TEASER

EXT. PONYVILLE - DAY

FLUTTERSHY is standing in the middle of a circle consisting of RAINBOW DASH, APPLEJACK, RARITY, TWILIGHT, and PINKIE PIE.

1 FLUTTERSHY 1
Okay everypony, as you know, the 2
adorable fairy creatures known as
Breezies are about to come through
Ponyville!

1A PINKIE PIE 1A
Yes!! It's so exciting!! I can't
wait for Rainbow Dash to make the
breeze for them so I can see how
cute they are up close!!

1B RAINBOW DASH 1B
And I can't wait to make the
breeze! I've never done it before.
(then)
Not that I won't be totally awesome
at it. Because I totally will.

4 FLUTTERSHY 4
And that breeze is very important.
But so is cheering on those teeny,
tiny little things so they have the
confidence to ride that breeze to
their native land.
(wistful)
Did I mention how tiny they are?
So tiny.

5 TWILIGHT 5
How tiny are they?

5A FLUTTERSHY 5A
Well Twilight they are so tiny that
if you held one in your hoof, well,
they're about the size of your
hoof.

5B APPLEJACK 5B
That is pretty tiny.

6 FLUTTERSHY 6
Exactly. And because they are so
fragile we need to treat them very
carefully as we encourage them on
their way.

7 RARITY 7
Perhaps I could make them some
custom gowns. That always makes me
feel encouraged.

8 FLUTTERSHY 8
Oh, that's a nice idea, Rarity.
But I think it might set them off
balance.

9 RARITY 9
(wistfully)
Yes, but only in the best way.

10 FLUTTERSHY 10
I was thinking we could do a
special Breezy cheer.

11 PINKIE PIE 11
I LOVE CHEERS!!!

12 FLUTTERSHY 12
So do I. But these cheers should
be quiet cheers. We don't want to
startle them. They need to be able
to concentrate.
(then)
Why don't we try it? Repeat after
me. "You can do it Breezies."

13 ALL THE PONIES 13
(loudly)
YOU CAN DO IT BREEZIES!!

Fluttershy just looks at them, stunned by the noise, batting
her eyes.

14 FLUTTERSHY 14
Oh my.

15 APPLEJACK 15
Sorry, Fluttershy, I had no idea
how hard it was to do a cheer
quietly.

16 FLUTTERSHY 16
It's okay. Quiet doesn't come
naturally for everyone. Let's try
it again.

17 ALL THE PONIES 17
(quieter)
You can do it Breezies!

18	FLUTTERSHY	18
	Perhaps just a little bit quieter?	
19	ALL THE PONIES	19
	(whispering)	
	You can do it Breezies!	
20	FLUTTERSHY	20
	Just a little quieter.	
21	ALL THE PONIES	21
	(very, very quietly)	
	You can do it Breezies!	
22	FLUTTERSHY	22
	(excited)	
	PERFECT!!!!	

They look at her, stunned. She is stunned herself.

23	FLUTTERSHY (CONT'D)	23
	I mean...	
	(quietly)	
	Yay.	

END TEASER

CUT TO:

MY LITTLE PONY CREDIT SEQUENCE

TRANSITION TO:

ACT I

EXT. PONYVILLE SKY - DAY

RAINBOW DASH, FLITTER and CLOUDCHASER are up in the air directing the wind, making it form into tiny fast circles. They are shouting to each other so they can be heard over the wind.

24	RAINBOW DASH	24	
	Flutter! Cloudchaser! That's too		*
	strong! We gotta slow this breeze		*
	down or we're going to blow those		*
	Breezies apart!		
25	FLITTER	25	*
	You got it, Dash!		*

EXT. PONYVILLE TOWN SQUARE - AT THE SAME TIME

Down below, all of Ponyville is in full party mode to welcome the Breezies. There's a TRIO <PLAYING MUSIC> and Fluttershy is standing next to MRS. CAKE and MR. CAKE who are rapt in discussion about the Breezies. Fluttershy is obviously eavesdropping, trying hard not to overtake the conversation.

27A MR. CAKE 27A
What I don't understand is why they
need the Pegasi to make a breeze
for them. If they're so tiny, why
don't the Breezies just catch a
ride home on a Pegasus instead?

27B MRS. CAKE 27B
Well...I uh...hmm....

Fluttershy can't help but turn her head to speak to them.

27C FLUTTERSHY 27C
Oh, um, I can answer that, if you
really want an answer.

27D MR. CAKE 27D
Absolutely.

27E FLUTTERSHY 27E
Well, you see, it's the breeze that
activates the Breezie's magic. And
that magic protects the pollen
they're carrying from being
destroyed.

*
*

29 MR. CAKE 29
So... no breeze means no magic
means the pollen goes bad?

29A FLUTTERSHY 29A
That's right. And they only have
two days to get that pollen back
before the portal to their home
closes.

29B MR. CAKE 29B
Two days?! What happens if they
can't make it home in two days?

Fluttershy just looks at them, not wanting to say.

29C MRS. CAKE 29C
They'd be TRAPPED here??

30 FLUTTERSHY 30
That's why it's ever so important
that we help them make their way
through Ponyville safely.

31 MRS. CAKE 31
We certainly wouldn't want to scare
them and divert them from their
path!

32 FLUTTERSHY 32
Now you understand.

33 MR. CAKE 33
You certainly know a lot about
them.

34 FLUTTERSHY 34
Oh, thank you. I went to see them
gathering their pollen in Western
Equestria. Before I left I did a
little light reading about them.

She nods to three ENORMOUS books in her basket. She hears
the band and turns to the fascinated ponies.

35 FLUTTERSHY (CONT'D) 35
If you'll excuse me.

The ponies nod and she walks over to the trio.

36 FLUTTERSHY (CONT'D) 36
Oh, hi, I don't mean to bother you,
but do you think there's any chance
you could just muffle the sound a
little bit? I'm a little worried
it's going to scare the Breezies.

37 BAND PONY 37
Isn't this FOR the Breezies?

38 FLUTTERSHY 38
Yes. And they do need to know that
they have the moral support of all
of Ponyville. But their preference
is a quiet, easy jam.

The Band Pony nods and directs his group to play more softly.

39 FLUTTERSHY (CONT'D) 39
Thank you.

Fluttershy winces as she gets blinded by a glare. She looks up and sees a very SEQUINED Rarity standing at a podium next to Twilight. Fluttershy walks up to her.

40 FLUTTERSHY (CONT'D) 40
Rarity, I hate to weigh in with you
when it comes to fashion, but--

41 RARITY 41
(looking at her outfit)
There's too much purple on this,
isn't there? I KNEW it! But
Twilight refused to admit it.

42 TWILIGHT 42
What? I--

43 FLUTTERSHY 43
No, no. It's the perfect amount of
purple.

44 FLUTTERSHY (CONT'D) 44
It's just that there's an awful lot
of sequins on your jacket.

45 RARITY 45
Darling, please, one can never have
too many sequins.

46 FLUTTERSHY 46
You can if they reflect the sun and
the light catches a group of
Breezies right in their eyes and
blinds them long enough to get them
off of their course so they never
get home!

Rarity and Twilight look at her for a beat.

47 RARITY 47
I stand corrected. I suppose there
is the rare instance where one can
have too many sequins. I'll just
take off my jacket.

She takes it off to reveal her BLOUSE which is made out of a silvery reflective fabric that is even worse than the sequins. Fluttershy squints as she is blinded by the light coming off of Rarity's shirt.

48 RARITY (CONT'D) 48
I suppose this won't do either.

We see Twilight look up at Rainbow Dash who NODS at her.
Twilight looks upon the now very quiet crowd and whispers loudly.

49	TWILIGHT	49
	Everypony, it's time! Please	
	welcome the Breezies!!	

Fluttershy THROWS her scarf on top of Rarity's reflective shirt and looks up into the sky.

EXT. PONYVILLE SKY - AT THE SAME TIME

A group of miniature little fairy type creatures , the BREEZIES, come floating in on the breeze, carrying tiny packs on their backs. They are in a tight formation, holding onto one another. They seem to need all of their concentration to stay together. Twirly, clearly their leader, is in front, yelling out directions to her friends in her native language.

50	TWIRLY	50
	Melvin arsin eifolk!	

The other Breezies nod and get closer together.

EXT PONYVILLE - CONTINUOUS

Down below, SPIKE is running in between all of the ponies' legs, trying to get a better look. He can't see anything over the crowd of ponies.

51	APPLEJACK	51
	(whispering)	
	They're as cute as Apple Bloom on	
	the day she was born!	

52	RARITY	52
	(whispering)	
	And would you look at those	
	adorable little packs they carry	
	their pollen in.	

53	SPIKE	53
	(calling out)	
	Adorable little packs? Did you say	
	adorable little packs?	

54	RARITY	54
	Shhhhh!	

55 SPIKE 55
(whispering)
Sorry.

Spike then tries to go through Applejack's legs and she looks down at him.

58 APPLEJACK 58
Be careful, Spike!

58A SPIKE 58A
I can't see anything!

58B APPLEJACK 58B
Maybe try over there! I see an
empty patch that way!

She goes back to looking up at them, whispering loudly.

59 APPLEJACK (CONT'D) 59
They're beautiful!

Spike is FURIOUS now and stomps off in the other direction, looking up at the same time, desperate to catch a glimpse. He sees Pinkie Pie who isn't saying anything, but is noiselessly BOUNCING UP AND DOWN with glee.

60 SPIKE 60
(whispering)
Pinkie Pie! Can I hop on you so I
can see the Breezies??

Pinkie Pie just looks at him with the hugest smile we've ever seen from her and bounces as she whispers loudly.

61 PINKIE PIE 61
So! Cute! Can't! Take! It!! May!
Explode!!!

And with that she bounces off looking up in the sky.

62 SPIKE 62
Thanks a LOT!

He looks up to see a couple of BIRDS in the trees, who are clearly also taking in the show.

63 SPIKE (CONT'D) 63
Even the BIRDS can see them?!
(then)
That does it.

He goes over to the tree and with a look of determination attempts to CLIMB it.

He gets a foot up and immediately stumbles, and FALLS down. He looks around, BRUSHES HIMSELF OFF, and does it again, FALLING down AGAIN. He then looks at the tree, steps a few feet away, and CHARGES it. He RICOCHETS off of it, and falls (unhurt) onto a BRANCH.

ONE LEAF from that branch FLOATS up in the air, and Spike watches it, now dazed from his fall. As he watches it, he begins to smile. He speaks as if in a trance, quietly.

64 SPIKE (CONT'D) 64
There they are! I see them!

We follow the LEAF which is now VERY close to the Breezies. The leaf goes up HIGHER and HIGHER.

Back on Spike, watching the leaf and realizing what is about to happen.

65 SPIKE (CONT'D) 65
Oh no. OH NO!

EXT. PONYVILLE SKY - CONTINUOUS

The two Breezies in the front of the group's antennae begin to glow. A moment later, the contents of their packs begin to glow as well. Then the next two Breezies' antennae begin to glow. Their packs begin to glow soon after.

But just as this magical process begins, we see the leaf now go DIRECTLY into the Breezies' path SEPARATING them into two groups! This fragile unit has just been compromised.

The group in the back is confused as they can't seem to avoid the disruption, but they are not panicked.

Twirly is in the group in the back and looks at the others, not sure what to do.

65A TWIRLY 65A
Ut, farminkle mutkin?

SEABREEZE, a Breezie who somehow looks a little tougher, a little meaner than the rest, looks on ANGRILY at her group who is now being left behind. She turns to them and yells.

66 SEABREEZE 66
(angrily)
Martlen outlooken mire!!!

Her tone upsets and frightens them, and they begin to panic.

67 SEABREEZE (CONT'D) 67
MARTLEN OUTLOOK FIRE PATH!!

We can see in their faces that SeaBreeze is completely flustering them. They look ahead and see they are in peril and start flittering about with no real aim.

The group in front look back desperately at the other group who are being pushed farther and farther back by the breeze.

The group ahead look at each other, yelling quickly over each other.

68 FIRST GROUP OF BREEZIES 68
Martin faces pullagen???

We go back to the group left behind and they all GASP as they see the other group take off. They then feel another gust of wind HIT them and they get knocked even further behind.

Rainbow Dash, Flitter and Cloudchaser look below and see what is happening.

69 RAINBOW DASH 69
Slow down the breeze for the other group to catch up!!

70 FLITTER 70
I'm trying!!

71 CLOUDCHASER 71
They're too far back! We can't connect the breeze to both sets of Breezies!!

*

72 RAINBOW DASH 72
What if we speed it up??

73 FLITTER 73
Then the first group will be going too fast and will get separated from each other!!

Rainbow Dash looks at the others in horror.

EXT. PONYVILLE - CONTINUOUS

Fluttershy looks on, beside herself as the helpless Breezies are tossed this way and that and we...

END ACT ONE

ACT TWO

EXT. PONYVILLE SKY/TOWN SQUARE - A MOMENT LATER

The Breezies are still in danger. They keep trying to grab hold of each other but the wind keeps separating them.

A determined Fluttershy takes to the sky, flying up to the Breezies. The Breezies are still being flung this way and that and can't get their bearings through the following dialogue.

76	SEABREEZE	76
	(a command)	
	Manglemarsh mouth!	

Fluttershy looks at SeaBreeze and yells over the wind to the other Breezies.

77	FLUTTERSHY	77
	She's right! You must all gather as close as you possibly can!	

They stare at her in shock.

78	TWIRLY	78
	(you understand us?)	
	Muggledy Sarken dose?	

79	FLUTTERSHY	79
	I understand the language of all kinds of creatures.	

Their eyes light up in relief.

80	SEABREEZE	80
	(snarky)	
	You must be so proud.	

80A	FLUTTERSHY	80A
	(pleasantly surprised)	
	And you speak my language too?	

80B	SEABREEZE	80B
	<u>I</u> can. This lot can only understand you. Clearly they're not the brightest bunch around.	

The other Breezies look a bit ashamed. Another gust of wind sends them swirling around.

81 FLUTTERSHY 81
Breezies, grab on to me however you
can.

Quickly, they are all on top of her.

Fluttershy, covered in Breezies, is out of the breeze and
down to the safety of the ground.

EXT. PONYVILLE - CONTINUOUS

Everyone in Ponyville CHEERS. Including the worse-for-the
wear little Breezies who cling to their hero, Fluttershy.

DISSOLVE TO:

EXT. FLUTTERSHY'S COTTAGE - SOON AFTER

Fluttershy is wearing one of the Breezies like a baby, as she
talks to the Mane 6 who all surround her.

82 PINKIE PIE 82
THAT. WAS. AMAZING!

83 FLUTTERSHY 83
I just couldn't stand there and let
those poor things fend for
themselves.

84 RAINBOW DASH 84
I'm sorry we couldn't get a breeze
going that would get them back to
the others.

85 FLUTTERSHY 85
It's not your fault.

She looks down at the one she's wearing and coos at it.

86 TWILIGHT 86
I for one am very proud of you,
Fluttershy. Leaping into action
like that.

87 RARITY 87
I feel like I should design you a
special hero's gown. Or at least a
sash. Let me make you a sash.

88 SPIKE 88
 Okay, okay, okay!! I know what
 you're all thinking why don't you
 just say it?!

They all turn to see Spike standing there.

89 TWILIGHT 89
 We didn't even know you were there,
 Spike.

90 SPIKE 90
 (he bursts into tears)
 I'm sorry!! This is all my fault!
 I'm so, so sorry!

91 TWILIGHT 91
 What are you talking about?

91A SPIKE 91A
 It was MY leaf! I set off the leaf
 of destruction! I was just trying
 to get a good look and I fell on a
 branch, and a leaf fell off of it
 and that's how I RUINED EVERYTHING!

91B FLUTTERSHY 91B
 Oh, Spike, it's okay. It could have
 happened to any one of us.

91C SPIKE 91C
 Really?

91D FLUTTERSHY 91D
 Of course.

91E SPIKE 91E
 Okay. Thank you!

He DIVES into her to hug her and almost crushes the Breezie
 she is wearing. He backs off.

91F SPIKE (CONT'D) 91F
 I'm just going to stay over here.

98 RAINBOW DASH 98
 So Fluttershy, you want us to get
 the breeze going again so these
 little guys can get going?

99 FLUTTERSHY 99
 Yes.

She looks at the Breezies who all look a little worse for the wear. They shake their heads "no". Fluttershy turns her attention back to Rainbow Dash.

100 FLUTTERSHY (CONT'D) 100
Maybe we should wait just a moment
or so. They've been through so
much.

The other ponies nod in understanding.

101 RAINBOW DASH 101
Just give me the word when you
think they're ready.

DISSOLVE TO:

INT. FLUTTERSHY'S COTTAGE - SOON AFTER

Fluttershy is playing hostess and nurse, to the shell shocked Breezies. She is running around trying to attend to them all.

102 FLUTTERSHY 102
Oh my, Twirly, you look like you
need a blanket. Let me grab a
tissue.

103 TWIRLY 103
Sampkin.

104 FLUTTERSHY 104
No problem.

Another Breezie, WINDFALL, looks up at Fluttershy.

105 WINDFALL 105
(tentatively)
Melanky?

106 FLUTTERSHY 106
Oh did you need some more water?
I'll be right there, Windfall.

She brings a Breezie a thimble of water.

106A FLUTTERSHY (CONT'D) 106A
Now who else needed a hoof-knitted
sweater?

She holds up a teeny-tiny knitted sweater.

There is a knock, and Twilight and Applejack peep their heads in the door.

109 APPLEJACK 109
Hey there! Can we come in?

110 FLUTTERSHY 110
Oh, of course. But watch your
step.

Applejack looks down to see a little Breezy by her hoof. She is wearing a teeny-tiny sweater.

111 APPLEJACK 111
 (to the Breezy)
Sorry about that little one.

112 TWILIGHT 112
We just wanted to see if you
thought the Breezies were ready to
give it another try.

113 APPLEJACK 113
Been over an hour since you brought
'em back to your place.

114 FLUTTERSHY 114
Has it been an hour already? My
goodness. Time flies when you're
making sure little creatures don't
feel that you're abandoning them to
the cruel world.

115 TWILIGHT 115
 (hesitantly)
But they're not going to a cruel
world, right? They're going *home*.

116 FLUTTERSHY 116
YES, that's right.
 (gaining resolve)
That's RIGHT. Breezies! It's time
to go!

She turns to see all of the Breezies shaking their heads "no" vehemently, looking at her desperately with their big eyes. All but SeaBreeze, who rolls her eyes at the display.

117 FLUTTERSHY (CONT'D) 117
On second thought. I don't think
they're quite ready.

118 SEABREEZE 118
Marshkin pupskin larfer! Farclop
pannywafer!

Fluttershy looks on shocked and embarrassed.

119 APPLEJACK 119
What did she say?

120 FLUTTERSHY 120
(blushing)
I'd rather not say.

121 APPLEJACK 121
Okay, well I'm sure you know what
you're doing. No one knows rare
magical creatures like you do.

122 TWILIGHT 122
We'll just wait for your word.

123 FLUTTERSHY 123
Thank you. I'll be in touch very
soon.

She closes the door behind them. SeaBreeze turns to the
other Breezies.

124 SEABREEZE 124
We need to go NOW or we'll never
get home! I wish we didn't need
that stupid breeze to activate our
magic or I'd just force you all to
fly home right now! Why do we have
to need magic to keep our pollen
safe??

124A FLUTTERSHY 124A
Now SeaBreeze--

124B SEABREEZE 124B
(imploringly)
Don't any of you miss flying in the
gnome tree gardens or getting a
fresh pollenmilk shake?? What if we
never see a Breezie sunrise again?

She gets caught up in the moment and then snaps herself out
of it and turns to Fluttershy.

124C SEABREEZE (CONT'D) 124C
Why are you giving into these
wimps? If they hadn't been so
scared in the first place this
never would have happened!

The Breezies look on at her upset, backing behind Fluttershy.

125 FLUTTERSHY 125
Well that is just not true,
SeaBreeze. It was because of a
leaf and you know that.

126 SEABREEZE 126
Puh-lease! They have no idea what
they're doing out there! Like you
said, we need as much time as we
can get, because they are
incompetent!

She storms out of the room. The Breezies flutter, staring at
Fluttershy, with a look of concern in their big eyes.

127 FLUTTERSHY 127
Well, I didn't say that exactly,
now did I?
 (switching gears)
Okay then. Who wants an antennae
massage? Oh, actually, what about
a snack first?

The Breezies, with the exception of SeaBreeze all surround
her excitedly.

DISSOLVE TO:

INT. SWEET SHOPPE - LATER

Fluttershy eyes a display case of pastries. Pinkie Pie is
behind the counter.

128 FLUTTERSHY 128
Hmmm. I'm wondering, do you think
the Cakes have anything just a
touch smaller?

129 PINKIE PIE 129
Smaller? Absolutely!!

She whips to the back of the store and whips right back
around holding a smaller tray with the same size pastries
crammed together on it.

130 FLUTTERSHY 130
Smaller *pastries*.

Pinkie sets down the small tray.

131 PINKIE PIE 131
Why didn't you say so? Be right
back!!

She once again WHIPS to the back of the store and WHIPS right back holding a LARGE tray with tiny pastries on it.

132 PINKIE PIE (CONT'D) 132
These are none other than the
Pinkie Pie patented *Petit Petit*
Fours!

133 FLUTTERSHY 133
They look lovely. But, maybe
something a little smaller?

134 PINKIE PIE 134
Oh! I know what you have in mind!
I have just the thing! Be right
back!!

She once again WHIPS to the back of the store and WHIPS right back in holding an EVEN larger tray with EVEN smaller pastries on it.

135 PINKIE PIE (CONT'D) 135
These are none other than the
Pinkie Pie patented *Petit Petit*
Petit Fours!

136 FLUTTERSHY 136
Perfect! I'll take three dozen!
Once I get a little food into those
Breezie bellies I'm sure they'll
have the confidence to go on their
way.

She looks out the window to see the sun is starting to set.

137 FLUTTERSHY (CONT'D) 137
 (to herself)
At least I hope so.
 (then, confident)
Of course they will. Who doesn't
feel better after a little bite to
eat? They'll definitely be ready
to go after that!

Pinkie Pie looks at her and smiles widely.

INT. FLUTTERSHY'S COTTAGE - SOON AFTER

Petit Petit Petit Four crumbs litter the floor as satisfied Breezies snuggle up to Fluttershy on the couch. One of them lets out a little burp.

138 BREEZETTE 138
Munfarzen.

139 FLUTTERSHY 139
You're excused.

She looks at them all with great trepidation.

140 FLUTTERSHY (CONT'D) 140
Well, my Breezies--

She tries to get up, peeling them off of her. She is literally peeling off little Breezies who cling to her like velcro. As soon as she has peeled one off another clings on.

141 FLUTTERSHY (CONT'D) 141
Oh. That's sweet. What a nice hug.
And one from you too. Oh, you need
one? Let's do four little squeezes
each real quick.

It takes a while, but she has finally dislodged the last of them from her and faces them, putting on a brave face.

142 FLUTTERSHY (CONT'D) 142
Well! I think we can all agree that
now that you've eaten and you have
a little energy going in your
Breezy bodies, you are strong
enough to face the breeze! I've
loved having you here and I hope
I've all made you feel loved and
special. But you have to go, no
one here will deny that. I did
make you feel special and safe and
good though, right?

SeaBreeze buzzes around Fluttershy, eyeing her fellow Breezies with disdain.

143 SEABREEZE 143
There is nothing SPECIAL about
these losers! They can't handle a
SIMPLE breeze home! If they could
just stick with the program and
listen to me we would be safe! AT
HOME!!
 (tearing up)
Home! Where everyone is like us!

144 FLUTTERSHY 144
 Okay. Well. A confusing pep talk,
 but nonetheless, I do know that if
 you don't leave soon you may never
 make it back and that would be
 terrible.

She heads for the door, following SeaBreeze and stops short
 as she notices no one is following her. She turns to see the
 other Breezies giving her doe-eyed looks and begin imploring
 her for help.

145 WINDFALL 145
 (pleading)
 Multy marshkin follow.

146 FLUTTERSHY 146
 Oh no.

147 TWIRLY 147
 (nodding)
 MULTY marskin toomba too.

148 FLUTTERSHY 148
 I had no idea you all have colds!
 Really? All of you?

They all nod and start sneezing constantly.

149 FLUTTERSHY (CONT'D) 149
 Oh dear. I can't let you go out
 there sick! What kind of friend
 would I be if I made you go now? A
 real mean one, that's what kind.

They gather around her once again, hugging her in
 appreciation. SeaBreeze stews and stomps out of the room.

INT. CAROUSEL BOUTIQUE - LATER

Rarity follows Fluttershy around the boutique as Fluttershy
 examines her inventory. Fluttershy looks a little worse for
 the wear.

150 RARITY 150
 Congratulations again on your
 daring rescue. I've never seen you
 so... daring.

151 FLUTTERSHY 151
 Oh, thank you Rarity. That's very
 kind of you.

Fluttershy eyes a large button and begins muttering to herself.

152 FLUTTERSHY (CONT'D) 152
 Oh, that would make a good bed.
 Perfect. Okay, that should do the
 trick for a perfect nap and rest
 and be on your way!
 (looking down)
 Don't you think, Breezette?

We hear a muffled sound and Fluttershy opens her pocketbook to reveal a Breezy who pops her head out.

153 BREEZETTE 153
 (matter of factly)
 Martle Facemork.

154 FLUTTERSHY 154
 Oh, I can just put a little tissue
 over the holes, don't worry about
 that.

She looks up to see Rarity staring at her.

155 FLUTTERSHY (CONT'D) 155
 Oh, sorry, how rude of me.
 Breezette, this is Rarity. Rarity,
 Breezette.

156 BREEZETTE 156
 (hello)
 Mushelface.

157 RARITY 157
 How lovely to meet you.

Fluttershy walks around the store as Rarity follows her.

158 RARITY (CONT'D) 158
 I must say, they are adorable. And
 your new "breezy bag" is to die
 for, but don't the Breezies need to
 be on their way?

159 FLUTTERSHY 159
 Oh, yes. And they WILL! They just
 need a nap that's all! After a
 little nap they'll be strong enough
 to continue their migration home.

160 RARITY 160
 Isn't it a little late for a nap?
 It's already dark outside.

Fluttershy looks out the window. It is indeed nighttime.

161 FLUTTERSHY 161
Oh my, you're right.

Fluttershy looks down at Breezette who has a fearful look on her face.

162 BREEZETTE 162
(nervously)
Farfi talo mar?

163 FLUTTERSHY 163
Oh. Goodness no. What kind of pony
sends sick little creatures out in
the dark and cold? A monster pony,
that's who!
(then)
You'll just spend the night and
begin your journey first thing in
the morning instead.
(then to Rarity)
14 more buttons please. And
perhaps a baker's dozen of fabric
samples? The thicker the better.
I'm sure with a little effort I
could make some nice cozy blankets.

EXT. FLUTTERSHY'S HOUSE - THE NEXT MORNING

Rainbow Dash is outside with Flitter and Cloudchaser.
Rainbow Dash knocks on the door. Fluttershy answers.

EXT. FLUTTERSHY'S COTTAGE - CONTINUOUS

A sleepy looking Fluttershy opens the door just a crack.
Rainbow Dash is there with the Flitter and Cloudchaser.

164 RAINBOW DASH 164
Hey, Fluttershy. Just wondering if
the Breezies are ready to go yet.
Clock's kind of ticking on them
making it back before the door
closes on their home.

165 FLUTTERSHY 165
(whispering)
Oh, yes. I mean, not quite. Maybe
just a few more minutes?

166 RAINBOW DASH 166
Uh, alright.

Flitter, Cloudchaser, and Rainbow Dash head off.

167 FLITTER 167
We wait too much longer we'll have
to create such a strong breeze it
may be more than they can handle.

168 RAINBOW DASH 168
We just have to trust Fluttershy.
No one knows animals like she does.
She must know what she's doing.

Fluttershy closes the door to her cottage.

INT. FLUTTERSHY'S COTTAGE - CONTINUOUS

Fluttershy turns from the door and we WIDEN TO REVEAL:

Fluttershy's cottage has been transformed into a Breezie habitat. Her house looks like a hamster cage just threw up on itself. There are Breezie tunnels climbing the walls from the floor. There are tiny Breezie areas to eat. Tiny Breezie areas to sleep. But no Breezies to be found anywhere. Fluttershy looks panicked.

169 FLUTTERSHY 169
Breezies! Breezies!

Suddenly, the Breezies pop up from their hiding places.

170 BREEZIES 170
Murflaffal!

A Breezy blows a tiny KAZOO. Others throw confetti. Another produces a teeny-tiny cake.

171 FLUTTERSHY 171
A surprise party? For me? This is just so sweet!
(then)
Oh, I just have to get a picture.
Everyone, fly together.

The Breezies (except SeaBreeze) gather together. Fluttershy points a camera at them.

171A FLUTTERSHY (CONT'D) 171A
Now say, "I'm gathering my
strength!"

171B ALL THE BREEZIES 171B
Mettally boot!

171C FLUTTERSHY 171C
Oh that's so cute, but Twirly, I
think your eyes might have been
shut in that one.
 (then)
Everyone say, "Breeze activate
magic!" Maybe that's too long--

An irritated SeaBreeze buzzes around Fluttershy.

176 SEABREEZE 176
Why are you spending your time on
this?? I'll never get home!

177 FLUTTERSHY 177
SeaBreeze I agree that you all must
go, but they spent a lot of time on
this party. It would hurt their
feelings if we left now.
 (she looks at their faces)
Just a couple minutes more.

DISSOLVE TO:

INT. FLUTTERSHY'S COTTAGE - DUSK

Fluttershy is in the middle of a line dance with the
Breezies. They all look like they have been partying for
hours, yet still having fun. SeaBreeze flies up to
Fluttershy.

178 SEABREEZE 178
It's been over an hour! Who cares
about their hurt feelings??? We
HAVE to GO! NOW!

Fluttershy looks at her and stops dancing. The Breezies all
let out a, "AWWSHKIN!" Fluttershy turns to them.

179 FLUTTERSHY 179
Breezies, I must say, SeaBreeze has
a point. You are all doing really
well. I think it's time for me to
get Rainbow Dash and her friends so
they can create the breeze for you
to get home.

The Breezies all look at her wide eyed and then start talking
at once.

180 BREEZIES 180
 (protesting)
Marsskin fuble ligen pollface!

We see the conflict on Fluttershy's face. She can't stand hurting them.

181 FLUTTERSHY 181
You are all awfully anxious. I
don't want you to feel abandoned or
that I wasn't the most kind host I
could possibly be.

182 WINDFALL 182
(pleading)
Malfin zee barsh.

183 TWIRLY 183
(pleading)
Doshin bafin dorm.

185 FLUTTERSHY 185
Yes, that does make sense.
SeaBreeze, do you think you could
wait just a couple more hours?

She turns to look for her, but she isn't there.

186 FLUTTERSHY (CONT'D) 186
SeaBreeze?

She starts walking through her cottage.

187 FLUTTERSHY (CONT'D) 187
SeaBreeze? Has anyone seen
SeaBreeze?

She looks out the window and we see SeaBreeze outside.
Fluttershy's eyes go wide in horror.

188 FLUTTERSHY (CONT'D) 188
Where is she going?! There's no
way she can handle being out there
on her own!

A horrified Fluttershy heads out the door after SeaBreeze as
we...

END OF ACT TWO

ACT THREE

EXT. PONYVILLE - A MOMENT LATER

Fluttershy goes flying out in search of SeaBreeze. She flies higher and then lower.

189 FLUTTERSHY 189
SeaBreeze!!! SeaBreeze!!!

She finally spots her. SeaBreeze is flying out of control, being blown about by the slightest little breeze, crashing into confused ponies as she tries desperately to make her way out of Ponyville.

Fluttershy winces as SeaBreeze just barely avoids being hit by an acorn falling from a tree. She breathes a sigh of relief when she sees SeaBreeze avoided it, but then looks on terrified as she sees SeaBreeze headed STRAIGHT FOR A BEE-HIVE.

190 FLUTTERSHY (CONT'D) 190
SeaBreeze, WATCH OUT!!!

SeaBreeze dips right and left but she is too small and has too little control to fly around it. She CRASHES right into it. She is now SURROUNDED by a swarm of angry bees.

EXT. PONYVILLE - SEABREEZE POV - CONTINUOUS

SeaBreeze is yelling as the bees <BUZZ> around her. She ducks this way and that but can't seem to get away from them.

191 FLUTTERSHY (O.S.) 191
Excuse me, bees? Can you please
back off of my Breezy friend? She
didn't mean any harm. It was just
an accident.

EXT. PONYVILLE - CONTINUOUS

The bees <BUZZ> and turn to look at her in unison but are still obviously angry, buzzing away, and about to descend on SeaBreeze again. Fluttershy looks around desperately. She sees a flower and FLIES DOWN to get it and then comes right back.

192 FLUTTERSHY 192
Excuse me, bees? Is that you Ethel?
I think I recognize you from that
lovely interaction we had last
week? I believe you mentioned you
enjoy lilacs?

One of the bees, presumably Ethel, buzzes toward her, takes some pollen from the lilac and then goes back to SeaBreeze.

193 FLUTTERSHY (CONT'D) 193
Oh. Well. I'm glad you enjoyed it.
Um, friends? Bee friends? Would
you mind looking at me over here
for a second?

She starts wiggling her bottom attempting to look like a bee, but instead looking ridiculous.

194 FLUTTERSHY (CONT'D) 194
I'm working on a bee type dance and
was hoping you could help me? Does
this bring to mind any images for
you? Perhaps a bee??

They are about to move in for the kill on SeaBreeze when Fluttershy RAISES her voice.

195 FLUTTERSHY (CONT'D) 195
ExCUSE me! I have done NOTHING but
be kind, but I guess that is NOT
working!

The bees all STOP and look at her.

196 FLUTTERSHY (CONT'D) 196
You bees know better than to hurt a
helpless Breezie! I demand that you
go away NOW or you'll have to
answer to ME!

They all buzz off quickly. Fluttershy flies up to SeaBreeze who is out of breath, clinging to a tree branch.

197 SEABREEZE 197
Mankylin!!! THANK YOU. Thank you
SO much. Thank you for coming
after me.

198 FLUTTERSHY 198
Of course! You could have gotten
seriously hurt out here! Ponyville
is much too dangerous for you! My
goodness, one tiny acorn is a
threat!

199 SEABREEZE 199
Yes, I know. That's one reason why
I've been trying to get us to go
from the beginning!

200 FLUTTERSHY 200
Oh my goodness. I was just trying
not to hurt anyone feelings, but my
displays of kindness may have cost
you everything! Time is running out
and you may never make it home!

201 SEABREEZE 201
That's exactly what I've been
telling all of them, but they don't
listen to me. No one ever listens
to me.

SeaBreeze hangs her head.

202 FLUTTERSHY 202
SeaBreeze, I understand your
feelings are hurt, but it's hard
for them to hear you when you're
shouting and being mean. The
message doesn't get across.

203 SEABREEZE 203
But what about those bees? You
weren't nice to them at the end and
that was the only way they
listened.

204 FLUTTERSHY 204
Yes, but they HAD to go. And they
wouldn't listen to me any other
way.

An Epiphany Rainbow swirls around Fluttershy as she considers
this.

She then looks to SeaBreeze and motions for her to climb on
her back.

205 FLUTTERSHY (CONT'D) 205
We need to go.

SeaBreeze nods and jumps on her back. They take off.

INT. FLUTTERSHY'S COTTAGE - SOON AFTER

Fluttershy stands at her door. SeaBreeze is hovering over
her shoulder.

206 FLUTTERSHY 206
My dear Breezies, I had to rescue
SeaBreeze from serious harm.
(MORE)

FLUTTERSHY (CONT'D)

And now I know more than ever that
you must leave before it is too
late. You would never survive in
Ponyville.

In an instant they are all clutching her legs.

207 BREEZIES 207
 (pleading)
Mulshy barfin gorfis.

210 FLUTTERSHY 210
I can't help you anymore! In fact I
wasn't helping you at all by being
nice. Oh dear, this hurts me more
than it hurts you! But the truth of
the matter is that I must be firm!
You must go. NOW!

She opens the door and they all look at her, stunned. And
then they fly out the door. Fluttershy fights back tears.
It is not easy for her to be "mean".

EXT. OVER FLUTTERSHY'S COTTAGE IN THE SKY - CONTINUOUS

Rainbow Dash, Flitter and Cloudchaser try to make a breeze.

211 RAINBOW DASH 211
What's happening? It's too
strong!!

212 FLITTER 212
I can't do it any lighter!

213 CLOUDCHASER 213
Neither can I!!

214 RAINBOW DASH 214
Flitter, stand off! Let's see if
we can do it with just two of us!

They attempt it again.

215 RAINBOW DASH (CONT'D) 215
It's still too strong!!
Cloudchaser, fly back, I'm going to
try to do it on my own and see if I
can slow it down!

The other two stand off and watch her.

216 RAINBOW DASH (CONT'D) 216
Now it's too light! This will
never get them home!

They look at each other discouraged and come back down.

EXT. FLUTTERSHY'S HOUSE - CONTINUOUS

217 RAINBOW DASH 217
I don't know what to do, the breeze
is too strong right now.

218 FLUTTERSHY 218
Oh my.
 (thinking)
Maybe it's because there are too
few of them. When they started
their journey there was more of
them to face the breeze together.

They all look at each other.

219 TWILIGHT 219
I have an idea.

220 APPLEJACK 220
What is it?

221 TWILIGHT 221
I've been studying an old spell
book from the Castle of the Two
Sisters. There's a spell that I
think could help us.
 (then)
This is probably going to feel a
little funny at first, but you're
going to have to trust me.

222 PINKIE PIE 222
I love new ideas that make me feel
funny at first!

223 TWILIGHT 223
Flutter and Cloudchaser, can you
get the strong wind going? I need
Rainbow Dash here.

They nod and take off. The other ponies look up and see the
breeze is going.

Twilight lowers her horn, fires a spell, there is flash of
light and they are suddenly ALL BREEZIES.

224 PONIES 224
<SURPRISED WALL>

225 FLUTTERSHY 225
Marful fly bartontook.

The others stare at her confused.

226 FLUTTERSHY (CONT'D) 226
Um, I mean, let's go.

The Breezy Mane 6 join hold onto each other and their fellow Breezies and take to the sky where they catch the breeze.
(NOTE: The Breezies are now wearing their pollen packs.)

Even with the addition of the Mane 6 Breezies, they are still struggling. A pair of smaller Breezies is having an especially hard time and seems ready to give up. They speak to each other, obviously dejected.

227 BREEZETTE 227
Marshkin parskin.

228 WINDFALL 228
Mikar.

SeaBreeze flies over to them. They look up at her, scared of her reaction. Fluttershy looks at SeaBreeze. She looks back and turns to Breezette and Windfall.

229 SEABREEZE 229
You can do this.

They look at her, stunned.

230 SEABREEZE (CONT'D) 230
I'm sorry for how I treated you before. It wasn't right that I called you names and I didn't even really believe those things I said. I was worried we'd never get back to our home, and I lashed out. I know you can do this. I believe in you.

231 TWIRLY 231
(you do?)
Meffuzin?

232 SEABREEZE 232
Yes. Hold onto me, let's join the group.

They both grab onto her. Fluttershy sees this, and smiles. They are struggling, but they make it back to the group. As they all fly together, their antennae begin to glow. Soon after, the packs on their backs containing the Equestria pollen begin to glow as well.

EXT. BREEZIE HOME - CONTINUOUS

They finally see the entrance to their home. It's a stone covered tunnel that seems to be diminishing in size before our very eyes.

They all fly down. The entrance, getting smaller and smaller is difficult to fit through. They all fly in, looking at each other with mild panic as they make their way through.

INT. BREEZIE HOME--CONTINUOUS

We see this magical place now at their level. It's like a woodland fairy paradise. It is perfectly their size, with little entrances and gateways for them to get to their food easily and get to their homes easily. The signs are all in their Breezy language, and there are pollen stations set up throughout the tiny town.

233 RAINBOW DASH 233
Holy mini-sized paradise!

234 RARITY 234
This is simply beautiful! So much
inspiration! Where is my sketch pad
when I need it?

235 PINKIE PIE 235
SO! STINKIN'! CUTE!!

The other Breezies they were separated from come to greet them excitedly. We hear the cacophony of their language all being spoken at once. Fluttershy is tearing up watching them.

236 APPLEJACK 236
You okay, Fluttershy?

237 FLUTTERSHY 237
Oh, yes. I am just so very happy
they got to be reunited with their
family.

238 RARITY 238
We better get going before the
entrance, well, exit for us,
closes.

239 FLUTTERSHY 239
Yes, you're right.

Fluttershy flies up to the group of them.

240 FLUTTERSHY (CONT'D) 240
Goodbye, Breezies. I must go now.

The Breezies all turn to her and speak at once.

241 ALL THE BREEZIES 241
Mushkin flyin houser face mark.

242 FLUTTERSHY 242
Thank you, I'll never forget you
either.

All but SeaBreeze fly away. She hovers there and hands Fluttershy a small flower plucked from the Breezies world.

243 SEABREEZE 243
To remember us by.

244 FLUTTERSHY 244
Thank you. I'll miss you. I'll
miss all of you.

Twilight approaches Fluttershy.

245 TWILIGHT 245
We have to go now.

Fluttershy nods in understanding.

EXT. EDGE OF EQUESTRIA - CONTINUOUS

The Breezie Mane 6 exit the Breezie habitat just moments before the entrance closes. They land on the ground just beyond the exit and turn to watch it disappear.

246	RAINBOW DASH	246
Whoa.	That was close.	

The others nod in agreement.

247 TWILIGHT 247
Okay, gather around!

She once again points her horn down.

A FLASH of LIGHT and the spell is reversed. They all turn back into ponies.

Rainbow Dash sidles up to Twilight.

248	RAINBOW DASH	248
	So, uh, I've always kind of	
	wondered what it would be like to	
	be a Gryphon?	

A beat.

249	TWILIGHT	249
	Not a chance.	

Twilight takes off as Rainbow Dash calls after her.

250	RAINBOW DASH	250
	You sure? What about a dragon?	
	No? It doesn't have to shoot fire!	

DISSOLVE TO:

INT. FLUTTERSHY'S COTTAGE - DAY

Fluttershy and Spike are in her cottage. Fluttershy is dictating her entry into the Journal of the Two Sisters to him.

251	FLUTTERSHY	251
	So, for the Diary of the Two	
	Sisters, please write this--	

252	SPIKE	252
	I got this one--the Breezies were	
	adorable, and I really didn't mean	
	to throw them off their path! It	
	was ONE leaf!!	

253	FLUTTERSHY	253
	I don't think you need to mention	
	that part.	

254	SPIKE	254
	Okay.	

255	FLUTTERSHY	255
	Just please write--	

256 SPIKE 256
 "Just because they're tiny and
 super adorable doesn't mean that
 they're immune to accidents like
 the leaf that I never should have
 crossed paths with!"

257 FLUTTERSHY 257
 Spike--

258 SPIKE 258
 I guess I should take the "I" out,
 since it's supposed to be from you.

259 FLUTTERSHY 259
 (admonishing)
 Spike...

He looks at her, eyes wide.

260 SPIKE 260
 Sorry. It's all you.

261 FLUTTERSHY 261
 Thank you.
 (she clears her throat)
 My experiences with the Breezies
 have helped me to see that kindness
 can take many forms. And sometimes
 being too kind can actually keep a
 friend from doing what they need to
 do. Pushing them away may seem
 cruel, but it is sometimes the
 kindest thing you can do.
 (beat)
 Spike? You okay?

262 SPIKE 262
 (fighting back a tear)
 Yours was much better!

263 FLUTTERSHY 263
 Thank you. That's sweet. Do you
 mind returning the journal to
 Twilight?

264 SPIKE 264
 (still teary)
 Sure! Really good job!

He turns around to leave and then turns back.

265 SPIKE (CONT'D) 265
Are you sure I shouldn't mention
the leaf?

266 FLUTTERSHY 266
Go, Spike!

267 SPIKE 267
Okay! You're getting really good
at that!

268 FLUTTERSHY 268
Aw, thank you!

He leaves and we...

FADE OUT.

THE END
