*Friendship Lesson: Starlight learns to trust that her friendship with Trixie is stronger than a fight.*

TEASER

**SC. 1 - INT. TWILIGHT'S CASTLE - KITCHEN - DAY**

STARLIGHT GLIMMER is using an icing bag to frost some beautiful tea-cakes while TRIxie points her horn at a salt shaker.

1                   TRIXIE  
Come on, turn into a tea cup. No. Tea  
cup! No! Tea cup! No!

It's not working. She changes it into a tea biscuit, a pitcher of iced tea, a tea bag, a tee ball.

2                   TRIXIE (CONT'D)  
(playful whining) Starlight, how come  
it's not working? \*

3                   STARLIGHT GLIMMER  
(smiling) It could be because you're  
just yelling "tea cup" and not  
picturing it in your mind. \*

4                   TRIXIE  
(smiling back) Oh. Yeah, that could be  
it. \*

5                   STARLIGHT GLIMMER  
What does your tea cup look like? What  
shape is it? What color?

Trixie takes a deep breath and closes her eyes.

6                   TRIXIE  
Blue tea cup with white flowers.

She peaks with one eye. Sure enough, there is a blue tea cup where the salt shaker used to be!

7                   TRIXIE (CONT'D)  
Haha! Starlight, I did it!

She jumps up and down in excitement and hugs Starlight, causing her to mess up her frosting. \*

8                   STARLIGHT GLIMMER  
Hey! \*

Ignoring her, Trixie points at various objects around the room with her horn, changing them into tea cups. \*

9                   TRIXIE  
Tea cup! Tea cup! You know what you  
need? A tea cup!

Trixie points her horn at Starlight's icing bag, which turns  
into a TEA CUP POODLE. The happy little dog smashes through  
Starlight's tea cakes before hopping off the counter and running  
out of the kitchen. Starlight glares at Trixie.

10                  TRIXIE (CONT'D)  
Whoops, I guess I pictured a tea cup  
poodle. Don't know how that just  
popped into my mind.

11                  STARLIGHT GLIMMER  
Or why you had to ruin my tea cakes? \*

12                  TRIXIE  
I just got excited! This is the first  
time I did a transfiguration spell.  
C'mon. Be impressed by me! \*

Trixie grabs Starlight's hooves and makes her "cheer." \*

13                  TRIXIE (CONT'D)  
(talking for Starlight) "Yay Trixie!  
You are so great at magic and having  
good hair." \*

Starlight laughs, then magics Trixie away. \*

14                  STARLIGHT GLIMMER  
Good job, Trix, but I was baking these  
to give to Twilight and the girls for  
their friendship retreat. Pinkie Pie  
gave me her recipe and everything. \*

Trixie looks at the ruined tea cakes. She makes an "Oops" face.  
Then she spots a bag of pretzels. She tosses them to Starlight  
and smiles. \*

15                  TRIXIE  
Here you go. Problem solved? \*

Starlight glares at Trixie. A teeny-tiny red magical spark of  
anger appears over Trixie's head. Starlight takes a deep breath  
and the spark dissipates. \*

16                  STARLIGHT GLIMMER  
Not exactly. \*

END TEASER. \*

MAIN TITLES.

**ACT ONE****SC. 2 - EXT. TRAIN STATION - DAY**

Starlight, Trixie and SPIKE walk TWILIGHT, APPLEJACK, RAINBOW DASH, FLUTTERSHY, and RARITY to the train.

17 TWILIGHT SPARKLE  
I am so excited for this friendship  
retreat! I can't remember the last  
time we all got to hang out without  
having to save Equestria!

\*  
\*  
\*

18 RAINBOW DASH  
Technically we weren't the last ponies  
to save Equestria...

\*  
\*  
\*

19 TWILIGHT SPARKLE  
I was speaking in a broader sense! (to  
Starlight and Spike) Are you sure you  
two don't want to come with us?

\*  
\*

Unseen by Twilight, Trixie looks around like "what about me?"

20 SPIKE  
Yeah, I have three new issues of  
"Power Ponies" to get through.

21 STARLIGHT GLIMMER  
And I promised Trixie we'd practice  
more magic. It might be better if the  
castle was empty if you know what I  
mean.

Twilight looks concerned. Trixie rolls her eyes.

\*

22 TRIxie  
Relax. If anything breaks, Starlight  
will just go back in time and fix it.  
(off their looks) Kidding!

\*  
\*  
\*  
\*

23 STARLIGHT GLIMMER  
We'll take good care of the castle  
while you're gone. You girls deserve  
to have a fun break.

\*

24 RARITY  
We really do. I've been looking  
forward to this all week.

As the Mane 6 hop in the Ponyville Express, Trixie and Starlight  
wave and smile.

\*  
\*

25                   TRIXIE  
Have fun on your friendship retreat!  
(through smile, whispers to Starlight)  
What in Equestria is a friendship  
retreat, anyway?

26 STARLIGHT GLIMMER  
(through smile, whispers back) They're  
gonna bond, share laughs, and if I  
know them, they're gonna sing a song.

27                      TRIXIE  
We are gonna have so much more fun  
than them.

Starlight playfully nudges Trixie.

**28** STARLIGHT GLIMMER  
Shh!

Trixie looks in Starlight's bag and notices the bag of pretzels.

**29**                    **TRIXIE**  
You almost forgot to give them the  
pretzels! (calls out) Twilight, wait!  
Starlight has something for you!

Twilight pokes her head out the window of the train. Starlight looks embarrassed as she magics the pretzels to Twilight.

30 STARLIGHT GLIMMER  
Here, I um brought you snacks.

Twilight takes the pretzels, a little confused.

31 TWILIGHT SPARKLE  
Oh. How... thoughtful. Thanks. We  
will... not get hungry on the train.

**32** STARLIGHT GLIMMER  
It was supposed to be tea cakes, but  
it's a long story.

Starlight glares at Trixie, who just smiles obliviously. Again, there's a little red spark over her head. Starlight takes a deep breath, the spark goes away, and Starlight turns back to Twilight.

33                   STARLIGHT GLIMMER (CONT'D)  
Have a great time.

**34** TWILIGHT SPARKLE  
We will! You too!

The train takes off. Starlight, Trixie, and Spike head to...

**SC. 3 - INT. TWILIGHT'S CASTLE - THRONE ROOM - LATER**

Starlight and Trixie are pouring over a spell book. Spike is sitting in his chair, reading his comic.

**35** STARLIGHT GLIMMER  
Okay Trixie, what kind of spells did you want to work on first?

**36** TRIxie  
Well, every self respecting magician has a disappearing act so maybe we could start with that?

**37** STARLIGHT GLIMMER  
Hmm. Nothing just disappears so that's technically a teleportation spell and those are pretty hard. Maybe we should start with something smaller?

**38** TRIxie  
No, Trixie goes big or not at all! Just tell me how you do it.

**39** STARLIGHT GLIMMER  
I've always found magic is tied to my emotions. Whatever I'm feeling fuels whatever I'm doing, and the stronger I'm feeling the stronger the magic.

**40** TRIxie  
Riiight. Like when you were so upset that Cutie Marks took away your friend, your magic was strong enough to enslave an entire village.

Starlight looks a little angry. Behind Trixie's head, a red spark crackles and fizzes.

**41** STARLIGHT GLIMMER  
Yup. Thanks for bringing that up.

**42** TRIxie  
See? I'm already learning! If anypony is going to teach me how to do a disappearing spell...

**43** STARLIGHT GLIMMER  
Teleportation spell.

44                   TRIXIE  
(joking) Whatever. I'm complimenting  
you! And me. We can do this cuz we're  
amazing and magic is friendship and  
stuff.

Starlight's anger dissolves as she chuckles and the red spark  
fizzles away.

45                   STARLIGHT GLIMMER  
I guess we can give it a whirl. Now we  
just need to find you something to  
teleport.

Trixie looks around the room for something, her eyes land on  
Spike. She raises an eyebrow.

46                   TRIXIE  
Spike? How bout it?

Spike gulps and starts to slink away from them. Starlight steps  
in between Trixie and Spike.

47                   STARLIGHT GLIMMER  
Let's pick something, I don't know,  
not living.

Trixie slumps. Spike looks relieved.

48                   TRIXIE  
I mean, it won't be as impressive, but  
okay. Teach away, mini Twilight.

Off of Starlight rolling her eyes we CUT TO:

**SC. 4 - INT. MANEHATTAN ESCAPE - HALLWAY - LATER**

The Mane 6 follow an ATTENDANT PONY down a hallway.

49                   ATTENDANT PONY  
Welcome to Manehattan Escapes!

50                   RARITY  
I can not wait. I'm going to start  
with a facial, then get my hooves done  
and if there's any time left I will  
just relax in the steam room!

51                   TWILIGHT SPARKLE  
Oh. It's not that kind of retreat.

52 RARITY  
What are you talking about? Isn't it called **Manhattan Escapes** because it's a deluxe spa where you can escape all your troubles?

\*

53 TWILIGHT SPARKLE  
Nope. It's called that because we get locked in a room and we have to solve puzzles and riddles in order to escape!!!!

The attendant pony opens up a door into:

SC. 5 - INT. **MANHATTAN ESCAPE ROOM** - CONTINUOUS

\*

They all enter a room full of symbols on the wall, **panels on the ground, framed picto-grams, a platform with a puzzle on it, locked boxes, and scattered gems.**

\*

\*

\*

54 ATTENDANT PONY  
The clues will lead you to a key to get out.

55 TWILIGHT SPARKLE  
(squeals) Team building!!

Everypony else has an "Oh, Twilight" look.

56 APPLEJACK  
Come on, girls. This **could** be fun.

\*

57 TWILIGHT SPARKLE  
"Could be"? Some of brightest minds in Equestria put together these puzzles!

\*

\*

\*

58 RAINBOW DASH  
I do like anything I can win...

\*

\*

59 FLUTTERSHY  
I'm just happy to be with all of you.

\*

60 PINKIE PIE  
Me too! I'm not great at solving riddles, but I'm super great at cheering other ponies on while they do it. GO US!!

**Pinkie pulls pom poms out of nowhere as she cheers!**

\*

61 RARITY  
Yes, yes, but just so we know, exactly how long will we be locked in here?

The Attendant Pony checks a clipboard on the wall.

62 ATTENDANT PONY  
It says here that a group of Griffons  
set the record for the fastest escape.  
It **only** took them an hour.

\*

63 RAINBOW DASH  
Pssh. Griffons barely like each other  
and we're basically the poster ponies  
for amazing friendships so get your  
quill ready, bub. You're gonna have to  
write down a new record.

\*

**SC. 6 - INT. TWILIGHT'S CASTLE - THRONE ROOM - LATER**

Starlight **places** an apple on the floor in front of the map  
table. **Trixie is waving to an imaginary audience.**

\*

\*

64 TRIXIE  
**Thank you. Thank you.**

\*

\*

65 STARLIGHT GLIMMER  
**What are you doing?**

\*

\*

66 TRIXIE  
**Practicing my humble acceptance of  
Twilight and her friends'  
congratulations after I master this  
spell.**

\*

\*

\*

\*

\*

67 STARLIGHT GLIMMER  
**If you master this spell before the  
girls get back, you'd be setting some  
kind of record.**

\*

\*

\*

\*

68 TRIXIE  
**Challenge accepted.**

\*

\*

69 STARLIGHT GLIMMER  
Okay, what you want to do is  
concentrate on the object that you  
want to **teleport**.

\*

Spike notices he's kind of close to the apple on the floor.

70 SPIKE  
I'm gonna go... all the way over here.

Spike goes to the other side of the room.

71 TRIXIE  
Concentrate on **teleporting**, got it.  
Doin' the spell!

\*

72 STARLIGHT GLIMMER  
Trix, wait. Not just--

\*

Trixie's horn glows. The room flashes with a colorful pop and Trixie opens her eyes. Twilight's friendship map table **is gone!** **The apple is still there.** Trixie is excited that she did **something** until she turns to see Starlight, red faced and wide eyed. **Behind Trixie, the red spark of anger arcs like lightning.**

\*

\*

\*

\*

73 TRIxie  
(squeaky) Ta da???

### END ACT ONE

### ACT TWO

#### SC. 7 - INT. THRONE ROOM - SAME

Starlight is hyperventilating! Spike's jaw is on the floor.

74 STARLIGHT GLIMMER  
Nononononono! **You** made Twilight's  
Friendship Map disappear!!!

\*

75 **TRIXIE**  
**(correcting) Teleport.**

\*

\*

76 **STARLIGHT GLIMMER**  
**Really?!**

\*

\*

77 TRIxie  
Well it was behind the apple, it was  
bound to happen. On the plus side, my  
magic is getting way better. I made a  
whole table go poof! That was pretty  
impressive.

\*

78 STARLIGHT GLIMMER  
Trixie, we have to get that map back.

79 TRIxie  
We'll find it. No big deal.

Starlight's face tenses up. But before she can speak:

80 SPIKE  
Actually, it's a very big deal. That  
map points Twilight and the girls to  
friendship problems all over  
Equestria.

Starlight puts her head in her hooves.

81 STARLIGHT GLIMMER  
Twilight's never going to trust me to  
be alone in this castle again! What  
were you thinking?

\*

82 TRIxie  
"Teleport"! Like you told me to!

\*

83 STARLIGHT GLIMMER  
No! You're supposed to concentrate on  
the object! Not just teleporting!

\*

\*

84 TRIxie  
Geez, you probably should have told me  
all the steps before you let me do the  
spell.

Starlight's face turns almost purple with rage:

85 STARLIGHT GLIMMER  
I TRIED!

The arc-ing angry spark turns into full storm clouds over  
Trixie's head. Starlight looks a bit taken aback by her own  
angry magic and takes a deep breath.

\*

\*

\*

86 STARLIGHT GLIMMER (CONT'D)  
I... need a minute.

\*

Starlight storms out of the room. Spike follows her.

**SC. 8 - INT. TWILIGHT'S CASTLE - KITCHEN - MOMENTS LATER**

Starlight rips through the kitchen cabinets until she finds a  
glass bottle with a lid. Spike walks in.

\*

87 SPIKE  
Hey, are you okay?

\*

88 STARLIGHT GLIMMER  
I will be, once I cast a spell to  
contain my anger in this bottle.

\*

89 SPIKE  
Wait, what?

\*

\*

90 STARLIGHT GLIMMER  
Every time I've gotten really mad,  
I've used magic to do some pretty bad  
stuff. So I'm hoping if I take my  
anger away I won't use magic to hurt  
Trixie.

\*

\*

\*

\*

\*

\*

Spike doesn't look convinced.

\*

91 SPIKE  
Are you sure that's a good idea?

92 STARLIGHT GLIMMER  
What choice do I have? I have to get that map back and I have to do it without losing Trixie. If she knew what I was thinking right now she'd probably never talk to me again.

93 SPIKE  
Okay. You do what you need to do, I'll see if I can find the map somewhere in the castle.

Starlight sets the bottle on the table in front of her and closes her eyes. Her horn glows and a sparkling red aura is pulled from Starlight and funnels itself into the bottle. Starlight opens her eyes, relieved. She grabs the bottle, caps it, and puts it in a satchel bag she slings over her shoulder.

**SC. 9 - INT. TWILIGHT'S CASTLE - THRONE ROOM - MOMENTS LATER**

Starlight walks in. Trixie is casually lounging on Twilight's throne. She turns to her.

94 TRIxie  
There you are. For a minute there I didn't think you were coming back and that you might be upset with me for some weird reason. But then I remembered you never get mad at me.

Trixie smiles hopefully at Starlight. Starlight's face tenses but then we see a tiny little bit of red aura escape her and slink into her bag. Starlight calms down.

95 STARLIGHT GLIMMER  
Nope. Not mad at all. So, the map is probably in last place you were thinking of. Where was that?

96 TRIxie  
Oooh. Great question. I wish you had asked it like right after I did the spell. I don't remember.

Starlight clenches her jaw. We see a little red shimmer go into her bag. She seems slightly off as she says:

97 STARLIGHT GLIMMER  
No worries. We'll just take a walk around town. Maybe that will jog your memory.

98                   TRIXIE  
Ok, that sounds fun. (Then) Oooh!

99                   STARLIGHT GLIMMER  
Did you remember?

100                  TRIXIE  
No. But I did think we could stop for  
cinnamon nuts while we're out!

101                  STARLIGHT GLIMMER  
Cinnamon nuts?!

The shimmery red aura gets sucked into Starlight's bag and she immediately changes her tune.

102                  STARLIGHT GLIMMER (CONT'D)  
That's a good idea.

103                  TRIXIE  
Yesssss! I've been craving something  
sweet, since I couldn't have any tea  
cakes this morning.

Trixie excitedly trots out of the castle. Starlight takes a deep breath before following her out.

104                  STARLIGHT GLIMMER  
You got this, Starlight.

**SC. 10 - INT. MANHATTAN ESCAPE - SAME**

**CLOSE ON Pinkie Pie:**

105                  PINKIE PIE  
You got this, Twilight!

REVEAL Twilight is working on a tangram. Pinkie Pie cheers her on and Applejack stands by. The Attendant Pony observes from the corner. Twilight moves the last piece in, completing the puzzle. A panel on the floor opens up to reveal a purple jewel.

106                  APPLEJACK  
Hoo-wee! You solved that triangle-y  
thing mighty fast.

107                  TWILIGHT SPARKLE  
Thanks. (weirdly proud) Tangrams are  
one of my end-of-the-day mental cool  
down exercises.

Applejack reaches for the jewel and turns to the Attendant Pony.

108                   APPLEJACK                   \*  
What's this for?                   \*

109                   ATTENDANT PONY                   \*  
I can't help you. I'm just here to                   \*  
make sure you don't break anything.                   \*

Applejack shrugs, then calls out to the group:                   \*

110                   APPLEJACK                   \*  
Does anypony need a jewel?                   \*

111                   RARITY                   \*  
Ooh! What color is it?

112                   APPLEJACK                   \*  
Purple.

113                   RARITY                   \*  
Plum or boysenberry?

114                   APPLEJACK                   \*  
Don't both those fruits mean "purple"?

115                   RARITY                   \*  
Yes, but depending on the purple, I'm                   \*  
either going to love this pattern or                   \*  
hate it.

REVEAL Rarity, Fluttershy, and Rainbow Dash are working on                   \*  
putting jewels in a color pattern on a wall. There's a hole                   \*  
where a purple one is supposed to go.

116                   RAINBOW DASH                   \*  
Just put the gem in! We're trying to                   \*  
set a record, here!

Fluttershy puts the jewel in its place and the panel in the wall                   \*  
flips, revealing a scroll.

117                   FLUTTERSHY                   \*  
<GASP> Another clue!                   \*

118                   PINKIE PIE                   \*  
(chanting) Yay, we solved another                   \*  
clue! / Cuz our friendship is so true!                   \*

She shakes her pom poms and does a backflip. Off of everypony's                   \*  
smiling faces CUT TO:                   \*

SC. 11 - INT. JEWELRY STORE - SAME

Starlight's annoyed face. She is at the counter of the jewelry                   \*  
store. She's glaring at something O.S.                   \*

**REVEAL** Trixie happily munching on a bag of cinnamon nuts. The JEWELER PONY walks up to them. \*

**119** JEWELER PONY  
Hi girls, how can I help you? (then)  
Ooh, are those cinnamon nuts?

**120** TRIXIE  
Yes! I got them from the cart outside.  
They're delicious. Want some?

Trixie offers the Jeweler Pony some nuts but Starlight stops her.

**121** STARLIGHT GLIMMER  
Have you seen a big table? Magical map on it? Sometimes glowing cutie marks shoot out?

**122** JEWELER PONY  
No. Why in Equestria would something like that be here?

**123** TRIXIE  
I cast a pretty amazing spell that transported it to the last place I was thinking of. And I might have been thinking about how I'd treat myself to a nice brooch if I pulled it off.

**124** JEWELER PONY  
Ah. Well, no huge table here. But you obviously did it. Are you still interested in that brooch?

**125** TRIXIE  
Sure!

**126** STARLIGHT GLIMMER  
No!

Starlight pulls Trixie away. In the BG, the Jeweler Pony steals a cinnamon nut while Trixie is talking to Starlight. \*

**127** STARLIGHT GLIMMER (CONT'D)  
We don't have time for this!! Twilight and the girls are gonna be back soon. \*

**128** TRIXIE  
Don't worry about it. The Great and Powerful Trixie has it handled.

129 STARLIGHT GLIMMER  
Does the Great and Powerful Trixie  
have any idea how Great and Wonderful  
Twilight is at solving puzzles? She  
literally does it in her sleep!

Starlight's saddle bag glows and her anger gets taken out.

130 STARLIGHT GLIMMER (CONT'D)  
But I'm not upset. What's our next  
stop?

131 TRIxie  
Well I was hungry when I cast the  
spell, hence the cinnamon nuts. But I  
might have been craving apples...

\*  
\*  
\*

SC. 12 - EXT. SWEET APPLE ACRES - LATER THAT DAY

Trixie and Starlight are at the front door of Sweet Apple Acres  
with GRANNY SMITH.

132 GRANNY SMITH  
Nope. Haven't seen it.

133 STARLIGHT GLIMMER  
Are you sure? It's really really  
important that we find it. And it  
might be here because somepony was  
craving apples.

\*  
\*

134 TRIxie  
I'm still craving them. They'd go well  
with cinnamon nuts!

\*  
\*  
\*

Starlight shoots a glare at Trixie. Her bag glows and more anger  
gets sucked out. Oblivious, Granny Smith sniffs at Trixie's  
cinnamon nuts.

\*

135 GRANNY SMITH  
Them nuts sure do smell good!

\*

136 TRIxie  
Want some?

137 STARLIGHT GLIMMER  
Granny Smith. Please. The table?

138 GRANNY SMITH  
My eyes ain't what they used to be but  
I'd know fer sure if I've seen a huge  
table appear out of thin air!

139                   TRIXIE  
Okay, then if Twilight asks...

Trixie does a weird snake-charmer like head bob in front of Granny Smith.

140                   TRIXIE (CONT'D)  
...we were never heeere.

Starlight rolls her eyes at Trixie but even that bit of anger gets sucked into the bag.

141                   GRANNY SMITH  
(re: Trixie) Why is she wigglin'?

**SC. 13 - EXT. PONYVILLE - STREET - LATER**

Starlight and Trixie walk down the street. *As Trixie prattles on, Starlight's saddlebag glows a bright and angry red.*

142                   TRIXIE  
...Darn. I could've have sworn it'd be at the ice cream parlor, because it was warm in the castle and I thought I wanted ice cream. Ooh! Maybe we should check out the Crystal Empire because Twilight's castle is made out of crystals so I totally had crystals on my mind.

The more *Starlight's bag* glows, the more apathetic Starlight becomes.

143                   STARLIGHT GLIMMER  
(practically monotone) Okay. We better start moving if we want to make it to the Crystal Empire.

144                   TRIXIE  
Are you okay?

145                   STARLIGHT GLIMMER  
Just peachy.

146                   TRIXIE  
Are you sure? Because you seem a little...what's the word? Drab.

Starlight looks offended, but her saddle bag glows. This time, Trixie notices.

147                   STARLIGHT GLIMMER  
Nope. I am great.

148                   TRIXIE  
Did your saddle bag just glow?

149                   STARLIGHT GLIMMER  
No.

Suspicious, Trixie tries to take the saddle bag from Starlight.

150                   STARLIGHT GLIMMER (CONT'D)  
(weakly) No. Don't.

They have a tug-of-war over the bag until it goes flying into the air. We see the glowing bottle of angry energy fly out of the bag and toward none other than Granny Smith and the Jeweler Pony, gathered by the Cinnamon Nut cart. BULK BICEPS is manning the cart (wearing a paper vendor cap and apron).

\*  
\*

151                   GRANNY SMITH  
I've had a hankerin' for these all day!

152                   JEWELER PONY  
Me too, ever since Trixie came by with them.

\*  
\*  
\*

153                   BULK BICEPS  
CINNAMON NUTS!

\*

The bottle shatters on the ground at a safe distance from their hooves. The angry energy escapes like a mist and settles over Bulk, Granny Smith, and Jeweler Pony. At the same time, they all turn on Trixie, their eyes glowing red.

\*  
\*  
\*

154                   TRIXIE  
Why are they looking at me like that?

Off of Trixie's scared look we...

## END ACT TWO

## ACT THREE

### SC. 14 - EXT. PONYVILLE - STREET - CONTINUOUS

Granny Smith lunges at Trixie who dodges.

\*

155                   GRANNY SMITH  
You ruined my tea cakes!

\*

156                   TRIXIE  
What?!

\*  
\*

Trixie turns to run away, but slams into Jeweler Pony.

157 JEWELER PONY  
You just *had* to give Twilight those  
stupid pretzels.

158 TRIXIE  
Were they your pretzels? I don't  
understand--

Trixie hides behind a barrel. Suddenly the barrel breaks. REVEAL Bulk Biceps has smashed it. Scared, Trixie backs away.

159 BULK BICEPS  
YOU NEVER LISTEN WHEN I'M TALKING TO  
YOU!

160 TRIXIE  
Maybe you're right, but I don't think  
we've ever spoken before!

Trixie runs away and turns back to Starlight.

161 TRIXIE (CONT'D)  
Starlight, a little help?

But Starlight's still in a stupor. The three ponies start closing in on Trixie. Off of Trixie's scared scream we MATCH CUT TO:

SC. 15 - INT. ESCAPE EXPERIENCE - SAME

162 RAINBOW DASH  
EEE! There it is!

REVEAL Applejack holding a blacklight flashlight to illuminate the wall, which REVEALS three glowing symbols: purple triangle, blue square, red circle.

163 RAINBOW DASH (CONT'D)  
I've seen those symbols before!

Rainbow Dash zips off. Applejack and Twilight follow her to another corner of the room, where there's a lock with colored shapes on it. The lock is attached to a small panel covering the rock wall. As Twilight magics the lock to match the purple triangle, blue square, red circle pattern, we ANGLE ON:

Pinkie Pie, Fluttershy, and Rarity on the ground nearby. A trap door is open and Fluttershy is reaching in, searching for something. Pinkie Pie cheers:

164 PINKIE PIE \*  
What's inside? No pony knows! It's \*  
dark! It's scary! It might be \*  
something hairy! \*

165 RARITY \*  
Not helping. \*

166 PINKIE PIE \*  
Sorry. Go Fluttershy! Woohoo! \*

167 FLUTTERSHY  
Found it!

She holds up a key at the same time Twilight finishes the lock  
combination. The panel opens REVEALING a key hole. \*

168 RAINBOW DASH  
Oh my gosh oh my gosh--is this it?

Pinkie Pie puts the key in. It fits perfectly!

169 EVERYONE  
WE DID IT!

The Mane 6 break into song:

170 MANE 6  
*We've been friends for so long, we can  
do this in our sleep  
We can solve the impossible if we do  
it as a team*

*Cracking codes can be frustrating  
But as long as we're communicating*

*No matter the riddle big or small  
If you need me, I'll hear your call*

*I've got you and you've got me,  
Our friendship wins, wait and see...*

As they sing it's an over the top display of friendship tropes:  
they hug, high-hoof, flank bump and cheer each other.

INTERCUT WITH:

**SC. 16 - EXT. PONYVILLE PARK - SAME**

CLOSE ON: Trixie screaming and running away from Bulk, the \*  
Jeweler Pony, and Granny Smith. CLOSE ON: Starlight seeing her \*  
friend is in danger and trying to shake off the stupor. \*

**SC. 17 - INT. ESCAPE EXPERIENCE - SAME**

The Mane 6 finish their song.

171                   MANE 6  
*Instead of letting frustration turn to  
strife,  
Our friendship solved the puzzle that  
is life.*

The Mane 6 finish their song with a big flourish! Then:

172                   ATTENDANT PONY  
(claps) That was lovely. But um, you  
know the game isn't over until you  
turn that key.

Rainbow Dash YELPS, zips over and turns the key. The wall opens  
up and the attendant stops the clock.

173                   RAINBOW DASH  
Did we do it?

174                   ATTENDANT PONY  
So close. You missed the griffon  
record by two seconds.

Everypony's face falls.

175                   RAINBOW DASH  
AWW NUTS!

**SC. 18 - EXT. PONYVILLE STREET - SAME**

A frantic Trixie runs away from Bulk Biceps, who hurls the nut  
cart at her. It misses by a lot.

176                   TRIXIE  
Aah, nuts!

The ground shakes as he bounds towards Trixie.

177                   BULK BICEPS  
YOU JUST DO WHATEVER TRIXIE WANTS TO  
DO!

ZIP PAN TO Granny Smith lagging behind, but passionate as ever.

178                   GRANNY SMITH  
And you don't always have to bring up  
my dark past!

179                   TRIXIE  
I didn't know you had one, Granny  
Smith!

She tosses her purse at Trixie. It moves two inches, then flops to the ground. Then Jeweler Pony takes his visor off and throws it at Trixie like a boomerang. Trixie dodges.

180                   JEWELER PONY  
I just can't believe you sometimes!  
You make me so MAD!

181                   TRIXIE  
I barely even know you! Is this about  
the cinnamon nuts?

182                   BULK BICEPS  
ENOUGH ABOUT THE CINNAMON NUTS!!

183                   TRIXIE  
Then I don't understand why you're all  
mad at me!

The three ponies round on Trixie, backing her into a corner.

184                   STARLIGHT GLIMMER (O.S.)  
They're not. I am.

REVEAL Starlight, weak in the BG. But at her admission, some of the red energy transfers from the three ponies to her. As she becomes more and more like herself:

185                   STARLIGHT GLIMMER (CONT'D)  
I'm really... mad at you. You lost  
Twilight's map table, you make jokes  
like it's no big deal, it's like you  
don't even care you could get me in a  
lot of trouble.

The three ponies stand frozen as Starlight's rage leaves them and all funnels back into her.

186                   STARLIGHT GLIMMER (CONT'D)  
If we can't find that table,  
Twilight's never going to trust me  
again. And the worst part is you never  
even said you were sorry!

187                   TRIXIE  
I... I'm sorry. I had no idea you felt  
that way.

188 STARLIGHT GLIMMER  
(smiles) Yeah. Well, I did a spell so  
you wouldn't be able to tell. I  
bottled up my anger but when the  
bottle broke, it infected these three.  
(to the three ponies) I'm really  
sorry, guys. I used magic so I  
wouldn't use magic. I should have  
guessed that would backfire.

\*  
\*  
\*  
\*  
\*  
\*  
\*  
\*

Granny Smith, Bulk Biceps, and the Jeweler Pony shake out of it.

\*

189 JEWELER PONY  
That's alright. It was a slow day.

\*  
\*

190 GRANNY SMITH  
Yeah. I was just gonna get my dentures  
cleaned before y'all shown up. So  
thanks for an exciting afternoon!

\*  
\*  
\*  
\*

Bulk sees the broken nut cart.

191 BULK BICEPS  
Oh no. My nut cart!

Starlight magics it back together for him.

\*

192 BULK BICEPS (CONT'D)  
Yay! My nut cart!

\*  
\*

193 JEWELER PONY  
Wait, don't you work at the spa?

\*  
\*

194 BULK BICEPS  
(GASP) I'm late for my other job! Bulk  
wears many hats. Free weights are not  
as free as their name implies.

\*  
\*  
\*  
\*

Bulk Biceps takes off in the opposite direction with his nut  
cart. Granny Smith and the Jeweler Pony leave as well. Trixie  
turns to Starlight:

\*  
\*

195 TRIXIE  
Not gonna lie, hearing you and those  
random ponies say all those terrible  
things about me wasn't easy. But I  
needed to hear it. Why didn't you just  
tell me how you felt?

\*  
\*  
\*  
\*

196 STARLIGHT GLIMMER  
I didn't want to lose you as a friend.

\*  
\*

197                   TRIXIE  
Pfft. It'd take a lot more than that  
to lose me. Our friendship is stronger  
than a few angry words.

198                   STARLIGHT GLIMMER  
And a magical temper tantrum?

\*

199                   TRIXIE  
Listen, I'd take that over the boring  
zombie pony you were becoming any day.  
The Starlight I love is passionate,  
lively, and yeah, sometimes angry.  
Those are my favorite parts of you.  
That, and the fact that you forgive me  
every time.

\*

\*

\*

\*

Trixie nudges Starlight playfully. Starlight grins at her  
friend:

\*

\*

200                   STARLIGHT GLIMMER  
I'll forgive you if you forgive me.

201                   TRIXIE  
Deal.

Starlight gives Trixie a hug. Then:

\*

202                   TRIXIE (CONT'D)  
(gasp) I remember what I was thinking  
about!

CUT TO:

**SC. 19 - INT. PONYVILLE DAY SPA - MOMENTS LATER**

Starlight and Trixie walk in to find the map table in the middle  
of the spa.

203                   STARLIGHT GLIMMER  
You're kidding me. You were thinking  
about the SPA??

204                   TRIXIE  
There's more to it than that. I was  
thinking about how glad I am to have  
met you and I remembered our first  
meeting: here at the Ponyville Spa.

\*

Starlight smiles.

\*

205                   TRIXIE (CONT'D)  
And now I just have to teleport it  
back.

\*

\*

\*

Trixie's horn glows. Starlight tackles her.

\*

206 STARLIGHT GLIMMER  
NOOOOOOO!

\*

\*

**SC. 20 - INT. TWILIGHT'S THRONE ROOM - LATER**

Starlight is magic-ing the map table back into the throne room. It hovers an inch off the ground. Spike and Trixie stand by.

207 SPIKE  
A little to the left... Now rotate it  
juuust a hair...

208 TWILIGHT SPARKLE (O.S.)  
Hey girls! How did it go?

Starlight drops the table with a thud just as the Mane 6 walk in.

209 TRIxie/STARLIGHT  
Nothing.

210 TWILIGHT SPARKLE  
What?

211 STARLIGHT GLIMMER  
Let's just say I learned a friendship  
lesson while you were gone.

212 TWILIGHT SPARKLE  
You've barely graduated and you're  
already taking initiative! Oh. (wipes  
a tear) So proud.

213 FLUTTERSHY  
We learned about team building, and  
problem solving--

214 PINKIE PIE  
--and when to sing songs!

215 RARITY  
We certainly had a good time, but I  
really was looking forward to a spa  
day. And the Ponyville spa is still  
open. Who's in?

216 TWILIGHT/PINKIE  
PIE/APPLEJACK/RAINBOW DASH  
Sure. / Sounds good to me! / I reckon  
I could use that. / I have a coupon!

Everypony looks at Trixie and Starlight, who share a look.

217                   TRIXIE  
We'll meet you there!

Once the Mane 6 are gone, Trixie turns to Starlight.

218                   TRIXIE (CONT'D)  
Quick. Do you have a spell that will  
make the Spa Ponies forget that the  
map table was there?

219                   STARLIGHT GLIMMER  
Haven't you learned anything about  
using magic to solve your problems?

220                   TRIXIE  
No. *If we learn that lesson, how will*  
*we ever have fun?*

\*  
\*

Off of Starlight *and Trixie* smiling *mischievously at each other*,  
we **END SHOW.** \*
