TEASER**SC1. EXT. CRANKY DOODLE DONKEY'S COTTAGE – EVENING**

CRANKY and MATILDA are having a romantic dinner in his cottage. He tells her how incredibly happy he is that he found her after searching for her over so many years all over Equestria. Matilda states that she's equally happy that he found her. Cranky then gets down on one knee and proposes to Matilda, asking her if she will do him the honor of marrying him. The blushing Matilda is about to answer, "Yes!" when PINKIE PIE unexpectedly pops up from nowhere and answers for her, saying that of course Matilda will marry Cranky! And now, thanks to her bringing them back together, there's going to be a... WEDDING IN PONYVILLE!

END TEASER**MAIN TITLES****ACT 1****SC2. EXT. OUTSKIRTS OF PONYVILLE — MORNING**

DERPY comes trotting up to the area where the Diamond Dogs once swiped Rarity. A DIAMOND DOG (*guest voice David Bowie?*) emerges with a diamond ring. He notes that he made the ring to the exact specifications that Rarity sent him. He puts the ring in Derpy's saddlebag, thanking her for picking it up. Derpy takes off into the air flying back to Ponyville central.

SC3. EXT. PONYVILLE — TOWN SQUARE — CONTINUOUS

As Derpy flies into Town Square, she passes RAINBOW DASH and SOARIN' as they clear the clouds for the wedding day. Soarin' gives Derpy a smile, saying that he'll see her later at the wedding. Derpy smiles back, continuing on as she flies down into the middle of Town Square. She walks by APPLEJACK, BIG MAC, GRANNY SMITH, and GOLDIE DELICIOUS. Big Mac hauls a wagon of apples as they do deliveries about town. Goldie looks up at the sky noting, "Now *that's* how you clear some clouds!" Granny Smith nudges her, smiling in agreement.

In Town Square, ponies are busily preparing for the wedding of Cranky and Matilda. As a "fly on the wall" we go from scene to scene, seeing our minor and background characters as they help to put on this big event.

At the gazebo, where the wedding will take place, FLUTTERSHY is encouraging **ANGEL** (*Ricky Gervais?*) to rehearse his part as ring bearer just one more time. We hear Angel's inner thoughts on this matter and he is clearly very annoyed. "Really? *This* is my job in the wedding? Carrying an uncomfortable pillow on my back to deliver some rings to a pair of *donkeys*? And now I have to rehearse it *again*? Hello? How unskilled to you think I am? I hop down to the end of the aisle, the rings are taken, and I'm done. It's not brain surgery! A monkey could do this!"

Meanwhile, PINKIE PIE is decorating the site. DAISY and MR. GREENHOOVES have just delivered a huge array of flowers for the event. Pinkie has her hooves full and asks **LYRA** and **BON BON** (*Portia de Rossi and Ellen Degeneres?*) if they can handle the flowers. Lyra and Bon Bon jump to the task, but as they try to decide where the flowers should go and how they should be arranged, we hear them banter, à la Ernie and Bert, with Lyra being very persnickety about exact placement while Bon Bon is more laissez-faire, just wanting to spread them all about and make it look pretty.

As their good-natured bickering comes to a head, Derpy walks by and whispers in their ears. Lyra and Bon Bon look inspired and tell Derpy thank you. That was the perfect suggestion! Bon Bon snips off a flower with her teeth and puts it behind Derpy's ear as she continues on.

Derpy continues on passing by a booth (in the style of Lucy from "Peanuts") where ZECORA is giving rather cryptic advice to Cranky and Matilda at their final pre-marriage counseling session. Cranky gives Zecora five bits

and the two wander off a bit perplexed as to what Zecora's last bit of advice meant. Why does that zebra always have to speak in rhymes? Suddenly they have an epiphany, deciphering Zecora's code, and happily head off different directions since each needs to get ready for their big day.

Cranky passes by Derpy and asks if she got the rings. Derpy nods emphatically, heading towards Sugar Cube Corner.

SC4. INT. SUGAR CUBE CORNER — CONTINUOUS

The CAKES are trying to bake the wedding cake for the big day. But they are having trouble with this because POUND and PUMPKIN are wreaking havoc as only a toddler Pegasus and Unicorn could. Pound is flying about, knocking extra ingredients into the mix while Pumpkin keeps zapping it with her Unicorn magic. Applejack, Big Mac, Granny Smith and Goldie witness the mayhem when they come by to deliver apples needed for the cake. The batter looks like it's going to be a hot mess until Derpy comes trotting in. She gives the batter the once over and quickly adds ingredients to counter what the twins have done. The cake goes into the oven without a hitch and, as Goldie notes, "Now *that's* how you bake a cake!" Granny Smith nods along with her cousin.

SC5. EXT. PONYVILLE — TOWN SQUARE — CONTINUOUS

Heading back out, Derpy passes by Lyra, OCTAVIA (Famous pop-singer?) and DJ PON-3 (Famous rapper?) who are warming up to perform for the reception. But as Lyra sits at a harp and tries to play the strings with her hooves, it sounds absolutely terrible. She turns and looks at her Harp Cutie Mark and yells, "You lied to me!"

Octavia and DJ Pon-3 then go into a jam session with as Octavia plays her cello to DJ Pon-3's amazing beat.

As they finish, Goldie bursts out, "Now that's how you go to commercial!"

ACT 2

SC6. EXT. PONYVILLE — TOWN SQUARE — CONTINUOUS

On the MAIL PONY as he knocks on the door to deliver an invitation to Cranky and Matilda's wedding. DIAMOND TIARA opens the door, takes the invitation, and slams the door in the Mail Pony's face. She then opens the door again, asking why it took so long for her invitation to get to her. Why is the mail so slow in Ponyville? If you ask her, somepony else ought to take up delivering the mail!

The Mail Pony is looking super sad when Derpy walks up and whispers in the Mail Pony's ear. He starts laughing and he walks off with a smile. Infuriated that her tirade was interrupted, Diamond Tiara demands to know what Derpy said. But Derpy just walks off, not telling. Diamond Tiara keeps calling after, "What did you say? *What did you say? Speak! Speak!*"

Derpy continues to trot through Ponyville, coming across FEATHERWEIGHT as he's printing programs, trying to crank them out on an old-style printing press, but it has jammed. She gives it a kick and the printer starts working again as she heads towards Rarity's Carousel Boutique where...

SC7. INT. CAROUSEL BOUTIQUE — CONTINUOUS

DR. HOOVES (*David Tennant, please?*) is trying to decide on a look for the wedding. **ROSE** (*Billie Piper?*) is watching him model the outfits. First he emerges from the dressing room dressed in similar fashion as the First, Second, and then Third Doctor. She thinks these looks are all a bit stodgy and asks him to try some more. Next he emerges as the Fourth, Fifth, and Sixth Doctor. The Fourth is okay, but he keeps tripping on the scarf. The Fifth is very dapper, but Dr. Hooves keeps eating the celery. Rose smiles telling him the celery is part of the look, not a snack. He comes out as the Sixth, but it's just ridiculous. It makes him look like a clown. Back to the old drawing board! Dr. Hooves emerges as the Seventh, Eighth, and Ninth Doctor. But Rose doesn't like the question marks all

over the Seventh's outfit. The Eighth's cravat looks too stuffy. And the Ninth's "leather jacket" look is almost there, but not quite. Dr. Hooves says he has an idea and does a quick change. He comes out in a fez and a bow tie, claiming that both are cool. Rose quickly shuts him down, stomping on his fez. So much for the Eleventh Doctor. They are at a loss when Derpy comes in and whispers in Dr. Hooves ear. He quickly goes in the dressing room and comes back out sporting his winning look as the Tenth Doctor wearing a tie and Converse. Dr. Hooves thanks his sister Derpy. He then goes up to Rose and says, "Allons-y!" and the two leave.

Then RARITY comes out with the wedding dress, which she just finished. Rarity gives it to Derpy as Goldie looks through the window and comments, "Now *that's* how you pick up a wedding dress!" Granny Smith is now looking a bit annoyed by her cousin.

SC8. EXT. PONYVILLE — TOWN SQUARE — CONTINUOUS

Derpy continues on, heading towards the La-Ti-Da Spa with the wedding dress. But on her way, she passes TWILIGHT, whose eyes are oddly crossed. SPIKE is trying help her fix this, encouraging her too look at him as he darts about. But then Derpy gives her a whack to the head, uncrossing Twilight's eyes. Twilight thanks her as Derpy continues on.

SC9. INT. LA-TI-DA SPA – CONTINUOUS

In the spa, Matilda is getting her hair and make-up done. The SPA PONIES are all a twitter about the big day and ask Matilda if she's nervous. Matilda says that she really doesn't have anything to be nervous about. She knows the wedding will go off without a hitch!

But over in the spa, PRINCESSES CELESTIA, LUNA, and CADENCE are under hair dryers kibitzing about all the events in Equestria that go terribly wrong. Two Summer Sun Celebrations ago, Luna returned as Nightmare Moon, trying to destroy her own sister and bring endless night. Then at the next Summer Sun Celebration, both Celestia and Luna disappeared because the Everfree Forest went wild due to those seeds Discord planted. And let's not forget Cadence being imprisoned by Queen Chrysalis before her own wedding and the battle with the Changelings! They are frankly amazed that anypony is brave enough to put on a big event anymore.

Pan over to Matilda, who now looks pale as a ghost, completely freaked out. What was she thinking? Why didn't she and Cranky just have a small, private wedding? Or elope? But just as poor Matilda is about to lose it, Derpy comes walking with the wedding dress and whispers in her ear. What Derpy says clearly calms Matilda. "You're so right! Thank you!" Derpy and Matilda head to the back of the salon with her dress.

As they do, they pass by STEPHEN MAGNET getting massaged by BULK BICEPS. Stephen is so glad that Rarity asked him to be her "plus one" to the event. It's been four seasons since they've seen each other and they just have to catch up! Meanwhile, Bulk Biceps is giving Stephen Magnet a rather vigorous massage, agreeing with all the Stephen has to say with a hearty, "YEEEEEEAH!"

SC10. EXT. PONYVILLE — TOWN SQUARE — CONTINUOUS

Derpy heads back out of the spa and walks through Town Square, which now looks ready for the wedding. She is heading towards the Sofas and Quills shop, which has an additional image on its sign because they are now Sofas and Quills and *Toupées*!

SC11. INT. SOFAS AND QUILLS AND TOUPÉES — CONTINUOUS

Inside, Cranky is trying on new toupées for the big event. He goes through many styles (super curly "American Hustle," long "hair band," Bieber "comb forward," dreadlocks. Finally Derpy comes in and puts the perfect toupée on Cranky's head. Cranky thanks Derpy and steps out into...

SC12. EXT. PONYVILLE — TOWN SQUARE — CONTINUOUS

Cranky looks amazing. Of course, Goldie sees this and says, “Now *that’s* now you pick out a toupée!” Granny Smith finally says, “Now *that’s* just getting annoying!”

But Goldie can’t help herself and says, “Now *that’s* how you go to a second commercial break!”

END ACT 2**ACT 3****SC13. EXT. PONYVILLE — TOWN SQUARE — CONTINUOUS**

Dark foreboding music is heard as ponies start filing in for the wedding. SNIPS and SNAILS are working as ushers, guiding ponies to their seats. Everypony is a little weirded out by this unusual music when Derpy walks over to where Pinkie is playing the organ and whispers in her ear. Pinkie looks surprised but then switches over to lovely, wedding-appropriate music.

Since Cranky spent years wandering Equestria to try and find Matilda, there are a lot of familiar guests at the wedding. HOITY TOITY and DONUT JOE from Canterlot, CHERRY JUBILEE from Dodge, and BRAEBURN from Appleloosa. Twilight and Spike meet up with Cadence and SHINING ARMOR and they go to sit.

Celestia and Luna arrive, looking lovely from their day at the spa. When Snips and Snails ask if they have their invitation, the two sisters look at each other accusingly. “I thought *you* had it!” says Celestia. “No, you said *you* were going to bring it!” says Luna. Derpy then walks up and whispers to Snips and Snails, who now embarrassingly realize that these are the Princesses of Equestria and quickly take them to their seats up front.

A group of recolored PONIES run into the exact replicas of themselves. Their jaws drop. This is worse than wearing the same dress!

CHEERILEE runs into her old student COCO POMMEL, excited to hear that she is doing so well in Manehattan.

WONDERBOLTS Soarin’, SPITFIRE, and FLEETFOOT arrive in their dress whites.

To the side, the MAYOR is busily practicing her reading. But she’s beginning to freak herself out and doesn’t know if she can get up in front of everypony and speak. Just as she’s about to bail, Derpy whispers something assuring to her. The Mayor thanks her now confident that she’ll be able to do the job.

As the ceremony begins, PHOTO FINISH directs the photography.

Cranky steps up to the front. The CUTIE MARK CRUSADERS go down the aisle as the flower girls. Angel then hops down aisle, still looking a bit disgruntled. Then the Wedding March begins. Matilda appears in her dress, looking lovely. When she reaches Cranky, Pinkie stops playing the organ and runs down to stand next to Cranky as his “Best Pony.”

Derpy appears at the podium dressed formally as the officiant. There is a pause. She opens her mouth and says, “Fillies and Gentlecolts. We are gathered here today to witness the union of Matilda May and Cranky Doodle.”

Cut to:

The Wedding Reception. As Octavia and DJ Pon-3’s jammin’ music plays, we see STILL SHOTS from the reception like in *The Hangover*. Shots of Matilda and Cranky trying to greet the long reception line of all the ponies that didn’t get to speak this episode. Dr. Hooves and Rose dancing. Cranky and Matilda having their first dance. Lyra and Bon Bon shaking their tails. Cadence and Shining Armor laughing with the Mane 6. Cranky and Matilda cutting the Cake’s fantastic cake. Steven Magnet and Bulk Biceps enjoying some cake. Berry Punch passed out under a table. Zecora speaking to a deeply engaged Donut Joe. Diamond Tiara looks judgmentally at Hoity Toity.

Luna and Celestia in the center of a circle doing their “childhood routine” dance. Pound and Pumpkin conked out with frosting on their faces. Cranky throwing the garter. All the colts jumping for it. Soarin’ catching the garter. Matilda throwing her bouquet. All the fillies going for the bouquet. Derpy catching the bouquet. Derpy scooped up by Soarin’, *An Officer and a Gentleman* style. Cranky and Matilda being pulled off in a carriage, waving at their guests.

On Goldie as the party rages behind her. “Now that’s how you throw a wedding!”
