SC. 1 - INT. SHY FAMILY HOME - DAY

MRS. SHY
We're so happy you could come have
lunch with your father and me,
Fluttershy.

FLUTTERSHY
I'm so glad you asked.

RAINBOW DASH
And it was super awesome of you to
invite me too.

RAINBOW DASH
Things have been so busy with the
Wonderbolts lately, it's great to get
a chance to relax someplace quiet.

MR. SHY
That's exactly what I intend to do now
that I've retired. In fact, I
converted the back house to showcase
my cloud collection.

MR. SHY (CONT'D)
I have my clouds, your mom has her
flowers, you've got your animals, and
your brother...

MRS. SHY
Zephyr Breeze has his... interests.

RAINBOW DASH
I'll say. Remember when he was
convinced square clouds were gonna be
the next big thing? <Snorts>!

MRS. SHY
He's matured a lot since then.

MR. SHY
Actually, it's funny you bring Zephyr
up...

FLUTTERSHY
Oh, no! Not again...

MRS. SHY
It's just for a little while, dear.
Till he gets back on his hooves.

RAINBOW DASH
Wait. You don't mean?--

ZEPHYR BREEZE
Guess who's ho-ome?
That's right, big sis, it's your one
and only, favorite little brother...
Moi!!

SC. 2 - INT. SHY FAMILY HOME - RESUME

ZEPHYR BREEZE
Hi, Flutter-butter!
How's-the-bestest-big-sister-ever?!
Hey, where's the love? How about a
little excitement to see your baby
brother?

FLUTTERSHY
I'm just surprised. When you left you
said mane therapy was your calling.

ZEPHYR BREEZE
Oh, it is, sis. It is. You would not
believe how much stress ponies hold in
their manes. Everything gets limp and
unmanageable --
No offense -- but brushing alone won't
solve the problem.

FLUTTERSHY
What went wrong?

ZEPHYR BREEZE
Nothing went wrong *per se*.

ZEPHYR BREEZE (CONT'D)
It's just "the powers that be" were so
locked into their "required styles"
and you know me...

ZEPHYR BREEZE (CONT'D)
I've got my own style and I think they
were a little threatened.

MRS. SHY
Oh, this is lovely, dear.

RAINBOW DASH
Ugh.

ZEPHYR BREEZE
Well, if it isn't Rainbows "the best
flier that ever was" Dash.

RAINBOW DASH
Oh, this ought be good.

ZEPHYR BREEZE

Sorry, I shouldn't tease ya. I know the whole "super awesome flyer" bit's just to impress me. Still, thanks for showing up for my homecoming, it's, it's sweet.

ZEPHYR BREEZE (CONT'D)
I kinda thought there'd be more ponies here. I mean, what about your party planner friend? Sprinkle Pie? She coulda turned this into a real house par-tay, am I right? I mean, this place could use it.
Dra-ahb!

MRS. SHY
I--

MR. SHY
We have been meaning to redecorate...

ZEPHYR BREEZE
Dad, please, when I get all my stuff back in here you won't even remember what this boring old place looked like.

FLUTTERSHY
Um, Mom, Dad, can I talk to you for a second?

SC. 3 - INT. SHY FAMILY HOME, KITCHEN - MOMENTS LATER

MRS. SHY
What is it, honey?

FLUTTERSHY
I'm not so sure letting Zephyr move back home is a good idea. I know you both want to help, but don't you remember last time?

MRS. SHY
Zephyr's just trying to find his place, dear.

FLUTTERSHY
I know. It just seems like his place always ends up being your place. And then he sort of makes you do everything for him.

MR. SHY
Well, we may not be as bold as you, Fluttershy, but don't you worry. We know how to stand up for ourselves.

SC. 4 - INT. SHY FAMILY HOME - CONTINUOUS

ZEPHYR BREEZE

--And they were all like, "We love your free spirit, Zeph, and it would be wrong to cage that. Go follow your dreams."

RAINBOW DASH

Zeph was just telling me all about the ins and outs of Mane Therapy School.

ZEPHYR BREEZE

It's all so political, I just could not take it.

FLUTTERSHY

Well, maybe if you stuck with it for more than a few weeks?

ZEPHYR BREEZE

Sorry, sis, but when something's not the right fit, this pony's gotta fly! Anyway, good talk, Rainbows. I am so touched you came to see me, really, I hate to deprive you of my presence, but this Breeze needs his Zs.

RAINBOW DASH

You know it's the middle of the day, right?

ZEPHYR BREEZE

I know. SIESTA!! I'm just gonna assume you made up my room the way I like it, right, Mom?

ZEPHYR BREEZE (CONT'D)

Ooh, I almost forgot. All my stuff is out front. Wanna grab that for me, Pops? Thanks!

RAINBOW DASH

Same old "Zeph."

SC. 5 - EXT. PONYVILLE - SAME

RAINBOW DASH

I know you weren't expecting to see your brother, but you've been kinda quiet. Even for you.

FLUTTERSHY

I'm sorry, but I am just so...so *peev*ed right now. Excuse my language.

PINKIE PIE
Rainbow Dash! Fluttershy! It's me,
Pinkie Pie! Your FRIEND!!

APPLEJACK
<WHISTLE>!!

FLUTTERSHY
Oh, sorry about that.

RAINBOW DASH
We just had lunch with Fluttershy's
parents and you'll never guess who
showed up.

PINKIE PIE
Ooh, Mayor Mare? Cranky Doodle
Donkey?! Cheese Sandwich!?! Miss
Harshwhinny?!?!

RAINBOW DASH
Zephyr Breeze.

PINKIE PIE
Oh, that makes more sense.

APPLEJACK
And from the look on your face I'm
guessing it's for another of his
'extended' stays.

RAINBOW DASH
She's a bit peeved.

FLUTTERSHY
Zephyr is my brother and I love him,
but he's never learned to do anything
for himself and I don't know why my
parents keep letting him trot all over
them.

APPLEJACK
Well, if your parents won't stand up
for themselves, maybe you need to
stand up for them.

FLUTTERSHY
You know, you're right.

SC. 7 - EXT. SHY FAMILY HOME, BACKYARD - CONTINUOUS

FLUTTERSHY
<GASP>! Zephyr Breeze!!

ZEPHYR BREEZE

Oh, hey sis! Come to see me work my magic and turn this place from drab to fab, huh? Well, watch and learn!

FLUTTERSHY

Can't you see what you're doing?!

ZEPHYR BREEZE

Yeah, I'm getting rid of this old stuff so I can turn the back house into my art studio. I decided I'm going to be a sculptor!

FLUTTERSHY

I'm talking about Mom's flowers.

ZEPHYR BREEZE

She's gonna move them so I can have my mediation patio here. She loves replanting stuff, don't you, Mom?

FLUTTERSHY

And Dad's been collecting his favorite bits of cloud from the factory since before you were born.

MR. SHY

The very best from every production run since my first day on the job.

MR. SHY (CONT'D)

But why hold onto the past, really?

FLUTTERSHY

You can't just fly in and change everything mom and dad have built here.

ZEPHYR BREEZE

But this is the only place big enough for my studio/mediation garden. Ooh, unless I do it in the living room!

FLUTTERSHY

I know speaking up for yourself can be hard, believe me. But Zephyr will never stand on his own if he can lean on you.

ZEPHYR BREEZE

Don't be so dramatic, sis. Mom and Dad just want to let me be me, right? I can do plenty on my own.

FLUTTERSHY

I agree. Which is why you should move out.

ZEPHYR BREEZE
Oh. Well, I mean, I totally would. But
I don't think that's what Mom and Dad
want. It's not, is it?

MRS. SHY
Uhh...

MR. SHY
You know we love you, son. But your
sister has a point.

ZEPHYR BREEZE
Sure. I mean, I really just came back
here to keep you guys company. But
whatever's best for the family.

SC. 8- INT. SHY FAMILY HOME - CONTINUOUS

ZEPHYR BREEZE
I just...I just gotta grab a few
essentials...

MRS. SHY
And you definitely have somewhere
else to go?

ZEPHYR BREEZE
Of course! There's plenty of ponies
who'd love for a little Breeze to blow
their way.

SC. 9 - INT. FLUTTERSHY'S COTTAGE - DAY

RAINBOW DASH
So, where's Zeph gonna go now?

FLUTTERSHY
I'm not sure. I hope I did the right
thing.

RAINBOW DASH
Are you kidding?! One hundred
percent!

ZEPHYR BREEZE
Hey sis, your new roomie's here!

RAINBOW DASH
Okay, maybe like seventy percent.

SC. 10 - INT. FLUTTERSHY'S COTTAGE - RESUMING

FLUTTERSHY

Um, Zephyr? When Mom and Dad told you to find someplace else to live, I don't think they meant here.

ZEPHYR BREEZE
Well, it's not their house, so by definition it's someplace else. Am I right, Rainbows? Stop oogling me and help settle this.

RAINBOW DASH
You know what? I totally forgot that I promised to help Pinkie Pie sprinkle... something.

FLUTTERSHY
You said you had plenty of places to go.

FLUTTERSHY (CONT'D)
Fine! You can stay here--

ZEPHYR BREEZE
You're the best! We're gonna have so much fun--

FLUTTERSHY
--on one condition.

ZEPHYR BREEZE
Totally. Anything.

FLUTTERSHY
You have to get a job.

ZEPHYR BREEZE
Crackin' the whip, huh? You always were kinda bossy.

FLUTTERSHY
Zephyr Breeze!

ZEPHYR BREEZE
Kidding! Get a job. Absolutely.

SC. 11 - EXT. PONYVILLE - NEXT MORNING

ZEPHYR BREEZE
<Yawning> Where are we going so early? You have no idea how bad morning sun is for your mane.

FLUTTERSHY
Remember how we talked about you getting a job?

ZEPHYR BREEZE

It was just yesterday. And it's totally on my to-do list. But you can't expect me to find something befitting my awesomeness overnight.

FLUTTERSHY
I thought you might say that. So I did it for you.

ZEPHYR BREEZE
What?!

SC. 12 - INT. CAROUSEL BOUTIQUE - CONTINUOUS

RARITY
These fabrics all need to be dyed those colors. Do you think you can handle that?

ZEPHYR BREEZE
Um...I don't know...

RARITY
You get started while Fluttershy and I head to the store for more supplies.

RARITY/FLUTTERSHY
Ta-ta!/Good luck!

SC. 13 - EXT. CAROUSEL BOUTIQUE - LATER

FLUTTERSHY
Thanks for giving my brother a job. I just hope he's up to the task.

RARITY
Oh darling, dyeing fabric is the simplest thing. You just dip cloth in a bowl.

RARITY/FLUTTERSHY
<GASP>

SC. 14 - INT. CAROUSEL BOUTIQUE - LATER

ZEPHYR BREEZE
Rarity! You're back!

FLUTTERSHY
What did you do?

ZEPHYR BREEZE
Since you talk to animals all the time I just figured it runs in the family,

so why not outsource this stuff, you know?

ZEPHYR BREEZE

Turns out the animal communication thing isn't genetic.

RARITY

Zephyr! I asked you to do this job, not to pawn it off on innocent woodland creatures.

ZEPHYR BREEZE

Okaaaaay. I guess you have some feelings about this, but you should know it's basically your cat's fault for walking by and giving me the idea. But I'm actually kinda into this look. So, I guess what I'm saying is--

ZEPHYR BREEZE (CONT'D)

--You're welcome?

RARITY

Wha-- Oh, uggh. Zephyr, this is just... unacceptable!

ZEPHYR BREEZE

Wow. I guess I know when my efforts aren't appreciated!

SC. 15 - INT. TWILIGHT'S CASTLE, HALLWAY - DAY

ZEPHYR BREEZE

Whoa, those are... tall.

TWILIGHT SPARKLE

I'm glad you noticed, because they're your new job.

ZEPHYR BREEZE

Wha-?

You said you were taking me to tea with the princess.

FLUTTERSHY

Actually, I said I was going to tea with the princess. You're going to work.

ZEPHYR BREEZE

Sis, c'mon!

TWILIGHT SPARKLE

Don't worry, Zephyr. It'll be easy. I just need a Pegasus pony to fly up and

wipe each window down from top to bottom.

SPIKE

And I'm here to make sure you do it right!

SC. 16 - INT. TWILIGHT'S CASTLE, HALLWAY - LATER

TWILIGHT SPARKLE

Wow, Zephyr, this looks amazing!

ZEPHYR BREEZE

Well, you know, like you said, it was easy.

FLUTTERSHY

Where's Spike?

SPIKE (O.S.)

Up here!

TWILIGHT SPARKLE

You were supposed to supervise, not do all the work.

SPIKE

I was supervising! And then Zephyr asked me about different cleaning techniques and which one was best, and if I could--
Hey! I did all the work.

ZEPHYR BREEZE

Don't let him fool you, ol' Spike is quite the taskmaster.

SC. 17 - EXT. PONYVILLE - MOMENTS LATER

ZEPHYR BREEZE

Oh, come on, sis. I had to ask Spike to make sure I was doing it right.

FLUTTERSHY

You didn't do it at all!
Well, I guarantee there won't be any fooling around on the next job.

ZEPHYR BREEZE

Next job?

RAINBOW DASH

That's right, Zeph. You're coming with me.

ZEPHYR BREEZE

You don't have to come up with some excuse to hang out with me, Rainbows. Let's just go for a fly and see where the day takes us.

RAINBOW DASH

Ugh, we're going to Wonderbolts' Headquarters and I am going to give you a job so simple and straight forward, not even you can weasle your way out of it. And the second you try I am going to zap you with a storm cloud. Got it?

ZEPHYR BREEZE

Oh, I got it. I can already feel the electricity between us.

SC. 18 - INT. FLUTTERSHY'S COTTAGE - LATER

ZEPHYR BREEZE

Rainbow Dash is crazy, okay? She expects me to do stuff-- right when she asks me to do it. It's insane!

FLUTTERSHY

So you just quit? Again?

ZEPHYR BREEZE

Escaped is more like it. Besides, what was I supposed to do?

FLUTTERSHY

Keep trying? Finish something for once? Maybe that way you'd actually find something you like to do.

ZEPHYR BREEZE

That all sounds fine for your friends, but it's just not me.

FLUTTERSHY

Then I'm sorry, Zephyr, but I don't think you can live here.

ZEPHYR BREEZE

Fine. I'll just go live in the woods like my foreponies before me. Guess the only breeze this Zephyr can count on is his own.

SC. 19 - INT. FLUTTERSHY'S COTTAGE, KITCHEN - DUSK

RAINBOW DASH

Aww cheer up, Fluttershy. I know it was hard, but you did the right thing.

You couldn't let Zephyr pull the same stuff on you that he's always pulled on your folks.

FLUTTERSHY
I guess so...

FLUTTERSHY (CONT'D)
Oh, hello Constance.
Oh, dear...

SC. 20 - EXT. EVERFREE FOREST - EVENING

ZEPHYR BREEZE
See, Wigford, The Breeze needs nopony. We've got food--

ZEPHYR BREEZE (CONT'D)
Shelter--

ZEPHYR BREEZE (CONT'D)
Just need to put the ol' kettle on...

ZEPHYR BREEZE (CONT'D)
Come on, stickie-stickie make with the sparks...

ZEPHYR BREEZE (CONT'D)
Ugh! What's a pony gotta do to find a decent stick around here?! <GRUNTING>

RAINBOW DASH
I know he needs to learn to do things for himself, but...

FLUTTERSHY
I can't let him live like this.

RAINBOW DASH
Actually, I don't think he'd make it through the night.

ZEPHYR BREEZE
Fluttershy! Hey! I was just, um, cozying up in my sleeping bag. Ready to call it an early night. Such an exhausting day, you know?

RAINBOW DASH
It's noon.

ZEPHYR BREEZE
You know me-- siesta!

ZEPHYR BREEZE (CONT'D)
UGH! I can't do this. I can't do anything.

FLUTTERSHY
Zephyr, you're smart and talented,
You could do anything if you just
tried.

ZEPHYR BREEZE
And what if I give everything I have
and still fail? Honestly, I think it's
better not to try at all.

RAINBOW DASH
But then you won't ever do anything.

ZEPHYR BREEZE
I don't expect you two to understand.
I mean, when have you ever failed?
You've literally helped save
Equestria, like, a dozen times.

FLUTTERSHY
And I was worried that I'd fail every
time. Sometimes you have to do things
even though you might fail.

ZEPHYR BREEZE
But failing is the worst!

FLUTTERSHY
And quitting doesn't feel much
better, does it?

ZEPHYR BREEZE
No.

FLUTTERSHY
So here's the deal - You can come back
with me, but you have to do exactly
what I say, no exceptions.

ZEPHYR BREEZE
I will literally do anything you ask
me if it means I don't have to stay
here.

SC. 21 - INT. FLUTTERSHY'S COTTAGE, BEDROOM/HALL - DAY

FLUTTERSHY
Okay, you know what you have to do,
right?

ZEPHYR BREEZE
Beg for help, then quit when I get
frustrated.

ZEPHYR BREEZE (CONT'D)
Just kidding. Total opposite of that.
Got it.

RAINBOW DASH
You think he can do it?

FLUTTERSHY
*Everypony has times in their lives
when their hearts are filled with
doubt*

SC. 22 - INT. FLUTTERSHY'S COTTAGE, BEDROOM - SAME

ZEPHYR BREEZE
*Frustration builds up inside
and it makes you want to shout*

RAINBOW DASH
*But if you just take that first step
the next one will appear*

RAINBOW DASH/FLUTTERSHY
*And you'll find you can walk, then
run, then fly into the stratosphere*

RAINBOW DASH/FLUTTERSHY (CONT'D)
*You've got to give it your best
so you can pass the test
Give it everything that you've got*

RAINBOW DASH/FLUTTERSHY
*And we know you can win
You just have to begin
Have to give it your very best shot*

ZEPHYR BREEZE
*There are times when you want to give
up
when you think that you can't go on*

RAINBOW DASH/FLUTTERSHY
*But if you fight through with all of
your might
You will find that you can't go wrong*

RAINBOW DASH/FLUTTERSHY
That you could do it all along!!

FLUTTERSHY
*Everypony has times in their lives
When their hearts are filled with
doubt*

RAINBOW DASH
*But if you just give it your all,
you'll start to work it out*

ZEPHYR BREEZE
*And I know I can't give up too soon,
get myself in the zone.*

ZEPHYR BREEZE
And I find I can walk then run...

ZEPHYR BREEZE/RAINBOW DASH/FLUTTERSHY
Then flyyyyyyy

ZEPHYR BREEZE
I can do it on my own!

RAINBOW DASH/FLUTTERSHY
You can do it on your own!

ZEPHYR BREEZE
I can do it on my own! I can do it on my own.

ZEPHYR BREEZE (CONT'D)
I did it. I actually finished something. By myself.

RAINBOW DASH
And it looks exactly like it's supposed to.

FLUTTERSHY
I knew you could do it, Zephyr.

ZEPHYR BREEZE
*I didn't!
But I do now. Thanks, for believing in me, sis.*

FLUTTERSHY
That's what big sisters are for.

RAINBOW DASH
So, Zeph, now that you accomplished this, what's next?

ZEPHYR BREEZE
*Anything I want! I mean, the sky's the limit, right?
But, you know, I've got some baby steps in mind.*

SC. 23 - INT. SHY FAMILY HOME - EVENING

RAINBOW DASH
*Thanks for dinner, Mr. and Mrs. Shy.
It was great, as usual.*

MRS. SHY
Thank you, dear, for not giving up on Zephyr.

After all these years of pining for him, it must be so satisfying to see him on the right track.

FLUTTERSHY

Have you heard from Zephyr? Is he doing well?

MR. SHY

I tell you, he's a brand new pony. So full of drive and determination.

RAINBOW DASH

That's great.

ZEPHYR BREEZE

Guess who graduated from mane therapy training?!

RAINBOW DASH

Awesome!

MR. SHY

Congratulations, son.

MRS. SHY

You look so handsome!

FLUTTERSHY

I'm so proud of you, Zephyr.

ZEPHYR BREEZE

It was only a matter of time before they recognized my true genius. But actually doing the work probably helped. And I wouldn't have if it weren't for you.

FLUTTERSHY

Oh I just gave you some encouragement; you did this on your own.

ZEPHYR BREEZE

And honestly, right now I feel like I can do anything.

ZEPHYR BREEZE (CONT'D)

Except find a place. I can still crash here for a few days, right?

END
