SC. 2 - INT. FLUTTERSHY'S COTTAGE - SAME

DISCORD

Tea?

FLUTTERSHY

<Gasp>

DISCORD

Trendy coats, bedrolls,
saddlebags...Ooooh! A surprise
vacation for just the two of us? How
thoughtful. I hear Puerto Caballo is
lovely this time of year. Sand like
powdered sugar.

FLUTTERSHY

Umm..Princess Celestia is taking us
on an overnight goodwill tour of
Yakyakistan. I just found out.

DISCORD

<Gasp>. So what you're saying is... no
tea. Oh well, that's fine. I wasn't
thirsty anyway.

FLUTTERSHY

If you're looking for something to do,
you could spend the evening with Spike
and Big Mac.

DISCORD

Hahahahaha! Ha... uh... hmmm...

DISCORD (CONT'D)

You aren't kidding.

FLUTTERSHY

They're very nice. They have a "Top
Secret" thing they do whenever we
leave Ponyville-- although everypony
knows about it, so it's not a very good
secret. I think you'd have fun with
them.

DISCORD

"Fun?" With... sidekicks? Ohhhh...
you must think we're in a dimension
where everything is opposite.

DISCORD (CONT'D)

Da dee la! I'm Opposite Discord and I
want to "hang out" with Spike and Big
Mac! "I'm sure I'd have fun."

FLUTTERSHY

WELL GUESS WHAT, SASSAFRAS?! I'M
OPPOSITE FLUTTERSHY AND I'M SICK OF
BEING NICE AND QUIET ALL THE TIME!

DISCORD (CONT'D)
Let me explain it to you as simply as
I can. Me? Amazing. Them...well I've
already forgotten who we're talking
about. You see?

FLUTTERSHY
All I'm saying is... it's an
opportunity to expand your circle of
friends.
Unless you're afraid they won't like
you.

DISCORD
Oh please, don't stoop to tedious
reverse-psychology. You're better
than that.

FLUTTERSHY
It never hurts to make new friends.

DISCORD
Hmph. Consider it considered.

FLUTTERSHY
<GASP>

DISCORD (CONT'D)
Couldn't I just come with you instead?

SC. 3 - EXT. PONYVILLE TRAIN STATION - DAY

DISCORD
I suppose this is goodbye, then. Have
an absolutely fabulous voyage.

FLUTTERSHY
Discord...

DISCORD
Well it's not *my* fault the new train
route leads into an active volcano.
Guess you'll have to stay.

DISCORD (CONT'D)
Oh, you're no fun.

APPLEJACK
I got my bedroll, parka, unattractive
but functional hikin' boots. Uh
anything I forgot, Pinkie Pie...?
You're our resident Yakyakistan
expert.

PINKIE PIE

Nope! I brought Yeti food.
Did I forget to mention there's a
pony-eating Yeti on Frostfield
Glacier? We're gonna have so much fun!

RAINBOW DASH

Psh. If he messes with us, I'll turn
that Yeti into confetti.

APPLEJACK

Somepony's in an awful-quick hurry to
get us outta here.
Don't y'all have too much fun without
us.

TWILIGHT SPARKLE

I bet you boys have big plans. Right,
Spike?

SPIKE

I'm sure I don't know what you're
talking about.

SPIKE (CONT'D)

Although if I did, I certainly
wouldn't be allowed to discuss it with
you girls.

TWILIGHT SPARKLE

Bye-bye!

APPLEJACK

Bye y'all!

BIG MAC

<Whispering>

SPIKE

<Whispering> Well I don't know what to
say. I hope he comes, but I kinda
don't. What do you think?

BIG MAC

....Eyyyyyyyyyyup.

DISCORD

Fascinating article, yes, mmm...
Don't let them come over, please don't
let them come over, please don't let
them come over, please, please,
please ...

DISCORD (CONT'D)

Oh salutations, my friends! Wish I
could stay and chat, but... I don't
want to.

SPIKE

Wait—umm we were wondering... what are you up to tonight?

DISCORD

Nughhh... here we go.

SPIKE

Do you want to, I don't know... hang out? Is that like something you do?

DISCORD

Oh, "Twilight's Friend" and "Applejack's Monosyllabic Brother..." if only I weren't suuuuuuper busy this evening.

SPIKE (CONT'D)

...I guess Guys' Night will just be you and me.

DISCORD

A Guys' Night? You mean a rowdy evening of reckless reveille? ...Zoot suits, fedoras, swing dancing...

SPIKE

Eh, something like that. You should totally come! Three of us would be way better than two.

DISCORD

That does sound fun, actually.

SPIKE

Too bad you're busy.

DISCORD

Well I suppose I could squeeze you in if I moved a few very important ponies around.

June, honey? Be a dear, reschedule Luna and Cay-Cay?

That's what I call Princess Celestia. What a hoot.

In fact, clear the whole evening. Tonight is Guys' Night. These fellas invited me to spice things up and bring a little class to the whole affair.

DISCORD (CONT'D)

Tonight will be the best night of your lives... and not just because you get to bask in my greatness.

SPIKE

I do love basking in things. See you tonight!
...Twilight's castle. The fun starts promptly at sundown.

DISCORD
Technically the fun starts when I arrive, but I'll make sure it's around sunset. Adieu, fellas.

SC. 5 - INT. TWILIGHT'S CASTLE - MAP ROOM - SAME

SPIKE
And... we have sundown. Repeat: we have sundown.
I declare tonight's GUYS' NIGHT ceremonies officially... OPEN!

BIG MAC
EYUP!!!!!!

SPIKE
It's Guys' Night / aww yeah / havin' fun now / aww yeah.

BIG MAC
Eyup, eyup, eyup, eyup, oh yeah.

SC. 6 - INT. TWILIGHT'S CASTLE - MAIN ENTRANCE HALL - MOMENTS LATER

SPIKE
What the hay?

MINI-DISCORD
Announcing the much-anticipated arrival of the Spirit of Chaos and Disharmony, the Purveyor of Pandemoneum, Lord of Lawlessness, Earl of Turmoil, Bringer of Bedlam... Du-du-dun-dun-dunana DISCORD!!!

DISCORD
So shall we hop to it? I've made a list of the rowdiest establishments in Ponyville. It's... rather short.

SPIKE
Actually we're staying here. I hope you like... AWESOME GAMES!

DISCORD
Games! I love games. I'm great at games.

DISCORD (CONT'D)
Famous Ponies Charades?

DISCORD (CONT'D)
Oh this is an easy one. Who am I?

DISCORD (CONT'D)
Huh? Huhh...?

DISCORD (CONT'D)
OH COME ON!!!!!!!

SPIKE
Uh...I'm talking about a REAL game.

DISCORD
Oh, you mean like trapping best friend ponies in a hedge maze and turning them against each other. Those were the days...

SPIKE
Not exactly. Wait here.

DISCORD
Whatever it is, it can only get better by adding me to the mix.

SPIKE (O.S.)
Okay!!!

SC. 7 - INT. TWILIGHT'S CASTLE - MAP ROOM - MOMENTS LATER

SPIKE
In a world where evil reigns supreme, a small band of warriors stands tall against the darkness. This is... Ogres & Oubliettes.

DISCORD
<GASP>

SC. 8 - INT. TWILIGHT'S CASTLE - MAP ROOM - SAME

DISCORD
Oh this looks like--

SPIKE
--the best game ever? You're right!

DISCORD
Yesssss.

SPIKE
Ogres & Obliettes is a fantasy role-playing adventure game. Our

goal? Defeat the evil Squid Wizard, or as we call him (little snort laugh) "The Squizard."

SPIKE (CONT'D)
<Hahah> The Squizard has laid siege to the last free city in Spiketopia-- that's the name of the land. He's kidnapped a *beautiful* unicorn princess named Shmarity. Uh...which is like a normal name in Spiketopia, so, you know, don't think about it too hard...

DISCORD
Fear not. Your romantic delusions are safe with me.

SPIKE
First things first: you've got to create a character. Name?

DISCORD
How 'bout... "Discord."

SPIKE
The whole point of the game is you get to use your imagination and be someone you're not. I'm Garbunkle, a famous magician. Everyone treats me with the utmost respect.

DISCORD
Just like in real life.

SPIKE
Now, don't get jealous, but I'm a level 30 enchanter with major skill points assigned to intellect and perception.

DISCORD
Go on... I'm listening.

SPIKE
Big Mac's character is Sir McBiggun, a level 27 black knight unicorn from Castle Chadwick.

DISCORD
...I'm listening

SPIKE
When his king aligned himself with the Squizard, Sir McBiggun would not besmirch his honor.

BIG MAC

Enope.

DISCORD
.....I'm listening.

SPIKE
And so it came to pass... the magician
and black knight vowed to rid
Spiketopia of the evil Squizard.

SPIKE
So, your character's name...

DISCORD
I already have the best name in the
universe. Why would I change it for
something like Captain Wuzz?

SPIKE
Captain Wuzz it is!

SPIKE (CONT'D)
What class are you, Captain Wuzz?
There's archers, mages, rogues...

DISCORD
Can I suggest we take a break and, I
don't know, go out and have fun?
Ponyville's not going to paint *itself*
red.

SPIKE
You'll love it once we get started.
How about an archer?

DISCORD
Sounds just as miserable as the other
options, so fine.

SPIKE
"Sir McBiggun," are you prepared to
enter the world of Ogres & Oubliettes?

BIG MAC
Eyup.

SPIKE
Discord-- or should I say, "Captain
Wuzz," are you--!

DISCORD
Oh, get on with it.

SPIKE
We find ourselves trapped in the
dungeon of the evil Squizard. The bars
are locked tight.

SPIKE (CONT'D)
The bars exist...
...in our imagination.

DISCORD
Really, you describe things and then
we pretend it's real.

SPIKE
It is real...in our imagination.

SPIKE (CONT'D)
It's your turn first. What do you want
to do?

DISCORD
Curse myself for attending this
infern~~a~~l evening? Oh haha, oh you mean
in the game.

SPIKE
Well you can do whatever you want.
Then I roll this 20-sided die to see
if you're successful.

DISCORD
I stick my head through the bars and
demand for the immediate release of
the Lord of Chaos.

SPIKE
That's a big risk. You have to roll a
seventeen or higher to succeed.

SPIKE (CONT'D)
Ohhh. Bad idea. The guard gets mad.

DISCORD
This spell here... I transform him
into a parsnip.

SPIKE
You need eleven intelligent points to
cast a "Transform into Root
Vegetable" spell.

DISCORD
I'm not intelligent?! I cast it anyway
because this game is stupid.

SPIKE
The spell backfires...
...so your claws grow leaves and
transform into parsnips.

BIG MAC
Heheh. Parsnips.

SPIKE (CONT'D)
The guard laughs. He calls his friends
over and they laugh too.

BIG MAC/SPIKE
<Laughing>

DISCORD
Don't you laugh at ME, Big Mac! Does
it really say that? Let me see!

SPIKE
As you get angrier, everypony laughs
harder.

BIG MAC/SPIKE
<Laughing>

DISCORD
I seal Sir McBiggun in a magic bubble
until he stops laughing.

SPIKE
I told you, you can't do magic.

BIG MAC
Enope! Enope! Enope!

DISCORD
...Not intelligent enough, please...

SPIKE
Cut it out, Discord!

DISCORD
Oh, this game is insufferable! Let me
show you a real Guys' Night.

SC. 9 - INT. 1920'S STYLE PONY SPEAKEASY - SAME

DISCORD (CONT'D)
Ahhhhh, this is the life. Jazz,
dancing, the best table magic can buy.
This is what Guys' Night is all about,
am I right, fellas?

BIG MAC
Eyup!

SPIKE
I know you probably didn't do this on
purpose, but this table's the perfect
size and shape!

DISCORD
I don't think so. Let's have a drink.

DISCORD (CONT'D)
Chocolate milkshakes?

SPIKE
No, we want to go back to Ogres and-

DISCORD
Oh, how about a different game!?

DISCORD (CONT'D)
Ohhh, those are very bad cards.

SPIKE
Stop messing with us, we want--!

DISCORD
A dance contest?

DISCORD (CONT'D)
Surprise. We won.

SPIKE
DISCORD!!!

DISCORD
Yes...?

SPIKE
Look, we don't want to do these things. We want to play our game. If you don't want to play with us, you can... I don't know, sit and watch.

DISCORD
Sit? and watch?

DISCORD (CONT'D)
Fine! We'll play your game. ARE YOU READY TO ENTER THE WORLD OF OGRES & OBLIETTES!?

SC. 10 - EXT. GAME WORLD - DAY

SPIKE
Sir McBiggun?!

BIG MAC
EYUP!

SPIKE
And... I'm Garbunkle? That means...

SPIKE (CONT'D)
Sweetness! We're in the game! Check it out! Ka-ZAM!

SPIKE

It's Guys' Night / aww yeah / in the
game now / aww yeah.

BIG MAC
Eyup, eyup, eyup, eyup, oh yeah.

SPIKE
Discord! Where are you?! This is
great! You made the game real!

DISCORD (O.S.)
<Evil laugh> Yes... Aren't games
fun?!

SPIKE
Should we be worried he's using his
scary voice?

SQUIZARD
Behold... I AM THE SQUIZARD!

DISCORD
...Oh you're welcome.

SQUIZARD
...ATTACK!!!

SC. 11 - EXT. GAME WORLD - SAME

SPIKE
RUN!!!

DISCORD (O.S.)
You find yourself on a battlefield. A
barrage of arrows rains down on you.
If you roll a fifteen or higher, the
shield protects you. Fourteen or
lower, and, well, HAHA you get the
idea.

DISCORD (CONT'D)
Seventeen! Lucky you!

SC. 12 - INT. GAME WORLD - A CAVE - SAME

DISCORD
Boo.

SPIKE/BIG MAC
Ahhhhh!/Ahhhh!

SPIKE
Discord...!

DISCORD

Sir McBiggun, I'd cover the entrance
if I were you...

SPIKE
This isn't funny.

DISCORD
Isn't this what every gamer wants? To
live the game. Like this!

SPIKE
This kinda hurts. Like, real pain!

DISCORD
Oh how kind of you to notice. It's the
little details that really bring
alternate dimensions to life,
wouldn't you say?

SPIKE
Discord, this is awful!

SQUIZARD
Of course it is! Spiketopia will be
mine! And Rarity shall be my bride!
I mean... "Schmarity."

SPIKE
Why are you doing this?! You're the
worst!

DISCORD
If I'm the worst, then why did you
invite me?

SPIKE
Because we felt bad for you!

DISCORD
Because you-- WHAT!?

SC. 13 - INT. TWILIGHT'S CASTLE - MAP ROOM - NIGHT

SPIKE
We're okay. We're okay...! No thanks
to you, Discord!

DISCORD
YOU felt sorry for ME?!

SPIKE
Who wouldn't? Fluttershy told us you
practically begged her to stay, and
then you were just standing around,
all alone.

DISCORD

This can't be. I'm supposed to feel sorry for you. Because I'm me, and you're... you.

SPIKE
We only invited you to be nice. I mean, you're kind of a weirdo.

BIG MAC
Eeyup.

DISCORD
I ruined your night, and you don't even think I'm cool. Oh how embarrassing.

DISCORD (CONT'D)
I should go. I have a lot of... OTHER friends I need to see tonight.

SPIKE
Good.

DISCORD
Yes, sooooo many other friends.

DISCORD (CONT'D)
Farewell, Garbunkle the Magician and Brave Sir McBiggun. May providence smile upon thee and thy quest to rid Spiketopia of the dreaded Squizard. When I say it that way, the game doesn't sound half-bad. Oh well.

SPIKE
<Sigh>...It's better this way, right?

BIG MAC
Eyup.

SPIKE
Because now he can't bother us cause he's off somewhere by himself... all alone. With no friends.

BIG MAC
.....Eyup.

SPIKE
We find ourselves in the dungeon of the evil Squizard. The bars are locked, and oh who am I kidding... we should give him another chance.

SPIKE (CONT'D)
<AHM> Captain Wuzz!? Can you hear me?!

DISCORD
Oh you realized how amazing I am and
that I make you cooler just by being
around me?

DISCORD (CONT'D)
Uh no, no, actually that's not what I
meant to say...

DISCORD (CONT'D)
(mumble mumble)

SPIKE
What...?

DISCORD
I'm... (mumble....mumble).

SPIKE
We can't hear you.

BIG MAC
Enope.

DISCORD
I'm trying to say *I'm* sorry, alright?
I'm sorry for ruining your game, and
I'm sorry I thought I was better than
you. Now let's play before this
evening gets any sappier, shall we?

BIG MAC
Eyup. <Whisper>

SPIKE
Huh? Yeah, yeah okay!

SPIKE (CONT'D)
What if we forgot the board and the
pieces for a minute.

SPIKE (CONT'D)
I mean, the whole "game coming to
life" was completely terrifying, but
also kinda the best thing ever. So, uh
Big Mac and I were wondering... what
if you toned it down just a teensy bit?

SC. 16 - EXT. GAME WORLD - DAY

MANE 6
<Chattering> And then I was
like!/Huh?

SPIKE
I've got your back, Captain Wuzz!

TWILIGHT SPARKLE
I don't know what's going on, but why
do I feel like it has something to do
with Discord...?

SQUIZARD
<Evil laughing>

DISCORD
Garbunkle, follow my lead!

SPIKE
Bullseye!

DISCORD
Nice one!

DISCORD/SPIKE/BIG MAC
It's Guys' Night / aww yeah / havin'
fun now / aww yeah.

TWILIGHT SPARKLE
We should just close the door and let
them finish... whatever this is.

RAINBOW DASH
No way! Did you see Big Mac's sword!
I totally want in!

PINKIE PIE
Yeah, I don't know what it is, but it
looks like super-duper fun!

RAINBOW DASH/PINKIE PIE
GUYS' NIGHT!!!

END
