NUMBER FISH FAN

Premise by Josh Haber & Michael Vogel

On a lark, Discord pops in on a meeting of a Princess Twilight Sparkle fan club and is surprised to discover that he has a fan of his own, SWEEPER MESS. Sweeper has eschewed friendship in favor of his Discord obsession and is beside himself at the opportunity to meet his idol, until he discovers that Discord is now reformed. Sweeper is a fan of O.G. Discord: God of Chaos, Wrecker of Wreckage, Deliverer of Disarray, Master of Muddles, etc., not this emasculated “Friend of Ponies.” At Sweeper’s urging he and Discord revisit the scenes of Discord’s greatest exploits while the Mane Six worry the trip down memory lane will stir within Discord a desire to return to his old ways. It looks like their concerns will bear out when Discord, in an effort to humor his new friend, starts acting like his old self—or as Sweeper calls it, “cool Discord.” Eventually, Twilight and the others discover what looks like a plot to plunge all of Equestria into chaos. But when they move to intercede it is revealed that it was all a plan (albeit a convoluted, Discordian one) on the part of Discord to teach Sweeper the value of friendship.
