HARD TO SAY ANYTHING

Premise by Becky Wangberg

FRIENDSHIP LESSON: The CMC's and Big Mac learn that sometimes less is more.

Apple Bloom notices that lately, Big Mac has been making an awful lot of apple deliveries to Sugar Belle's bakery in Starlight's old village. Something is definitely up. Apple Bloom tells Sweetie Belle and Scootaloo about her suspicions and they all decide to hide in Big Mac's apple cart to spy on him.

Once in Starlight's old village (which all still looks identical), the CMCs see that Sugar Belle's bakery is overflowing with apples (in fact, it's the only way they knew which one was her bakery). But to the CMC's surprise, Sugar Belle is more than delighted to get another delivery. Although, it quickly becomes clear that it's Big Mac she's excited to see! Sugar Belle asks Big Mac if he'd like to come into the bakery for some fresh apple pie, apple butter, apple sauce, candy apples, or even just plain apple slices...but Big Mac blushes, shakes his head "Nooope" and gallops off (still pulling the cart with him)!

Back at Sweet Apple Acres, Apple Bloom gets Big Mac to admit he has a crush on Sugar Belle. He just can't figure out how to tell her how he feels! As anypony can tell, words are not his strong suit. He asks for their help. The CMC's promise not to use love potions this time but tell him they'll come up with the perfect gesture. It'll be big and romantic. Sugar Belle will be swooning! CUT TO:

The CMC's ride into Starlight's old village on roller skates, pushing a giant cake on wheels. Once again, they have a hard time finding Sugar Belle's bakery. When they finally do, Sugar Belle comes out and says she's been meaning to put up a sign so her place is easier to find. On cue, The CMC's break into a musical number. They skate around the cake in an elegant dance routine as Big Mac suddenly jumps out of the cake, playing a ukulele! Sugar Belle's eyes widen in surprise, but then the girls slip on some fallen icing from the cake and collide - accidentally pushing the cake (and Big Mac) down a hill. He crashes into a tree! Big Mac blushes and gallops off. Disappointed and confused, Sugar Belle goes back inside.

The CMCs tell Big Mac they feel terrible about ruining his grand gesture. If only Big Mac could let her know how special and wonderful he thinks she is, without having to say anything! Big Mac gets an idea! He grabs some paint and a piece of wood and heads off. The next day, Sugar Belle comes out to see her bakery has a fresh coat of paint and a sign with her cutie mark on it! Big Mac blushes and gives Sugar Belle a flower. Sugar Belle blushes and says she likes him, too. She takes the flower and nuzzles Big Mac. Watching from the sidelines, the CMCs go awwww!

In the end, Apple Bloom tells Big Mac she's proud of him, he clearly didn't need her help after all. But Big Mac says without the initial push from the CMC's, he never would have worked up the courage to just go for it and let Sugar Belle know how he felt. He thanks Apple Bloom, and the group heads inside Sugar Belle's newly painted bakery for their fill of apple treats.
