

MY LITTLE PONY 6

Episode 602 / 403-602

"The Crystalling - Part 2"

Written by

Josh Haber

As Broadcast Script: January 15, 2016

Kelly Sheridan as STARLIGHT GLIMMER
Ian Hanlin as SUNBURST and PIN PONY
Tara Strong as TWILIGHT SPARKLE and MRS. SPARKLE
Britt McKillip as PRINCESS CADANCE
Cathy Weseluck as SPIKE
Andrew Francis as SHINING ARMOR and MR. SPARKLE
Nicole Oliver as PRINCESS CELESTIA
Ashleigh Ball as RAINBOW DASH and APPLEJACK
Tabitha St Germain as RARITY, PRINCESS LUNA and FLURRY HEART
Russell Roberts as MUSTACHE CRYSTAL PONY
Andrea Libman as PINKIE PIE, FLUTTERSHY and STUBBORN CRYSTAL PONY

RECAP OF PART 1

STARLIGHT

I still can't believe you're letting me stay here. As your pupil.

TWILIGHT

Shining Armor's a father! I'm an aunt!

TWILIGHT

Your first friendship lesson is going to be reuniting with Sunburst!

SUNBURST

Ah uh yes, that's me. Yep. Important wizard.

TWILIGHT

The baby is an alicorn!?

PINKIE PIE

So, she could be a super strong flyer and have crazy baby magic.

TWILIGHT

Without the Heart, the Crystal Empire is about to be buried under a mountain of ice and snow!

SC. 1 - INT./EXT. CRYSTAL CASTLE - CAUSEWAY - RESUME

RARITY

So, not only can we not take part in a fabulous, ancient ceremony, but we're also about to be frozen solid!?

TWILIGHT

Without the Crystal Heart's magical protection, the entire city is about to become a winter wasteland.

APPLEJACK

But what about when King Sombra ruled the Crystal Empire and the Crystal Heart was missing? The city wasn't covered in snow then.

TWILIGHT

The Heart wasn't missing. It was still in the Castle. King Sombra had just hidden it.

CELESTIA
I'm afraid Twilight is correct. And
the storm clouds are already forming.

DASH
I can totally fly up there and bust
those puppies. No problem.

CELESTIA
I wouldn't advise it, Rainbow Dash.
Those storm clouds are not like the
ones you know.

LUNA
This far north, the weather has a will
of its own and now it will only grow
stronger, enveloping everything in
its path.

CADANCE
Including the Crystal Empire.

TWILIGHT
And us along with it

SC. 2 - INT. SUNBURST'S - LIBRARY - DAY

SPIKE
There's gotta be something...

SUNBURST
I know Princess Twilight is keen on
the two of us rekindling our
friendship, but it's been so long. I
don't see how anything on that list is
going to help.

STARLIGHT
I know, right? It's not like there's
some spell that would magically
compel us to pick up where we left off.

SUNBURST
Oh, actually, there's several.

SUNBURST (CONT'D)
Mistmane's Material Amity,
Rockhoof's Rapport, Flashprance's
Fellowship...
But I...I get the feeling the Princess
isn't looking for a spell.

STARLIGHT
Definitely not.

SPIKE
Got it!

SPIKE (CONT'D)
"...and if all else fails, ask them to share an embarrassing moment from their past, maybe even something they regret."

SUNBURST
Uh, I don't see how that would help.

STARLIGHT
Uh, yeah. We should just get out of your mane. It's pretty obvious this isn't going how Twilight hoped and I'm sure you have plenty of important work to do.

SUNBURST
What? Oh. Right. Yes. <NERVOUS LAUGH>
No rest for the wizardly.

STARLIGHT
Come on, Spike.

SC. 3 - INT./EXT. CRYSTAL CASTLE - CAUSEWAY - DAY

TWILIGHT
There must be a spell that can restore the Crystal Heart.

CELESTIA
Perhaps.

LUNA
But it isn't something either of us know.

CADANCE
The library here at the Castle is nearly as extensive as the one in Canterlot. There's a good chance we can find something there.

TWILIGHT
Can you hold off the storm?

LUNA
Yes, for a time, but even our magic will eventually succumb to the power of the Frozen North.

CELESTIA
We will do what we can, but you must hurry.

TWILIGHT (CONT'D)
I don't know how long it will take to find the right spell, but you should

probably tell the crowd outside to get somewhere warm.

CADANCE

And try not to mention the Crystal Heart. We don't want to start a panic.

APPLEJACK

Yes, ma'am! Come on, girls!

TWILIGHT

I'm going to need all of your help, the Crystal library is enormous.

SHINING ARMOR

You can count on us, Twiley!

PINKIE PIE

AHHHHHHH!

SHINING ARMOR

Where'd she go?

FLURRY HEART (O.S.)

<giggling>

CADANCE

This way!

SC. 4 - EXT. CRYSTAL EMPIRE - STREET - DAY

STARLIGHT

Well, Spike, looks like my biggest fears came true. I wouldn't be surprised if Twilight decides to give up on me entirely.

SPIKE

It's not your fault. I'm the one who said all we needed was this list.

STARLIGHT

It's not the list, Spike. Or you. Or Twilight. I'm the one Sunburst doesn't want to be friends with.

SPIKE

I don't remember him saying he didn't want to be friends.

STARLIGHT

He didn't have to say it.

SPIKE

Well, Twilight obviously thinks you're worth being friends with and I do too.

STARLIGHT

Aw thanks, Spike. At least I have two friends, even if one of them has dragon breath.

SPIKE

Um... That's not dragon breath. It's freezing!

STARLIGHT

Oh. You're right. But I thought the Crystal Heart was supposed to keep the cold weather out.

SPIKE

It is-- unless something's happened! Come on!

SC. 5 - EXT. CRYSTAL CASTLE - DAY

DASH

We're just saying that it might not be the best idea to stay outside.

STUBBORN CRYSTAL PONY

I camped out all night for this spot. I'm not about to just give it up.

FLUTTERSHY

Still, when you think about it, the view is just as good a little further back, like inside your house.

PIN PONY

The Crystalling ceremony is one of our most sacred traditions and when that foal is held before the Crystal Heart I plan to be as close to the action as possible.

APPLEJACK

Honestly, I don't know if there's gonna be a Crystalling. The truth is the baby's an alicorn and her magic's plum crazy so you might not want to be that close after all.

STUBBORN CRYSTAL PONY

A baby alicorn? Wow. I can't wait to see that!

PIN PONY

Oh those little wings are probably so cute!

MUSTACHE CRYSTAL PONY

I know, right!?

SC. 7 - EXT. CRYSTAL CASTLE - SAME

DASH
Look, I am a hundred percent sure the
Crystalling isn't happening.

MUSTACHE CRYSTAL PONY
No Crystalling, huh? Then why are they
starting a FIREWORKS SHOW!!!

PIN PONY/CROWD
WOO-HOO!!!

SC. 8 - INT. CRYSTAL CASTLE - LIBRARY - SAME

SHINING ARMOR
Young filly! Come back here!

PINKIE PIE
Come to your Auntie Pinkie Pie!

TWILIGHT
Bridlebuck's Boat Chants, Hayhoof's
Intonements, Mystic Maps and
Mazes...Anything up there?

CADANCE
Not yet. I'm not even sure how these
are organized...

CADANCE (CONT'D)
Shining Armor, I thought you were
taking care of the baby?

SHINING ARMOR
I'm trying!

RARITY
Gotcha!

RARITY (CONT'D)
Or not.

STARLIGHT
What is going on!

PINKIE PIE
You want the long or the short
version?

STARLIGHT
Short?

PINKIE PIE
The baby's an alicorn and she
accidentally destroyed the Crystal
Heart so Twilight and Cadance are

looking for a spell to put it back together and save the Crystal Empire from turning into a giant wasteland of ice and snow.

STARLIGHT

Oh.

CADANCE

What about this? Trotter's Tome of Reliquary?

TWILIGHT

I think this is it!

CADANCE

Spell of Relic Reconstitution! I can't believe we found it.

TWILIGHT

It's a good thing too. Without this, I don't know what we'd do.

PINKIE PIE

Oops.

SC. 9 - INT. CRYSTAL CASTLE - LIBRARY - RESUME

TWILIGHT

That spell was the only thing we found in the whole library that was even close to what we needed.

STARLIGHT

I'm so sorry, Twilight!

TWILIGHT

It's not your fault, Starlight. None of us were expecting any of this.

CADANCE

Do you think you can remember the spell?

TWILIGHT

I only read it through once!

RARITY

Well, if anypony can exactly remember something she read for the first time two minutes ago, it's you, Twilight.

TWILIGHT

I'll try, but I'm not sure how long it'll take.

PINKIE PIE

Is quickly an option?

CADANCE
I'll help if I can...

CADANCE (CONT'D)
...but we should evacuate the city
just in case. You need to lead
everypony to the train station before
the tracks freeze over.

SHINING ARMOR
We will. But between you and Twilight,
I'm sure you'll remember the spell.

TWILIGHT
I only hope this spell is the one we
need.

STARLIGHT
Is there anything I can do?

TWILIGHT
I don't think so. I'm just sorry about
your lesson.

STARLIGHT
That doesn't matter now. Sunburst and
I don't have anything in common
anyway. He's a big important wizard
and I'm relearning everything I ever
thought I knew.

CADANCE
Sunburst? I don't recognize the name,
but if he's an important wizard, you
should bring him here. Maybe he'll
know what to do if the spell fails.

STARLIGHT
Of course!

TWILIGHT
You better go with her, Spike.

SC. 11 - INT. SUNBURST'S - DAY

STARLIGHT
Sunburst!

STARLIGHT (CONT'D)
Haven't you looked outside?

SUNBURST
Snow? That's not right. The Crystal
Heart...

STARLIGHT
...is gone. The baby... Shining Armor
and Cadance's baby. It's an alicorn.

SUNBURST
Really!?

STARLIGHT
Really! And her magic is a little
berserk and, well, I guess she
destroyed the Heart. But Twilight
thinks she can fix it and Princess
Cadance thought you could help.

SUNBURST
Me?

STARLIGHT
Of course! You're an important wizard
in the Crystal Empire, it just makes
sense.

SUNBURST
Right.

SUNBURST (CONT'D)
Right, right, right, right.
You know, I'd like to help. I-I really
would. I-I just have so much, um...
important wizard work to do around
here.

SC. 12 - EXT. CRYSTAL EMPIRE - STREET - DAY

APPLEJACK
You can't stay here!

MUSTACHE CRYSTAL PONY
Did I mention this was a Royal
Crystalling? When the Crystaller
holds the young one aloft, all of the
Empire will share their joy and light
and the Crystal Heart will beat
stronger than it ever has before.

PIN PONY
It really is a moving ceremony.

FLUTTERSHY
I really don't think it's going to
happen.

DASH
Come on! It's freezing out here!

STUBBORN CRYSTAL PONY

Uh, this is the Crystal Empire. We've seen snow before.

SHINING ARMOR
Not like this!

SHINING ARMOR (CONT'D)
We don't have time to argue. Princess Cadance has decided to evacuate the city.

MUSTACHE CRYSTAL PONY
But the Crystalling...

SHINING ARMOR
I don't know if we'll ever have another Crystalling again. The Crystal Heart is shattered.

STUBBORN CRYSTAL PONY
It's not safe here.

APPLEJACK
That's what we've been trying to tell you!

SC. 13 - INT. SUNBURST'S - DAY

STARLIGHT
Sunburst, I know you're busy, but did you hear what I said?

SUNBURST
Oh, I heard you, but-but like I said, when you're an important wizard the work just piles up.

STARLIGHT
Sunburst!

SUNBURST
Look, Starlight, I want to help, I do. But I can't. I wish I could.

STARLIGHT
What do you mean?

SUNBURST
Fixing an ancient relic? I-I can't even come close to doing something like that!

STARLIGHT
But I-I thought you were an important wizard.

SUNBURST

Well, you were wrong! Okay? I'm not an important wizard! I'm not even a wizard at all!

SC. 14 - EXT/INT. SUNBURST'S - RESUME

SUNBURST
I know it's hard for you to understand, but not all of us end up achieving greatness!

STARLIGHT
What? Why wouldn't I understand that?

SUNBURST
Really? You're the protégé of the Princess of Friendship. I don't think she picks just anypony for that.

SPIKE
Technically, she's more of a student than a protege.

SUNBURST
Whatever. I'm sorry I'm not the big, important wizard you were expecting.

STARLIGHT
Sunburst! I don't care if you're a wizard or not, I'm just surprised. You always knew so much about magic. I mean, look at all these books!

SUNBURST
Yeah, well, reading about magic is one thing, but you don't know what it was like at Magic School, to know so much and not be able to do any of it!

STARLIGHT
Well, you don't know what it was like to be left behind!

STARLIGHT (CONT'D)
And then getting so bitter that you steal the cutie marks from an entire village and then get defeated by Twilight and her friends so you travel through time to get back at them, but they beat you again and teach you about friendship, but you're so terrified ponies will find out what you did that you can't make any friends!

SUNBURST
Did you really travel through time?

SPIKE
See? I told you he'd be impressed.

SUNBURST
I'm sorry we lost touch. Maybe if I had reached out, you could have helped me at Magic School and I could have helped you to...

STARLIGHT
Not become totally evil? Let's just say I know what it's like to have something you're not exactly proud of.

SUNBURST
You showed up thinking I was some big wizard... I'm sorry. I should have told you the truth.

STARLIGHT
It's fine. At least we worked it all out. I think Twilight would be proud of us.

SPIKE
Well if you ever want to tell her about it, we should probably leave now!

STARLIGHT
I forgot to tell you, they're evacuating the city! You need to get to the train station, unless you've got a spell here that will drive back the Frozen North and fix the Crystal Heart so the baby can have her Crystalling?

SUNBURST
The Crystalling. Of course!

SC. 15 - EXT. SKIES ABOVE THE CRYSTAL EMPIRE - DAY

CELESTIA
Push them back, my sister!

SC. 16 - EXT. CRYSTAL EMPIRE - DAY

SHINING ARMOR
This way!

APPLEJACK
Just a little bit further, y'all! The station's just ahead!

STARLIGHT

We have to go back!

SUNBURST
I know how to stop this!

SC. 18 - INT./EXT. CASTLE CAUSEWAY - DAY

TWILIGHT
Uh I think that's everything.

CADANCE
It looks right to me, but there's only one way to find out.

TWILIGHT
The spell failed. I don't know what else to do.

CELESTIA
An old student of mine believes he does.

SUNBURST
The baby did this!?

TWILIGHT
I tried putting it back together with...

SUNBURST
...the Spell of Relic Reconstitution. That won't do it.

SUNBURST
The Crystal Heart's been around for millennia. Restoring a relic like this is magic way beyond one spell. You'd need to combine it with something else, something unique to the relic itself, something that strengthens it and provides it with power...

TWILIGHT
The Crystalling!

SUNBURST
Combining that spell with the light and love of everypony gathered for the ceremony, together with...

SUNBURST (CONT'D)
Somnambula's Weather Abjuration to clear away the snow, and...

SUNBURST (CONT'D)

A little Fledgling's Forbearance, for the parents.

SUNBURST (CONT'D)
That should curb the little one's power fluctuations.

CADANCE
You must be Sunburst. Starlight said you were a powerful wizard.

SUNBURST
Oh, I'm no wizard.

EVERYPONY
Huh?/What?!

STARLIGHT
But he studied magic his whole life! You should see his house! And since no pony has any better ideas what do we have to lose?

SHINING ARMOR
I had planned on asking Twilight to be our Crystaller, but since it seems like she'll be busy...

SUNBURST
I'd be honored.

TWILIGHT
Well, what are we waiting for?

SUNBURST
Citizens, may I present the newest member of the Crystal Empire!

MUSTACHE CRYSTAL PONY
She's beautiful.

PIN PONY
Oh! It's just so moving.

STUBBORN CRYSTAL PONY
Best. Crystalling. Ever!

STARLIGHT
For a Pony who isn't great at magic, you did pretty well.

CELESTIA (O.S.)
Indeed.

CELESTIA (CONT'D)
I'm glad to see you've found a way to share your unique gift, Sunburst. You may be more of a wizard than you think.

SC. 19 - EXT. CRYSTAL EMPIRE STATION - DAY

MR. SPARKLE

You would not believe the crazy weather that delayed our train! Came out of nowhere!

MRS. SPARKLE

But it was all worth it to see this peaceful little angel. Aww so sweet, come to your grandmare.

APPLEJACK

Yeah. Peaceful now, anyway.

TWILIGHT

I suppose that spell really did the trick.

SHINING ARMOR

We have Sunburst to thank for that.

CADANCE

I hope he takes his role as Crystaller seriously. Something tells me the baby will need a pony like him to look to for magical advice.

MRS. SPARKLE

Cadance, darling, aren't we going to name the poor little dear, or we going to spend the entire visit just calling her "the baby?"

CADANCE

We were thinking, Flurry Heart.

SHINING ARMOR

You know, to remember the occasion.

RARITY

Oh goodness! How could anyone forget?

TWILIGHT

I think it's lovely.

STARLIGHT

Well, I think you're the Crystal Empire's big, important wizard whether you like it or not.

SUNBURST

I don't know if I'll have time for any wizarding. I'm a Crystaller now. That's a big responsibility.

STARLIGHT

I can't think of anypony more
qualified. Just promise you'll stay
in touch.

SUNBURST

Like I'd ever lose touch with my
oldest friend.

SPIKE

What's wrong, Twilight?

TWILIGHT

I don't know, Spike. I think I have a
lot to learn about being a teacher.

SPIKE

What are you talking about? Your
lesson went perfectly. Starlight and
Sunburst got over their past and
rekindled their friendship.

TWILIGHT

No thanks to me. I know a lot happened,
I just wish I could have given my pupil
the attention she deserves.

SPIKE

Well, I know she needed to be put on
the right path, but giving her the
space to make her own decisions worked
pretty well. Isn't that how Celestia
taught you?

TWILIGHT

You know, I never thought about it,
but I guess it is.

SPIKE

Maybe you're a better teacher than you
thought.
