THE GRAND TOUR OF EQUESTRIA

Premise by Amy Keating Rogers

Twilight addresses the camera, saying how thrilled she is to be giving such an important pony a guided tour of Ponyville. As she makes her first stop on the tour, we'll break away from Twilight and follow **The Cakes**, who will lead us into a series of loosely linked shorts that will feature our ancillary and background characters. In Ponyville, we'll have shorts about **Cranky** and **Matilda**, **Cheerilee**, **DJ Pon-3**, **Octavia**, **Lyra**, **Bon Bon**, **Dr. Hooves**, **Derpy**, and **Bulk Biceps**...

We'll check in with Twilight (who is still giving her tour) and then follow another pony onto the Friendship Express. The train will take us to Canterlot, where we'll see a series of shorts about some of our favorite Canterlot citizens. i.e. **Hoity Toity**, **Photo Finish**, **Jet Set** and **Upper Crust**. We'll ultimately end up in the palace where we can see "behind the scenes" sisterly interactions between **Princess Celestia** and **Princess Luna**.

A Pegasus flying by will then bring us to Cloudsdale where we'll check in with the **WonderBolts**. Their story brings us to the Crystal Empire where we'll spend a little time with **Princess Cadance** and **Shining Armor**. Then it is back on the train where we'll make a brief stop in Appleloosa to see **Braeburn**. We return to Ponyville where we'll meet up with Twilight who is finishing up her tour with the very important pony and wishing that she'd had time to show them more.
