more duplicate Pinkies emerge.

124 PINKIE PIE
Okay. Good enough. Pinkie Pies
movin' out.

Again she turns to go but no one follows, and again she turns back and now sees all seven duplicates leaning over the pond.

125 PINKIE PIE (CONT'D)
What in the name of pink??

126 PINKIE DUPLICATES
*... at the prospect of being doubly
mared.*

POP! POP! POP! POP! POP! POP! POP! Seven more Pinkies.

127 PINKIE PIE
Knock it off!! I may be a Pinkie
but I'm seeing red. Now you all
step away from the magic mirror
water right now and cut it out!

128 DUPLICATE PINKIES
(bouncing away from pond)
Fun! Fun! Fun! Fun! Fun! Fun!

129 PINKIE PIE
To Ponyville, everyone - follow me!

They all stop bouncing to look at her quizzically.

130 PINKIE PIE (CONT'D)
(rolling her eyes)
Yes, it's fun there.

131 DUPLICATE PINKIES
(bounding after her)
Fun! Fun! Fun! Fun! Fun! Fun!

SC 14 - EXT. PONYVILLE - BOUNDARY OF EVERFREE FOREST - DAY

Pinkie emerges followed by the fidgety duplicates, who are busy joking, laughing, snorting, poking, leaping, etc.

132 DUPLICATE PINKIES
Wheeee!

133 PINKIE PIE
(joining in)
Wheeee!

Then Pinkie Pie suddenly stops, pulls out a SHRILL WHISTLE and blows, finally managing to get everyone's attention.

134 PINKIE PIE (CONT'D)
Okay, between the bunch of us we should have every nook and cranny of fun in Ponyville covered at all times. An unprecedented and massive undertaking. But first, a pop quiz on the names I taught you.

She holds a card with an image and smacks it with a pointer she just briskly untelescoped.

135 DUPLICATE PINKIES
Applejack.

Correct. She holds up another, smartly smacking it.

136 DUPLICATE PINKIES (CONT'D)
Fluttershy.

Right. She likewise holds up another.

137 DUPLICATE PINKIES (CONT'D)
Derpy.

138 PINKIE PIE
Excellent. Okay, let's get on with this, folks! Make sure to report back here with every last detail so I don't miss a thing. Fan out on three. One -

The other Pinkies have already run off.

139 PINKIE PIE (CONT'D)
Good enough!

Then, bounding off to join in on the good times...

140 PINKIE PIE (CONT'D)
La la la la la la....

SC 15 - EXT. BUSHES NEAR SWIMMING HOLE - A LITTLE LATER

Pinkie happily strolls along while occasionally stopping to, bit by bit, blow up the INFLATABLE RAFT she's carrying.

141 PINKIE PIE
Dash is gonna love this.
(inhale, blow)
If I push her around on this floaty
thing it'll be fun and relaxing.
(inhale, blow)
Gosh, I hope she's still awake.

SC 16 - EXT. SWIMMING HOLE - SAME TIME

Rainbow Dash enjoys a moment of much-needed shut-eye.

142 DUPLICATE PINKIES (O.C.)
<giddy playful walla)

Rainbow Dash stirs... then drowsily opens her eyes... then reacts, shocked.

143 RAINBOW DASH
What the - ?? How the - ??

ANGLE ON ... UTTER CHAOS. Six PINKIE duplicates jumping into water, out of water, etc.

144 RAINBOW DASH (CONT'D)
Wow! Pinkie Pie wasn't kidding
about the duplicates. Except now
there's triplicates. And
quadruplicates!

They're now jumping over Rainbow Dash...

145 RAINBOW DASH (CONT'D)
Hey - can't a pony get some peace
and quiet around here?!

ANGLE ON Pinkie Pie arriving, reacting to the mayhem.

146 PINKIE PIE
Uh. Oh.

The duplicates jump on top of each other, forming a tower.

147 DUPLICATE PINKIES
WhEEEEEEEE!

The tower topples, practically right onto Rainbow Dash, who darts out of the way just as the tower hits the water.

148 DUPLICATE PINKIES (CONT'D)
Fun! Fun! Fun! Fun! Fun! Fun!

149 RAINBOW DASH
Hey, watch it! Not fun, Pinksters!
Not fun at all!

Pinkie approaches with her fully-inflated raft.

150 PINKIE PIE
Uh, Rainbow Dash, looks like you
could use a nice relaxing float.

151 RAINBOW DASH
Ah! Another Pinkie. No more
Pinkies - I can't take it!

Rainbow Dash takes refuge under her towel while the Pinkie chaos still howls around her.

Pinkie Pie, completely ignored by Dash, looks on helplessly.

152 PINKIE PIE
Gosh, uh... I wonder what fun
they're having raising tha barn at
Applejack's right now. Maybe I
better go check.

She ZIPS off.

SC 17 - EXT. SWEET APPLE ACRES - SAME TIME

Applejack and her family all STRAIN on ropes to pull the walls of the barn up, while UTTER CHAOS reigns all around them, as six more duplicates WEAVE GLEEFULLY in and out and around the straining Earth Ponies.

153 APPLEJACK
How the shoeshine did we end up
with all these Pinkies??

154 DUPLICATE PINKIES
Fun! Fun! Fun! Fun! Fun! Fun!

155 APPLEJACK
I'll have y'all know this grand old
time you're having' takes the fun
out of it for the rest of us!

The laboring ponies have to struggle to keep their focus and not get knocked off balance and the duplicate Pinkies all gleefully and obliviously scamper by...

... then, inevitably, a working pony and a playing Pinkie get their hooves in a tangle... and the rest of the working ponies begin to lose their grip.

156 APPLEJACK (CONT'D)
Whoa, ponies! Hang on!

Sure enough - WHAM! All four walls collapse to the ground.

Just then, Pinkie arrives.

157 PINKIE PIE
(relieved)
Oh whew, looks like I haven't missed a thing!

158 APPLEJACK
What the apple dumpling is going on here? I wanna know right now where all you Pinkie's came from so I can find who's responsible for y'all ruining our barn raising!

Pinkie Pie looks on, terrified.

159 PINKIE PIE
(raising a hoof, quietly)
I know. But uh... you look pretty busy right now... so... maybe we should talk a little later... ?

No one hears her over the Pinkie Commotion, which has now just caused a SILO to COLLAPSE and SMASH TO BITS. The duplicates scamper away like a swarm of locusts.

160 DUPLICATE PINKIES
Fun! Fun! Fun! Fun! Fun!

161 APPLEJACK
(calling after)
Y'all come back here and clean up after yourselves this instant!

Pinkie runs off in horror and ducks behind some bushes.

162 PINKIE PIE
(distracted)
Oh no, what have I done?? My poor friends. What have I done??

She takes a peek at what's happening...

ANGLE ON: Mayhem. Applejack and all her fellow ponies FLEE IN EVERY DIRECTION, SCREAMING, while a herd of Pinkie duplicates BOUNDS AROUND MANIACALLY.

BACK ON PINKIE.

163 PINKIE PIE (CONT'D)
I've got to find a way to stop
myself from doing it.

SMASH CUT TO:

SC 18 - EXT. TOWN SQUARE - SAME TIME

Twilight stands facing an angry mob trying to maintain order. Rainbow Dash stands with her, and among the crowd are Spike, Rarity and Fluttershy.

164 TWILIGHT SPARKLE
Okay everypony, please... calm
down.

165 RARITY
Calm down?! I just had a Pinkie
hurricane raging through my shop!

ANGLE ON a half-dozen duplicates scampering by in dresses.

166 DRESS-WEARING DUPLICATES
Fun! Fun! Fun! Fun! Fun!

167 RARITY
And they didn't just damage my
place of business, but look at what
they're doing to the outfits. The
colors are all wrong on them, some
have them on backwards, and every
dress is a size too small.
(beside herself)
They're ruining the elastic!!

168 FLUTTERSHY
And they trashed our critter
picnic! They took all the
marmalade we made and used it to
glue leaves to themselves.

ANGLE ON another half-dozen duplicates scampering by
plastered with leaves.

169 LEAF-COVERED DUPLICATES
Fun! Fun! Fun! Fun! Fun!

170 FLUTTERSHY
I'm so mad I could almost raise my
voice and... and... call them
impolite names, like, like,...

171 RARITY
Go ahead, Fluttershy, let it out.

172 FLUTTERSHY
Naughty! There, I said it. They're
naughty ponies. Naughty naughty
naughty naughty NAUGHTY!

173 RARITY
Okay dear, let's dial it back a
scosche.

More ANGRY UPROAR from the crowd.

174 TWILIGHT SPARKLE
Please, everypony, hang on while I
try to figure something out! Come
on, Spike...

SC 19 - INT. TWILIGHT'S STUDY - MOMENTS LATER

Spike looks on while Twilight whips through book after book.

175 TWILIGHT SPARKLE
I've gotta try to remember the name
of that legend she mentioned.
(then, re: book)
Ah, here it is! The Legend of the
Mirror Pond. It describes a spell
I can use to send them back where
they came from...

176 SPIKE
That's perfect! Let's go...

177 TWILIGHT SPARKLE
But there's a catch. If I can't
figure out which one's the real
Pinkie, I might send her back by
mistake.

178 SPIKE
Well, we'll just have to figure out
who the real one is, then.
Shouldn't be too hard...

SC 20 - EXT. PONYVILLE - MOMENTS LATER

Twilight once again addresses the unruly crowd.

179 TWILIGHT SPARKLE
Does anypony here know how we can
tell the real Pinkie Pie from the
rest of them? Anypony at all?

Everyone in the crowds looks toward the others.

ANGLE ON Pinkie, who has just arrived on the scene, racing
toward them.

180 PINKIE PIE
I do! I do! Twilight, I have to
talk to you! I need your help!

Twilight fixes Pinkie with a stare.

181 TWILIGHT SPARKLE
Excuse me, whoever you are, but I'm
not talking to any of you Pinkies
unless you're the real Pinkie.

182 PINKIE PIE
But I am the real Pinkie!

183 PINKIE 2
No you're not. I'm the real
Pinkie!

184 PINKIE 3
No, I'm the real Pinkie!

185 PINKIE 4
I'm the real Pinkie!

186 ALL THE DUPLICATES
I'm the real Pinkie! I'm the real
Pinkie! I'm the real Pinkie! I'm
the real Pinkie!

ANGLE ON Applejack now arriving on the chaotic scene.

187 APPLEJACK
How in tarnation are we supposed to
tell which one's the real Pinkie?

188 TWILIGHT SPARKLE
I have no idea. They all look
exactly the same. I can't tell a
single one apart from the others.

ANGLE ON Pinkie Pie in the swarm of bounding Pinkies...

189 PINKIE PIE
Me either.
(increasingly bewildered)
We've all got the same adorable
tails. We've all got the same
adorable manes. We've all got the
same adorable hooves.
(horrors)
Which one of us is the real Pinkie?

Pinkie anxiety keeps rising as her eyes dart from one kinetic
duplicate to the next.

190 PINKIE PIE (CONT'D)
I haven't the slightest clue. And
if I can't tell us apart, who can??

Miserable, Pinkie buries her face in hooves.

FADE TO BLACK.

END OF ACT II

ACT III

SC 21 - EXT. PONYVILLE - TOWN SQUARE - LATER

A group of duplicates bound along through the now-otherwise-
deserted town square, bouncing up and down high enough to
look in through second-story windows.

191 DUPLICATE PINKIES
Fun! Fun! Fun! Fun! Fun! Fun!

Ponyville villagers slam windows shut as the duplicates bound
by, like Western villagers ducking marauding bandits who have
overtaken their town.

Meanwhile, Spike holds a clipboard for Twilight, who's trying
the capture the attention of any of the Pinkies bounding by.

192 TWILIGHT SPARKLE
Excuse me, I wonder if I could ask
you some questions about Pinkie's
friends in Ponyville. We'll start
with an easy one-- what is the name
of Rarity's dress shop?

193 PINKIE 4
Um...

Pinkie 4 glances over towards Rarity's shop which, surrounded
by Crazy Pinkies, TOPPLES AND CRASHES TO THE GROUND while
Rarity looks on.

194 RARITY
You monsters and menaces!! How dare
you do this to the Carousel
Boutique?! Perhaps I should knock
down your Sweet Shoppe and see how
you like it!

Rarity runs over and STRAINS to push over the Sweet Shoppe,
GRUNTING, to no avail.

Then, just as the winded Rarity takes a break, a bunch of
Pinkie duplicates come bounding along...

195 PINKIE DUPLICATES
Fun! Fun! Fun! Fun! Fun!

The Sweet Shoppe TOPPLES AND CRASHES TO THE GROUND.
Oblivious, the Pinkies BOUND MERRILY AWAY. Rarity FUMES.

BACK ON TWILIGHT, SPIKE AND PINKIE 4.

196 PINKIE 4
(bounding off)
Fun! Fun! Fun! Fun! Fun!

197 TWILIGHT SPARKLE
This is hopeless. By the time
we're done quizzing each Pinkie,
Ponyville will be gone. We need
some way to round them all up and
test them all at once, pronto!

Spike glances over at a single Pinkie Pie seated sadly on a
stoop, idly poking her hoof into the ground.

198 SPIKE
Maybe that one's the real Pinkie.

199 TWILIGHT SPARKLE
Please. The real Pinkie never sat
that long in one place her whole
life.

200 SPIKE
I'm gonna go ask.

Spike heads right on over.

201 TWILIGHT SPARKLE
Of course she's going to say she's
the real Pinkie. They all do.
You're wasting your time.

Spike steps right up to Pinkie Pie.

202 SPIKE
So let me guess - you're the real
Pinkie Pie.

203 PINKIE PIE
Heck-if-I-know. It could be any of
us if you ask me.

Spike and Twilight exchange befuddled looks.

204 PINKIE PIE (CONT'D)
And if I said I was the real
Pinkie, you wouldn't even believe
me anyway. So just leave me alone.
I've got some important poking-the-
ground-with-my-hoof to do.

Twilight looks into the town square at the Pinkie mayhem.

205 TWILIGHT SPARKLE
Oh Spike, how are we going to do
this? I can't risk sending the real
Pinkie back into the pond.

206 SPIKE
I miss the real Pinkie.

Twilight and Spike walk away. Pinkie Pie SIGHS.

207 PINKIE PIE
I bet she misses you, too. Bet
she'd do just about anything to get
to be with her friends again.

Pinkie Pie suddenly brightens.

208 PINKIE PIE (CONT'D)
(calling after Twilight)
Hey, what if you gave them a test--
Picked something really hard for a
Pinkie to do? Something not fun at
all? Any Pinkie that can't do it
goes back into the pond. But
whoever wants to stay the most...
that must be the real Pinkie!

Twilight stops in her tracks.

209 TWILIGHT SPARKLE
You know, that's not a bad idea.

She crosses back to Pinkie Pie.

210 TWILIGHT SPARKLE (CONT'D)
And to tell you the truth, it
sounds like an idea the real Pinkie
might come up with because unlike
the other Pinkies, she'd want to
find a way to get rid of the
Pinkies who are driving all her
friends away.
(then, hopeful)
Pinkie Pie, is that you?

211 PINKIE PIE
(really unsure)
Maybe?

212 TWILIGHT SPARKLE
Yeah. Can't take any chances.
We're gonna need that test.

Twilight DARTS off. Spike reacts and DARTS after her. Pinkie
Pie remains at her stoop.

213 PINKIE PIE
This is great! If I pass I get to
be with my friends again.
(then, realizing)
But what if I don't pass? What if
I'm not the real Pinkie Pie?
(then, frustrated)
Ohhh. Stupid magic mirror water.
This is all your fault.
(then, slumping)
And mine.
(then, confused)
I think.

Pinkie Pie slumps further.

SC 22 - EXT. EVERFREE FOREST - MOMENTS LATER

A winded Twilight finds Rainbow Dash, Rarity, and Fluttershy.

214 TWILIGHT SPARKLE
I've been looking all over for you ponies. What are you all doing here?

215 RAINBOW DASH
Fluttershy spoke with the woodland critters and they have agreed to take us into their home till the Pinkie storm dies down. Isn't that right, critters?

216 CRITTERS
<assenting critter walla>

217 RARITY
Given that these marauding Pinkies are causing the end of pony civilization as we know it, I suppose sleeping one or two nights in a badger den seems almost tolerable.

218 TWILIGHT SPARKLE
You guys, we're gonna fix this and I know exactly how.

219 FLUTTERSHY
Are we gonna lose our real Pinkie Pie?

220 TWILIGHT SPARKLE
I don't think so. Now come along. I've already got Applejack and her family rounding up all the Pinkies.

SC 23 - EXT. PONYVILLE - SAME TIME

Applejack and her family round up Pinkies like it's a cattle ranch. Dust flies. Spooked Pinkies run every which way.

221 APPLEJACK
Hya, you Pinkies! Hya!

222 PINKIE 2
Ooh, they wanna play chase! This
is fun, too!

223 DUPLICATE PINKIES
Fun! Fun! Fun! Fun! Fun! Fun!

224 APPLEJACK
Oh give it a rest.

The herding continues...

SC 24 - INT. PONYVILLE - AUDITORIUM - A LITTLE LATER

... and the Pinkies get rustled into a large hall, where
Twilight stands on the stage awaiting their arrival.

225 TWILIGHT SPARKLE
Welcome, Pinkies. Welcome. Please
have a seat and make yourselves
comfortable.

The Pinkies, unable to help themselves, keep BOINGING around.

226 TWILIGHT SPARKLE (CONT'D)
Okay, I suppose you can't be
comfortable staying in one place
but have a seat anyway.

They keep BOINGING.

227 TWILIGHT SPARKLE (CONT'D)
Siddown!!

They immediately and simultaneously plop their backends down
right where they are.

228 TWILIGHT SPARKLE (CONT'D)
Better. Now, I suppose you're all
wondering why I've gathered you all
here today.

229 PINKIE 3
For fun?

230 DUPLICATE PINKIES
Fun! Fun! Fun! Fun! Fun! Fun!

231 TWILIGHT SPARKLE
No! Just the opposite, actually.

232 DUPLICATE PINKIES
<nervous fidgety walla>

233 RAINBOW DASH (O.C.)
Wait up, I got one more.

ANGLE ON Rainbow Dash at the entrance with one last Pinkie.

234 RAINBOW DASH (CONT'D)
Did one last pass of sky recon and
found this one poking at the ground
with her hoof drawing frowny faces.

235 TWILIGHT SPARKLE
Have her come sit with the others.

Rainbow Dash sternly indicates where the Pinkie should sit
and she does.

236 TWILIGHT SPARKLE (CONT'D)
Pinkies, you've been brought here
to take a test.

237 DUPLICATE PINKIES
Awwwwwwww...

238 TWILIGHT SPARKLE
Don't worry. It's a simple test.
About as simple as they come. And
whoever passes gets to stay.

239 DUPLICATE PINKIES
<"doesn't sound so bad" walla>

240 TWILIGHT SPARKLE
Curtain, please.

ANGLE ON Spike taking the cue and drawing the CURTAIN.

The curtain opens to reveal nothing but a BLANK, FRESHLY
PAINTED WALL behind it. Fluttershy and Rarity and some other
ponies hurriedly slap on A LAST FEW DABS OF PAINT, then grab
their ladders and paint cans and scurry offstage.

241 TWILIGHT SPARKLE (CONT'D)
The test... will be watching paint
dry!

A wave of SHOCK shoots through the crowd.

242 PINKIE 4
But that's boring!

243 TWILIGHT SPARKLE
Exactly. Whichever one of you can
stand the most boredom without
looking away, we'll assume must be
the real Pinkie. She'll get to
stay. The rest of you, one look
away from the wall and it's back to
the pond!

244 DUPLICATE PINKIES
<howls of outrage>

245 TWILIGHT SPARKLE
On your mark, get set, go!

All the Pinkie's are suddenly RIVETED on the wall.

246 SPIKE
Ooh, this is so exciting!

DISSOLVE TO:

SC 25 - INT. PONYVILLE - AUDITORIUM - A LITTLE LATER

The duplicate Pinkies are all still riveted on the wall.

ANGLE ON Spike looking bored.

247 SPIKE
Okay... maybe not that exciting...

Some of the duplicate Pinkies have now begun to FIDGET.

248 PINKIE 4
(glancing out window)
Oh hey, look at the birdie.

Twilight lowers her horn, which lights up and FIRES A BLAST
at Pinkie 4, who suddenly gets lifted by a SWIRL.

249 PINKIE 3
(looking up)
Ooh, what a cool swirl!

This causes four more Pinkies to look up. Twilight's horn
lights up and blasts again, causing the five additional
Pinkies to get SWOOPED UP BY SWIRLS.

INSERT: Six Pinkies disappearing into the reflecting pond.

BACK TO SCENE

The other ponies look on as the six remaining Pinkies continue to stare at the wall.

A beat. Another beat. Then...

250 PINKIE 6
(banging hooves together)
Look what I can do with my hooves!

251 PINKIE 7
Watch me bounce and touch the ceiling.

252 PINKIE 9
Bet you can't make a face crazier than...
(demonstrating)
... this.

Another magic horn-blast from Twilight and three more Pinkies get swooped up by SWIRLS.

INSERT: Three more Pinkies disappearing into the pond.

BACK TO SCENE

The remaining Pinkies look extremely determined... until we hear the sound of FROG CROAKING O.S.

253 PINKIE 5
(glancing out window)
Is that... a frog crossed with an orange...?

254 PINKIE 8
Cool! Where?

ANGLE ON the FROG-CHANGED-INTO-AN-ORANGE from earlier hopping by the window.

More magic from Twilight... more swirling...

INSERT: Two more Pinkies disappearing into the pond.

BACK TO SCENE

And then there were two. They keep staring... and staring...

255 RAINBOW DASH
Ugh! I can't take it anymore.
(then, pointing randomly)
Hey look, somepony's making balloon animals!

256 PINKIE 2
(looks)
What? Where?

Twilight invokes her magic, swirling away the last one.

The ponies now rush over to the last remaining Pinkie... the Pinkie that got brought in last by Rainbow Dash, and who still sits where Rainbow Dash told her to.

257 TWILIGHT SPARKLE
Pinkie, you can look away now.

Pinkie looks away from the paint at her friends.

258 PINKIE PIE
I passed?

259 TWILIGHT SPARKLE
You passed. You're the only Pinkie who kept staring at that wall.

260 PINKIE PIE
I had to. I just had to. I couldn't leave my friends. I just couldn't.

261 TWILIGHT SPARKLE
Knew you'd be up to the challenge.

Pinkie Pie looks at the smiling faces of her friends.

262 PINKIE PIE
But I guess sometimes I will have to choose between them.

263 RAINBOW DASH/APPLEJACK/
RARITY/FLUTTERSHY
No worries, kid./No biggie./But of course./We understand.

Pinkie Pie beams and BOUNCES.

264 PINKIE PIE
I'm me! I'm me! I'm meeeeeee!
(then)
Or am I?
(then)
Yeah, I'm pretty sure I am.

SC 26 - INT. PINKIE'S ROOM - DAY

Spike holds his paper and quill. Pinkie dictates a letter to Princess Celestia.

265 PINKIE PIE

Dear Princess Celestia, it's great to have fun, but it's even greater to have great friends. And having lots of friends means that you sometimes have to make choices as to whom you'll spend your time with. But that's okay, because good friends will always give you lots of opportunities to have fun, so even if you are "missing out," it's never for long. Respectfully yours, Pinkie Pie.

Spike rapidly makes the last scribble and sends the letter. There is a KNOCK at the door. Pinkie Pie opens it to see Applejack, Rainbow Dash, Twilight, and Rarity.

266 TWILIGHT SPARKLE

Hi, Pinkie Pie. We were thinking we should go out and celebrate.

267 APPLEJACK

You up for some wheelbarrow races?

268 RAINBOW DASH

Or I could take everypony on a cloud ride!

269 RARITY

I could throw a party with punch and zesty finger sandwiches!

270 PINKIE PIE

(weary)

You wanna know exactly what I feel like doing right now?

Pinkie immediately falls right on her back, legs straight in the air, sound asleep and SNORING loudly.

The other ponies all look at each other.

271 FLUTTERSHY

That looks like fun.

They all laugh.

SLAM TO BLACK.

END.
