SECRETS AND PIES

Premise by Josh Hamilton

Friendship Lesson: Good friends make sacrifices for each other.

Pinkie Pie surprises Rainbow Dash with a pie to celebrate Dash's seventy-third Wonderbolt performance! (RD: "That's a really specific thing to celebrate"). Pinkie explains its blueberry because Wonderbolt outfits are blue and the rainbow piecrust represents... well that's obvious... "But the most special part is the seventy-three super secret spices and sweet stuff to represent your seventy-third performance!" Dash is about to take a bite, but then distracts Pinkie and quickly tosses the pie out of the window when she's not looking. When Pinkie Pie turns back, Dash pretends to be finishing the pie. Pinkie's all smiles, "I love how much you love my pies!" Rainbow Dash makes an excuse and quickly exits. A beat later, Pinkie sees that Dash forgot her goggles. She goes after her.

In the street, Dash hunts down the pie (which landed on the back of an elderly pony's cart crossing through a busy intersection). Twilight spots Dash about to throw the pie away. Twilight's shocked. Dash admits that she doesn't like Pinkie Pie's pies. REVEAL: Pinkie Pie nearby. She overheard. Heartbroken, she runs off (unknown to Dash and Twilight). Dash continues to explain that it's not just Pinkie's pies, its pies in general. "You can't say anything to Pinkie Pie. Making pies means so much to her – she'd be crushed!"

Meanwhile, Pinkie is devastated. She goes through her very detailed files and finds every pie she ever made for Dash. Using her detective skills she learned in season two, Pinkie finds out all the things Rainbow did to keep this a secret (hiding pies in her mane, donating her pie of the month to a different birthday, feeding them to Tank and putting up with his energy spurts, etc.). The more Pinkie uncovers, the more upset she becomes. Just then, Applejack enters with a bunch of apples, saying she was hoping Pinkie could make her delicious pies! Pinkie gets a scheming look in her eye, "Yes I *will* make pies – lots of pies!" Apple Jack looks confused.

Pinkie Pie makes a bunch of pies for Dash in an attempt to get Dash to admit the truth or at least bust her. But RD comes up with more and more elaborate ways of getting rid of them. Finally, Pinkie says she knows the truth. Dash tries to apologize, but Pinkie refuses to accept.

Dash realizes there's only one way to make it up to Pinkie Pie. With the help of the other ponies, she re-makes every pie that Pinkie Pie made for her in the past. Dash tells Pinkie that she's going to eat them all... for friendship. Rainbow Dash says she probably just should've just been honest from the start because getting rid of all those pies was a giant hassle. Dash explains that she thought the hassle was worth it to keep Pinkie Pie happy, but it just made things worse. Dash starts to choke down the mountain of pies, but Pinkie stops her. As much as Pinkie Pie doesn't like that Dash has been keeping her in the dark, she can now appreciate the effort that went into making her feel appreciated. Pinkie hugs Dash: "I love you so much!" Then "So... what are your feelings on cupcakes?" **THE END**
