SC. 1 - INT. SWEET APPLE ACRES - KITCHEN - DAY

Close on AN OVEN. Close on BIG MAC-- waiting. Close on a
TIMER: its hands not moving. BIG MAC, expectant. THE TIMER...
In super-slow motion, the timer clicks forward one notch. *

You said it, Big Mac! This is

WIDER reveals SPIKE with BIG MAC in Apple Family kitchen,
baking supplies scattered about. Worried, Big Mac and Spike
cross paths, hurrying to check the OVEN to the CLOCK to the

when it comes to gifts from the

Discord!? Little help!? DISCORD!!!?

Nothing. Big Mac gets an idea and whispers to Spike.

6 SPIKE (CONT'D)
Good idea. Ahem-- "Captain Wuzz,
are you prepared to enter the world
of Ogres & Oubliettes?"

POOF! Discord appears right away, decked out in his O&O
archer outfit (618), excitedly posing, ready for action.

Huzzah, fellow adventurers! Shall
we storm the ramparts of the

 This needs to go in the mail today
 or it'll never get to Sugar Belle in
 time for Hearts and Hooves Day.

Big Mac blushes. Discord rolls his eyes.

 you by the greeting card industry?

Big Mac <AHEMS>, gesturing to the oven, then gives Discord
 the saddest, puppy-dog eyes ever.

 Fine. But you owe me for this...

Discord SNAPS and POOF! Suddenly he's dressed like a
 magician/clown. He flourishes his cape and pulls out a wand.

 Keep your eye on the pie... it's
 magic time!

Spike turns to Discord, equally proud on Big Mac's behalf.

19 SPIKE
And, he's planning a big romantic Hearts and Hooves dinner.

Discord rolls his eyes and MAGICS the card back into the pie with another <SNAP>.

--MUFFINS dumps the package and letters into a bin. She notices black and red ink on her hooves and rubs it off on the ground.

--The bin gets DUMPED out in a pile of other packages. The red-and-black-ink SMEARS more. In the BG, INCIDENTAL MAIL MARES toss packages around-- kicking, juggling, and header-ing them like soccer balls, accompanied by <BREAKING SOUNDS>.

--A MAIL MARE sorts through the pile. She picks up Big Mac's package. CLOSE ON: The package's smudged tag: ONLY THE BELL IS LEFT! The mail mare tosses it in her wagon.

Big Mac delicately prepares a PERFECT SOUFFLÉ. He steps back to admire it. Suddenly <POOF!> Spike and Discord appear, startling him and deflating the soufflé. Spike, still running from before, CRASHES into a wall.

54 BIG MAC

Eee-whoa!

Spike tries to shake off his teleportation dizziness.

55 SPIKE

Mig Back- I mean Big Mac-- we just saw Sugar Belle. She's at Sugarcube Corner but I think she's on her way over HERE! NOW! You gotta keep her away from here until the barn's finished!

Big Mac <GASPS>, wide-eyed.

56 BIG MAC

Eyup!

Then off he gallops. Spike leans against the wall, thinking.

57 SPIKE

I wonder what she has planned for him.

We don't have to wonder...

Discord SNAPS, they disappear, and we CUT TO:

59 SPIKE

Will you WARN me next time you do that!?

Discord grins.

At that moment, Sugar Belle and Mrs. Cake step outside and begin walking down the street. Spike looks up and sees Big Mac coming the other way, galloping towards the shop. Sugar Belle is too engrossed in conversation to notice.

(85)

60 SPIKE (CONT'D)

Oooo, she hasn't seen him yet. Take note, Discord. This is what love is all about!

Meanwhile, Sugar Belle and Mrs. Cake continue to walk along the road - Big Mac nearly upon them.

63 SUGAR BELLE

I hope he'll be okay without me.

From the bushes, Spike and Discord cock their heads simultaneously.

In the street, Big Mac SCREECHES to a halt, confused. As Sugar Belle starts to turn at the sound, he panics and jumps into the bushes - surprised to find himself right next to Spike and Discord.

64 SPIKE

Oh, hey. We're just... not spying.

65 BIG MAC

Shhhh!

Sugar Belle shrugs and turns back, continuing...

84 85

66 SUGAR BELLE

I mean, he has been on his own

Mrs. Cake nods. Big Mac's eyes widen. Spike and Discord
exchange a look. Sugar Belle sighs a deep sigh.

67 SUGAR BELLE (CONT'D)

How should I tell Big Mac tonight?
"You won't need to come visit me in

SC. 8 - INT. SWEET APPLE ACRES - KITCHEN - DAY

Slouched at the kitchen table, Big Mac downs a full mug of apple juice and slams his head into his hooves.

73 SPIKE

Okay. Things seem bad, but maybe they're really not...

Big Mac peeks out through his hooves at Spike.

74 SPIKE (CONT'D)

Maybe "we're finished" was about the day. Ponies say that, right? Like, "Hey, remember yesterday? That's finished. Cause it's today."

Big Mac regards him, dubiously.

75 SPIKE (CONT'D)

Okay, maybe not that. (has another idea) Oooh! I know. Maybe Sugar Belle has a whacky cousin who's never been on his own and she has to leave him in charge of her shop while she apprentices with Mrs. Cake, who does that, like, two days a week-- (considers, then) No, three. That's why she won't need you to come to her village anymore - because she'll already be here!

Big Mac looks at him hopeful, but Spike shakes his head.

76 SPIKE (CONT'D)

Nah. I don't even buy that one.

77 BIG MAC

<BROKEN-HEARTED SOBBBBBBBB>!!

BM downs another mug of apple juice and slams his head into his hooves.

78 BIG MAC (CONT'D)

She takes pie baking seriously. Why'd I even try-- bet she thought I was making fun of her. Unless... (sincere) ...Was it something I said...?

Spike stares. With one eyebrow raised, Discord SLOWLY levitates down from the ceiling and into frame.

Okay. I think we've had enough of the aloof ~~of~~ of Chaos' remedies for a broken heart.

I don't get it-- we asked every stallion in Ponyville.

Apple Bloom sighs and sits on a hay stack.

Big Mac turns an angry deep red color as he gets worked up.

159 160

129 BIG MAC
I know why you're here.

130 SUGAR BELLE
You do?

131 BIG MAC
But I have something to tell YOU

...What...?

Big Mac holds his chin up high. He leans back "cooly" against Mrs. Cake's counter top, a la Discord. <COOL ACOUSTIC BASS>.

160

139 BIG MAC
We're breaking up.

159 160

140 SUGAR BELLE
I don't understand. Why are you
breaking up with me? ...And why are
you leaning like that?

141 BIG MAC
I... (tearful frustration) don't
know!

142 SUGAR BELLE
Big Mac... please talk to me.

143 BIG MAC
I-- you-- ARGH! This is why I don't
like taking! Words can hurt! Words
HURT! GOODBYE, SUGAR BELLE!

Big Mac runs off. Sugar Belle stands there, tears in her
eyes, unable to process anything. WIDER TO REVEAL: Mrs. Cake,
awkwardly standing there.

town, taking in the adorable sights of Hearts and Hooves Day:
Lyra and Bon-Bon trade adorable presents and hug. Maud and
Mudbriar proudly watch Boulder and Twiggy playing. Matilda
and Cranky Doodle eat spaghetti Lady-and-the-Tramp style. Big
Mac walks through it all with glazed eyes...

SC. 16 - INT. SWEET APPLE ACRES - BARN - LATER

each of them to a picture of Sweetie Belle in the middle.

Big Mac just nods solemnly.

 Sugar Belle...?

151 BIG MAC
 Just go.

Apple Bloom winces, hurt. Suddenly Sweetie Belle runs over,
 completely oblivious to the emotional tenor...

 it, if you could just--

We both know I don't like to say much, but I'm going to say something now.
