THE TIMES THEY ARE A CHANGELING

Premise by Michael Vogel

THEME: *A true hero doesn't seek glory, but does what is right.*

Twilight and Spike are visiting the Crystal Empire to check on Twilight's niece. Things are going fine until a group of frantic Crystal Ponies show up claiming they saw a CHANGELING in the empire! Before anypony can respond, one of the Crystal Ponies sees Spike and happily announces that they are saved!!! A great hero like Spike can definitely defeat a single Changeling!!! Spike isn't so sure, but he loves the attention and respect he gets in the Crystal Empire and doesn't want to let them down. He sets out to hunt down the Changeling. But when Spike finally discovers the Changeling he learns that the poor guy actually left the Changeling kingdom because he didn't like being evil and deceptive. He wants to be friends with Ponies! Spike (who is very relieved he didn't have to have an epic battle) rushes back with the good news, but is met with disbelief and mistrust. EVERYpony knows you can't TRUST a CHANGELING! Cadance is wary given what happened at her wedding. Even Twilight is skeptical. Spike believes the Changeling but realizes that if he takes his side, the Crystal Ponies may not think he's an awesome hero anymore! They might mistrust HIM too! Spike decides to have the Changeling pretend to be a Pony so that the others can get to know him and once they like him THEN he can reveal who he really is. Of course this goes terribly wrong and only results in proving the ponies point! There's no way to trust a creature that can change into anyone. But when something puts the royal princess in danger Spike and the Changeling jump into action and save the day! Everyone realizes that maybe he does deserve a chance... and the Crystal Empire gets its newest citizen
