ACT IV

INT. CANTERLOT CASTLE - SOON AFTER

Twilight is still in a state of shock.

1	PRINCESS LUNA	1	*
	Tirek is set on possessing Alicorn		*
	magic. When he comes for us, we		*
	cannot have what he is looking for.		*

Twilight steels her resolve. *

2	PRINCESS TWILIGHT	2	*
	I'm more than willing to do my part		*
	and give up my magic.		*

3	PRINCESS LUNA	3	*
	No, Princess, you misunderstand.		*
	Our magic cannot just be sent out		*
	into the ether. Somepony must keep		*
	it safe while we seek out another		
	way to send Tirek back to Tartarus.		

Princess Luna and Princess Celestia look to Cadance to share the rest of their plan.

4	PRINCESS CADANCEp	4	*
	That somepony is you, Twilight.		

5	PRINCESS TWILIGHT	5	
	Me? Why me?		

6	PRINCESS CELESTIA	6	
	We do not believe that Tirek is		
	aware that a fourth Alicorn		
	Princess exists in Equestria. If		
	we transfer our magic to you, Tirek		
	will not know where it has gone.		

7	PRINCESS CADANCE	7	
	(gently)		
	Do you understand what we're asking		
	of you, Twilight?		

The three Princesses look to Twilight, awaiting her response to Princess Cadance's question.

8 PRINCESS TWILIGHT 8
Yes.
(then, worried)
It's just...I'm only now learning
to control my own Alicorn magic.
To take on even more...

Princess Cadance reads the worried look on Twilight's face.

9 PRINCESS CADANCE 9
Twilight, you represent the Element
of Magic. If there is anypony who
can do this, it's you.

Twilight considers this for a moment.

10 PRINCESS TWILIGHT 10
Taking on this task will be one of
the most difficult things I will
ever do. But I have seen my friends
live up to the Elements they
represent even when it wasn't easy.
With their help, I know I can do
the same.

11 PRINCESS CELESTIA 11
I am afraid you cannot risk word of
your new abilities getting back to
Tirek. You must keep your new power
a secret.
(then)
Even from your friends.

Princess Twilight is visibly disappointed to hear this.

12 PRINCESS CELESTIA (CONT'D) 12
Do you still think you can take on
this responsibility?

13 PRINCESS TWILIGHT 13
I do.

Princess Celestia gives Princess Twilight a gentle smile,
then addresses the other princesses.

14 PRINCESS CELESTIA 14
Then we must begin at once.

She gestures for Princess Luna and Princess Cadance to take
their places on either side of Twilight. Princess Celestia
stands in front of her.

15 PRINCESS CELESTIA (CONT'D) 15
This might feel a little strange.

Twilight takes a deep breath as the horns of the other three princesses begin to GLOW.

Suddenly, magic SHOOTS out of their horns and meets in the air above Twilight, creating a BLINDING WHITE LIGHT.

The princesses lower their horns, guiding the light down to the tip of Twilight's horn.

Twilight's eyes GLOW WHITE, then are filled in rapid succession with images of Princess Celestia, Princess Luna, and Princess Cadance's CUTIE MARKS.

EXT. ANOTHER PART OF EQUESTRIA - AT THE SAME TIME

*

Discord gleefully dumps an over-sized sack full of Unicorns, Pegasus, and Earth Ponies in front of a noticeably larger Tirek. Discord's body suddenly TWITCHES.

*

*

*

16 DISCORD 16
That's strange.

*

*

INT. CANTERLOT CASTLE - SOON AFTER

A weakened Princess Luna, Princess Celestia, and Princess Cadance are slumped on the ground around Princess Twilight. Her wings are extended, her eyes are still white.

She closes, then reopens her eyes and they resume their normal color.

Princess Celestia rises.

17 PRINCESS CELESTIA 17
It is done.

DISSOLVE TO:

EXT. PONYVILLE - ESTABLISHING - EARLY MORNING

The moon still hangs in the sky.

INT. GOLDEN OAK LIBRARY - CONTINUOUS

Twilight enters to find a sleeping Spike. A <CREAK> in the floorboard rouses him from his slumber and wipes his eyes.

18 SPIKE 18
(groggily)
You weren't gone very long.
(then, hopeful)
Does that mean everything is okay? *

19 PRINCESS TWILIGHT 19
Yes. Everything's fine.

20 SPIKE 20
In that case I'm going back to bed.
Sun's not up, then neither am I.

Spike snuggles back into his bed, pulling the covers over his head. A beat, and then we hear <GENTLE SNORING>. Princess Twilight looks out at the moon, confused.

21 PRINCESS TWILIGHT 21
That's strange, the sun should be
up by now. <GASP>
(panicked)
The sun should be up by now! *

She looks back at Spike who is still sound asleep and then turns her attention back to the sky. *

22 PRINCESS TWILIGHT (CONT'D) 22
You can do this. *

She takes a deep breath and her HORN begins to GLOW.

23 PRINCESS TWILIGHT (CONT'D) 23
Steady...

Suddenly, her entire body begins to VIBRATE UNCONTROLLABLY, overwhelmed by the magic it now carries within it. *

Outside, the MOON SUDDENLY PLUMMETS out of frame. *

Twilight's vibrating hooves RATTLE THE FLOORBOARDS, rousing Spike from his slumber. He notices Twilight's shaking. *

24 SPIKE 24
Are you alright? *

She looks back at Spike. *

25 PRINCESS TWILIGHT 25
(covering)
I'm fine. Just, uh, doing some
exercises. *

Spike doesn't look like he's buying it. *

26 SPIKE 26 *
If you say so... *

EXT. CANTERLOT CASTLE - AT THE SAME TIME *

SHINING ARMOR stands watch. He looks up as the sun ZOOMS UP into the sky at an unnatural speed. *

Shining Armor REACTS to the strange sight, then looks back down to see Discord and Tirek standing before him. Tirek is now MASSIVE and towers over Shining Armor. *

27 DISCORD 27 *
Shining Armor. Why whatever are you doing here? *

Shining Armor glares at Discord as he takes a defensive stance at the entrance to the castle.

28 SHINING ARMOR 28 *
Back off, traitor. *

29 TIREK 29 *
The only one Discord betrayed was himself. Abandoning his true nature to make "friends" with weak-minded equines who offer him nothing. *
(then)
But he has seen the error of his ways and will be rewarded for it. *
Isn't that right, Discord?

30 DISCORD 30
(to Shining Armor)
That's right.

Shining Armor fires up his horn and...

...PHZAAMM! Shoots a blast at Discord who splits himself in two to avoid being struck by Shining Armor's magic.

31 DISCORD (CONT'D) 31
Missed me.

Discord zips himself back together. PHZAMM! Shining Armor fires another blast but suddenly finds Discord behind him, whispering in his ear.

32 DISCORD (CONT'D) 32
Nice try.
(then)
What's next? Going to throw your wife at me?

PHZAAMM! PHZAAM! PHZAMM! Shining Armor suddenly fires a series of blasts that encircle Discord and Tirek in a ring of purple fire. Shining Armor smiles at his hand-work.

33 SHINING ARMOR 33
Feels familiar, doesn't it Tirek?

Tirek sneers at Shining Armor.

34 TIREK 34
Fool. You think you're magic can contain me when I now have within me the power of so many of your unicorn brothers and sisters?

Tirek's body flexes and he fires magic from his horns, blasting Shining Armor off-screen.

35 SHINING ARMOR 35
<IMPACT GRUNT>

The fire around Discord and Tirek immediately goes out and the two cross to Shining Armor who is now slumped against the castle door, a pained expression on his face, the wind knocked out of him.

36 SHINING ARMOR (CONT'D) 36
(weakly to Discord)
How could you... do this? *

Shining Armor is powerless to fight back as Tirek proceeds to steal his magic and his Cutie Mark disappears.

37 TIREK 37
(with a snarl)
Just like a pony. Whiny and pathetic to the end.

Tirek smiles, then notices the expression on Discord's face. There is the tiniest hint of concern in Discord's eyes as he looks down on the fallen Shining Armor. Tirek puts a hoof around his shoulder and directs Discord's attention away from the castle and toward the rest of the Empire.

38 TIREK (CONT'D) 38 *
Why don't you go have a little fun? *
Unlike those pony "friends" of *
yours, I won't stand in your way. *

Discord considers this for a moment and then snaps his fingers. We hear <PANICKED SCREAMS>, then WIDEN TO REVEAL *
that half the homes in Canterlot are now UPSIDE DOWN in a sky *
filled with CHOCOLATE CLOUDS. *

39 DISCORD 39 *
Oooh. That feels good. *

INT. CANTERLOT CASTLE - THRONE ROOM - SOON AFTER *

Princess Cadance paces nervously as Princess Luna and *
Princess Celestia look on. She dives out of the way as *
suddenly, the door to the throne room is BLASTED off its
hinges and comes flying into the room.

Tirek stands in the entryway.

40 TIREK 40
You have something I need.

In a flash, Tirek is suddenly looming over Princess Cadance. *
He moves in to steal her magic.

His face suddenly registers surprise. *

He leaves her and is suddenly looming over Princess Celestia *
and Princess Luna. He tries to steal their magic but again *
discovers that they have none to take. *

41 TIREK (CONT'D) 41 *
What have you done?! *
(enraged) *
WHERE IS YOUR MAGIC?! *

42 PRINCESS CELESTIA 42 *
We would rather rid ourselves of *
all power than risk it being *
transferred to the likes of you. *

Tirek seethes. *

43 TIREK 43 *
Getting rid of your magic so that I *
cannot take it from you? That was *
your plan? *

Princess Celestia and Princess Luna do not respond. *

44 TIREK (CONT'D) 44 *
Don't you see what you have done? *
You have rendered yourself *
powerless against me. *
(then, twisting the knife) *
How does it feel? Knowing that soon *
every Pegasus, Unicorn, and Earth *
Pony will bow to my will and that *
there is nothing you can do to stop *
it. *

45	PRINCESS CELESTIA	45	*
	You will not prevail, Tirek.		*
Tirek's eyes narrow.			*
46	TIREK	46	*
	Give my regards to the Cerberus.		*
He powers up his horns and aims them at Princess Luna, Princess Celestia, and Princess Cadance. In a <FLASH> they disappear.			*
47	DISCORD (O.S)	47	*
	You meant, <u>our</u> will, didn't you?		*
Tirek winces. He clearly didn't expect to be overheard. He turns to face Discord, gives him a smarmy smile.			*
48	TIREK	48	*
	Of course.		*
	(then)		*
	Here. I want to show you something.		*
Tirek removes his medallion from around his neck.			*
49	TIREK (CONT'D)	49	*
	This was given to me by the last of my kind to rule. Proof that I am the rightful heir to this world. Ponies believed that I should earn such power and sent me to Tartarus for my "crimes". But why should I earn what is already mine?		*
	(then)		*
	What is rightfully <i>ours</i> .		*
Tirek place the medallion around Discord's neck.			*
50	TIREK (CONT'D)	50	*
	I give this to you as a sign of my gratitude and loyalty. Ponies are going to bow to <i>our</i> will. How can they not when we are superior to them in every way?		*
Discord admires the medallion.			*
51	DISCORD	51	*
	I do love a good accessory.		*
	(then)		*
	I suppose that's Rarity's influence.		*

52 TIREK 52 *

"Rarity?" Who is this, "Rarity" of
which you speak? *

53 DISCORD 53 *

No one. No one at all. *

Satisfied with Discord's response, Tirek makes his way toward
Celestia's throne. As he does so, Discord eyes the stain
glass windows that line the walls. He busies himself with
transforming them to depict scenes he finds more interesting. *

54 TIREK 54 *

For how many moons have I thought
about this day. The Princesses are
gone. May they never see the light
of day again. *

He takes a seat in Princess Celestia's throne.

55 DISCORD 55 *

But of course all of them aren't
gone. *

Tirek's smug smile disappears.

56 TIREK 56

What do you mean?

Discord gestures to the stain-glass window that depicts
Princess Twilight with her crown and wings outstretched.

Tirek rushes over to see it.

57 TIREK (CONT'D) 57

There is a fourth? Where is she?
Where is her castle?

58 DISCORD 58

Castle? This one lives above a
library in Ponyville.

Tirek's eyes narrow.

59 TIREK 59 *

Ponyville? Why did you not take me
there sooner? *

60 DISCORD 60 *

(unconvincing) *

No reason. *

61	TIREK	61	
	A Princess in Ponyville?		*
	(then)		*
	Not for much longer.		*

Tirek fires a BLAST OF MAGIC from his horns. The stain glass image of Princess Twilight SHATTERS as we...

ACT V

EXT. GOLDEN OAK LIBRARY - AT THE SAME TIME *

Twilight exits the library in a hurry. *

62	PRINCESS TWILIGHT	62	*
	(muttering to herself)		*
	What was I thinking? That it		*
	wouldn't be noticeable?		*

63	SPIKE (O.S.)	63	*
	(calling after her)		*
	Wait up.		*

Spike catches up with Twilight. *

64	PRINCESS TWILIGHT	64	*
	Oh, uh, hi, Spike. I was just...		*
	gotta... go somewhere... else.		*

Twilight TAKES OFF into the sky. But now, possessing the strength of four Alicorns, her wings are much more powerful than before. She ZOOMS into the air at a dizzying speed. *

65	PRINCESS TWILIGHT (CONT'D)	65	*
	WHOOAAAAA!		*

EXT. SKY - CONTINUOUS

Twilight ZOOMS back and forth across the sky, her wings flapping like crazy.

She ZIPS past Rainbow Dash who is busy cloud-busting.

66	RAINBOW DASH	66	
	Twilight?		

Rainbow Dash takes off after her out-of-control friend whose speed and inability to control it is leading her right toward a particularly nasty bunch of gnarled treetops in the Everfree Forest.

It takes almost everything Rainbow Dash has got to catch up with Twilight.

Rainbow Dash grabs hold of Twilight's tail, and holds on for dear life as Twilight suddenly spins like a tornado in mid-air, then starts to plummet toward the ground.

Rainbow Dash flaps her wings and with every bit of her strength is able to pull Twilight out of her tail-spin and bring them both safely to the ground.

EXT. PONYVILLE TOWN SQUARE - CONTINUOUS

Applejack, Fluttershy, Pinkie Pie, and Rarity rush over to Twilight and Rainbow Dash.

67	FLUTTERSHY	67
	Oh my goodness. Are you two alright?	

Twilight looks a little dazed, but notes that all eyes are on her and quickly snaps out of it.

68	PRINCESS TWILIGHT	68
	I'm fine.	

69	APPLEJACK	69	*
	Jumpin' june bugs, Twilight. When did you learn to fly that fast?		*
			*

70	PRINCESS TWILIGHT	70
	I... must've caught a particularly strong breeze or... something.	

71	RAINBOW DASH	71
	Must've been "or something" because there wasn't any breeze up there.	

Twilight's friends look to her for an explanation.

72	PRINCESS TWILIGHT	72
	I don't know what happened. (then, quickly) But I don't really have time right now to figure it out.	

Princess Twilight tries to make a hasty exit, but Rarity catches up to her.

73 RARITY 73
Another visit to the Castle of the
Two Sisters, I presume?
(then)
We'd be more than happy to
accompany you.

Rarity gestures for her friends to join her and they quickly
take their places beside Twilight. Twilight eyes her friends
smiling faces.

74 PRINCESS TWILIGHT 74
Not today. *

Princess Twilight starts to flap her wings, then thinks
better of it and walks off, leaving behind her friends. *

<POOF> Discord suddenly appears. *

75 DISCORD 75
How convenient, the gang's all
here. *

76 FLUTTERSHY 76
You're back!

Fluttershy gives Discord a nuzzle. He moves away from her,
visibly uneasy with this sign of her affection for him.

77 FLUTTERSHY (CONT'D) 77
Did you bring the cucumber
sandwiches to go with our tea?

78 DISCORD 78
I did!

Discord produces a tray of cucumber sandwiches.

79 FLUTTERSHY 79
Aww, and you even cut them in the
shape of little butterflies.

80 DISCORD 80
Oh I do hope you enjoy them.
I imagine they'll be your last
decent meal for quite some time. *

He produces an enormous butterfly net and scoops up
Fluttershy and her friends.

81 SPIKE/PONIES 81
Hey!/What's going on?/What are you
doing?/Let us out of here. *

EXT. EDGE OF THE EVERFREE FOREST - SOON AFTER

Discord still has Spike, Fluttershy, Rainbow Dash, Applejack, Rarity, and Pinkie Pie captured in the net. He shows off his prize to Tirek.

82 DISCORD 82
Ta-da!

83 TIREK 83
You've gathered up all of them? *

84 DISCORD 84
And her little dragon, too.

Spike glares at Discord.

85 FLUTTERSHY 85
(to Discord)
Why are you doing this? I thought
we were friends.

86 DISCORD 86
Oh, we were. But Tirek can offer me
so much more than just tea parties. *

Fluttershy just stares at him in disbelief and sadness.

87 FLUTTERSHY 87
Is that really all you think I
offer you? Tea parties? *

88 DISCORD 88
Come now, Fluttershy. Surely you
saw this coming.

89 FLUTTERSHY 89
(tearing up)
I didn't. I really didn't.

Tirek now looms over the captured ponies. *

90 FLUTTERSHY (CONT'D) 90
(pleading)
Discord, please. Do something. *
Please. *

Discord turns his back on Fluttershy and the other ponies. *
Neither she nor Tirek can see the troubled look on his face. *

Tirek grins, fires up his horns, and aims his magic at the *
ponies. Spike looks on in horror as his friends' Cutie Marks *
disappear. Tirek GROWS even larger as he steals their magic, *
strength, and ability to fly. *

Tirek then turns his attention to Discord.

91 TIREK 91
You really think she'd do anything
for them?

92 DISCORD 92

If Twilight has magic to give, it *

will be yours. Soon there won't be *

a Pegasus, Earth Pony, or Unicorn

who will be able to stand against

us.

93 TIREK 93
Us?

Tirek's horns glow red. Before Discord has a chance to react, Tirek is drawing his magic out of him.

94 TIREK (CONT'D) 94
Who said anything about us? *

DISCORD

(weakly)

You did.

*

96	TIREK	96	
	You've helped me grow strong.		*
	(re: Twilight's friends)		*
	You've provided the means by which		*
	I can obtain Princess Twilight's		*
	magic.		*
	(then, smug)		*
	And now you are no longer of any		*
	use to me. Or anypony really.		*

97	APPLEJACK	97	*
	(weakly to Discord)		*
	Surely you saw this comin'.		*

98	DISCORD	98	*
I didn't.	I really didn't.		*

Tirek fires up his horns and <POOF> Discord, Spike and the rest of Twilight's friends disappear.

EXT. CASTLE OF THE TWO SISTERS - AT THE SAME TIME

Twilight stands in front of the castle. Her horn begins to glow and she slowly begins to levitate the rock.

99 PRINCESS TWILIGHT 99
That's it. Easy does it...

Her confidence in her abilities is short-lived as she is suddenly overcome by her immense new powers and not only lifts up the rock but UPROOTS THE ENORMOUS TREE that is behind it.

*

She turns her head back and forth in an effort to "shake it off" but that just sends the enormous tree SWINGING BACK and FORTH and SMACKING INTO smaller trees which then <CRACK> and fall to the ground.

100 PRINCESS TWILIGHT (CONT'D) 100
No! Stop. Just... down. Down!

The tree suddenly drops and falls out of frame and into the ravine below the castle.

Twilight's face registers her disappointment in herself as she slumps at the edge of the ravine.

*

She REACTS to the sound of Tirek's booming voice.

*

101 TIREK (O.S.) 101
PRINCESS TWILIGHT! YOU HAVE
SOMETHING THAT BELONGS TO ME!

102 PRINCESS TWILIGHT 102
<GASP> Tirek!

103 TIREK 103
AND I HAVE SOMETHING OF YOURS!

Twilight takes to the sky.

*

EXT. EDGE OF THE EVERFREE FOREST - A MOMENT LATER

Still not accustomed to the extreme strength of her wings, Twilight ZOOMS into the scene and right past Tirek.

She SPINS AROUND in mid-air and then NOSE-DIVES toward the ground, PULLING UP just in time to land on her hooves in front of the enormous Tirek.

*

Swirling around above his head are GLASS GLOBES. Each contains one of Twilight's friends. Spike and Discord are imprisoned in globes as well.

*

*

*

Twilight <GASPS> at the sight of her blank flanked friends.

*

104 TIREK 104
You are going to give me what I
want.

Tirek's horns GLOW RED and he FIRES A BLAST of MAGIC at Twilight.

<POOF> she disappears, and the blast strikes the ground where she was standing, creating a massive crater.

Tirek suddenly rises off the ground. In the distance he finally spots Twilight. She's now standing atop the Golden Oak Library. He fires another BLAST of magic her direction.

Princess Twilight takes to the sky just in time as Tirek's magic turns the Golden Oak Library to dust.

<PHZAMM!> Twilight fires a blast of magic at Tirek that misses by a mile but creates a line of scorched earth that seems to go on forever. *

Tirek notes the strength of the blast.

105	TIREK (CONT'D)	105	
	Now I understand what your fellow princesses have done.		*

<PHZAMM!> Tirek fires another blast at Princess Twilight who somehow manages to deflect it.

<PHZAMM!> She fires back and just misses him again.

<PHZAMM!> Tirek fires his magic at Twilight but she evades, albeit somewhat clumsily, the blast.

<PHZAMM!>

<PHZAMM!>

<PHZAMM!>

They trade blasts, neither able to get the upper-hand. *

They drive each other deeper and deeper into... *

EXT. EVERFREE FOREST - CONTINUOUS *

Spent, Tirek and Twilight are now standing by the ravine in front of the CASTLE of the TWO SISTERS. *

They stare each other down. *

106	TIREK (CONT'D)	106	
	It appears we are at an impasse. I have not yet acquired enough power to defeat you. And you do not have enough control of your magic to defeat me.		

He stomps his hoof and the globes holding Twilight's friends suddenly appear above his head. *
*

107 TIREK (CONT'D) 107
Looks like your friends will remain
trapped forever.
 (then)
Unless, of course, you're willing
to make a trade. Their release for
all the Alicorn magic in Equestria.

Twilight's friends REACT to this suggestion.

108 SPIKE/PONIES 108
No!/Don't do it./There has to be
another way!

109 TIREK 109
What's it going to be Princess
Twilight? *
*

Twilight considers her options as we...

EXT. CASTLE OF THE TWO SISTERS - A MOMENT LATER *

Twilight ponders Tirek's offer as her friends continue to plead with her from within their glass prisons. *

110 RAINBOW DASH 110
Don't do it, Twilight!

111 FLUTTERSHY 111
We aren't worth it.

112 DISCORD 112
<SIGH> Oh, but you are, Fluttershy.
 (then)
You're the ones who taught me that
Friendship is Magic.
 (then, pouting)
I had magic and friendship, and now
I don't have either.

Princess Twilight is struck by something Discord has said. A sudden calmness takes over her.

113 TIREK 113
Enough! I want an answer. And I
want it now!

Twilight looks from Tirek to her friends.

An EPIPHANY RAINBOW swirls around them and then disappears.

114 PRINCESS TWILIGHT 114
I will give you my magic in
exchange for my friends.

Twilight's friends <GASP> at her decision.

115 PRINCESS TWILIGHT (CONT'D) 115
All of my friends. I want you to
release Discord as well. *

Another <GASP> from Twilight's friends. *

116 TIREK 116
After the way he has betrayed you,
you still call him a "friend"? *
Do you really not see that with *
every choice you make you only *
further prove how weak you are? *
 (then) *
But if this is what you want... *

The globes holding Twilight's friends suddenly plummet to the *
ground and shatter. Spike and the weakened Discord and *
ponies are freed. *

Discord hangs his head as he looks to Fluttershy. *

117 DISCORD 117 *
I'm sorry. *

118 FLUTTERSHY 118 *
I know. *

The two embrace, but their sweet exchange is cut short at the *
sound of Tirek's snarling voice. *

119 TIREK 119 *
 (to Twilight) *
Your turn. *

Tirek fires up his horns.

Princess Twilight takes a deep breath, readies herself for *
what is to come next. *

As he draws the magic out of Twilight, Tirek becomes
ENORMOUS. *

His body bursts out of the top of the Everfree Forest. *

His eyes glow red and he lets out a <BELLOWING ROAR>. *

Tirek aims his horns at the Everfree Forest below. His
entire body pulsates with magic. He lets out <MANIACAL
LAUGH>. *

DOWN BELOW *

Twilight lies on the edge of the ravine with her friends now
surrounding her. They REACT as trees are RIPPED from the
ground all around them. *

120 SPIKE 120
Oh, Twilight, what were you
thinking? *

121 PRINCESS TWILIGHT 121
(weakly)
I couldn't turn my back on him. I
just couldn't. *

She looks at Discord, his expression reflects his feelings of
regret. *

122 DISCORD 122
Tirek tricked me into believing he
could offer me something more
valuable than friendship. But there
is nothing worth more. I see that
now.
(then)
He lied when he said this was given
as a sign of gratitude and loyalty.
But I am telling the truth. *

Discord removes the MEDALLION that Tirek gave him from around
his neck. He gives it to Twilight. The friends exchange
glances -- could that be what they think it is? *

123 PRINCESS TWILIGHT 123
We have to get to the chest. *

The earth shaking beneath them, the weakened friends move as
quickly as they can down the stairs to the Tree of Harmony
and the chest. *

Twilight holds the medallion up next to it. A beam of
RAINBOW LIGHT emerges from the keyhole and encircles the
medallion *

The Mane 6 REACT as the medallion TRANSFORMS into the sixth and final KEY.

The key is pulled toward the keyhole by the beam of rainbow light and clicks into place.

124 PRINCESS TWILIGHT (CONT'D) 124
Together! I think we have to do
this together.

Rainbow Dash, Applejack, Rarity, Pinkie Pie, and Fluttershy rush over and join her around the chest. Twilight gives them a nod. They turn their keys and...

PHZAAMMM!! The chest BURSTS OPEN and out of it shoots SIX BEAMS of PASTEL LIGHT that match the colors of our Mane 6.

The beams of light swirl around their respective ponies, lifting them up into the sky above the Everfree Forest. *

Tirek's eyes go wide at the sight of Twilight and her friends held aloft by the swirling pastel lights.

The pastel beams of light come together to make an enormous EPIPHANY RAINBOW that encircles the Mane 6 and transforms them into their EPIPHANY RAINBOW MODELS.

The Epiphany Rainbow suddenly zooms away from the levitating Mane 6 and toward Tirek.

He tries to defend himself but it is no use. The Epiphany Rainbow wraps around him.

125 TIREK 125
How is this possible. You have no
magic! You have no magic!

126 PRINCESS TWILIGHT 126
You're wrong, Tirek! I carry within
me the Element of Magic. And as
long as I never forget that, I will
always have the most powerful magic
of all -- the Magic of Friendship.

The Epiphany Rainbow tightens around Tirek and his body begins to shrink as the Epiphany Rainbow strips him of all the magic that he has stolen across Equestria. *

The rainbow then shoots back toward the Mane 6. It SWIRLS AROUND them and suddenly...

...they disappear.

EXT. EQUESTRIA - VARIOUS

A FLASH OF PINK and Pinkie Pie teleports to A REMOTE PART OF EQUESTRIA. Pink light shines from her eyes and the unicorn that appeared in Princess Celestia's dream has his Cutie Mark and magic restored.

A FLASH OF BLUE and Rainbow Dash teleports to CLOUDSDALE. Blue light shines from her eyes and suddenly Pegasi whose ability to fly had been taken by Tirek are suddenly pulled back up into the sky. Their Cutie Marks reappear and they flap their wings and soar joyfully around Rainbow Dash.

A FLASH OF WHITE and Rarity teleports to CANTERLOT. White light shoots from her eyes, encircling a pair of blank flanked Canterlot Unicorn. They rejoice as their Cutie Marks and magic are returned to them.

A FLASH OF PALE YELLOW and Fluttershy teleports to the CRYSTAL EMPIRE. Pale yellow light shoots from her eyes and Shining Armor finds his Cutie Mark and Magic restored.

A FLASH OF PALE ORANGE and Applejack teleports to APPALOOSA. Orange light shines from her eyes, and encircles a pair of frail, blank flanked EARTH PONIES. Their Cutie Marks reappear as does their strength

A FLASH OF PURPLE LIGHT and Princess Twilight teleports to TARTARUS where her fellow Princesses are being held in chains. Purple light shoots from her eyes and the chains suddenly shatter.

A FLASH OF WHITE LIGHT brings us back to...

EXT. CASTLE OF THE TWO SISTERS - CONTINUOUS

The still Rainbowized Princess Twilight, Applejack, Rainbow Dash, Rarity, Pinkie Pie, and Fluttershy are reunited around the Tree of Harmony. Each one of them positioned in front of their respective Element.

The Mane 6 eyes glow and shoot beams of pastel light that come together once more to create the Epiphany Rainbow.

The Rainbow swirls around the Tree of Harmony, passing through each of the Elements that hang from the tree's branches causing the Elements to grow brighter and brighter until they can no longer contain the magic that is building within them.

There is a FLASH of EXPLOSIVE WHITE LIGHT and we...

EXT. CASTLE OF THE TWO SISTERS - A MOMENT LATER

Twilight and her friends now back in their normal models stand at the base of the Tree of Harmony.

They look up to see the Castle of the Two Sisters.

It has been completely TRANSFORMED into the most beautiful castle they have ever seen.

127	RARITY	127	
	Sweet Celestia are you all seeing		
	what I'm seeing.		*
128	PRINCESS TWILIGHT	128	
	(stunned)		
	But whose is it?		
129	PRINCESS CELESTIA (V.O.)	129	
	I believe it is yours, Princess		*
	Twilight.

INT. CASTLE - DAY

Twilight and her friends, including Spike and Discord, follow Princess Celestia, Princess Luna, and Princess Cadance down a hallway. *

130	PRINCESS CELESTIA	130	
	The castle appeared when the chest		*
	that was given to you was unlocked.		*
	(then)		*
	You've been wondering what you are		
	meant to do as a Princess. Do you		*
	know now?		*

Princess Twilight considers this question for a moment before answering. *

131	PRINCESS TWILIGHT	131	*
	I returned my Element to the Tree		*
	of Harmony, but by offering my		*
	friendship to Discord at a time		*
	when it wasn't easy, I proved that		*
	the Magic of Friendship is still		*
	within me.		*
	(then)		*
	As Princess, I believe I have the		*
	power to spread that Magic across		*
	Equestria.		*

PRINCESS TWILIGHT (CONT'D)

That is the role I am meant to have
in our world. The role I choose to
have.

*
*
*

The Princesses nod their approval.

*

132 PRINCESS CELESTIA
It is a wise choice.

132

*
*

The ponies have reached a pair of enormous doors.

*

133 PRINCESS TWILIGHT
But I didn't defeat Tirek on my
own. It took all of us to unlock
the chest. All of us had to earn a
key.

133

*
*
*

134 PRINCESS CELESTIA
Then it is unlikely you are meant
to take on this task alone.
(then)
You are the Princess of Friendship
now, Twilight Sparkle.

Celestia uses her magic to open the doors to reveal...

INT. CASTLE - THRONE ROOM

Princess Twilight and her friends' eyes go wide. At the far end of the room is a THRONE with Twilight's Cutie Mark upon it. It is flanked on either side by FIVE THRONES bearing the Cutie Marks of Applejack, Rarity, Rainbow Dash, Pinkie Pie, and Fluttershy. There is also a smaller throne with what appears to be the imprint of a dragon's claw upon it.

135 PRINCESS CELESTIA
But what is the Princess of
Friendship without her friends?

135

*

Princess Twilight and her friends, including Spike, move in for a group hug in front of their new thrones.

*
*

Twilight motions for Discord to join them. He embraces his friends for a moment, then pulls away.

*
*

136 DISCORD
Wait a minute. Where's my throne?

136

137 FLUTTERSHY
I don't think you're quite there
yet.

INT. TWILIGHT'S CASTLE - THRONE ROOM - AT THE SAME TIME *

Princess Cadance, Princess Luna, Princess Celestia, and all of Equestria's favorite Pegasi, Unicorn, and Earth Ponies are in attendance. They look on as Princess Twilight, wearing her key (which is now tied to a pastel ribbon around her neck) uses her magic to place her friends' keys around their necks. The CROWD erupts in <CHEERS>. *

MUSIC UP.

Princess Twilight and her friends SING an UPBEAT SONG.

ANGLE ON Princess Celestia and Princess Luna watching from the far side of the room. Princess Celestia has a solemn look on her face.

148 PRINCESS LUNA 148
You look troubled, sister. Your dream last night?

149 PRINCESS CELESTIA 149
You know as well as I it was more than a dream.
