

MY LITTLE PONY 6

Episode 621 / 403-621

"Every Little Thing She Does"

Written by
Michael Vogel

As Broadcast Script: June 17, 2016

Kelly Sheridan as STARLIGHT GLIMMER
Tara Strong as TWILIGHT SPARKLE
Ashleigh Ball as APPLEJACK, RAINBOW DASH
Cathy Weseluck as SPIKE
Tabitha St. Germain as RARITY
Andrea Libman as PINKIE PIE, FLUTTERSHY

SC. 2 - INT. TWILIGHT'S LIBRARY - CONTINUOUS

STARLIGHT

<Yawn>

TWILIGHT

I've prepared a full day of spells.
You've been doing great but now it's
time for a real challenge.

STARLIGHT

Oh it is on. Where do we begin?

TWILIGHT

Teleportation. Multiple locations.
Try to keep up.

TWILIGHT (CONT'D)

Transfiguration!

TWILIGHT (CONT'D)

SHIELDS!

STARLIGHT

Whoo! I am on FIRE! What's next??

TWILIGHT

Maybe there is such a thing as too much
studying.

SC. 3 - INT. TWILIGHT'S CASTLE LIBRARY - DAY

STARLIGHT

As you know, speed spells like
Accelero are not easy. But if done
correctly, they can allow you to be
much more efficient with your day.

SPIKE

Way to go Starlight!

STARLIGHT

Oh, I'm not finished. I've discovered
a very old spell, Similo Duplexus.
When combined with Accelero in just
the right way...

ALL STARLIGHTS

You can literally be in two places at
once!

STARLIGHT

NOW I'm finished.

TWILIGHT

I have to admit, your skills with magic really are nothing short of amazing. I'm very impressed.

STARLIGHT
I've always been something of a natural.

TWILIGHT
However...It doesn't look like you've tackled any friendship lessons since you met Trixie?

STARLIGHT
Are you sure? I could have sworn there were a couple in there somewhere.

TWILIGHT
I'm sure.

STARLIGHT
I see. Well I'm really quite busy this week... so many commitments... I'll try to find some time in my --

TWILIGHT
No time like the present!

TWILIGHT
Spike and I are headed to Canterlot. Princess Celestia wanted me to give her students a quick overview on the history of enchanted objects in Equestria.

TWILIGHT (CONT'D)
We'll be back after the presentation, which should be--

SPIKE
20 moons from now?

TWILIGHT
Tonight. It's a quick presentation.

SPIKE
Sure. Keep tellin' yourself that.

TWILIGHT
You can tackle a friendship lesson today and we can review your progress when I get back later this evening.

STARLIGHT
Of course! No problem. Friendship lesson. On it!

TWILIGHT

Great! Can't wait! Now Spike, help me color code these cards according to time, place and object.

SC. 4 - INT. STARLIGHT'S BEDROOM - CONTINUOUS

SPIKE

Hey! Twilight and I are about to head to Canterlot. Just checking to see if you need anything before we left?

STARLIGHT

Nope! Not at all! I'm good here. Not good. Great. Not a problem in the world.

SPIKE

Uh-huh.

SPIKE (CONT'D)

So... what are you doing exactly?

STARLIGHT

I was... just trying to decide which friendship lesson I was going to tackle while you two were in Canterlot!

STARLIGHT (CONT'D)

Oh, yup. Right here. Where I just left them a second ago!

SPIKE

Bake a cake with Pinkie Pie, scrapbook with Applejack, sew with Rarity...

SPIKE (CONT'D)

...Help an animal with Fluttershy, chillax with Rainbow Dash? What is chillaxing?

STARLIGHT

No idea.

SPIKE

You know. If you're nervous about your friendship lessons it's totally okay to say so.

STARLIGHT

NERVOUS?! ME! HAHAHA. Oh Spike. You really are hilarious. You think I'm nervous that I'm going to fail something as simple as baking a cake?

SPIKE

Well, if you were it would be--

STARLIGHT
Silly. Twilight just said how impressed she was that I combined a speed spell and a duplication spell. THAT was a challenge. These? Ha! I could combine all five of these at the same time without breaking a sweat!

SPIKE
I think maybe you're missing--

STARLIGHT
An opportunity to really impress Twilight? Great idea Spike. I'm gonna get right on that. Good talk!

SPIKE
And I thought Twilight was the master of the freak out.

SC. 5 - INT. TWILIGHT'S CASTLE FOYER - CONTINUOUS

STARLIGHT
... So with your help I figure these should be done in no time!

APPLEJACK
Are you sure this is what Twilight would want? Seems like you might wanna take your time with each of these.

STARLIGHT
But by working as a team, we can get them done faster. And isn't teamwork a key factor in friendship?

APPLEJACK
I guess...

STARLIGHT
Super! Pinkie Pie, since we're baking you will be in the kitchen. Rarity, Applejack you two can set up in the library--

RARITY
Oh, I don't know that the dusty old library has the proper lighting. Perhaps we can stay out here in the foyer?

STARLIGHT
I thought that Fluttershy and I could work with the animals right here in the foyer.

FLUTTERSHY
Oh, um, whatever you think is best.

STARLIGHT
Great. Now, Rainbow Dash--

FLUTTERSHY
But it might depend on the animal. For instance, this poor little eagle with a sprained wing might be better off up in one of the towers.

STARLIGHT
Yeah, yeah, yeah sure. --

FLUTTERSHY
And these adorable chipmunks might prefer a nook somewhere. Maybe if you spent some time getting to--

STARLIGHT
In a minute Fluttershy.

RAINBOW DASH
Uh I don't know if we can chillax properly in the castle. We need very specific conditions for optimal chillaxing.

STARLIGHT
Oh. I just assumed chillaxing could happen anywhere?

RAINBOW DASH
Shows what you know about chillaxing. Let me do some location scouting.

STARLIGHT
O-kay.
It seemed most efficient to start with the scrapbooking so we could just get it out of the --

PINKIE PIE
Ooo! Ooo! Ooo! Ooo! Can we start with me? We're gonna need time for the cake to bake! After all...

PINKIE PIE (CONT'D)
It's a piece of cake to bake a pretty cake--

STARLIGHT
--Ahhhh... we're on a schedule. No time for a song. We can start with baking. THEN--

RARITY

We can't design dresses after you've been baking with Pinkie. She can be a bit messy.

STARLIGHT

FINE. We can start with the dresses and THEN--

APPLEJACK

While y'all figure that out, I'm gonna start layin out the pictures for scrapbookin. We've got a whole lot of time to cover.

STARLIGHT

How much is a whole lot?

APPLEJACK

We've got at least 80 moons worth of memories to go through!

STARLIGHT

80 moons!?

RAINBOW DASH

There is NOWhere to chillax in this castle. We're gonna have to set up somewhere else!

ALL

<Mumbled voices talking over each other>

STARLIGHT

Could you all excuse me for one second?

RAINBOW DASH

Wow. That pony really needs to chillax.

SC. 6 - INT. TWILIGHT'S CASTLE LIBRARY - CONTINUOUS

STARLIGHT

<Deep breathing> Okay Starlight. You've got this. A handful of friendship lessons is nothing compared to the spells you've mastered.

STARLIGHT (CONT'D)

Maybe if I cast a little spell to help things along? Something simple and safe. Fiducia Compelus? That's not bad. They would barely notice it. But is it enough? Maybe Cogeria so they are more open to suggestion? Or MAYBE

Cogeria combined with Fiducia
Compelus!! Yes... that could work
nicely. Oh, with a hint of Persuadere
to be sure it sticks.

STARLIGHT (CONT'D)
Everypony will probably thank me for
getting it all done so quickly. And
Twilight will be thrilled I've
completed so many lessons. Everypony
wins!

STARLIGHT (CONT'D)
Congratulations Starlight, you're a
genius.

SC. 7 - INT. TWILIGHT'S CASTLE FOYER - CONTINUOUS

STARLIGHT
<Gasp>. Maybe the congratulations
were a little premature.

SC. 8 - INT. TWILIGHT'S CASTLE FOYER - CONTINUOUS

STARLIGHT
Cogeria... Persuadere...Fiducia...

STARLIGHT (CONT'D)
Oh of course! Fiducia Compelus needs
a trigger! PONIES! HEAR MY VOICE AND
LISTEN.

STARLIGHT (CONT'D)
Pinkie, kitchen. Rarity, Applejack,
library. Fluttershy, stay here.
Rainbow Dash, find somewhere INSIDE
the castle and set up a place where we
can chillax.

ALL
Okie-Dokie./ Sounds good sugarcube./
Ah yea!/ On my way dear./Yay.

SC. 9 - INT. TWILIGHT'S CASTLE KITCHEN - CONTINUOUS

STARLIGHT
Let's get to work Pinkie!

PINKIE PIE
Okie-Dokie. What would you like to do
first?

STARLIGHT
Uh. What are we supposed to do first?

PINKIE PIE
Whatever you want to do first
Starlight Glimmer.

STARLIGHT
In a medium sized mixing bowl, beat
together eggs, sugar and two
teaspoons of vanilla...

STARLIGHT (CONT'D)
Mix in flour...

STARLIGHT (CONT'D)
Add baking soda, salt and cinnamon.

STARLIGHT (CONT'D)
I think you can take it from here.

PINKIE PIE
Take what from where?

STARLIGHT
The baking. Just keep following the
instructions in the book until I get
back?

PINKIE PIE
Absotively! Instruction following
starting... NOW.

SC. 10 - INT. TWILIGHT'S CASTLE LIBRARY - CONTINUOUS

STARLIGHT
Baking a cake, check! Now on to
sewing. What did you have in mind
Rarity?

RARITY
Whatever you want me to have in my mind
Starlight Glimmer.

STARLIGHT
Can you make a dress exactly like that
one?

RARITY
JUST like this one?

STARLIGHT
Just like it.

RARITY
Absolutely! It will look perfectly
divine!

STARLIGHT
That's a whole lot of photos. How do you usually organize them?

APPLEJACK
However you want me to organize them Starlight.

STARLIGHT
Ok. Tell me about this one?

APPLEJACK
Sweet Apple Acres. 20 moons ago. Granny Smith was looking for her favorite pie tin. She looked in the kitchen, but it wasn't there. She looked in the barn, but it wasn't there--

STARLIGHT
I don't need every little detail. Just sum up the story in one sentence.

APPLEJACK
Turns out Granny didn't know HOW to make a pig do the backstroke.

STARLIGHT
Uh-huh. Why don't you keep putting these photos in chronological order and when I come back you can give me more highlights?

APPLEJACK
Sure thing Starlight Glimmer.

SC. 11 - INT. TWILIGHT'S CASTLE FOYER - CONTINUOUS

STARLIGHT
Fluttershy where are all the animals?

FLUTTERSHY
They ran away.

STARLIGHT
And why didn't you stop them?

FLUTTERSHY
Because you didn't ask me to.

STARLIGHT
Obviously I wanted you to-- nevermind. Can you please round up all the animals in the castle and bring them back here to the foyer.

FLUTTERSHY

All the animals. Got it.

STARLIGHT
Did you find a place to chillax
Rainbow Dash?

RAINBOW DASH
Sure thing Starlight Glimmer.

STARLIGHT
Great. Let me know when it's ready.

RAINBOW DASH
Yes Starlight Glimmer!

SC. 12 - INT. TWILIGHT'S CASTLE LIBRARY - CONTINUOUS

APPLEJACK
Granny knew she was gonna need a
bigger boat.

APPLEJACK (CONT'D)
So Goldie Delicious says, "If you can't
say anything nice about anypony...
come sit by me!"

APPLEJACK (CONT'D)
Big Mac knew if he just covered
himself in mud, the creature wouldn't
be able to see him.

RARITY
Starlight Glimmer I have finished the
dress! Isn't it gorgeous?

STARLIGHT
What is that?

RARITY
You wanted me to make a dress exactly
like the one in the book.

STARLIGHT
Go make a REAL dress out of fabric
exactly like the one in the book.

RARITY
Ahhhh. I see. Yes, of course Starlight
Glimmer.

STARLIGHT
Rarity! Make it BIGGER than the one in
the book.

RARITY
Of course darling. Bigger it is.

APPLEJACK
She was just a pony, standing in front
of another pony, asking him to love
her.

SC. 13 - INT. TWILIGHT'S CASTLE KITCHEN - CONTINUOUS

STARLIGHT
Pinkie, what are you doing?!

PINKIE PIE
Following all of the instructions in
the cookbook in order Starlight
Glimmer!

STARLIGHT
I meant just the ONE cake! I was only
gone a few minutes! How in Equestria
did you get all of this done so fast?

PINKIE PIE
First I combined three eggs, then--

STARLIGHT
I think the baking lesson is done.

STARLIGHT (CONT'D)
Oh...what now.

APPLEJACK
They can take our farm, but they can't
take our freedom!!

SC. 14 - INT. TWILIGHT'S CASTLE FOYER - CONTINUOUS

STARLIGHT
<Gasp!> What's going on?

FLUTTERSHY (O.S.)
I've gathered all of the animals like
you asked Starlight Glimmer.

RARITY
Oh yes this will do nicely. A MUCH
bigger dress!!

APPLEJACK
It was the best of apples, it was the
worst of apples.

STARLIGHT
I can handle this. It's just magic and
I know magic.

STARLIGHT (CONT'D)
What's that?

PINKIE PIE
Nh Kks R Bnyn! Oo lft vns n!

STARLIGHT
What did you say?

PINKIE PIE
The cakes are burning! You left the
ovens on!

STARLIGHT
We need water!

RAINBOW DASH
Yes, Starlight Glimmer.

STARLIGHT
Storm clouds?!

APPLEJACK
Big Mac told me, with a whole lotta
power comes a heckuva lot of
responsibility.

STARLIGHT
This can't get any worse.

TWILIGHT
WHAT IS GOING ON!?

SC. 15 - INT. TWILIGHT'S CASTLE KITCHEN - LATER

SPIKE
I had no idea we had spiders in the
castle. I'm never sleeping again.

STARLIGHT
Maybe if I had reversed the Fiducia
Compelus and Cogeria. Or maybe I added
too much Persuadere...

STARLIGHT (CONT'D)
What?

SPIKE
You're really missing the point here.

TWILIGHT
I finally untangled that mess of a
spell and got everypony home. It was
really powerful stuff. They're gonna
feel that in the morning.

TWILIGHT (CONT'D)
Now, please try to explain to me how
in the name of Celestia things got
this out of control?

STARLIGHT

Well... It was the first time I cast that particular spell and I didn't fully think it through. I bet if I had reversed--

TWILIGHT

I think you might be missing the point here.

SPIKE

Told ya.

TWILIGHT

What made you think that casting a spell on your friends to do your bidding was even remotely a good idea?

STARLIGHT

Well when you put it that way it sounds really bad.

TWILIGHT

That's because it IS really bad!

TWILIGHT (CONT'D)

Starlight. I'm not mad at you. But I am disappointed. You've been doing so well. I just don't understand how a friendship lesson turned into all of this?

STARLIGHT

Uuuuuuuuuuugh. Fiiiiiine. I've been avoiding the friendship lessons on purpose.

TWILIGHT

Why?

STARLIGHT

I can cast complex spells. But baking a cake with Pinkie Pie freaks me out. And yes I KNOW how ridiculous that sounds. That's why I didn't say anything. I thought if I just kept wowing you with my magical abilities you might just... not notice.

TWILIGHT

Baking a cake freaks you out?

STARLIGHT

Yes! Baking a cake, sewing. All of it. What if I was bad at it? I didn't want to be a disappointment to anypony and I ended up being a disappointment to everypony.

TWILIGHT
Starlight. Do you think anypony cares
if you can bake a cake?

STARLIGHT
But the lesson--

TWILIGHT
Was to get to know Pinkie Pie better
by doing something she loves. It was
a friendship lesson, not a baking
lesson.

STARLIGHT
Oh.

STARLIGHT (CONT'D)
You know I think I might have missed
the point here.

TWILIGHT & SPIKE
Told ya.

STARLIGHT
So now what?

TWILIGHT
Now it's time for a pretty advanced
friendship lesson. It's called
apologizing.

SC. 16 - EXT. PONYVILLE - THE NEXT MORNING

APPLEJACK
I dunno what kinda whammy Starlight
put on us, but I feel like I got shoved
through the super speedy cider
squeezy 6000.

RAINBOW DASH
Tell me about it.

RARITY
If everypony could speak in a whisper
for the next few days that would be
delightful. My head is thumping.

FLUTTERSHY
I was up all night calming the animals
down.

RARITY
Fluttershy please! Not so loud.

PINKIE PIE

Starlight's spell made me burn
perfectly good cake! I NEVER burn
cake!

STARLIGHT (O.S.)
Yea, about that...

STARLIGHT (CONT'D)
Things got a little out of hand last
night.

APPLEJACK
Ain't that the understatement of the
day.

PINKIE PIE
Tell it to the cakes sister!!

RARITY
Can we all PLEASE argue at a lower
volume?

STARLIGHT
I really messed up. I cast the spell
because I was nervous about working
with you on the friendship lessons.

RAINBOW DASH
Well here's a friendship lesson for
you. Don't cast spells on your
friends!!

STARLIGHT
Believe me I know. What I did was wrong
and I can't take it back. You're right
to be upset and I hope one day I can
make it up to you. But all I can say
is I'm sorry. Now if you'll excuse me,
I've got to go clean the castle
covered in wet cake batter and
spiders.

RAINBOW DASH
That was a pretty good apology.

FLUTTERSHY
It seems like she feels really bad.

APPLEJACK
Hey Starlight! Most of the Apple
family photos are still laying around
in the wreckage, I think I'll come
along and hunt em down.

FLUTTERSHY
Oh! And I feel awful for disturbing
all of those cute little spiders and
bats. I should check on them.

RARITY
Ah yes. And I left some lovely fabric
out, I should come move it to that nice
quiet library.

RAINBOW DASH
Uh, I'll come get those storm clouds
out of the bathroom.

PINKIE PIE
Fine! Somepony has to bake a cake to
honor all of the poor cakes that
sacrificed their batter in last
night's tragedy.

SC. 21- INT. TWILIGHT'S CASTLE FOYER - LATER

TWILIGHT
It seems your apology went well?

STARLIGHT
I'm just lucky to have such
understanding friends. But it's
probably going to be a while before I
try to tackle those friendship
lessons again.

TWILIGHT
What do you mean? You've been doing
them all day!

STARLIGHT
What are you talking about? I've been
cleaning up the mess I made by totally
failing at friendship.

TWILIGHT
Really? But didn't I see you sewing
with Rarity?

STARLIGHT
Yes but--

TWILIGHT
And you and Applejack did a great job
collecting those photos and putting
them in the book.
Helping animals with Fluttershy,
baking with Pinkie Pie.
Those sound like your assignments to
me. In fact I think there's just one
that you're missing.

SC. 22 - EXT. TWILIGHT'S CASTLE TOWER - LATE AFTERNOON

STARLIGHT

Sun? Check. Chairs? Check. And thanks to a simple catadupa levitata spell, we've got water! Is that everything we need to chillax?

RAINBOW DASH

Nope.

STARLIGHT

No? What did I miss?

RAINBOW DASH

Quiet.

STARLIGHT

Ah. Right.

TWILIGHT

Great job Starlight. Looks like you've completed another friendship lesson.

RAINBOW DASH

Hey! She completes the lesson when I say she completes it. So less learning and more chillaxing!

STARLIGHT

So how long do we sit quietly?

THE END
