TEASER

EXT. PONYVILLE - DAY

FLUTTERSHY is standing in the middle of a circle consisting of RAINBOW DASH, APPLEJACK, RARITY, TWILIGHT, and PINKIE PIE.

1 FLUTTERSHY
Okay everypony, as you know, the
adorable fairy creatures known as
Breezies are about to come through
Ponyville! *

PINKIE PIE
Yes!! It's so exciting!! I can't
wait for Rainbow Dash to make the
breeze for them so I can see how
cute they are up close!! *

RAINBOW DASH
And I can't wait to make the
breeze! I've never done it before.
(then)
Not that I won't be totally awesome
at it. Because I totally will. *

4 FLUTTERSHY
And that breeze is very important.
But so is cheering on those teeny,
tiny little things so they have the
confidence to ride that breeze to
their native land.
(wistful)
Did I mention how tiny they are?
So tiny. *

5 TWILIGHT
How tiny are they? *

FLUTTERSHY
Well Twilight they are so tiny that
if you held one in your hoof, well,
they're about the size of your
hoof. *

APPLEJACK
That is pretty tiny. *

6 FLUTTERSHY
Exactly. And because they are so
fragile we need to treat them very
carefully as we encourage them on
their way. *

7 RARITY
Perhaps I could make them some
custom gowns. That always makes me
feel encouraged.

8 FLUTTERSHY
Oh, that's a nice idea, Rarity.
But I think it might set them off
balance.

9 RARITY
(wistfully)
Yes, but only in the best way. *

10 FLUTTERSHY
I was thinking we could do a
special Breezy cheer.

11 PINKIE PIE
I LOVE CHEERS!!!

12 FLUTTERSHY
So do I. But these cheers should
be quiet cheers. We don't want to
startle them. They need to be able
to concentrate. *

(then)
Why don't we try it? Repeat after
me. "You can do it Breezies." *

13 ALL THE PONIES
(loudly)
YOU CAN DO IT BREEZIES!! *

Fluttershy just looks at them, stunned by the noise, batting
her eyes.

14 FLUTTERSHY
Oh my.

15 APPLEJACK
Sorry, Fluttershy, I had no idea
how hard it was to do a cheer
quietly.

16 FLUTTERSHY
It's okay. Quiet doesn't come
naturally for everyone. Let's try
it again. *

17 ALL THE PONIES
(quieter)
You can do it Breezies! *

18 FLUTTERSHY
Perhaps just a little bit quieter?

19 ALL THE PONIES
(whispering)
You can do it Breezies!

20 FLUTTERSHY
Just a little quieter.

21 ALL THE PONIES
(very, very quietly)
You can do it Breezies!

22 FLUTTERSHY
(excited)
PERFECT!!!!

They look at her, stunned. She is stunned herself.

23 FLUTTERSHY (CONT'D)
I mean...
(quietly)
Yay.

MY LITTLE PONY CREDIT SEQUENCE

TRANSITION TO:

ACT I

EXT. PONYVILLE SKY - DAY

RAINBOW DASH, BLAZE and FLEETFOOT are up in the air directing the wind, making it form into tiny fast circles. They are shouting to each other so they can be heard over the wind.

24 RAINBOW DASH
Blaze! That's too strong! You're going to blow those Breezies apart!

25 BLAZE
I know, I'm having a hard time making it go slower!

26 FLEETFOOT
Maybe if the gusts of wind are a little bigger, they'll get slower?

27 RAINBOW DASH
Good idea! Maybe we should make
one big one that will carry them
through Ponyville! Blaze you take
the North end, Fleetfoot, you take
the South and I'll fly above both
of you!

She flies above them and they make their wind circle larger.

EXT. PONYVILLE TOWN SQUARE - AT THE SAME TIME

Down below, all of Ponyville is in full party mode to welcome
the Breezies. There's a TRIO <PLAYING MUSIC> and Fluttershy
is standing next to MRS. CAKE and MR. CAKE who are rapt in
discussion about the Breezies. Fluttershy is obviously
eavesdropping, trying hard not to overtake the conversation.

 MR. CAKE
What I don't understand is why they
need the Pegasi to make a breeze
for them. If they're so tiny, why
don't the Breezies just catch a
ride home on a Pegasus instead?

 MRS. CAKE
Well...I uh...hmmm....

Fluttershy can't help but turn her head to speak to them.

 FLUTTERSHY
Oh, um, I can answer that, if you
really want an answer.

 MR. CAKE
Absolutely.

 FLUTTERSHY
Well, you see, it's the breeze that
activates the Breezie's magic. And
the pollen they've collected in
Equestria can only be carried into
their world if they use their magic
on it in this one.

29 MR. CAKE
So... no breeze means no magic
means no pollen?

FLUTTERSHY

That's right. And they only have
two days to get that pollen back
before the portal to their home
closes.

MR. CAKE

Two days?! What happens if they
can't make it home in two days?

Fluttershy just looks at them, not wanting to say.

MRS. CAKE

They'd be TRAPPED here??

30 FLUTTERSHY

That's why it's ever so important
that we help them make their way
through Ponyville safely.

31 MRS. CAKE

We certainly wouldn't want to scare
them and divert them from their
path!

32 FLUTTERSHY

Now you understand.

33 MR. CAKE

You certainly know a lot about
them.

34 FLUTTERSHY

Oh, thank you. I went to see them
gathering their pollen in Western
Equestria. Before I left I did a
little light reading about them.

She nods to three ENORMOUS books in her basket. She hears
the band and turns to the fascinated ponies.

35 FLUTTERSHY (CONT'D)

If you'll excuse me.

The ponies nod and she walks over to the trio.

36 FLUTTERSHY (CONT'D)

Oh, hi, I don't mean to bother you,
but do you think there's any chance
you could just muffle the sound a
little bit? I'm a little worried
it's going to scare the Breezies.

37 BAND PONY
Isn't this FOR the Breezies?

38 FLUTTERSHY
Yes. And they do need to know that
they have the moral support of all
of Ponyville. But their preference
is a quiet, easy jam.

*
*

The Band Pony nods and directs his group to play more softly.

39 FLUTTERSHY (CONT'D)
Thank you.

Fluttershy winces as she gets blinded by a glare. She looks up and sees a very SEQUINED Rarity standing at a podium next to Twilight. Fluttershy walks up to her.

40 FLUTTERSHY (CONT'D)
Rarity, I hate to weigh in with you
when it comes to fashion, but--

41 RARITY
(looking at her outfit)
There's too much purple on this,
isn't there? I KNEW it! But
Twilight refused to admit it.

42 TWILIGHT
What? I--

43 FLUTTERSHY
No, no. It's the perfect amount of
purple.

44 FLUTTERSHY (CONT'D)
It's just that there's an awful lot
of sequins on your jacket.

45 RARITY
Darling, please, one can never have
too many sequins.

46 FLUTTERSHY
You can if they reflect the sun and
the light catches a group of
Breezies right in their eyes and
blinds them long enough to get them
off of their course so they never
get home!

Rarity and Twilight look at her for a beat.

47 RARITY
I stand corrected. I suppose there
is the rare instance where one can
have too many sequins. I'll just
take off my jacket.

She takes it off to reveal her BLOUSE which is made out of a
silvery reflective fabric that is even worse than the
sequins. Fluttershy squints as she is blinded by the light
coming off of Rarity's shirt.

48 RARITY (CONT'D)
I suppose this won't do either.

We see Twilight look up at Rainbow Dash who NODS at her.
Twilight looks upon the now very quiet crowd and whispers
loudly.

49 TWILIGHT
Everypony, it's time! Please
welcome the Breezies!!

Fluttershy THROWS her scarf on top of Rarity's reflective
shirt and looks up into the sky.

EXT. PONYVILLE SKY - AT THE SAME TIME

A group of miniature little fairy type creatures , the
BREEZIES, come floating in on the breeze, carrying tiny packs *
on their backs. They are in a tight formation, holding onto *
one another. They seem to need all of their concentration to
stay together. OCEAN BREEZE, clearly their leader, is in
front, yelling out directions to her friends in her native
language.

50 OCEAN BREEZE
Melvin arsin eifolk!

The other Breezies nod and get closer together.

EXT PONYVILLE - CONTINUOUS

Down below, SPIKE is running in between all of the ponies'
legs, trying to get a better look. He can't see anything *
over the crowd of ponies. *

51 APPLE JACK
(whispering)
They're as cute as Apple Bloom on
the day she was born!

52 RARITY
(whispering)
And would you look at those *
adorable little packs they carry *
their pollen in. *

53 SPIKE
(calling out) *
Adorable little packs? Did you say *
adorable little packs? *

54 RARITY
Shhhhh!

55 SPIKE
(whispering)
Sorry.

Spike then tries to go through Apple Jack's legs and she
looks down at him. *

58 APPLE JACK
Be careful, Spike! *

SPIKE *
I can't see anything! *

APPLE JACK *
Maybe try over there! I see an *
empty patch that way! *

She goes back to looking up at them, whispering loudly.

59 APPLE JACK (CONT'D)
They're beautiful!

Spike is FURIOUS now and stomps off in the other direction,
looking up at the same time, desperate to catch a glimpse.
He sees Pinkie Pie who isn't saying anything, but is
noiselessly BOUNCING UP AND DOWN with glee.

60 SPIKE
(whispering)
Pinkie Pie! Can I hop on you so I
can see the Breezies??

Pinkie Pie just looks at him with the hugest smile we've ever
seen from her and bounces as she whispers loudly.

61 PINKIE PIE
So! Cute! Can't! Take! It!! May!
Explode!!!

And with that she bounces off looking up in the sky.

62 SPIKE
Thanks a LOT!

He looks up to see a couple of BIRDS in the trees, who are clearly also taking in the show.

63 SPIKE (CONT'D)
Even the BIRDS can see them?!
(then)
That does it.

*

He goes over to the tree and with a look of determination attempts to CLIMB it. He gets a foot up and immediately stumbles, and FALLS down. He looks around, BRUSHES HIMSELF OFF, and does it again, FALLING down AGAIN. He then looks at the tree, steps a few feet away, and CHARGES it. He RICOCHETS off of it, and falls (unhurt) onto a BRANCH.

ONE LEAF from that branch FLOATS up in the air, and Spike watches it, now dazed from his fall. As he watches it, he begins to smile. He speaks as if in a trance, quietly.

64 SPIKE (CONT'D)
There they are! I see them!

We follow the LEAF which is now VERY close to the Breezies. The leaf goes up HIGHER and HIGHER.

Back on Spike, watching the leaf and realizing what is about to happen.

65 SPIKE (CONT'D)
Oh no. OH NO!

EXT. PONYVILLE SKY - CONTINUOUS

The two Breezies in the front of the group's antennae begin to glow. A moment later, the contents of their packs begin to glow as well. Then the next two Breezies' antennae begin to glow. Their packs begin to glow soon after.

*
*
*
*

But just as this magical process begins, we see the leaf now go DIRECTLY into the Breezies' path SEPARATING them into two groups! This fragile unit has just been compromised.

*
*

The group in the back is confused as they can't seem to avoid the disruption, but they are not panicked.

*
*

Ocean Breeze is in the group in the back and looks at the others, not sure what to do.

*
*

OCEAN BREEZE
Ut, farminkle mutkin?

*
*

SEABREEZE, a Breezie who somehow looks a little tougher, a little meaner than the rest, looks on ANGRILY at her group who is now being left behind. She turns to them and yells. *

66 SEABREEZE
(angrily)
Martlen outlooken mire!!!

Her tone upsets and frightens them, and they begin to panic. *

67 SEABREEZE (CONT'D)
MARTLEN OUTLOOK FIRE PATH!!

We can see in their faces that Sea Breeze is completely flustering them. They look ahead and see they are in peril and start fluttering about with no real aim. *

The group in front look back desperately at the other group who are being pushed farther and farther back by the breeze. *

The group ahead look at each other, yelling quickly over each other.

68 FIRST GROUP OF BREEZIES
Martin faces pullagen??? *

We go back to the group left behind and they all GASP as they see the other group take off. They then feel another gust of wind HIT them and they get knocked even further behind. *

Rainbow Dash, Fleetfoot and Blaze look below and see what is happening.

69 RAINBOW DASH
Slow down the breeze for the other group to catch up!! *

70 FLEETFOOT
I'm trying!!

71 BLAZE
Their too far back! We can't connect the breeze to both sets of Breezies!! *

72 RAINBOW DASH
What if we speed it up??

73 FLEETFOOT
Then the first group will be going too fast and will get separated from each other!!

Rainbow Dash looks at the others in horror.

EXT. PONYVILLE - CONTINUOUS

Fluttershy looks on, beside herself as the helpless Breezies are tossed this way and that and we... *

END ACT ONE

ACT TWO

EXT. PONYVILLE SKY/TOWN SQUARE - A MOMENT LATER

The Breezies are still in danger. They keep trying to grab hold of each other but the wind keeps separating them.

A determined Fluttershy takes to the sky, flying up to the Breezies. The Breezies are still being flung this way and that and can't get their bearings through the following dialogue.

74 WINDFALL
Gorey Laughgarden.

75 OCEAN BREEZE
Morey funhouse!!

76 SEABREEZE
Manglemarsh mouth!

Fluttershy looks at SeaBreeze and yells over the wind to the other Breezies.

77 FLUTTERSHY
She's right, Breezies! You must
all gather as close as you possibly
can!

They stare at her in shock.

78 OCEAN BREEZE
Muggledy Sarken dose?

79 FLUTTERSHY
Oh, yes, I understand the language
of all kinds of creatures.

Their eyes light up in relief.

80 SEABREEZE
(snarky)
Congratulations. You must be so
proud.

81 FLUTTERSHY
Oh! And you can understand me.
Breezies, please gather around.
Grab on however you can.

Quickly, they are all on top of her. Fluttershy, covered in Breezies, is out of the breeze and down to the safety of the ground.

EXT. PONYVILLE - CONTINUOUS

Everyone in Ponyville CHEERS. Including the worse-for-the wear little Breezies who cling to their hero, Fluttershy.

DISSOLVE TO:

EXT. FLUTTERSHY'S COTTAGE - SOON AFTER

Fluttershy is wearing one of the Breezies like a baby, as she talks to the Mane 6 who all surround her.

82 PINKIE PIE
THAT. WAS. AMAZING!

83 FLUTTERSHY
I just couldn't stand there and let
those poor things fend for
themselves.

84 RAINBOW DASH
I'm sorry we couldn't get a breeze
going that would get them back to
the others.

85 FLUTTERSHY
It's not your fault.

She looks down at the one she's wearing and coos at it.

86 TWILIGHT
I for one am very proud of you,
Fluttershy. Leaping into action
like that.

*

87 RARITY
I feel like I should design you a
special hero's gown. Or at least a
sash. Let me make you a sash.

88 SPIKE
Okay, okay, okay!! I know what
you're all thinking why don't you
just say it?!

They all turn to see Spike standing there.

89 TWILIGHT
We didn't even know you were there,
Spike.

90 SPIKE
(he bursts into tears)
I'm sorry!! This is all my fault!
I'm so, so sorry!

91 TWILIGHT
What are you talking about?

SPIKE
It was MY leaf! I set off the leaf
of destruction! I was just trying
to get a good look and I fell on a
branch, and a leaf fell off of it
and that's how I RUINED EVERYTHING!

FLUTTERSHY
Oh, Spike, it's okay. It could have
happened to any one of us.

SPIKE
Really?

FLUTTERSHY
Of course.

SPIKE
Okay. Thank you!

He DIVES into her to hug her and almost crushes the Breezie
she is wearing. He backs off.

SPIKE (CONT'D)
I'm just going to stay over here.

98 RAINBOW DASH
So Fluttershy, you want us to get
the breeze going again so these
little guys can get going?

99 FLUTTERSHY
Yes.

She looks at the Breezies who all look a little worse for the wear. They shake their heads "no". Fluttershy turns her attention back to Rainbow Dash.

100 FLUTTERSHY (CONT'D)
Maybe we should wait just a moment
or so. They've been through so
much.

The other ponies nod in understanding.

101 RAINBOW DASH
Just give me the word when you
think they're ready.

DISSOLVE TO:

INT. FLUTTERSHY'S COTTAGE - SOON AFTER

Fluttershy is playing hostess and nurse, to the shell shocked Breezies. She is running around trying to attend to them all.

102 FLUTTERSHY
Oh my, Ocean Breeze, you look like
you need a blanket. Let me grab a
tissue.

103 OCEAN BREEZE
Sampkin.

104 FLUTTERSHY
No problem.

Another Breezie, WINDFALL, looks up at Fluttershy.

105 WINDFALL
Melanky?

106 FLUTTERSHY
Oh did you need some more water?
I'll be right there, Windfall.

She brings a Breezie a thimble of water. *

FLUTTERSHY (CONT'D) *
Now who else needed a hoof-knitted *
sweater? *

She holds up a teeny-tiny knitted sweater. *

There is a knock, and Twilight and Applejack peep their heads *
in the door.

109 APPLEJACK
Hey there! Can we come in?

110 FLUTTERSHY
Oh, of course. But watch your
step.

Applejack looks down to see a little Breezy by her hoof. She *
is wearing a teeny-tiny sweater. *

111 APPLEJACK
 (to the Breezy)
Sorry about that little one.

112 TWILIGHT
We just wanted to see if you
thought the Breezies were ready to
give it another try.

113 APPLEJACK
Been over an hour since you brought
'em back to your place.

114 FLUTTERSHY
Has it been an hour already? My
goodness. Time flies when you're
making sure little creatures don't
feel that you're abandoning them to
the cruel world.

115 TWILIGHT
 (hesitantly)
But they're not going to a cruel
world, right? They're going *home*.

116 FLUTTERSHY
YES, that's right.
 (gaining resolve)
That's RIGHT. Breezies! It's time
to go!

She turns to see all of the Breezies shaking their heads "no"
vehemently, looking at her desperately with their big eyes.
All but Sea Breeze, who rolls her eyes at the display.

117 FLUTTERSHY (CONT'D)
On second thought. I don't think
they're quite ready.

118 SEABREEZE
Marshkin pupskin larfer! Farclop
pannywafer!

Fluttershy looks on shocked and embarrassed.

119 APPLEJACK
What did she say?

120 FLUTTERSHY
 (blushing)
I'd rather not say.

121 APPLEJACK
Okay, well I'm sure you know what
you're doing. No one knows wildlife
like you do.

122 TWILIGHT
We'll just wait for your word.

123 FLUTTERSHY
Okay. I'll be in touch very soon.

She closes the door behind them. SeaBreeze turns to the *
other Breezies. *

124 SEABREEZE *
We need to go NOW or we'll never *
get home! Don't any of you miss *
flying in the gnome tree gardens or *
getting a fresh pollenmilk shake?? *
What if we never see a Breezie *
sunrise again? *

She gets caught up in the moment and then snaps herself out *
of it and turns to Fluttershy. *

 SEABREEZE (CONT'D) *
Why are you giving into these
wimps? If they hadn't been so
scared in the first place this
never would have happened!

The Breezies look on at her upset, backing behind Fluttershy.

125 FLUTTERSHY
Well that is just not true, Sea
Breeze. It was because of a leaf
and you know that.

126 SEABREEZE
Puh-lease! They have no idea what
they're doing out there! Like you
said, we need as much time as we
can get, because they are
incompetent!

She storms out of the room.

127 FLUTTERSHY
Well, I didn't say that exactly,
now did I?
(switching gears)
Okay then. Who wants an antennae
massage? Oh, actually, what about
a snack first?

*
*
*

The Breezies, with the exception of Sea Breeze all surround her excitedly.

DISSOLVE TO:

INT. SWEET SHOPPE - LATER

Fluttershy eyes a display case of pastries. Pinkie Pie is behind the counter.

128 FLUTTERSHY
Hmmm. I'm wondering, do you think
the Cakes have anything just a
touch smaller?

129 PINKIE PIE
Smaller? Absolutely!!

She whips to the back of the store and whips right back around holding a smaller tray with the same size pastries crammed together on it.

130 FLUTTERSHY
Smaller *pastries*.

Pinkie sets down the small tray.

131 PINKIE PIE
Why didn't you say so? Be right
back!!

She once again WHIPS to the back of the store and WHIPS right back holding a LARGE tray with tiny pastries on it.

132 PINKIE PIE (CONT'D)
These are none other than the
Pinkie Pie patented *Petit Petit*
Fours!

133 FLUTTERSHY
They look lovely. But, maybe
something a little smaller?

134 PINKIE PIE
Oh! I know what you have in mind!
I have just the thing! Be right
back!!

She once again WHIPS to the back of the store and WHIPS right back in holding an EVEN larger tray with EVEN smaller pastries on it.

135 PINKIE PIE (CONT'D)
These are none other than the
Pinkie Pie patented *Petit Petit*
Petit Fours!

136 FLUTTERSHY
Perfect! I'll take three dozen!
Once I get a little food into those
Breezie bellies I'm sure they'll
have the confidence to go on their
way.

She looks out the window to see the sun is starting to set.

137 FLUTTERSHY (CONT'D)
 (to herself)
At least I hope so.
 (then, confident)
Of course they will. Who doesn't
feel better after a little bite to
eat? They'll definitely be ready
to go after that!

Pinkie Pie looks at her and smiles widely.

INT. FLUTTERSHY'S COTTAGE - SOON AFTER

Petit Petit Petit Four crumbs litter the floor as satisfied Breezies snuggle up to Fluttershy on the couch. One of them lets out a little burp.

138 BREEZETTE
Munfarzen.

139 FLUTTERSHY
You're excused.

*

She looks at them all with great trepidation.

140 FLUTTERSHY (CONT'D)
Well, my Breezies--

She tries to get up, peeling them off of her. She is literally peeling off little Breezies who cling to her like velcro. As soon as she has peeled one off another clings on.

141 FLUTTERSHY (CONT'D)
Oh. That's sweet. What a nice hug.
And one from you too. Oh, you need
one? Let's do four little squeezes
each real quick.

*
*
*

It takes a while, but she has finally dislodged the last of them from her and faces them, putting on a brave face.

142 FLUTTERSHY (CONT'D)
Well! I think we can all agree that
now that you've eaten and you have
a little energy going in your
Breezy bodies, you are strong
enough to face the breeze! I've
loved having you here and I hope
I've all made you feel loved and
special. But you have to go, no
one here will deny that. I did
make you feel special and safe and
good though, right?

Sea Breeze buzzes around Fluttershy, eyeing her fellow Breezies with disdain.

143 SEA BREEZE
There is nothing SPECIAL about
these losers! They can't handle a
SIMPLE breeze home! If they could
just stick with the program and
listen to me we would be safe! AT
HOME!!

(tearing up)
Home! Where everyone is like us!

*
*

144 FLUTTERSHY
Okay. Well. A confusing pep talk,
but nonetheless, I do know that if
you don't leave soon you may never
make it back and that would be
terrible.

*

She heads for the door, following Sea Breeze and stops short as she notices no one is following her. She turns to see her fellow Breezies giving Fluttershy doe-eyed looks.

145 WINDFALL
Multy marshkin follow.

146 FLUTTERSHY
Oh no.

147 FEATHERDUST
(nodding)
MULTY marskin toomba too.

148 FLUTTERSHY
I had no idea you all have colds!
Really? All of you?

They all nod and start sneezing constantly.

149 FLUTTERSHY (CONT'D)
Oh dear. I can't let you go out
there sick! What kind of friend
would I be if I made you go now? A
real mean one, that's what kind.

They gather around her once again, hugging her in
appreciation. Sea Breeze stews and stomps out of the room.

INT. CAROUSEL BOUTIQUE - LATER

Rarity follows Fluttershy around the boutique as Fluttershy
examines her inventory. Fluttershy looks a little worse for
the wear.

150 RARITY
Congratulations again on your
daring rescue. I've never seen you
so... daring.

151 FLUTTERSHY
Oh, thank you Rarity. That's very
kind of you.

Fluttershy eyes a large button and begins muttering to
herself.

152 FLUTTERSHY (CONT'D)
Oh, that would make a good bed.
Perfect. Okay, that should do the
trick for a perfect nap and rest
and be on your way!
(looking down)
Don't you think, Breezette?

We hear a muffled sound and Fluttershy opens her pocketbook
to reveal a Breezy who pops her head out.

153 BREEZETTE
Martle Facemork.

154 FLUTTERSHY
Oh, I can just put a little tissue
over the holes, don't worry about
that.

She looks up to see Rarity staring at her.

155 FLUTTERSHY (CONT'D)
Oh, sorry, how rude of me.
Breezette, this is Rarity. Rarity,
Breezette.

156 BREEZETTE
Mushelface.

157 RARITY
How lovely to meet you.

Fluttershy walks around the store as Rarity follows her.

158 RARITY (CONT'D)
I must say, they are adorable. And
your new "breezy bag" is to die
for, but don't the Breezies need to
be on their way?

159 FLUTTERSHY
Oh, yes. And they WILL! They just
need a nap that's all! After a
little nap they'll be strong enough
to continue their migration home.

160 RARITY
Isn't it a little late for a nap?
It's already dark outside.

Fluttershy looks out the window. It is indeed nighttime.

161 FLUTTERSHY
Oh my, you're right.

Fluttershy looks down at Breezette who has a fearful look on
her face.

162 BREEZETTE
(nervously)
Farfi talo mar?

163 FLUTTERSHY
Oh. Goodness no. What kind of pony
sends sick little creatures out in
the dark and cold? A monster pony,
that's who!
(then)
(MORE)

FLUTTERSHY (CONT'D)

You'll just spend the night and
begin your journey first thing in
the morning instead.

(then to Rarity)

14 more buttons please. And
perhaps a baker's dozen of fabric
samples? The thicker the better.
I'm sure with a little effort I
could make some nice cozy blankets.

EXT. FLUTTERSHY'S HOUSE - THE NEXT MORNING

Rainbow Dash is outside with Fleetfoot and Blaze. Rainbow Dash knocks on the door. Fluttershy answers.

EXT. FLUTTERSHY'S COTTAGE - CONTINUOUS

A sleepy looking Fluttershy opens the door just a crack. Rainbow Dash is there with the Fleetfoot and Blaze.

164 RAINBOW DASH
Hey, Fluttershy. Just wondering if
the Breezies are ready to go yet.
Clock's kind of ticking on them
making it back before the door
closes on their home.

165 FLUTTERSHY
 (whispering)
Oh, yes. I mean, not quite. Maybe
just a few more minutes?

166 RAINBOW DASH
Uh, alright.

Fleetfoot, Blaze, and Rainbow Dash head off.

167 FLEETFOOT
We wait too much longer we'll have
to create such a strong breeze it
may be more than they can handle.

168 RAINBOW DASH
We just have to trust Fluttershy.
No one knows animals like she does.
She must know what she's doing.

Fluttershy closes the door to her cottage.

INT. FLUTTERSHY'S COTTAGE - CONTINUOUS

Fluttershy turns from the door and we WIDEN TO REVEAL:

Fluttershy's cottage has been transformed into a Breezie habitat. Her house looks like a hamster cage just threw up on itself. There are Breezie tunnels climbing the walls from the floor. There are tiny Breezie areas to eat. Tiny Breezie areas to sleep. But no Breezies to be found anywhere. Fluttershy looks panicked.

169 FLUTTERSHY
Breezies! Breezies!

Suddenly, the Breezies pop up from their hiding places.

170 BREEZIES
Murflaffal!

A Breezy blows a tiny KAZOO. Others throw confetti. Another produces a teeny-tiny cake.

171 FLUTTERSHY
A surprise party? For me? This is
just so sweet!

*

172 OCEAN BREEZE
We are markin happy you
flubengagen.

173 FLUTTERSHY
Everyone, fly together, let me get
your picture.

*

*

The Breezies (except SeaBreeze) gather together.

*

FLUTTERSHY (CONT'D)
Now say, "I'm gathering my
strength!"

*

*

*

ALL THE BREEZIES
Mettally boot!

*

*

FLUTTERSHY
Oh that's so cute, but Ocean
Breeze, I think your eyes might
have been shut in that one.

*

*

*

*

(then)

*

Everyone say, "Activate magic
pollen!" Maybe that's too long--

*

*

An irritated SeaBreeze buzzes around Fluttershy.

*

176 SEABREEZE
(to the Breezies)
What are you wasting your time on
this for?? You have no idea what
you're doing, AS USUAL! I'll never
get home!

*
*
*
*

177 FLUTTERSHY
SeaBreeze I agree that you all must
go, but they spent a lot of time on
this party. It would hurt their
feelings if we left now.
(she looks at their faces)
Just a couple minutes more.

INT. FLUTTERSHY'S COTTAGE - DUSK

Fluttershy is in the middle of a line dance with the Breezies. They all look like they have been partying for hours, yet still having fun. SeaBreeze flies up to Fluttershy.

178 SEABREEZE
It's been over an hour! Who cares
about their hurt feelings??? We
HAVE to GO! NOW!

Fluttershy looks at her and stops dancing. The Breezies all let out a, "AWWSHKIN!" Fluttershy turns to them.

179 FLUTTERSHY
Breezies, I must say, SeaBreeze has
a point. You are all doing really
well. I think it's time for me to
get Rainbow Dash and her friends so
they can create the breeze for you
to get home.

The Breezies all look at her wide eyed and then start talking at once.

180 BREEZIES
Mar skin fuble ligen pollface!

We see the conflict on Fluttershy's face. She can't stand hurting them.

181 FLUTTERSHY
You are all awfully anxious. I
don't want you to feel abandoned or
that I wasn't the most kind host I
could possibly be.

182 WINDFALL
Just a couple more hours!

183 OCEAN BREEZE
Yes, that's all we need!

184 ALL THE BREEZIES
Marshkin moofin facemore blaydel!!

185 FLUTTERSHY
Yes, that does make sense. Sea
Breeze, do you think you could wait
just a couple more hours?

She turns to look for her, but she isn't there.

186 FLUTTERSHY (CONT'D)
Sea Breeze?

She starts walking through her cottage.

187 FLUTTERSHY (CONT'D)
Sea Breeze? Has anyone seen Sea
Breeze?

She looks out the window and we see Sea Breeze outside.
Fluttershy's eyes go wide in horror.

188 FLUTTERSHY (CONT'D)
Where is she going?! There's no
way she can handle being out there
on her own!

A horrified Fluttershy heads out the door after Sea Breeze as
we...

END OF ACT TWO

ACT THREE

EXT. PONYVILLE - A MOMENT LATER

Fluttershy goes flying out in search of Sea Breeze. She
flies higher and then lower.

189 FLUTTERSHY
Sea Breeze!!! Sea Breeze!!!

She finally spots her. Sea Breeze is flying out of control, being blown about by the slightest little breeze, crashing into confused ponies as she tries desperately to make her way out of Ponyville.

Fluttershy winces as Sea Breeze just barely avoids being hit by an acorn falling from a tree. She breathes a sigh of relief when she sees Sea Breeze avoided it, but then looks on terrified as she sees Sea Breeze headed STRAIGHT FOR A BEE-HIVE.

190 FLUTTERSHY (CONT'D)
SeaBreeze, WATCH OUT!!!

Sea Breeze dips right and left but she is too small and has too little control to fly around it. She CRASHES right into it. She is now SURROUNDED by a swarm of angry bees.

EXT. PONYVILLE - SEA BREEZE POV - CONTINUOUS

Sea Breeze is yelling as the bees <BUZZ> around her. She ducks this way and that but can't seem to get away from them.

191 FLUTTERSHY (O.S.)
Excuse me, bees? Can you please
back off of my Breezy friend? She
didn't mean any harm. It was just
an accident.

EXT. PONYVILLE - CONTINUOUS

The bees <BUZZ> and turn to look at her in unison but are still obviously angry, buzzing away, and about to descend on Sea Breeze again. Fluttershy looks around desperately. She sees a flower and FLIES DOWN to get it and then comes right back.

192 FLUTTERSHY
Excuse me, bees? Is that you Ethel?
I think I recognize you from that
lovely interaction we had last
week? I believe you mentioned you
enjoy lilacs?

One of the bees, presumably Ethel, buzzes toward her, takes some pollen from the lilac and then goes back to Sea Breeze.

193 FLUTTERSHY (CONT'D)
Oh. Well. I'm glad you enjoyed it.
Um, friends? Bee friends? Would
you mind looking at me over here
for a second?

She starts wiggling her bottom attempting to look like a bee,
but instead looking ridiculous.

194 FLUTTERSHY (CONT'D)
I'm working on a bee type dance and
was hoping you could help me? Does
this bring to mind any images for
you? Perhaps a bee??

They are about to move in for the kill on Sea Breeze when
Fluttershy RAISES her voice.

195 FLUTTERSHY (CONT'D)
ExcUSE me! I have done NOTHING but
be kind, but I guess that is NOT
working!

The bees all STOP and look at her.

196 FLUTTERSHY (CONT'D)
You bees know better than to hurt a
helpless Breezie! I demand that you
go away NOW or you'll have to
answer to ME!

They all buzz off quickly. Fluttershy flies up to Sea Breeze
who is out of breath, clinging to a tree branch.

197 SEABREEZE
Mankylin!!! THANK YOU. Thank you
SO much. Thank you for coming
after me.

198 FLUTTERSHY
Of course! You could have gotten
seriously hurt out here! Ponyville
is much too dangerous for you! My
goodness, one tiny acorn is a
threat!

199 SEABREEZE
Yes, I know. That's one reason why
I've been trying to get us to go
from the beginning!

*
*
*

200 FLUTTERSHY

Oh my goodness. I was just trying not to hurt anyone feelings, but my displays of kindness may have cost you everything! Time is running out and you may never make it home!

*

201 SEABREEZE

That's exactly what I've been telling all of them, but they don't listen to me. No one ever listens to me.

SeaBreeze hangs her head.

202 FLUTTERSHY

SeaBreeze, I understand your feelings are hurt, but it's hard for them to hear you when you're shouting and being mean. The message doesn't get across.

203 SEABREEZE

But what about those bees? You weren't nice to them at the end and that was the only way they listened.

204 FLUTTERSHY

Yes, but they HAD to go. And they wouldn't listen to me any other way.

An Epiphany Rainbow swirls around Fluttershy as she considers this.

She then looks to Sea Breeze and motions for her to climb on her back.

205 FLUTTERSHY (CONT'D)

We need to go.

Sea Breeze nods and jumps on her back. They take off.

INT. FLUTTERSHY'S COTTAGE - SOON AFTER

Fluttershy stands at her door. Sea Breeze is hovering over her shoulder.

206 FLUTTERSHY

My dear Breezies, I had to rescue Sea Breeze from serious harm.

(MORE)

FLUTTERSHY (CONT'D)

And now I know more than ever that
you must leave before it is too
late. You would never survive in
Ponyville.

In an instant they are all clutching her legs.

207 WINDFALL
You can't listen to HER! She's
MEAN!

208 OCEAN BREEZE
Yeah, she doesn't know what's best
for us!

209 BREEZETTE
Marfin Pullyup meedcat! We're
safer here! We can't go back out
there! Even if it means never going
home!

210 FLUTTERSHY
I can't help you anymore! In fact I
wasn't helping you at all by being
nice. Oh dear, this hurts me more
than it hurts you! But the truth of
the matter is that I must be firm!
You must go. NOW!

*

She opens the door and they all look at her, stunned. And
then they fly out the door. Fluttershy fights back tears.
It is not easy for her to be "mean".

EXT. OVER FLUTTERSHY'S COTTAGE IN THE SKY - CONTINUOUS

Rainbow Dash, Fleetfoot and Blaze try to make a breeze.

211 RAINBOW DASH
What's happening? It's too
strong!!

212 FLEETFOOT
I can't do it any lighter!

213 BLAZE
Neither can I!!

214 RAINBOW DASH
Blaze, stand off! Let's see if we
can do it with just two of us!

They attempt it again.

215 RAINBOW DASH (CONT'D)
It's still too strong!! Fleetfoot,
fly back, I'm going to try to do it
on my own and see if I can slow it
down!

The other two stand off and watch her.

216 RAINBOW DASH (CONT'D)
Now it's too light! This will
never get them home!

They look at each other discouraged and come back down.

EXT. FLUTTERSHY'S HOUSE - CONTINUOUS

217 RAINBOW DASH
I don't know what to do, the breeze
is too strong right now.

218 FLUTTERSHY
Oh my.
 (thinking)
Maybe it's because there are too
few of them. When they started
their journey there was more of
them to face the breeze together.

*

They all look at each other.

219 TWILIGHT
I have an idea.

220 APPLE JACK
What is it?

221 TWILIGHT
I've been studying an old spell
book from the Castle of the Two
Sisters. There's a spell that I
think could help us.

 (then)
This is probably going to feel a
little funny at first, but you're
going to have to trust me.

222 PINKIE PIE
I love new ideas that make me feel
funny at first!

223 TWILIGHT
Fleetfoot and Blaze, can you get
the strong wind going? I need
Rainbow Dash here.

They nod and take off. The other ponies look up and see the breeze is going.

Twilight lowers her horn, fires a spell, there is flash of light and they are suddenly ALL BREEZIES.

224 PONIES
<SURPRISED WALL>

225 FLUTTERSHY
Marful fly bartontook.

The others stare at her confused.

226 FLUTTERSHY (CONT'D)
Um, I mean, let's go.

The Breezy Mane 6 join hold onto each other and their fellow Breezies and take to the sky where they catch the breeze. *
(NOTE: The Breezies are now wearing their pollen packs.) *

Even with the addition of the Mane 6 Breezies, they are still struggling. A pair of smaller Breezies is having an especially hard time and seems ready to give up. They speak to each other, obviously dejected.

227 BREEZETTE
Marshkin parskin. *

228 WINDFALL
Mikar.

Sea Breeze flies over to them. They look up at her, scared of her reaction. Fluttershy looks at Sea Breeze. She looks back and turns to Breezette and Windfall.

229 SEABREEZE
You can do this.

They look at her, stunned.

230 SEABREEZE (CONT'D)
I'm sorry for how I treated you
before. It wasn't right that I *
called you names and I didn't even *
really believe those things I said. *
I was worried we'd never get back *
to our home, and I lashed out.
(MORE)

SEABREEZE (CONT'D)

I know you can do this. I believe
in you.

231 OCEAN BREEZE
You do?

232 SEABREEZE
Yes. Hold onto me, let's join the
group.

They both grab onto her. Fluttershy sees this, and smiles.
They are struggling, but they make it back to the group. As
they all fly together, their antennae begin to glow. Soon
after, the packs on their backs containing the Equestria
pollen begin to glow as well.

*
*
*
*

EXT. BREEZIE HOME - CONTINUOUS

They finally see the entrance to their home. It's a stone
covered tunnel that seems to be diminishing in size before
our very eyes.

They all fly down. The entrance, getting smaller and smaller
is difficult to fit through. They all fly in, looking at
each other with mild panic as they make their way through.

INT. BREEZIE HOME--CONTINUOUS

We see this magical place now at their level. It's like a
woodland fairy paradise. It is perfectly their size, with
little entrances and gateways for them to get to their food
easily and get to their homes easily. The signs are all in
their Breezy language, and there are pollen stations set up
throughout the tiny town.

233 RAINBOW DASH
Holy mini-sized paradise!

234 RARITY
This is simply beautiful! So much
inspiration! Where is my sketch pad
when I need it?

235 PINKIE PIE
SO! STINKIN'! CUTE!!

The other Breezies they were separated from come to greet
them excitedly. We hear the cacophony of their language all
being spoken at once. Fluttershy is tearing up watching
them.

236 APPLE JACK
You okay, Fluttershy?

237 FLUTTERSHY
Oh, yes. I am just so very happy
they got to be reunited with their
family.

238 RARITY
We better get going before the
entrance, well, exit for us,
closes.

239 FLUTTERSHY
Yes, you're right.

Fluttershy flies up to the group of them.

240 FLUTTERSHY (CONT'D)
Goodbye, Breezies. I must go now.

The Breezies all turn to her and speak at once.

241 ALL THE BREEZIES
Mushkin flyin houser face mark.

242 FLUTTERSHY
Thank you, I'll never forget you
either.

All but Sea Breeze fly away. She hovers there and hands
Fluttershy a small flower plucked from the Breezies world.

243 SEABREEZE
To remember us by.

244 FLUTTERSHY
Thank you. I'll miss you. I'll
miss all of you.

Twilight approaches Fluttershy.

245 TWILIGHT
We have to go now.

Fluttershy nods in understanding.

EXT. EDGE OF EQUESTRIA - CONTINUOUS

The Breezie Mane 6 exit the Breezie habitat just moments
before the entrance closes. They land on the ground just
beyond the exit and turn to watch it disappear.

246 RAINBOW DASH
Whoa. That was close.

The others nod in agreement.

247 TWILIGHT
Okay, gather around!

She once again points her horn down.

A FLASH of LIGHT and the spell is reversed. They all turn back into ponies.

Rainbow Dash sidles up to Twilight.

248 RAINBOW DASH
So, uh, I've always kind of
wondered what it would be like to
be a Gryphon?

A beat.

249 TWILIGHT
Not a chance.

Twilight takes off as Rainbow Dash calls after her.

250 RAINBOW DASH
You sure? What about a dragon?
No? It doesn't have to shoot fire!

DISSOLVE TO:

INT. FLUTTERSHY'S COTTAGE - DAY

Fluttershy and Spike are in her cottage. Fluttershy is dictating her entry into the Journal of the Two Sisters to him.

251 FLUTTERSHY
So, for the Diary of the Two
Sisters, please write this--

252 SPIKE
I got this one--the Breezies were
adorable, and I really didn't mean
to throw them off their path! It
was ONE leaf!!

253 FLUTTERSHY
I don't think you need to mention
that part.

254 SPIKE
Okay.

255 FLUTTERSHY
Just please write--

256 SPIKE
"Just because they're tiny and
super adorable doesn't mean that
they're immune to accidents like
the leaf that I never should have
crossed paths with!"

257 FLUTTERSHY
Spike--

258 SPIKE
I guess I should take the "I" out,
since it's supposed to be from you.

259 FLUTTERSHY
(admonishing)
Spike...

He looks at her, eyes wide.

260 SPIKE
Sorry. It's all you.

261 FLUTTERSHY
Thank you.
(she clears her throat)
My experiences with the Breezies
have helped me to see that kindness
can take many forms. And sometimes
being too kind can actually keep a
friend from doing what they need to
do. Pushing them away may seem
cruel, but it is sometimes the
kindest thing you can do.
(beat)
Spike? You okay?

262 SPIKE
(fighting back a tear)
Yours was much better!

263 FLUTTERSHY
Thank you. That's sweet. Do you
mind returning the journal to
Twilight?

264 SPIKE
(still teary)
Sure! Really good job!

He turns around to leave and then turns back.

265 SPIKE (CONT'D)
Are you sure I shouldn't mention
the leaf?

266 FLUTTERSHY
Go, Spike!

267 SPIKE
Okay! You're getting really good
at that!

268 FLUTTERSHY
Aw, thank you!

He leaves and we...

FADE OUT.

THE END
