TEASER

SC. 1 - EXT. PONYVILLE - MORNING

Dawn in Ponyville. In The distance a rooster crows at Sweet Apple Acres. Princess Celestia regally lifts the sun into the air and soars over the town, passing high above Twilight's castle as she goes.

SC. 2 - INT. TWILIGHT'S LIBRARY - CONTINUOUS

STARLIGHT GLIMMER stands yawning in the library as TWILIGHT SPARKLE excitedly goes through a checklist.

1 STARLIGHT
 (yawning)
Did we really need to start the
second Celestia flew over the
castle? It's so early!

2 TWILIGHT
It's gonna be fun! We've got the
whole day free to practice
spellwork. And there's no such
thing as too much studying! Now
let's get started!

Twilight fires up her horn. Starlight yawns again and follows suit.

3 TWILIGHT (CONT'D)
First up! Teleporting to multiple
locations!

Starlight yawns one more time, then aims her horn at a watermelon and BAMF, it disappears. She aims her horn at an empty table and BAMF six slices of watermelon appear.

4 TWILIGHT (CONT'D)
FANTASTIC! Now transfiguration!

Starlight grins and wakes up a bit. She aims at a book and BAMF it turns into a teacup.

5 TWILIGHT (CONT'D)
Impressive!

CUT TO:

LATER

6 TWILIGHT
Potions!

Angle on: Starlight confidently mixes multiple bottles in a cauldron. The smoke pours out in complex patterns.

CUT TO:

LATER

7 TWILIGHT
SHIELDS!

Twilight fires a blast from her horn that Starlight easily blocks with a shield.

CUT TO:

LATER

Twilight is clearly getting exhausted.

8 TWILIGHT
Scrying.

Starlight fires her horn and a smoky mirror-like image appears of Pinkie Pie bouncing through Ponyville. We see her Pinkie sense fire up and she looks around.

9 PINKIE PIE
Oooooo... somepony is watching me!
I just know it!

CUT TO:

LATER

Twilight yawns. She's exhausted. Starlight is amped and ready.

10 STARLIGHT
What's next?

11 TWILIGHT
We've gone through my whole list
for the day. What time is it?

12 STARLIGHT
It's not even noon yet! We have
plenty of time to practice more
spells!

*
*
*
*

ANGLE ON: Twilight looks completely wiped out.

*

13 TWILIGHT
Maybe there is such a thing as too
much studying. How about we
practice naptime?

ACT ONE

SC. 3 - INT. TWILIGHT'S CASTLE LIBRARY - DAY

TWILIGHT SPARKLE and SPIKE both sit at a table and watch as
Starlight stands facing them. The area around Starlight is a
mess, books piled everywhere, scrolls and quills on the
table, etc.

*
*
*

14 STARLIGHT
As you know, speed spells are not
easy. But if done correctly, they
can allow you to be much more
efficient with your day.

*
*
*
*

Starlight powers up her horn and starts to vibrate. Suddenly
a Starlight colored blur streaks around the room. The books
get put away, the scrolls stacked, the quills organized.
Starlight comes to a stop in front of them, mane slightly
askew. The library around her is spotless. Spike jumps up and
cheers

*
*
*
*
*

15 SPIKE
Way to go Starlight!

16 STARLIGHT
(grinning)
Oh, I'm not finished. I've
discovered that if you combine a
basic speed spell with a
multiplicity spell in just the
right way...

*
*
*
*
*
*

Starlight powers up her horn again, clearly working harder
this time.

The Starlight colored blur starts racing around the room.
Suddenly multiple Starlights pop up all over the place.

*
*

17 ALL STARLIGHTS
(in unison)
You can literally be in multiple
places at once!

*
*
*
*

The Starlight colored blur races around collecting Starlights
and rushes to the front of the room. A single Starlight
stands and bows.

*
*
*

Spike jumps up, but pauses before he cheers and looks
questioningly at Starlight.

18 STARLIGHT
NOW I'm finished.

*

19 SPIKE
Way to go Starlight!!

Twilight leaps forward.

*

20 TWILIGHT
WOW! That's amazing Starlight! I
never would have thought to combine
those two spells!!

*
*
*

21 STARLIGHT
(beaming)
Thank you!

Twilight looks over some notes in front of her.

22 TWILIGHT
Transfiguration, teleportation,
scrying, all executed perfectly.
Not to mention how you wowed me
with your potions work.

*
*

23 STARLIGHT
It's all about getting the
measurements exactly right.

Twilight flips through several more pages.

24 TWILIGHT
Your studies are coming along
nicely. But, It doesn't look like
you've tackled any friendship
lessons since you met Trixie?

25 STARLIGHT
(nervously)
Are you sure? I could have sworn
there were a couple in there
somewhere.

26 TWILIGHT
I'm pretty good when it comes to
note taking. I'm sure.

27 STARLIGHT
Well, I will have to get on that.
I'll try to find some time in my --

*

28 TWILIGHT
No time like the present!

*

29 STARLIGHT
What?

30 TWILIGHT
Spike and I are headed to
Canterlot. Princess Celestia wanted
me to give her students a quick
overview on the history of
enchanted objects in Equestria.

Twilight motions to a ridiculously giant stack of books,
papers and notecards.

31 TWILIGHT (CONT'D)
We'll be back after the
presentation, which should be--

32 SPIKE
(examining Twilight's
stack of papers)
20 moons from now?

33 TWILIGHT
(annoyed)
Tonight.
(then to Starlight)
It's a quick presentation.

34 SPIKE
Sure. Keep tellin' yourself that.

*

35 TWILIGHT
(to Starlight)
You can tackle a friendship lesson
today and we can review your
progress when I get back **later this
evening.**

*

*

36 STARLIGHT
(forced)
Of course! No problem. Friendship
lesson. On it!

37 TWILIGHT
Great! Can't wait! Now Spike, help
me color code these cards according
to time, place and object.

Spike sighs heavily. As Twilight and Spike focus on the
presentation stack, Starlight's confident expression falters.
Off her worried look we...

FADE TO:

SC. 4 - INT. STARLIGHT'S BEDROOM - CONTINUOUS

Starlight sits on her bed, trying to read a book. She
fidgets, clearly distracted. She tosses the book against the
wall and falls back dramatically on the bed.

38 STARLIGHT
Ugh.

A KNOCK at the door. Starlight jumps up and tries to look
busy at her desk

*
*

39 STARLIGHT (CONT'D)
Come in!

*

Spike pokes his head in.

40 SPIKE
Hey! Twilight and I are about to
head to Canterlot. Just checking to
see if you needed anything before
we left?

*
*
*

41 STARLIGHT
Nope! Not at all! I'm good here.
Not good. I'm great. Not a problem
in the world at all.

*
*
*

42 SPIKE
(not buying it)
Uh-huh.

*
*

Spike casually walks into the room.

*

43 SPIKE (CONT'D)
So... what are you doing exactly?

*

44 STARLIGHT

I was just trying to decide which
friendship lesson I was going to
tackle while you two were in
Canterlot!

*
*
*
*

Starlight motions to the corner. There's a HUGE stack of
notecards.

*
*

45 SPIKE

Whoa.

Spike carefully pulls out a handful of lesson cards. He reads
the cards.

*

46 SPIKE (CONT'D)

Bake a cake with Pinkie Pie,
scrapbook with Applejack, sew with
Rarity... these don't seem too bad.

*
*

47 STARLIGHT

(forced)

Not at all. They sound delightful.

*
*
*

Spike glances at Starlight. She smiles broadly. He continues
reading.

*
*

48 SPIKE

...Help an animal with Fluttershy,
chillax with Rainbow Dash? What is
chillaxing?

*
*
*

49 STARLIGHT

(more forced)

No idea. But I'm sure it's just
great.

*
*
*

Spike stares suspiciously at Starlight. She smiles even more
broadly than before. Awkward beat.

*
*

50 SPIKE

You know. If you're nervous about
your friendship lessons it's
totally okay to say so.

*
*
*

Starlight magically pulls all of the lessons out of Spike's
claws.

51 STARLIGHT

NERVOUS?! ME! HAAAAHA. Oh Spike. You
really are hilarious. I've been
nailing all of my lessons with
Twilight. I mean, bake a cake?
Sewing?

*
*
*
*
*
*

(MORE)

STARLIGHT (CONT'D)

How is that hard compared to the
complex spells I've been casting?

*
*

52 SPIKE

Just because--

*
*

53 STARLIGHT

Because they are so much easier?
Exactly! I totally agree. In fact,
they are so easy I could probably
tackle all five of these at the
same time!

*
*
*
*
*

54 SPIKE

Sure, I guess you could if you
wanted to.

*
*
*

Beat as Starlight realizes she's backed herself into a
corner.

*
*

55 STARLIGHT

Why wouldn't I want to do all five!
That way I don't even have to
decide! Good idea Spike. I'm gonna
get right on that. Great talk!

*
*
*
*
*

Starlight marches out with the cards Spike puled. Spike sits
there for a beat.

*
*

56 SPIKE

And I thought Twilight was the
master of the freak out.

*
*
*

FADE TO:

SC. 5 - EXT. TWILIGHT'S CASTLE - DUSK

*

57 STARLIGHT (O.S.)

I was having SUCH a hard time
choosing which one to do first...

*
*
*

CUT TO:

SC. 6 - INT. TWILIGHT'S CASTLE FOYER - CONTINUOUS

RARITY, RAINBOW DASH, APPLEJACK, PINKIE PIE and FLUTTERSHY
stand in the Foyer. Rarity has sewing supplies, Rainbow Dash
has a crate of what looks like beach gear, Applejack has a
photo album and boxes of photos, Pinkie Pie has baking
supplies and Fluttershy is accompanied by a random menagerie
of animals. Starlight addresses them.

*

58 STARLIGHT

... And they all sounded SO much fun that I figured, why complete ONE lesson when completing FIVE lessons is even more impressive? I thought we could do them all right here in the castle!

*
*

59 APPLEJACK

Are you sure this is what Twilight would want? Seems like you might wanna take your time with each of these.

60 STARLIGHT

But by working as a team, we can get them done faster. And isn't teamwork a key factor in friendship?

61 APPLEJACK

I guess...

62 STARLIGHT

Super! Pinkie Pie, since we're baking you will be in the kitchen. Rarity, Applejack you two can set up in the library--

63 RARITY

Oh I don't know that that dusty old library has the proper lighting. Perhaps we can stay out here in the foyer?

64 STARLIGHT

I thought that Fluttershy and I could work with the animals right here in the foyer.

Fluttershy is rounding up the animals.

65 FLUTTERHOLLY

Whatever you think is best.

66 STARLIGHT

Great. Now, Rainbow Dash--

67 FLUTTERSHY

But it might depend on the animal. For instance, this poor little eagle with a sprained wing might be better off up in one of the towers.
(MORE)

FLUTTERSHY (CONT'D)

And these adorable chipmunks might
prefer a nook somewhere. Maybe if
you spent some time *getting to--*

*

68 STARLIGHT

Yes, sure. In a minute Fluttershy.
Now --

*

69 RAINBOW DASH

(looking around)

I don't know if we can chillax
properly in the castle. We need
very specific conditions for
optimal chillaxing.

70 STARLIGHT

Oh. I just assumed *chillaxing could
happen anywhere?*

*

*

71 RAINBOW DASH

Shows what you know about
chillaxing. Let me do some location
scouting.

Rainbow Dash flies upstairs to inspect the castle.

72 STARLIGHT

O-kay.

(turning to Applejack)

It seemed most efficient to start
with the scrapbooking so we could
just get it out of the --

73 PINKIE PIE

Ooo! Ooo! Can we start with me?
We're gonna need time for the cake
to bake! After all...

MUSIC UP: Pinkie starts to sing.

74 PINKIE PIE (CONT'D)

*The time it takes to bake a cake
Is time well spent for--*

Starlight interrupts Pinkie.

75 STARLIGHT

--We're on a schedule. No time for
a song. *We* can start with baking.
THEN--

*

*

76 RARITY
We can't design dresses after
you've been baking with Pinkie. She
can be a bit messy.

*

Angle on: Pinkie, who is already eating icing out of a can.
Her mouth is covered with it.

77 PINKIE PIE
It's true!

78 STARLIGHT
FINE. We can start with the dresses
and THEN--

79 APPLEJACK
While y'all figure that out, I'm
gonna start layin out the pictures
for scrapbookin. We've got a whole
lot of time to cover.

80 STARLIGHT
How much is a whole lot?

81 APPLEJACK
Granny's been slackin We've got at
least 80 moons worth of memories to
go through!

82 STARLIGHT
80 moons!?

Rainbow Dash flies down the stairs.

83 RAINBOW DASH
There is NOWhere to chillax in this
castle. We're gonna have to set up
somewhere else! We need some shade,
some water--

All of the ponies start talking at once. Starlight looks
annoyed.

*

84 STARLIGHT
(forced politeness)
Could you all excuse me for one
second?

Starlight backs out and heads into the library. Beat.

85 RAINBOW DASH
That pony really needs to chillax.

SC. 7 - INT. TWILIGHT'S CASTLE LIBRARY - CONTINUOUS

Starlight stands alone in the library taking a few deep breaths.

*
*

86 STARLIGHT
This would be so much easier if they would all just do what I told them to do! Okay Starlight. You've got this. A handful of friendship lessons is nothing compared to the spells you've mastered.

*
*
*
*
*
*
*

Starlight brightens.

*

87 STARLIGHT (CONT'D)
That's it! Maybe if I cast a little spell to help things along? No harm there right? Just a little something to make things go a bit more smoothly. Maybe an obedience spell? No, that's too intense. Oh but if you went with a trust spell so that they went along with your suggestions and just a DASH of obedience? Yes... that could work. And maybe a hint of persuasion.

*
*
*
*
*
*
*
*
*
*
*

She powers up her horn. Several different colors of light swirl around her, mix together and then shoot out into the foyer.

*
*
*

88 STARLIGHT (CONT'D)
That should do nicely. They'll barely notice a thing.

*
*

Starlight heads into the foyer.

SC. 8 - INT. TWILIGHT'S CASTLE FOYER - CONTINUOUS

All five ponies are standing in the foyer. Starlight enters and casually examines them to see if the spell took hold.

*
*

89 STARLIGHT
So... who's ready to get to work?

*

The ponies all look at her oddly.

*

90 RAINBOW DASH
We've BEEN ready! You're the one who took off into the library! Now let's get to chillaxin!

*
*
*
*

Off of Starlight's unsure expression we...

*

END ACT ONE

ACT TWO

SC. 9 - INT. TWILIGHT'S CASTLE FOYER - CONTINUOUS

Re-establish the five ponies standing at the ready in front of Starlight. Starlight walks around them, trying to get a read if the spell worked or not.

*
*

91 STARLIGHT
Everypony feeling okay?

*
*

92 APPLEJACK
Uh.. yea?

*
*

93 FLUTTERSHY
I think so.

*
*

94 RARITY
Are YOU feeling all right dear?

*
*

Starlight stares at them for a beat.

*

95 STARLIGHT
Pinkie, head to the kitchen.
Rarity, Applejack, go set up in the
library. Fluttershy, stay here.
Rainbow Dash, find someplace INSIDE
the castle where we can chillax.

*
*

*

96 PINKIE PIE
Okely-Dokely

*
*

97 APPLEJACK
Sounds good sugarcube.

*
*

98 RAINBOW DASH
Ah yea, chillaxing!

*
*

99 RARITY
On my way dear.

*
*

100 FLUTTERSHY
Yay.

*
*

The ponies all walk/fly off. Starlight watches them go.

*

101 STARLIGHT
Looks like it worked after all! You
are good Starlight Glimmer.

*
*
*

Pleased with herself, Starlight heads into the kitchen.

*

SC. 10 - INT. TWILIGHT'S CASTLE KITCHEN - CONTINUOUS

Starlight enters to find Pinkie standing still in the kitchen.

*

102 STARLIGHT
Okay, let's get to work Pinkie!

*

103 PINKIE PIE
Okely-Dokely. What would you like to do first?

*

104 STARLIGHT
Uh. What are we supposed to do first?

105 PINKIE PIE
Whatever you want to do first
Starlight Glimmer.

Starlight goes over to the cookbook and opens it. She reads aloud.

*

*

106 STARLIGHT
In a medium sized mixing bowl, beat together eggs, sugar and two teaspoons of vanilla...

*

*

*

*

As Starlight talks, Pinkie gathers ingredients and mixes them. As soon as Starlight stops, so does Pinkie. They both stare at each other.

*

*

*

107 STARLIGHT (CONT'D)
Mix in flour...

*

*

Pinkie mixes in flour and stops. They stare at each other.

*

108 STARLIGHT (CONT'D)
(speaking quickly)
Add baking soda, salt and cinnamon.

*

*

*

Pinkie matches Starlight's speed, adds the ingredients, stops and stares at her. Starlight pushes the book over to Pinkie.

*

*

109 STARLIGHT (CONT'D)
I think you can take it from here.

*

*

Pinkie looks at the book, then back at Starlight.

*

110 PINKIE PIE *

Take what from where? *

111 STARLIGHT *

The baking. Just keep following the *

instructions in the book until I *

get back? *

Pinkie nods enthusiastically. *

112 PINKIE PIE *

Absotively! Instruction following *

starting... NOW. *

Pinkie stares at the book intently, her eyes never leaving *

the page as her hooves reach around and grab ingredients. *

Starlight nods in approval and heads towards the library.

SC. 11- INT. TWILIGHT'S CASTLE LIBRARY - CONTINUOUS

Applejack is organizing the box full of photos. Rarity stands *

next to a pile of fabric. Starlight approaches. *

113 STARLIGHT *

Baking a cake, check! Now on to *

sewing. What did you have in mind *

Rarity? *

Rarity opens her mouth to speak, but stops as if she's having *

trouble articulating her thoughts. Then brightens. *

114 RARITY *

Whatever you want me to have in my *

mind Starlight Glimmer. *

Starlight looks around and sees a small painting on the wall *

with a pony wearing an ornate dress.

115 STARLIGHT

Can you make a dress exactly like

that one.

Rarity examines the small painting.

116 RARITY *

JUST like this one? *

117 STARLIGHT *

Just like it. *

118 RARITY *
Absolutely! It will look perfectly *
divine! *

Starlight leaves Rarity examining the painting as she *
approaches Applejack and her stack of photos.

119 STARLIGHT *
That's a whole lot of photos. How *
do you usually organize them? *

120 APPLEJACK *
However you want me to organize *
them Starlight. *

Starlight levitates a photo.

121 STARLIGHT *
Ok. Tell me about this one? *

Applejack examines the photo.

122 APPLEJACK *
I remember it like it was *
yesterday. Picture it. Sweet Apple *
Acres. 20 moons ago. Granny Smith
was looking for her favorite pie
tin. She looked in the kitchen, but
it wasn't there. She looked in the
barn, but it wasn't there--

Starlight rolls her eyes. *

123 STARLIGHT *
I don't need every little detail. *
Just sum up the story in one *
sentence. *

Beat as Applejack considers. *

124 APPLEJACK *
Turns out Granny didn't know HOW to *
make a pig do the backstroke. *

125 STARLIGHT *
Uh-huh. Why don't you keep putting *
these photos in chronological order *
and when I come back you can give *
me more highlights? *

126 APPLEJACK *
Sure thing Starlight. *

Applejack continues to organize photos as Starlight heads to the foyer.

*
*

SC. 12 - INT. TWILIGHT'S CASTLE FOYER - CONTINUOUS

*

Starlight walks into the foyer and looks around. Fluttershy is all alone.

*
*

127 STARLIGHT
Fluttershy where are all the animals?

128 FLUTTERSHY
They ran away.

*

129 STARLIGHT
And why didn't you stop them?

*

130 FLUTTERSHY
Because you didn't--

131 STARLIGHT
Right right I didn't say to. Can you please round up all the animals in the castle and bring them back here to the foyer.

*
*
*
*

132 FLUTTERSHY
All the animals. Got it.

*

As Fluttershy flies off, Rainbow Dash flies by with some beach towels and buckets.

*
*

133 STARLIGHT
Did you find a place to chillax Rainbow Dash?

134 RAINBOW DASH
Sure did Starlight Glimmer.

*

135 STARLIGHT
Great. Let me know when it's ready.

*

136 RAINBOW DASH
No problem!

*

Rainbow Dash flies off. Starlight walks back towards the library.

*
*

SC. 13 - INT. TWILIGHT'S CASTLE LIBRARY - CONTINUOUS

Starlight walks in. Applejack sees her and rushes up with several photos. She holds up one.

137 APPLEJACK
Granny knew she was gonna need a bigger boat.

She holds up another.

138 APPLEJACK (CONT'D)
Big Mac knew if he just covered himself in mud, the creature wouldn't be able to see him.

Rarity rushes over with a small canvas.

139 RARITY
Starlight Glimmer I've finished the dress! Isn't it just gorgeous?

She reveals the small canvas. It is a very poor attempt to copy the painting hanging in the library. Painting: clearly not Rarity's forte.

140 STARLIGHT
What is that?

141 RARITY
You wanted me to make a dress exactly like the one on the wall.

Starlight rolls her eyes.

142 STARLIGHT
Not a painting! I meant a real-- nevermind. Go make a REAL dress out of fabric exactly like the one in the painting.

143 RARITY
Ahhhh. I see. Yes, of course Starlight Glimmer.

Rarity drops the painting and rushes over to her fabrics. Starlight realizes something.

144 STARLIGHT
Rarity! Make it BIGGER than the one in the painting.

145 RARITY
Of course darling. Bigger it is.

Rarity glances at the pile of fabric she has, looks around and starts pulling curtains off the wall. Starlight turns and heads towards the kitchen, not noticing. Applejack follows her holding up photos.

*
*
*
*

146 APPLEJACK
She was just a pony, standing in
front of another pony, asking him
to love her.

*
*
*

SC. 14 - INT. TWILIGHT'S CASTLE KITCHEN - CONTINUOUS

*

Starlight and Applejack try to enter the kitchen, but the doorway is filled with baked goods.

147 STARLIGHT
Pinkie, what are you doing?!

148 PINKIE PIE
Following all of the instructions
in the cookbook in order Starlight
Glimmer!

*

Pinkie Pie is bouncing all over the kitchen. There's batter, icing and other baking supplies scattered everywhere.

149 STARLIGHT
I meant just the ONE cake! I was
only gone a few minutes! How in
Equestria did you get all of this
done so fast?

*
*

150 PINKIE PIE
First I combined three eggs, then--

Starlight zaps Pinkie with her horn, freezing her in midair in an awkward pose.

151 STARLIGHT
I think the baking lesson is done.
Now for--

Several roars and growls from the foyer interrupt Starlight.

152 STARLIGHT (CONT'D)
What now.

Applejack proudly holds up a photo.

*

153 APPLEJACK
They can take our farm, but they
can't take our freedom!!

*
*
*

Starlight rushes out, **dragging** the still frozen Pinkie Pie behind her. Applejack follows. A timer dings. None of them notice the timer OR that the ovens are all on. Smoke starts billowing out of the ovens.

*
*

SC. 15 - INT. TWILIGHT'S CASTLE FOYER - CONTINUOUS

*

Starlight rushes into the foyer.

154 STARLIGHT
What's going on?

The animals from earlier are all back, but bunched together in the corner, standing on a rug and staring warily at...

155 FLUTTERSHY (O.S.)
I've gathered all of the animals
like you asked Starlight Glimmer.

*

Angle on: Fluttershy. She is covered with rats, spiders, bats, a few snakes and any other creepy ass creatures one would typically find in a castle.

Spiders scurry towards Starlight who blocks them with a magical shield.

Rarity enters from another doorway, sewing several different pieces of fabric together. She magically **pulls** the rug **out from under** Fluttershy's animals **scattering them**.

*
*

156 RARITY
Oh yes this will do nicely. A MUCH bigger dress!!

*
*
*

Applejack looks sadly at a photo.

*

157 APPLEJACK
It was the best of apples, it was the worst of apples.

*
*

Starlight looks around at the craziness.

158 STARLIGHT
(stressed)
I can handle this. I just need the right spell.

Starlight powers up her horn. Smoke pours out from the kitchen.

159 STARLIGHT (CONT'D)
What's that?

160 PINKIE PIE
Nh Kks R Bnyn! Oo lft vns n!

*

Pinkie tries talking, but being frozen, can't formulate the words. Starlight unfreezes her. She drops to the ground and works the muscles in her mouth.

161 STARLIGHT
What did you say?

162 PINKIE PIE
The cakes are burning! You left the
ovens on!

*

*

163 STARLIGHT
We need water!

Water drips down from the ceiling onto Starlight's head.

164 STARLIGHT (CONT'D)
What...?

Rainbow Dash comes flying down.

165 RAINBOW DASH
Your chillaxing area is almost
ready Starlight Glimmer.

166 STARLIGHT
(panicking)
Why is the ceiling dripping?

*

167 RAINBOW DASH
Probably from the storm clouds.

*

168 STARLIGHT
Storm clouds?!

*

169 RAINBOW DASH
Yea, how else was I gonna make a
lake upstairs??

*

*

A crash of thunder and a crack of lightning come from the upstairs hallway. Gallons and gallons of water come rushing down the stairs. Animals get tossed everywhere, Rarity's fabric is ruined, the smoke from the kitchen is extinguished. Applejack floats by staring at a photo.

*

170 APPLEJACK
Big Mac told me, with a whole lotta
power comes a heckuva lot of
responsibility.

*

*

171 STARLIGHT
This can't get any worse.

172 TWILIGHT (O.S.)
WHAT IS GOING ON!?

Angle On: Twilight Sparkle and Spike stand in the doorway
staring at the mess in the foyer. Twilight does not look
happy.

END ACT TWO

ACT THREE

SC. 16 - INT. TWILIGHT'S CASTLE KITCHEN - LATER

Starlight and Spike stand in the wreckage of the foyer. Spike
stands on a stool with a broom sweeping away spiders that get
too close.

173 SPIKE
Ugh. I had no idea there were so
many spiders in the castle. I'm
never sleeping again.

174 STARLIGHT
Maybe if I had reversed the
obedience and the trust. Or maybe I
added too much persuasion...

Starlight glances at Spike who is staring at her with his
arms crossed.

175 STARLIGHT (CONT'D)
What?

176 SPIKE
You're really missing the point
here.

Twilight enters completely wiped out.

177 TWILIGHT
I finally untangled that mess of a
spell and got everypony home. It
was a doozy.

Twilight looks around the foyer.

178 TWILIGHT (CONT'D)
Now, please try to explain to me
how in the name of Celestia things
got this out of control?

179 STARLIGHT *
(very matter of fact) *
Well... It was the first time I *
cast that particular spell and I *
didn't fully think it through. I *
bet if I had reversed-- *

180 TWILIGHT *
I think you might be missing the *
point here. *

181 SPIKE *
Told ya. *

182 TWILIGHT *
What made you think that casting a *
spell on your friends to do your *
bidding was even remotely a good *
idea? *

183 STARLIGHT *
Well when you put it that way it *
sounds really bad. *

184 TWILIGHT *
That's because it IS really bad! *

Beat. *

185 TWILIGHT (CONT'D) *
You've been doing so well. I just *
don't understand how one friendship *
lesson turned into all of this? *

Starlight rolls her eyes and lets out a huge sigh. *

186 STARLIGHT *
Uuuuuuuuuuugh. Fiiiiiine. I've been *
avoiding the friendship lessons on *
purpose. *

187 TWILIGHT *
Why? And why didn't you say *
anything? *

188 STARLIGHT *
I can cast complex spells. I can *
travel through time. But baking a *
cake with Pinkie Pie freaks me out. *
And yes I KNOW how ridiculous that *
sounds. That's why I didn't say *
anything. *

(MORE)

STARLIGHT (CONT'D)

I thought if I just kept wowing you
with my magical abilities you might
just... not notice.

*
*
*

189 SPIKE

Have you MET Twilight?

*
*

190 TWILIGHT

Why does it freak you out?

*
*

191 STARLIGHT

I can't bake a cake, or sew. What
if they didn't like me as much
because of it? What if I said
something dumb? What if I failed
the lesson completely? I didn't
want to be a disappointment.

*
*
*
*
*
*
*

192 TWILIGHT

Starlight. Do you think anypony
cares if you can bake a cake?

*
*
*

193 STARLIGHT

But the lesson--

*
*

194 TWILIGHT

Was to spend time with Pinkie Pie
doing something she loves. It was a
friendship lesson, not a baking
lesson.

*
*
*
*
*

195 STARLIGHT

Oh.

*
*

Starlight looks around the foyer.

*

196 STARLIGHT (CONT'D)

You know I think I might have
missed the point here.

*
*
*

197 TWILIGHT & SPIKE

Told ya.

*
*

198 STARLIGHT

So what do you do when you really
mess things up with your friends?

*
*
*

199 TWILIGHT

Ah. That's a pretty advanced
friendship lesson. It's called
apologizing.

*
*
*
*

200 STARLIGHT

That sounds... Terrifying.

*
*

201 TWILIGHT
Friendship is the most powerful
magic there is. No pony said it was
easy. Now get some rest. You're
gonna need the energy cleaning up
your mess. Figuratively AND
literally.

*
*
*
*
*
*
*

Off of Starlight's expression we--

*

FADE TO:

*

SC. 17 - EXT. PONYVILLE - THE NEXT MORNING

*

Applejack pulls a cart of apples through town. Rainbow Dash
flies down VERY slowly to meet her. Both of them look a
little bit worse for wear.

*

202 APPLEJACK
I feel like I got shoved through
the super speedy cider squeezezy
6000.

203 RAINBOW DASH
Tell me about it. This is about as
fast as I can fly without getting
dizzy.

*
*
*

Rarity and Fluttershy walk over. Fluttershy looks exhausted.
Rarity wears oversize glasses and a large sunhat.

*

204 RARITY
If everyone could speak in a
whisper for the next few days that
would be delightful. My head is
killing me.

205 FLUTTERSHY
(typical Fluttershy voice)
I was up all night calming the
animals down. Angel Bunny really
doesn't like spiders.

206 RARITY
Fluttershy please! Not so loud.

Pinkie Pie marches angrily over.

*

207 RAINBOW DASH
You okay Pinkie?

*

208 PINKIE PIE
No! Starlight's spell made me burn
perfectly good cake! I NEVER burn
cake! Burning good cake is about
the most un-Pinkiest thing I have
ever done.

*
*
*
*
*

209 STARLIGHT (O.S.)
Yea, about that...

*
*

The ponies all turn to see Starlight Glimmer walking
nervously up to them.

*
*

210 STARLIGHT (CONT'D)
Things got a little out of hand
last night.

*
*

211 APPLEJACK
Ain't that the understatement of
the day.

*
*
*

212 PINKIE PIE
Tell it to the cakes sister!

*
*

213 STARLIGHT
I really messed thing up... I'm
just more comfortable with magic
than I am with...

*
*
*

214 APPLEJACK
Scrabookin?

215 RARITY
Sewing?

*
*

216 STARLIGHT
Friendship. I cast the spell
because I was nervous about working
with you on the friendship lessons.

*
*
*

217 RAINBOW DASH
Well here's a friendship lesson for
you. Don't cast spells on your
friends!!

*
*
*

218 RARITY
What Rainbow Dash is trying to say
is that last night certainly wasn't
you at your finest.

*
*
*

219 STARLIGHT
Believe me I know. I promise
nothing like that will ever happen
again.

*
*
*
*

(MORE)

STARLIGHT (CONT'D)

It was wrong and I am truly sorry.
Now if you'll excuse me. I need to
go clean an entire castle I'm
responsible for demolishing. See
you all in about 20 moons.

Starlight turns to go. The ponies all look at each other.

220 APPLEJACK

(calling after her)

Hey Starlight! Most of the Apple
family photos are still laying
around in the wreckage, I think
I'll come along and hunt em down.

221 FLUTTERSHY

Oh! And I feel awful for disturbing
all of those cute little spiders
and bats. I was thinking I should
check on them.

222 RARITY

Ah yes. And I left some very nice
fabric there, I should come get it
out of the way.

223 RAINBOW DASH

Fine. I guess I'll come get those
storm clouds out of the bathroom.

224 PINKIE PIE

(still annoyed)

I'm coming too. Somepony has to
bake a cake to honor all of the
poor cakes that sacrificed their
dough in last night's tragedy.

They all rush to catch up with Starlight.

225 STARLIGHT

That's it? You aren't mad at me
anymore?

226 APPLEJACK

Bein' friends when somepony is at
their best is easy. Bein' friends
when a pony's really messed things
up? That's the real deal. Now let's
get over to that castle.

FADE TO:

CASTLE CLEANING MONTAGE

*

In a montage we see Starlight and the other ponies cleaning up the mess in the castle.

*
*

SC. 18 - INT. TWILIGHT'S CASTLE FOYER

*

Rarity and Starlight use their magic to re-hang some of the curtains that Rarity ripped down. Rarity shows Starlight how to sew up some of the rips in the curtain. Spike and Twilight walk through the foyer and stop to watch what is happening.

*
*
*
*

SC. 19 - INT. TWILIGHT'S CASTLE LIBRARY

*

Applejack collects photos that had been lost in the craziness. Starlight walks up with a stack of photos floating behind her. They place them all in the book randomly. Starlight asks Applejack about one of the photos. Applejack examines the photo, laughs and starts to tell a story. Starlight sits listening, clearly engaged. Twilight watches from around the corner, smiling.

*
*
*
*
*
*
*

SC. 20 - INT. TWILIGHT'S CASTLE SPOOKY HALLWAY

*

Fluttershy is covered in creepy spiders who are all clearly enamored with her. Starlight uses her magic to carefully re-attach some webbing to the nooks and crannies of the hall. Fluttershy delicately places the spiders on their new webs. Spike, clearly horrified, watches from a safe distance.

*
*
*
*
*

SC. 21 - INT. TWILIGHT'S CASTLE KITCHEN

*

Pinkie Pie is violently whisking batter in a bowl, clearly still annoyed. Starlight cautiously walks up to join her. Pinkie turns away, mad. Starlight starts to mix eggs and flour in her own bowl. Pinkie peeks to see what she is doing. She puts her bowl down and rushes over to correct Starlight. They start baking together. Twilight observes it all.

*
*
*
*
*
*

END MONTAGE

*

SC. 22- INT. TWILIGHT'S CASTLE FOYER - LATER

*

Starlight, dusty and messy, mane askew, is sweeping the floor. Twilight casually walks over with a clipboard.

*
*

227 TWILIGHT
I'm really impressed Starlight.
You're doing a great job with those
friendship lessons!

228 STARLIGHT
What are you talking about? I've
been cleaning the mess I made by
totally failing at friendship.

Twilight examines her clipboard.

229 TWILIGHT
Oh, really? But didn't I see you
sewing with Rarity?

230 STARLIGHT
Yes but--

Twilight checks a box.

231 TWILIGHT
And you and Applejack did a great
job collecting those photos and
putting them in the book.
(checks box)
Helping animals with Fluttershy,
(checks box)
baking with Pinkie Pie.
(checks box)
Those sound like your assignments
to me. In fact I think there's just
one that you're missing.

Twilight looks up and winks at Starlight. Off of Starlight's
grin we...

FADE TO:

SC. 23 - EXT. TWILIGHT'S CASTLE TOWER - LATE AFTERNOON

Rainbow Dash and Starlight lay out in beach chairs with
sunglasses on sunning themselves. Pull out to reveal
Twilight, Fluttershy, Applejack, Spike and Rarity doing the
same.

232 STARLIGHT
So THIS is challaxing.

233 RAINBOW DASH
This. Is. Chillaxing.

234 APPLEJACK
Gotta hand it to you Rainbow Dash.
I could get used to this.

*
*
*

Pinkie Pie bounces out with a truly epic looking cake.

*

235 PINKIE PIE
Who wants a slice of Starlight
really screwed things up but
apologized and now we're all having
an awesome time cake?

*
*
*
*
*

Pinkie hands out slices of cake.

*

236 TWILIGHT
I'm very impressed Starlight.

*
*

237 STARLIGHT
Thanks. I think I finally got the
point.

*
*
*

As the ponies all enjoy cake, chillaxing and a late afternoon
breeze we...

*
*

FADE OUT

*

THE END
