TEASER

EXT. PONYVILLE - DAY

FLUTTERSHY is standing in the middle of a circle consisting of RAINBOW DASH, APPLEJACK, RARITY, TWILIGHT, and PINKIE PIE.

1	FLUTTERSHY	1
	Okay everypony, as you know, the	2
	adorable fairy creatures known as	
	Breezies are about to come through	
	Ponyville!	
2	PINKIE PIE	2
	Yes!! It's so exciting!! I can't	
	wait for Rainbow Dash to make the	
	breeze for them so I can see how	
	cute they are up close!!	
3	RAINBOW DASH	3
	And I can't wait to make the	
	breeze! I've never done it before.	
	(then)	
	Not that I won't be totally awesome	
	at it. Because I totally will.	
4	FLUTTERSHY	4
	And that breeze is very important.	
	But so is cheering on those teeny,	
	tiny little things so they have the	
	confidence to ride that breeze to	
	their native land.	
	(wistful)	
	Did I mention how tiny they are?	
	So tiny.	
5	TWILIGHT	5
	How tiny are they?	
6	FLUTTERSHY	6
	Well Twilight they are so tiny that	
	if you held one in your hoof, well,	
	they're about the size of your	
	hoof.	
7	APPLEJACK	7
	That is pretty tiny.	
8	FLUTTERSHY	8
	Exactly. And because they are so	
	fragile we need to treat them very	
	carefully as we encourage them on	
	their way.	

9 RARITY 9
Perhaps I could make them some
custom gowns. That always makes me
feel encouraged.

10 FLUTTERSHY 10
Oh, that's a nice idea, Rarity.
But I think it might set them off
balance.

11 RARITY 11
(wistfully)
Yes, but only in the best way.

12 FLUTTERSHY 12
I was thinking we could do a
special Breezy cheer.

13 PINKIE PIE 13
I LOVE CHEERS!!!

14 FLUTTERSHY 14
So do I. But these cheers should
be quiet cheers. We don't want to
startle them. They need to be able
to concentrate.
(then)
Why don't we try it? Repeat after
me. "You can do it Breezies."

15 ALL THE PONIES 15
(loudly)
YOU CAN DO IT BREEZIES!!

Fluttershy just looks at them, stunned by the noise, batting
her eyes.

16 FLUTTERSHY 16
Oh my.

17 APPLEJACK 17
Sorry, Fluttershy, I had no idea
how hard it was to do a cheer
quietly.

18 FLUTTERSHY 18
It's okay. Quiet doesn't come
naturally for everyone. Let's try
it again.

19 ALL THE PONIES 19
(quieter)
You can do it Breezies!

20	FLUTTERSHY	20
Perhaps just a little bit quieter?		
21	ALL THE PONIES	21
(whispering)		
You can do it Breezies!		
22	FLUTTERSHY	22
Just a little quieter.		
23	ALL THE PONIES	23
(very, very quietly)		
You can do it Breezies!		
24	FLUTTERSHY	24
(excited)		
PERFECT!!!!		

They look at her, stunned. She is stunned herself.

25	FLUTTERSHY (CONT'D)	25
I mean...		
(quietly)		
Yay.

TRANSITION TO:

ACT I

EXT. PONYVILLE SKY - DAY

RAINBOW DASH, BLAZE and FLEETFOOT are up in the air directing the wind, making it form into tiny fast circles. They are shouting to each other so they can be heard over the wind.

26	RAINBOW DASH	26
Blaze! That's too strong! You're going to blow those Breezies apart!		
27	BLAZE	27
I know, I'm having a hard time making it go slower!		
28	FLEETFOOT	28
Maybe if the gusts of wind are a little bigger, they'll get slower?		

29 RAINBOW DASH 29
 Good idea! Maybe we should make
 one big one that will carry them
 through Ponyville! Blaze you take
 the North end, Fleetfoot, you take
 the South and I'll fly above both
 of you!

She flies above them and they make their wind circle larger.

EXT. PONYVILLE TOWN SQUARE - AT THE SAME TIME

Down below, all of Ponyville is in full party mode to welcome the Breezies. There's a TRIO <PLAYING MUSIC> and Fluttershy is standing next to MRS. CAKE and MR. CAKE who are rapt in discussion about the Breezies. Fluttershy is obviously eavesdropping, trying hard not to overtake the conversation.

30 MR. CAKE 30
 What I don't understand is why they
 need the Pegasi to make a breeze
 for them. If they're so tiny, why
 don't the Breezies just catch a
 ride home on a Pegasus instead?

31 MRS. CAKE 31
 Well...I uh...hmmmm....

Fluttershy can't help but turn her head to speak to them.

32 FLUTTERSHY 32
 Oh, um, I can answer that, if you
 really want an answer.

33 MR. CAKE 33
 Absolutely.

34 FLUTTERSHY 34
 Well, you see, it's the breeze that
 activates the Breezie's magic. And
 that magic protects the pollen from
 being destroyed. *

35 MR. CAKE 35
 So... no breeze means no magic
 means the pollen goes bad? *

36 FLUTTERSHY 36
 That's right. And they only have
 two days to get that pollen back
 before the portal to their home
 closes.

37 MR. CAKE 37
Two days?! What happens if they
can't make it home in two days?

Fluttershy just looks at them, not wanting to say.

38 MRS. CAKE 38
They'd be TRAPPED here??

39 FLUTTERSHY 39
That's why it's ever so important
that we help them make their way
through Ponyville safely.

40 MRS. CAKE 40
We certainly wouldn't want to scare
them and divert them from their
path!

41 FLUTTERSHY 41
Now you understand.

42 MR. CAKE 42
You certainly know a lot about
them.

43 FLUTTERSHY 43
Oh, thank you. I went to see them
gathering their pollen in Western
Equestria. Before I left I did a
little light reading about them.

She nods to three ENORMOUS books in her basket. She hears
the band and turns to the fascinated ponies.

44 FLUTTERSHY (CONT'D) 44
If you'll excuse me.

The ponies nod and she walks over to the trio.

45 FLUTTERSHY (CONT'D) 45
Oh, hi, I don't mean to bother you,
but do you think there's any chance
you could just muffle the sound a
little bit? I'm a little worried
it's going to scare the Breezies.

46 BAND PONY 46
Isn't this FOR the Breezies?

47 FLUTTERSHY 47
Yes. And they do need to know that
they have the moral support of all
of Ponyville. But their preference
is a quiet, easy jam.

The Band Pony nods and directs his group to play more softly.

48 FLUTTERSHY (CONT'D) 48
Thank you.

Fluttershy winces as she gets blinded by a glare. She looks up and sees a very SEQUINED Rarity standing at a podium next to Twilight. Fluttershy walks up to her.

49 FLUTTERSHY (CONT'D) 49
Rarity, I hate to weigh in with you
when it comes to fashion, but--

50 RARITY 50
 (looking at her outfit)
There's too much purple on this,
isn't there? I KNEW it! But
Twilight refused to admit it.

51 TWILIGHT 51
What? I--

52 FLUTTERSHY 52
No, no. It's the perfect amount of
purple.

53 FLUTTERSHY (CONT'D) 53
It's just that there's an awful lot
of sequins on your jacket.

54 RARITY 54
Darling, please, one can never have
too many sequins.

55 FLUTTERSHY 55
You can if they reflect the sun and
the light catches a group of
Breezies right in their eyes and
blinds them long enough to get them
off of their course so they never
get home!

Rarity and Twilight look at her for a beat.

56 RARITY 56
I stand corrected. I suppose there
is the rare instance where one can
have too many sequins. I'll just
take off my jacket.

She takes it off to reveal her BLOUSE which is made out of a silvery reflective fabric that is even worse than the sequins. Fluttershy squints as she is blinded by the light coming off of Rarity's shirt.

57 RARITY (CONT'D) 57
I suppose this won't do either.

We see Twilight look up at Rainbow Dash who NODS at her. Twilight looks upon the now very quiet crowd and whispers loudly.

58 TWILIGHT 58
Everypony, it's time! Please
welcome the Breezies!!

Fluttershy THROWS her scarf on top of Rarity's reflective shirt and looks up into the sky.

EXT. PONYVILLE SKY - AT THE SAME TIME

A group of miniature little fairy type creatures , the BREEZIES, come floating in on the breeze, carrying tiny packs on their backs. They are in a tight formation, holding onto one another. They seem to need all of their concentration to stay together. Twirly, clearly their leader, is in front, yelling out directions to her friends in her native language. *

59 TWIRLY 59 *

Melvin arsin eifolk!

The other Breezies nod and get closer together.

EXT PONYVILLE - CONTINUOUS

Down below, SPIKE is running in between all of the ponies' legs, trying to get a better look. He can't see anything over the crowd of ponies.

60 APPLE JACK 60
(whispering)
They're as cute as Apple Bloom on
the day she was born!

61 RARITY 61
 (whispering)
And would you look at those
adorable little packs they carry
their pollen in.

62 SPIKE 62
 (calling out)
Adorable little packs? Did you say
adorable little packs?

63 RARITY 63
Shhhhhh!

64 SPIKE 64
 (whispering)
Sorry.

Spike then tries to go through Apple Jack's legs and she looks down at him.

65 APPLE JACK 65
Be careful, Spike!

66 SPIKE 66
I can't see anything!

67 APPLE JACK 67
Maybe try over there! I see an
empty patch that way!

She goes back to looking up at them, whispering loudly.

68 APPLE JACK (CONT'D) 68
They're beautiful!

Spike is FURIOUS now and stomps off in the other direction, looking up at the same time, desperate to catch a glimpse. He sees Pinkie Pie who isn't saying anything, but is noiselessly BOUNCING UP AND DOWN with glee.

69 SPIKE 69
 (whispering)
Pinkie Pie! Can I hop on you so I
can see the Breezies??

Pinkie Pie just looks at him with the hugest smile we've ever seen from her and bounces as she whispers loudly.

70 PINKIE PIE 70
So! Cute! Can't! Take! It!! May!
Explode!!!

And with that she bounces off looking up in the sky.

71 SPIKE 71
Thanks a LOT!

He looks up to see a couple of BIRDS in the trees, who are clearly also taking in the show.

72 SPIKE (CONT'D) 72
Even the BIRDS can see them?!
(then)
That does it.

He goes over to the tree and with a look of determination attempts to CLIMB it. He gets a foot up and immediately stumbles, and FALLS down. He looks around, BRUSHES HIMSELF OFF, and does it again, FALLING down AGAIN. He then looks at the tree, steps a few feet away, and CHARGES it. He RICOCHETS off of it, and falls (unhurt) onto a BRANCH.

ONE LEAF from that branch FLOATS up in the air, and Spike watches it, now dazed from his fall. As he watches it, he begins to smile. He speaks as if in a trance, quietly.

73 SPIKE (CONT'D) 73
There they are! I see them!

We follow the LEAF which is now VERY close to the Breezies. The leaf goes up HIGHER and HIGHER.

Back on Spike, watching the leaf and realizing what is about to happen.

74 SPIKE (CONT'D) 74
Oh no. OH NO!

EXT. PONYVILLE SKY - CONTINUOUS

The two Breezies in the front of the group's antennae begin to glow. A moment later, the contents of their packs begin to glow as well. Then the next two Breezies' antennae begin to glow. Their packs begin to glow soon after.

But just as this magical process begins, we see the leaf now go DIRECTLY into the Breezies' path SEPARATING them into two groups! This fragile unit has just been compromised.

The group in the back is confused as they can't seem to avoid the disruption, but they are not panicked.

Twirly is in the group in the back and looks at the others, not sure what to do. *

75 TWIRLY 75 *

Ut, farminkle mutkin?

SEABREEZE, a Breezie who somehow looks a little tougher, a little meaner than the rest, looks on ANGRILY at her group who is now being left behind. She turns to them and yells.

76 SEABREEZE 76
(angrily)
Martlen outlooken mire!!!

Her tone upsets and frightens them, and they begin to panic.

77 SEABREEZE (CONT'D) 77
MARTLEN OUTLOOK FIRE PATH!!

We can see in their faces that Sea Breeze is completely flustering them. They look ahead and see they are in peril and start fluttering about with no real aim.

The group in front look back desperately at the other group who are being pushed farther and farther back by the breeze.

The group ahead look at each other, yelling quickly over each other.

78 FIRST GROUP OF BREEZIES 78
Martin faces pullagen???

We go back to the group left behind and they all GASP as they see the other group take off. They then feel another gust of wind HIT them and they get knocked even further behind.

Rainbow Dash, Fleetfoot and Blaze look below and see what is happening.

79 RAINBOW DASH 79
Slow down the breeze for the other group to catch up!!

80 FLEETFOOT 80
I'm trying!!

81 BLAZE 81
Their too far back! We can't connect the breeze to both sets of Breezies!!

82 RAINBOW DASH 82
What if we speed it up??

83 FLEETFOOT 83
Then the first group will be going too fast and will get separated from each other!!

Rainbow Dash looks at the others in horror.

EXT. PONYVILLE - CONTINUOUS

Fluttershy looks on, beside herself as the helpless Breezies are tossed this way and that and we...

END ACT ONE**ACT TWO****EXT. PONYVILLE SKY/TOWN SQUARE - A MOMENT LATER**

The Breezies are still in danger. They keep trying to grab hold of each other but the wind keeps separating them.

A determined Fluttershy takes to the sky, flying up to the Breezies. The Breezies are still being flung this way and that and can't get their bearings through the following dialogue.

84	WINDFALL	84	
	Gorey Laughgarden.		

85	TWIRLY	85	*
	Morey funhouse!!		

86	SEABREEZE	86	
	Manglemarsh mouth!		

Fluttershy looks at SeaBreeze and yells over the wind to the other Breezies.

87	FLUTTERSHY	87	
	She's right, Breezies! You must all gather as close as you possibly can!		

They stare at her in shock.

88	TWIRLY	88	*
	Muggledy Sarken dose?		

89	FLUTTERSHY	89	
	Oh, yes, I understand the language of all kinds of creatures.		

Their eyes light up in relief.

90	SEABREEZE	90	
	(snarky)		
	Yeah, that seems like what we should be focused on right now.		* *

91 FLUTTERSHY 91
 Oh! And you can understand me.
 Breezies, please gather around.
 Grab on however you can.

Quickly, they are all on top of her. Fluttershy, covered in Breezies, is out of the breeze and down to the safety of the ground.

EXT. PONYVILLE - CONTINUOUS

Everyone in Ponyville CHEERS. Including the worse-for-the wear little Breezies who cling to their hero, Fluttershy.

DISSOLVE TO:

EXT. FLUTTERSHY'S COTTAGE - SOON AFTER

Fluttershy is wearing one of the Breezies like a baby, as she talks to the Mane 6 who all surround her.

92 PINKIE PIE 92
 THAT. WAS. AMAZING!

93 FLUTTERSHY 93
 I just couldn't stand there and let
 those poor things fend for
 themselves.

94 RAINBOW DASH 94
 I'm sorry we couldn't get a breeze
 going that would get them back to
 the others.

95 FLUTTERSHY 95
 It's not your fault.

She looks down at the one she's wearing and coos at it.

96 TWILIGHT 96
 I for one am very proud of you,
 Fluttershy. Leaping into action
 like that.

97 RARITY 97
 I feel like I should design you a
 special hero's gown. Or at least a
 sash. Let me make you a sash.

98 SPIKE 98
Okay, okay, okay!! I know what
you're all thinking why don't you
just say it?!

They all turn to see Spike standing there.

99 TWILIGHT 99
We didn't even know you were there,
Spike.

100 SPIKE 100
(he bursts into tears)
I'm sorry!! This is all my fault!
I'm so, so sorry!

101 TWILIGHT 101
What are you talking about?

102 SPIKE 102
It was MY leaf! I set off the leaf
of destruction! I was just trying
to get a good look and I fell on a
branch, and a leaf fell off of it
and that's how I RUINED EVERYTHING!

103 FLUTTERSHY 103
Oh, Spike, it's okay. It could have
happened to any one of us.

104 SPIKE 104
Really?

105 FLUTTERSHY 105
Of course.

106 SPIKE 106
Okay. Thank you!

He DIVES into her to hug her and almost crushes the Breezie
she is wearing. He backs off.

107 SPIKE (CONT'D) 107
I'm just going to stay over here.

108 RAINBOW DASH 108
So Fluttershy, you want us to get
the breeze going again so these
little guys can get going?

109 FLUTTERSHY 109
Yes.

She looks at the Breezies who all look a little worse for the wear. They shake their heads "no". Fluttershy turns her attention back to Rainbow Dash.

110	FLUTTERSHY (CONT'D)	110
	Maybe we should wait just a moment	
	or so. They've been through so	
	much.	

The other ponies nod in understanding.

111	RAINBOW DASH	111
	Just give me the word when you	
	think they're ready.	

DISSOLVE TO:

INT. FLUTTERSHY'S COTTAGE - SOON AFTER

Fluttershy is playing hostess and nurse, to the shell shocked Breezies. She is running around trying to attend to them all.

112	FLUTTERSHY	112	
	Oh my, Twirly, you look like you		*
	need a blanket. Let me grab a		
	tissue.		

113	TWIRLY	113	*
	Sampkin.		

114	FLUTTERSHY	114
	No problem.	

Another Breezie, WINDFALL, looks up at Fluttershy.

115	WINDFALL	115	
	(tentatively)		*
	Melanky?		

116	FLUTTERSHY	116
	Oh did you need some more water?	
	I'll be right there, Windfall.	

She brings a Breezie a thimble of water.

117	FLUTTERSHY (CONT'D)	117
	Now who else needed a hoof-knitted	
	sweater?	

She holds up a teeny-tiny knitted sweater.

There is a knock, and Twilight and Applejack peep their heads in the door.

128	APPLEJACK	128	
	What did she say?		
129	FLUTTERSHY	129	
	(blushing)		
	I'd rather not say.		
130	APPLEJACK	130	
	Okay, well I'm sure you know what		
	you're doing. No one knows rare		*
	magical creatures like you do.		*
131	TWILIGHT	131	
	We'll just wait for your word.		*
132	FLUTTERSHY	132	
	Thank you. I'll be in touch very		*
	soon.		

She closes the door behind them. SeaBreeze turns to the other Breezies.

133	SEABREEZE	133	
	We need to go NOW or we'll never		
	get home! I wish we didn't need		*
	that stupid breeze to activate our		*
	magic or I'd just force you all to		*
	fly home right now! Why do we have		*
	to need magic to keep our pollen		*
	safe??		*
134	FLUTTERSHY	134	
	Now SeaBreeze--		*
135	SEABREEZE	135	
	(imploringly)		*
	Don't any of you miss flying in the		*
	gnome tree gardens or getting a		
	fresh pollenmilk shake?? What if we		
	never see a Breezie sunrise again?		

She gets caught up in the moment and then snaps herself out of it and turns to Fluttershy.

136	SEABREEZE (CONT'D)	136	
	Why are you giving into these		
	wimps? If they hadn't been so		
	scared in the first place this		
	never would have happened!		

The Breezies look on at her upset, backing behind Fluttershy.

137 FLUTTERSHY 137
Well that is just not true, Sea
Breeze. It was because of a leaf
and you know that.

138 SEABREEZE 138
Puh-lease! They have no idea what
they're doing out there! Like you
said, we need as much time as we
can get, because they are
incompetent!

She storms out of the room. The Breezies flutter, staring at
Fluttershy, with a look of concern in their big eyes. *

139 FLUTTERSHY 139
Well, I didn't say that exactly,
now did I?
 (switching gears)
Okay then. Who wants an antennae
massage? Oh, actually, what about
a snack first?

The Breezies, with the exception of Sea Breeze all surround
her excitedly.

DISSOLVE TO:

INT. SWEET SHOPPE - LATER

Fluttershy eyes a display case of pastries. Pinkie Pie is
behind the counter.

140 FLUTTERSHY 140
Hmmm. I'm wondering, do you think
the Cakes have anything just a
touch smaller?

141 PINKIE PIE 141
Smaller? Absolutely!!

She whips to the back of the store and whips right back
around holding a smaller tray with the same size pastries
crammed together on it.

142 FLUTTERSHY 142
Smaller *pastries*.

Pinkie sets down the small tray.

143 PINKIE PIE 143
Why didn't you say so? Be right
back!!

She once again WHIPS to the back of the store and WHIPS right back holding a LARGE tray with tiny pastries on it.

144 PINKIE PIE (CONT'D) 144
These are none other than the
Pinkie Pie patented *Petit Petit*
Fours!

145 FLUTTERSHY 145
They look lovely. But, maybe
something a little smaller?

146 PINKIE PIE 146
Oh! I know what you have in mind!
I have just the thing! Be right
back!!

She once again WHIPS to the back of the store and WHIPS right back in holding an EVEN larger tray with EVEN smaller pastries on it.

147 PINKIE PIE (CONT'D) 147
These are none other than the
Pinkie Pie patented *Petit Petit*
Petit Fours!

148 FLUTTERSHY 148
Perfect! I'll take three dozen!
Once I get a little food into those
Breezie bellies I'm sure they'll
have the confidence to go on their
way.

She looks out the window to see the sun is starting to set.

149 FLUTTERSHY (CONT'D) 149
 (to herself)
At least I hope so.
 (then, confident)
Of course they will. Who doesn't
feel better after a little bite to
eat? They'll definitely be ready
to go after that!

Pinkie Pie looks at her and smiles widely.

INT. FLUTTERSHY'S COTTAGE - SOON AFTER

Petit Petit Petit Four crumbs litter the floor as satisfied Breezies snuggle up to Fluttershy on the couch. One of them lets out a little burp.

150 BREEZETTE 150
Munfarzen.

151 FLUTTERSHY 151
You're excused.

She looks at them all with great trepidation.

152 FLUTTERSHY (CONT'D) 152
Well, my Breezies--

She tries to get up, peeling them off of her. She is literally peeling off little Breezies who cling to her like velcro. As soon as she has peeled one off another clings on.

153 FLUTTERSHY (CONT'D) 153
Oh. That's sweet. What a nice hug.
And one from you too. Oh, you need
one? Let's do four little squeezes
each real quick.

It takes a while, but she has finally dislodged the last of them from her and faces them, putting on a brave face.

154 FLUTTERSHY (CONT'D) 154
Well! I think we can all agree that
now that you've eaten and you have
a little energy going in your
Breezy bodies, you are strong
enough to face the breeze! I've
loved having you here and I hope
I've all made you feel loved and
special. But you have to go, no
one here will deny that. I did
make you feel special and safe and
good though, right?

Sea Breeze buzzes around Fluttershy, eyeing her fellow Breezies with disdain.

```

155          SEA BREEZE                                155
There is nothing SPECIAL about
these losers!  They can't handle a
SIMPLE breeze home!  If they could
just stick with the program and
listen to me we would be safe!  AT
HOME!!
      (tearing up)
Home!  Where everyone is like us!

```

156 FLUTTERSHY 156
 Okay. Well. A confusing pep talk,
 but nonetheless, I do know that if
 you don't leave soon you may never
 make it back and that would be
 terrible.

She heads for the door, following Sea Breeze and stops short
 as she notices no one is following her. She turns to see the
 other Breezies giving her doe-eyed looks and begin imploring *
 her for help. *

157 WINDFALL 157
 (pleading)
 Multy marshkin follow. *

158 FLUTTERSHY 158
 Oh no.

159 FEATHERDUST 159
 (nodding)
 MULTY marskin toomba too.

160 FLUTTERSHY 160
 I had no idea you all have colds!
 Really? All of you?

They all nod and start sneezing constantly.

161 FLUTTERSHY (CONT'D) 161
 Oh dear. I can't let you go out
 there sick! What kind of friend
 would I be if I made you go now? A
 real mean one, that's what kind.

They gather around her once again, hugging her in
 appreciation. Sea Breeze stews and stomps out of the room.

INT. CAROUSEL BOUTIQUE - LATER

Rarity follows Fluttershy around the boutique as Fluttershy
 examines her inventory. Fluttershy looks a little worse for
 the wear.

162 RARITY 162
 Congratulations again on your
 daring rescue. I've never seen you
 so... daring.

163 FLUTTERSHY 163
 Oh, thank you Rarity. That's very
 kind of you.

Fluttershy eyes a large button and begins muttering to herself.

164 FLUTTERSHY (CONT'D) 164
 Oh, that would make a good bed.
 Perfect. Okay, that should do the
 trick for a perfect nap and rest
 and be on your way!
 (looking down)
 Don't you think, Breezette?

We hear a muffled sound and Fluttershy opens her pocketbook to reveal a Breezy who pops her head out.

165 BREEZETTE 165
 (matter of factly)
 Martle Facemork. *

166 FLUTTERSHY 166
 Oh, I can just put a little tissue
 over the holes, don't worry about
 that.

She looks up to see Rarity staring at her.

167 FLUTTERSHY (CONT'D) 167
 Oh, sorry, how rude of me.
 Breezette, this is Rarity. Rarity,
 Breezette.

168 BREEZETTE 168
 (hello)
 Mushelface. *

169 RARITY 169
 How lovely to meet you.

Fluttershy walks around the store as Rarity follows her.

170 RARITY (CONT'D) 170
 I must say, they are adorable. And
 your new "breezy bag" is to die
 for, but don't the Breezies need to
 be on their way?

171 FLUTTERSHY 171
 Oh, yes. And they WILL! They just
 need a nap that's all! After a
 little nap they'll be strong enough
 to continue their migration home.

172 RARITY 172
 Isn't it a little late for a nap?
 It's already dark outside.

Fluttershy looks out the window. It is indeed nighttime.

173 FLUTTERSHY 173
Oh my, you're right.

Fluttershy looks down at Breezette who has a fearful look on her face.

174 BREEZETTE 174
(nervously)
Farfi talo mar? *

175 FLUTTERSHY 175
Oh. Goodness no. What kind of pony
sends sick little creatures out in
the dark and cold? A monster pony,
that's who!
(then)
You'll just spend the night and
begin your journey first thing in
the morning instead.
(then to Rarity)
14 more buttons please. And
perhaps a baker's dozen of fabric
samples? The thicker the better.
I'm sure with a little effort I
could make some nice cozy blankets.

EXT. FLUTTERSHY'S HOUSE - THE NEXT MORNING

Rainbow Dash is outside with Fleetfoot and Blaze. Rainbow Dash knocks on the door. Fluttershy answers.

EXT. FLUTTERSHY'S COTTAGE - CONTINUOUS

A sleepy looking Fluttershy opens the door just a crack. Rainbow Dash is there with the Fleetfoot and Blaze.

176 RAINBOW DASH 176
Hey, Fluttershy. Just wondering if
the Breezies are ready to go yet.
Clock's kind of ticking on them
making it back before the door
closes on their home.

177 FLUTTERSHY 177
(whispering)
Oh, yes. I mean, not quite. Maybe
just a few more minutes?

178 RAINBOW DASH 178
Uh, alright.

Fleetfoot, Blaze, and Rainbow Dash head off.

179	FLEETFOOT	179
We wait too much longer we'll have to create such a strong breeze it may be more than they can handle.		

180	RAINBOW DASH	180
We just have to trust Fluttershy. No one knows animals like she does. She must know what she's doing.		

Fluttershy closes the door to her cottage.

INT. FLUTTERSHY'S COTTAGE - CONTINUOUS

Fluttershy turns from the door and we WIDEN TO REVEAL:

Fluttershy's cottage has been transformed into a Breezie habitat. Her house looks like a hamster cage just threw up on itself. There are Breezie tunnels climbing the walls from the floor. There are tiny Breezie areas to eat. Tiny Breezie areas to sleep. But no Breezies to be found anywhere. Fluttershy looks panicked.

181	FLUTTERSHY	181
Breezies! Breezies!		

Suddenly, the Breezies pop up from their hiding places.

182	BREEZIES	182
Murflaffal!		

A Breezy blows a tiny KAZOO. Others throw confetti. Another produces a teeny-tiny cake.

183	FLUTTERSHY	183
A surprise party? For me? This is just so sweet!		

184	TWIRLY	184
We are markin happy you flubengagen.		

*

185	FLUTTERSHY	185
Everyone, fly together, let me get your picture.		

The Breezies (except SeaBreeze) gather together.

186	FLUTTERSHY (CONT'D)	186
Now say, "I'm gathering my strength!"		

187 ALL THE BREEZIES 187
Mettally boot!

188 FLUTTERSHY 188
Oh that's so cute, but Twirly, I *
think your eyes might have been
shut in that one.
(then)
Everyone say, "Breeze activate *
magic!" Maybe that's too long-- *

An irritated SeaBreeze buzzes around Fluttershy.

189 SEABREEZE 189 *
Why are you spending your time on *
this?? I'll never get home! *

190 FLUTTERSHY 190
SeaBreeze I agree that you all must
go, but they spent a lot of time on
this party. It would hurt their
feelings if we left now.
(she looks at their faces)
Just a couple minutes more.

INT. FLUTTERSHY'S COTTAGE - DUSK

Fluttershy is in the middle of a line dance with the Breezies. They all look like they have been partying for hours, yet still having fun. SeaBreeze flies up to Fluttershy.

191 SEABREEZE 191
It's been over an hour! Who cares
about their hurt feelings??? We
HAVE to GO! NOW!

Fluttershy looks at her and stops dancing. The Breezies all let out a, "AWWSHKIN!" Fluttershy turns to them.

192 FLUTTERSHY 192
Breezies, I must say, SeaBreeze has
a point. You are all doing really
well. I think it's time for me to
get Rainbow Dash and her friends so
they can create the breeze for you
to get home.

The Breezies all look at her wide eyed and then start talking at once.

193 BREEZIES 193
 (protesting)
Marskin fuble ligen pollface!

*

We see the conflict on Fluttershy's face. She can't stand hurting them.

194 FLUTTERSHY 194
You are all awfully anxious. I
don't want you to feel abandoned or
that I wasn't the most kind host I
could possibly be.

```

195          WINDFALL          195
Just a couple more hours!

```

196 TWIRLY 196
Yes, that's all we need!

*

197 ALL THE BREEZIES 197
(echoing their sentiments)
Marshkin moofin facemore blaydel!!

*

198 FLUTTERSHY 198
Yes, that does make sense. Sea
Breeze, do you think you could wait
just a couple more hours?

She turns to look for her, but she isn't there.

199 FLUTTERSHY (CONT'D) 199
Sea Breeze?

She starts walking through her cottage.

200 FLUTTERSHY (CONT'D) 200
Sea Breeze? Has anyone seen Sea
Breeze?

She looks out the window and we see Sea Breeze outside. Fluttershy's eyes go wide in horror.

201 FLUTTERSHY (CONT'D) 201
Where is she going?! There's no
way she can handle being out there
on her own!

A horrified Fluttershy heads out the door after Sea Breeze as we...

END OF ACT TWO

ACT THREE**EXT. PONYVILLE - A MOMENT LATER**

Fluttershy goes flying out in search of Sea Breeze. She flies higher and then lower.

202 FLUTTERSHY 202
Sea Breeze!!! Sea Breeze!!!

She finally spots her. Sea Breeze is flying out of control, being blown about by the slightest little breeze, crashing into confused ponies as she tries desperately to make her way out of Ponyville.

Fluttershy winces as Sea Breeze just barely avoids being hit by an acorn falling from a tree. She breathes a sigh of relief when she sees Sea Breeze avoided it, but then looks on terrified as she sees Sea Breeze headed STRAIGHT FOR A BEE-HIVE.

203 FLUTTERSHY (CONT'D) 203
SeaBreeze, WATCH OUT!!!

Sea Breeze dips right and left but she is too small and has too little control to fly around it. She CRASHES right into it. She is now SURROUNDED by a swarm of angry bees.

EXT. PONYVILLE - SEA BREEZE POV - CONTINUOUS

Sea Breeze is yelling as the bees <BUZZ> around her. She ducks this way and that but can't seem to get away from them.

204 FLUTTERSHY (O.S.) 204
Excuse me, bees? Can you please
back off of my Breezy friend? She
didn't mean any harm. It was just
an accident.

EXT. PONYVILLE - CONTINUOUS

The bees <BUZZ> and turn to look at her in unison but are still obviously angry, buzzing away, and about to descend on Sea Breeze again. Fluttershy looks around desperately. She sees a flower and FLIES DOWN to get it and then comes right back.

205 FLUTTERSHY 205
 Excuse me, bees? Is that you Ethel?
 I think I recognize you from that
 lovely interaction we had last
 week? I believe you mentioned you
 enjoy lilacs?

One of the bees, presumably Ethel, buzzes toward her, takes
 some pollen from the lilac and then goes back to Sea Breeze.

206 FLUTTERSHY (CONT'D) 206
 Oh. Well. I'm glad you enjoyed it.
 Um, friends? Bee friends? Would
 you mind looking at me over here
 for a second?

She starts wiggling her bottom attempting to look like a bee,
 but instead looking ridiculous.

207 FLUTTERSHY (CONT'D) 207
 I'm working on a bee type dance and
 was hoping you could help me? Does
 this bring to mind any images for
 you? Perhaps a bee??

They are about to move in for the kill on Sea Breeze when
 Fluttershy RAISES her voice.

208 FLUTTERSHY (CONT'D) 208
 EXCUSE me! I have done NOTHING but
 be kind, but I guess that is NOT
 working!

The bees all STOP and look at her.

209 FLUTTERSHY (CONT'D) 209
 You bees know better than to hurt a
 helpless Breezie! I demand that you
 go away NOW or you'll have to
 answer to ME!

They all buzz off quickly. Fluttershy flies up to Sea Breeze
 who is out of breath, clinging to a tree branch.

210 SEABREEZE 210
 Mankylin!!! THANK YOU. Thank you
 SO much. Thank you for coming
 after me.

211 FLUTTERSHY 211
 Of course! You could have gotten
 seriously hurt out here! Ponyville
 is much too dangerous for you!
 (MORE)

FLUTTERSHY (CONT'D)

My goodness, one tiny acorn is a threat!

212 SEABREEZE 212
Yes, I know. That's one reason why I've been trying to get us to go from the beginning!

213 FLUTTERSHY 213
Oh my goodness. I was just trying not to hurt anyone feelings, but my displays of kindness may have cost you everything! Time is running out and you may never make it home!

214 SEABREEZE 214
That's exactly what I've been telling all of them, but they don't listen to me. No one ever listens to me.

SeaBreeze hangs her head.

215 FLUTTERSHY 215
SeaBreeze, I understand your feelings are hurt, but it's hard for them to hear you when you're shouting and being mean. The message doesn't get across.

216 SEABREEZE 216
But what about those bees? You weren't nice to them at the end and that was the only way they listened.

217 FLUTTERSHY 217
Yes, but they HAD to go. And they wouldn't listen to me any other way.

An Epiphany Rainbow swirls around Fluttershy as she considers this.

She then looks to Sea Breeze and motions for her to climb on her back.

218 FLUTTERSHY (CONT'D) 218
We need to go.

Sea Breeze nods and jumps on her back. They take off.

INT. FLUTTERSHY'S COTTAGE - SOON AFTER

Fluttershy stands at her door. Sea Breeze is hovering over her shoulder.

219	FLUTTERSHY	219
	My dear Breezies, I had to rescue	
	Sea Breeze from serious harm. And	
	now I know more than ever that you	
	must leave before it is too late.	
	You would never survive in	
	Ponyville.	

In an instant they are all clutching her legs.

220	WINDFALL	220
	You can't listen to HER! She's	
	MEAN!	

221	TWIRLY	221	*
	Yeah, she doesn't know what's best		
	for us!		

222	BREEZETTE	222
	Marfin Pullyup meedcat! We're	
	safer here! We can't go back out	
	there! Even if it means never going	
	home!	

223	FLUTTERSHY	223
	I can't help you anymore! In fact I	
	wasn't helping you at all by being	
	nice. Oh dear, this hurts me more	
	than it hurts you! But the truth of	
	the matter is that I must be firm!	
	You must go. NOW!	

She opens the door and they all look at her, stunned. And then they fly out the door. Fluttershy fights back tears. It is not easy for her to be "mean".

EXT. OVER FLUTTERSHY'S COTTAGE IN THE SKY - CONTINUOUS

Rainbow Dash, Fleetfoot and Blaze try to make a breeze.

224	RAINBOW DASH	224
	What's happening? It's too	
	strong!!	

225	FLEETFOOT	225
	I can't do it any lighter!	

226 BLAZE 226
Neither can I!!

227 RAINBOW DASH 227
Blaze, stand off! Let's see if we
can do it with just two of us!

They attempt it again.

228 RAINBOW DASH (CONT'D) 228
It's still too strong!! Fleetfoot,
fly back, I'm going to try to do it
on my own and see if I can slow it
down!

The other two stand off and watch her.

229 RAINBOW DASH (CONT'D) 229
Now it's too light! This will
never get them home!

They look at each other discouraged and come back down.

EXT. FLUTTERSHY'S HOUSE - CONTINUOUS

230 RAINBOW DASH 230
I don't know what to do, the breeze
is too strong right now.

231 FLUTTERSHY 231
Oh my.
(thinking)
Maybe it's because there are too
few of them. When they started
their journey there was more of
them to face the breeze together.

They all look at each other.

232 TWILIGHT 232
I have an idea.

233 APPLE JACK 233
What is it?

234 TWILIGHT 234
I've been studying an old spell
book from the Castle of the Two
Sisters. There's a spell that I
think could help us.
(then)
(MORE)

TWILIGHT (CONT'D)

This is probably going to feel a little funny at first, but you're going to have to trust me.

235 PINKIE PIE 235
I love new ideas that make me feel funny at first!

236 TWILIGHT 236
Fleetfoot and Blaze, can you get the strong wind going? I need Rainbow Dash here.

They nod and take off. The other ponies look up and see the breeze is going.

Twilight lowers her horn, fires a spell, there is flash of light and they are suddenly ALL BREEZIES.

237 PONIES 237
<SURPRISED WALL>

238 FLUTTERSHY 238
Marful fly bartontook.

The others stare at her confused.

239 FLUTTERSHY (CONT'D) 239
Um, I mean, let's go.

The Breezy Mane 6 join hold onto each other and their fellow Breezies and take to the sky where they catch the breeze.
(NOTE: The Breezies are now wearing their pollen packs.)

Even with the addition of the Mane 6 Breezies, they are still struggling. A pair of smaller Breezies is having an especially hard time and seems ready to give up. They speak to each other, obviously dejected.

240 BREEZETTE 240
Marshkin parskin.

241 WINDFALL 241
Mikar.

Sea Breeze flies over to them. They look up at her, scared of her reaction. Fluttershy looks at Sea Breeze. She looks back and turns to Breezette and Windfall.

242 SEABREEZE 242
You can do this.

They look at her, stunned.

243 SEABREEZE (CONT'D) 243
 I'm sorry for how I treated you
 before. It wasn't right that I
 called you names and I didn't even
 really believe those things I said.
 I was worried we'd never get back
 to our home, and I lashed out. I
 know you can do this. I believe in
 you.

244 TWIRLY 244
 You do? *

245 SEABREEZE 245
 Yes. Hold onto me, let's join the
 group.

They both grab onto her. Fluttershy sees this, and smiles.
 They are struggling, but they make it back to the group. As
 they all fly together, their antennae begin to glow. Soon
 after, the packs on their backs containing the Equestria
 pollen begin to glow as well.

EXT. BREEZIE HOME - CONTINUOUS

They finally see the entrance to their home. It's a stone
 covered tunnel that seems to be diminishing in size before
 our very eyes.

They all fly down. The entrance, getting smaller and smaller
 is difficult to fit through. They all fly in, looking at
 each other with mild panic as they make their way through.

INT. BREEZIE HOME--CONTINUOUS

We see this magical place now at their level. It's like a
 woodland fairy paradise. It is perfectly their size, with
 little entrances and gateways for them to get to their food
 easily and get to their homes easily. The signs are all in
 their Breezy language, and there are pollen stations set up
 throughout the tiny town.

246 RAINBOW DASH 246
 Holy mini-sized paradise!

247 RARITY 247
 This is simply beautiful! So much
 inspiration! Where is my sketch pad
 when I need it?

248 PINKIE PIE 248
 SO! STINKIN'! CUTE!!

The other Breezies they were separated from come to greet them excitedly. We hear the cacophony of their language all being spoken at once. Fluttershy is tearing up watching them.

249 APPLE JACK 249
You okay, Fluttershy?

250 FLUTTERSHY 250
Oh, yes. I am just so very happy
they got to be reunited with their
family.

251 RARITY 251
We better get going before the
entrance, well, exit for us,
closes.

252 FLUTTERSHY 252
Yes, you're right.

Fluttershy flies up to the group of them.

253 FLUTTERSHY (CONT'D) 253
Goodbye, Breezies. I must go now.

The Breezies all turn to her and speak at once.

254 ALL THE BREEZIES 254
Mushkin flyin houser face mark.

255 FLUTTERSHY 255
Thank you, I'll never forget you
either.

All but Sea Breeze fly away. She hovers there and hands Fluttershy a small flower plucked from the Breezies world.

256 SEABREEZE 256
To remember us by.

257 FLUTTERSHY 257
Thank you. I'll miss you. I'll
miss all of you.

Twilight approaches Fluttershy.

258 TWILIGHT 258
We have to go now.

Fluttershy nods in understanding.

EXT. EDGE OF EQUESTRIA - CONTINUOUS

The Breezie Mane 6 exit the Breezie habitat just moments before the entrance closes. They land on the ground just beyond the exit and turn to watch it disappear.

259	RAINBOW DASH	259
Whoa.	That was close.	

The others nod in agreement.

260	TWILIGHT	260
Okay, gather around!		

She once again points her horn down.

A FLASH of LIGHT and the spell is reversed. They all turn back into ponies.

Rainbow Dash sidles up to Twilight.

261 RAINBOW DASH 261
So, uh, I've always kind of
wondered what it would be like to
be a Gryphon?

A beat.

262 TWILIGHT 262
Not a chance.

Twilight takes off as Rainbow Dash calls after her.

```

263          RAINBOW DASH                                263
You sure?  What about a dragon?
No?  It doesn't have to shoot fire!

```

INT. FLUTTERSHY'S COTTAGE - DAY

Fluttershy and Spike are in her cottage. Fluttershy is dictating her entry into the Journal of the Two Sisters to him.

264 FLUTTERSHY 264
So, for the Diary of the Two
Sisters, please write this--

265 SPIKE 265
I got this one--the Breezies were
adorable, and I really didn't mean
to throw them off their path! It
was ONE leaf!!

266 FLUTTERSHY 266
I don't think you need to mention
that part.

267 SPIKE 267
Okay.

268 FLUTTERSHY 268
Just please write--

269 SPIKE 269
"Just because they're tiny and
super adorable doesn't mean that
they're immune to accidents like
the leaf that I never should have
crossed paths with!"

270 FLUTTERSHY 270
Spike--

271 SPIKE 271
I guess I should take the "I" out,
since it's supposed to be from you.

272 FLUTTERSHY 272
(admonishing)
Spike...

He looks at her, eyes wide.

273 SPIKE 273
Sorry. It's all you.

274 FLUTTERSHY 274
Thank you.

(she clears her throat)
My experiences with the Breezies
have helped me to see that kindness
can take many forms. And sometimes
being too kind can actually keep a
friend from doing what they need to
do. Pushing them away may seem
cruel, but it is sometimes the
kindest thing you can do.

(beat)
Spike? You okay?

275 SPIKE 275
(fighting back a tear)
Yours was much better!

276 FLUTTERSHY 276
Thank you. That's sweet. Do you
mind returning the journal to
Twilight?

277 SPIKE 277
(still teary)
Sure! Really good job!

He turns around to leave and then turns back.

278 SPIKE (CONT'D) 278
Are you sure I shouldn't mention
the leaf?

279 FLUTTERSHY 279
Go, Spike!

280 SPIKE 280
Okay! You're getting really good
at that!

281 FLUTTERSHY 281
Aw, thank you!

He leaves and we...

FADE OUT.

THE END
