TEASER**SC. 1 - INT. SCHOOL OF FRIENDSHIP - TWILIGHT'S CLASSROOM - DAY**

TWILIGHT SPARKLE addresses her FRIENDSHIP STUDENTS, including OCELLUS, YONA, SANDBAR, SILVERSTREAM, GALLUS, SMOLDER, COZY GLOW, and a few other PONIES. SPIKE stands at the front of the class, near an ORNATE, LARGE, closed CHEST.

70 73
↓ ↓
1 TWILIGHT
Who can tell me what these are?

Spike opens the chest to reveal SIX MAGICAL ARTIFACTS - the AMULET OF AURORA, the TALISMAN OF MIRAGE, the HELM of YKSLE, the CROWN OF GROVER, KNUCKERBOCKER'S SHELL, and CLOVER the CLEVER'S CLOAK.

99 The students lean in to look, impressed/awed. In a quick run:

SILVERSTREAM
Treasure? / Shiny! / Me likey. / 103 A B C D E
Whoa. / Nope! ↓ ↓ ↓ ↓ ↓

102 3 OCELLUS
They're all legendary magical artifacts!
(the others gape at her)
I read ahead in Equestrian Cultures and Camaraderie. Volume seven. 104 105

Ocellus shyly points to a huge book on her desk.

Twilight smiles encouragingly. As she mentions each artefact, we FEATURE IT--

70 71 73 4 TWILIGHT
You're right, Ocellus! This is the Amulet of Aurora, the Talisman of Mirage, the Helm of Yksler, the Crown of Grover, Knuckerbocker's Shell and Clover the Clever's Cloak.

100 102 5 SPIKE
And the gems are real! Not that I tasted them... 106 A B

71 73 6 TWILIGHT
Princess Celestia gifted these to our school, since they each represent one of the cultures our students come from.

71 (73)
 TWILIGHT (CONT'D)
 And we'll be learning all about
 them-- with a Spell-venger hunt!

Smolder leans over to Sandbar to ask--

7 SMOLDER
 Is that a pony thing?

Sandbar shrugs - first he's heard of it.

8 TWILIGHT
 It's a magical scavenger hunt!
 Each of you will work in pairs to
 try to find where in the school
 these artifacts are hidden.

9 SPIKE
 The team that finds the most wins a
 private tour of the Canterlot
 archives with Princess Celestia.

10 SILVERSTREAM
 Learning AND fun? Does it get any
 better than that?!

11 GALLUS
 You've been underwater a long time,
 haven't you.

12 TWILIGHT
 Gallus and Silverstream? Sounds
 like you're our first pair.

The students react in <SHOCK>, which Twilight misinterprets:

13 TWILIGHT (CONT'D)
 What? They'll make a great team!

Yona points a hoof at Twilight, asking what they all wonder:

14 YONA
 Why pony glowing?

Twilight looks down to see that her CUTIE MARK is GLOWING - a
 summons from the map!

CUT TO:

SC. 2 - INT. TWILIGHT'S CASTLE - MAP ROOM - SOON

Twilight runs in to find that APPLEJACK, RARITY, FLUTTERSHY,
 PINKIE PIE and RAINBOW DASH are already there - with their
 cutie marks glowing as well!

75 83
 15 TWILIGHT
 Wait - you all were called on this
 friendship quest too?
 82 83 84
 16 FLUTTERSHY
 It must be a really important one.
 17 RARITY
 And terribly far away.
 Rarity points to the map -- sure enough, the Mane 6's cutie
 marks float above an unknown area on the edge.
 60 61 6
 18 RAINBOW DASH
 Just getting there will take DAYS!
 19 APPLEJACK
 Do y'all know what this means?
 Pinkie pops up, a PEN in one hoof and a PAPAYA in the other.
 82 83
 20 PINKIE PIE
 That if you stick a pen in a papaya
 you get a papaya pen?
 Applejack shakes her head.
 60 61
 21 APPLEJACK
 It MEANS there won't be any
 teachers left to run the school!

END TEASER.

ACT ONE

SC. 3 - INT. TWILIGHT'S CASTLE - MAP ROOM - RESUME

The Mane 5 look concerned as they consider what this means--

85 86
 22 FLUTTERSHY
 Should we send our students home?
 23 PINKIE PIE
 I say we take em with us! ROAD
 TRIP!
 24 RARITY
 In the middle of my friendship
 quilting class? I think not! All
 those unfinished seams...<shudder>

62A 63

25 APPLEJACK
Problem is, we don't even know how long we'll be gone!

But Twilight remains calm. She magics in a massive scroll and tells the others--

76 63

26 TWILIGHT
Don't worry, everypony. I already have a seventy-eight point plan in place for this very situation.

SC. 4 - INT. SCHOOL OF FRIENDSHIP - HEADMARE'S OFFICE

ON a shocked STARLIGHT GLIMMER as she asks CAMERA:

111 112

27 STARLIGHT
You want ME to be Headmare?!

TWILIGHT, at her desk (Spike beside her), nods with a smile.

77 78

28 TWILIGHT
Mm hm. You're the perfect choice. You're a good leader, and an expert in friendship! I trust you to run this school exactly as I would.

111 112

29 STARLIGHT
That's a pretty big responsibility, Twilight...

119

77 78

30 TWILIGHT
Which is why I've prepared everything you need!

79

Twilight levitates a stack of folders, books, and scrolls on the desk. <WHAM!> Starlight jumps back from the pile.

78

31 TWILIGHT (CONT'D)
The curriculum, rules for the Spellvenger hunt, dining hall menus for the next six months...

111 112

32 SPIKE
Six months?! You're not really gonna be gone that long, are you?

113 114

Twilight levitates Spike atop the pile.

77 78

33 TWILIGHT
...And Spike. Anything that isn't covered in my files, he'll be able to help you with.

111 112
34 STARLIGHT
Then why not put him in charge?
Spike waves his hands - no no no.

35 SPIKE
No thanks. Being a princess for
Twilight was hard enough.

36 STARLIGHT
I'm gonna pretend that made sense.
(then, to Twilight)
But if you're sure it's what you
really want...
(then, decisive)
I promise I won't let you down.

Twilight smiles at Starlight, and then levitates a suitcase
as she heads for the door.

37 TWILIGHT
I knew I could count on you.

As Twilight <CLOSES> the door behind her, the pile of
paperwork falls off the desk. Spike leaps free, flapping his
wings. Starlight is buried by the pile. She levitates it off
herself, dryly observing--

38 STARLIGHT
Great. What could possibly go
wrong?

CUT TO:

SC. 5 - EXT. SCHOOL OF FRIENDSHIP - SOON

Spike and Starlight wave goodbye as the Mane Six disappear
over the horizon, off on their friendship mission.

39 SPIKE / STARLIGHT
Bye, Rarity! And everypony! / Come
back soon! Please.

A loud OS <NOSE BLOW> makes Spike and Starlight JUMP. PULL
OUT TO REVEAL - DISCORD holds a hankie, eyes streaming tears.

40 DISCORD
I hate goodbyes, don't you? I just
go to pieces!

Discord <BLOWS> his nose and falls apart like a crumbling
cookie and lands in a pile. Starlight isn't sure what to say.

122 123
 ↓ ↓
 123
 41 STARLIGHT
 Discord! What a...Nice surprise!
 This is your first time at our new
 school, isn't it?

Reassembled Discord snarks back, changing clothes: Grand
 Opening is a nice suit, Friends and Family day is a beanie
 hat with propeller, Baccalaureate is a graduation gown.

3 4 5
 ↓ ↓ ↓
 122 123
 ↓ ↓
 42 DISCORD
 Oh, was I not invited to the grand
 opening? Friends and Family Day?
 Baccalaureate? I hadn't noticed.

122 123
 ↓ ↓
 43 STARLIGHT
 Well... At least you're here now!
 (a beat, then)
 Um...Why ARE you here now?

Discord throws his mortar board in the air and his clothes
 disappear.

3 4 5
 ↓ ↓ ↓
 44 DISCORD
 To fill in for Twilight of course.
 As Headraconequeus.

Spike and Starlight share an awkward look.

76
 ↓ ↓
 122 123
 ↓ ↓
 45 DISCORD (CONT'D)
 I seem to recall a whole song about
 how this is a school where you make
 your own rules. Who better at that
 than me?

122 123
 ↓ ↓
 46 SPIKE
 Then you ALSO must've heard
 Starlight is in charge now.

4 76
 ↓ ↓
 47 DISCORD
 Really? I thought there must be
 some mistake. A bad connection.

Discord takes off his head in one hand and uses a rag to
 <SQUEAK SQUEAK> clean the head and neck ends before
 reattaching them.

122 123
 ↓ ↓
 48 STARLIGHT
 Nope, Twilight picked me for the
 job. And she left pretty detailed
 instructions for me to follow.

4 7
 ↓ ↓
 49 DISCORD
 Well, I'm sure she wouldn't mind if
 I made a few TINY suggestions...

Discord shrinks to TINY SIZE and begins reading a ridiculously long scroll.

4 7 9

50 DISCORD (CONT'D)
Item one - gravity is optional.

Discord begins floating.

6 11

51 DISCORD (CONT'D)
Item two - the school's new mascot
is an ambidexterous marmoset.

The MARMOSET appears, wearing school colors, also floating, and flashes two thumbs up.

122 123

52 DISCORD (CONT'D)
Item three...

Starlight puts her face down to tiny Discord.

122 123

53 STARLIGHT
Yeah, not gonna happen. I promised
Twilight I'd handle this her way.
So thanks, but no thanks.

126

Discord poofs back to regular size - challenge accepted.

4 7 8

54 DISCORD
Reeeeeeeally? Well, we'll see if
you change your mind.

15 AOC

He <SNAPS> his fingers and is gone. Spike looks worried.

122 123

55 SPIKE
Uh oh. When we play Ogres and
Oubliettes, and he puts that many
eeeees in "really", things usually
don't end well.

124 125

123

56 STARLIGHT
Don't worry, Spike. Discord and I
are old save-Equestria buddies.
He'll be fine. Now, what's next on
Twilight's list?

SC. 6 - INT. SCHOOL OF FRIENDSHIP - HALLWAY - NEXT MORNING

Spike walks beside Starlight, consulting a to-do scroll.

131 132

57 SPIKE

Okay, I hid the artifacts for the Spellvenger hunt and ordered school supplies for the week. All you have to worry about is teaching class.

133

134 135

As they arrive at the Headmare's office.

132

58 STARLIGHT

Thanks, Spike. Maybe we will get through this okay...

SC. 7 - INT. SCHOOL OF FRIENDSHIP - HEADMARE'S OFFICE - CONTINUOUS

But when the duo opens the door, they see Discord, feet up on the desk, the whole room redecorated in Chaos Lord Chic. He takes a BITE of one of Twilight's books and beckons--

58A 14

106 11

59 DISCORD

Come in, come in, you'll let the twittermites out.

135 136

60 SPIKE

Twittermites? OW!

A few TWITTERMITES ZAP Spike as they zoom by.

61 STARLIGHT

Discord! What are you doing?

Discord sits up, detaching from his crosslegged feet, which he leaves on the desk.

10 11

62 DISCORD

No pony was at your desk. Imagine what Twilight would say!

Discord's head becomes Twilight's:

63 DISCORD (CONT'D)

(as Twilight)

How could you, Starlight? You've broken my trust and failed me completely!

(then, normal again)

Don't worry, I covered for you. By the way, I hope you like Limburger cheese. I got a month's supply for the teacher's lounge.

13

139 140

Discord opens a huge crate, and stinky cheese tumbles out around Spike. He blanches at the smell.

63A 139 140

Starlight forces a smile and escorts Discord to the door.

135 (136)

```
64          STARLIGHT
We'll take it from here, Discord.
Go relax, have a cup of tea, at
home...
```

Discord pouts, getting his coat and hat from a rack nearby.

10 11 12

65 DISCORD
Hmph! Some thanks for all my help.
And after I hired those substitute
teachers for you, too.

Spike shrugs to Starlight--

66 SPIKE
Actually, that does sound kinda
helpful. And it was next on our to
do list...

137 (138)

But Starlight's eyes narrow, unconvinced.

136

67 STARLIGHT
WHICH teachers did you hire?

SC. 8 - INT. SCHOOL OF FRIENDSHIP - CLASSROOM - CONTINUOUS

The students cower at their desks as IRON WILL stands on the desk, posing and commanding--

56 58

68 IRON WILL
They call it making friends because
you have to MAKE creatures be your
friends! Show me what you got, Yak.

Yona steps to the front of the class. Tentative at first--

141 (142) (143)

69 YONA
Be my friend.

57 58 59

70 IRON WILL
If you're quiet, I don't buy it!

Yona stomps a hoof and projects.

141 143

71 YONA
Be my friend!

72 IRON WILL
I've heard pudding that's more
convincing.

72A

Yona <SNORTS> and goes into full bellowing aggression, stomping on the desk as she insists--

141 143

73 YONA
BE. MY. FRIEND!

PAN to the doorway, where a horrified Spike and Starlight watch this scene with Discord.

That's not how Twilight teaches friendship...

CRANKY DOODLE sits on a lounge chair with an umbrella. His friendship students wait on him hand and foot, fanning him, manicuring his hooves and feeding him grapes.

184 185

75 CRANKY DOODLE
Some field trip! Where's my iced tea?

Gallus walks up to hand him a glass of iced tea. Cranky Doodle takes the tea and drinks. He does a spit take.

76 CRANKY DOODLE (CONT'D)
This is too cold.

153 ABCDE

Gallus rolls his eyes and grabs another glass from OS. Cranky takes it...And spits again.

Gallus grabs a new glass from OS. Cranky sips and spits.

Uh, guys? That's not just any tree.

Smolder has started <SNIFFING>, then lets loose with a full-fledged FIRE SNEEZE! The rest of the students duck just in time, their desks charred.

83 SPIKE (CONT'D)
(flat)
It's a Dragonsneeze tree.

Smolder sneezes again, and the other students run out past Starlight, Spike and Discord <YELLING> in panic.

SC. 11 - INT. SCHOOL OF FRIENDSHIP - HALLWAY - CONTINUOUS

Panicked, Starlight takes in the chaos.

84 STARLIGHT
Wait, calm down, every creature.
It's going to be okay!

A still-enraged Yona <SMASHES> out of another classroom door and stampedes down the hall, BELLOWING:

85 YONA
BE MY FRIEND!!!!

Discord leans coolly against the wall.

86 DISCORD
My, you do seem like you're in over your head. Won't Twilight be so disappointed with how you're ruining--I mean RUNNING her school?

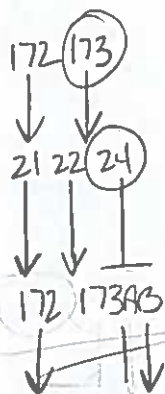

On Starlight's horror that he's right...

END ACT ONE

ACT TWO

SC. 12 - INT. SCHOOL OF FRIENDSHIP - HALL - RESUME

Starlight rounds on Discord, who eats popcorn as he watches the chaos unfold.

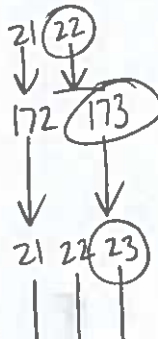

87 STARLIGHT
Discord! This is all your fault!

88 DISCORD
Mine? I thought YOU were in charge here. But I'm happy to pitch in if you need me.

89 STARLIGHT
What I need is you to leave!

Discord snaps his fingers and is now a large LEAF.

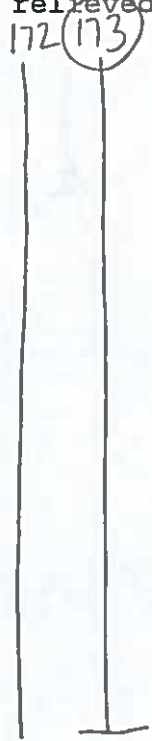

90 DISCORD
Happy now?

91 SPIKE
Come on, Discord. You know that's not what she means.

92 DISCORD
Fine. From now on, I won't try to help. AT ALL.

And he leaf-floats out the nearest window. Starlight takes a relieved breath.

93 STARLIGHT
Thanks, Spike. Let's just hope he stays gone.

94 SPIKE
I wouldn't count on it. I think Discord's trying to test you.

95 STARLIGHT
But why? I thought we were friends!

96 SPIKE
(shrugs)
It's kinda what he does. Even to ponies or dragons he cares about.

97 STARLIGHT
Well, I'm ready for him. I told Twilight I'd run her school right, and I'm going to keep that promise.
(eyes narrow)
No matter what.

She doesn't see the Cheshire-Cat like eyes and smile of Discord materialize nearby, as he listens to this.

SC. 13 - INT. SCHOOL OF FRIENDSHIP - MAIN HALL - NEXT MORNING

Starlight smiles as she address the gathered students--

176 177

98 STARLIGHT
Good morning, students! I know there's been a little bit of adjustment since the Professors left for their trip, but I've brought in new new teachers, and now everything should run smoothly!

98A ANGLE ON the students. SMOLDER sucks up breath as if to sneeze, and the students around her take a dramatic step to the side. She sticks a finger under her nose to stop the sneeze. The students <SIGH> in relief.

178 179

180 181

99 STARLIGHT (CONT'D)
Now it's time for class. And don't forget, this afternoon is the Spellvenger hunt!

As the students start off, a JANITOR, sweeping in the corner, tips his hat to reveal a sinisterly smiling Discord.

SC. 14 - INT. SCHOOL OF FRIENDSHIP - TWILIGHT'S CLASSROOM - SOON

The students (including Ocellus, Gallus, Smolder and Cozy Glow) sit at their desks, waiting. The door <SLAMS> open, kicked in by Discord, who is now dressed in ridiculously out-dated "kid fashion" - hat to the side, flannel tied around his waist, skateboard, etc.

The students gape.

26 27 28 Alt

100 DISCORD
Greetings, fellow kids. I am here to learn amongst you. Is this seat taken?

100A Discord bends around Ocellus to an empty chair. She shakes her head. Discord takes the chair, throws it OS, and sits on his desk.

There's a POOF of smoke at the front of the classroom, and TRIXIE appears, commanding the class--

91 92

101 TRIXIE
Welcome class! You may call me the Great and Powerful Professor Trixie!

96 97

An annoying OS <CELL PHONE RING> interrupts her. She glares.

Discord looks around, frowning, shushing the students.

29AB 30

102 DISCORD
Really, that is so inconsiderate.

Then, he notices a banana on his desk is "ringing".

103 DISCORD (CONT'D)
Oh, I'd better take this.

Discord picks up the banana and talks into it.

104 DISCORD (CONT'D)
Hello? Oh he did not. What did

Trixie has walked over to Discord's side.

29 30 31 32

106 DISCORD
Why I'm a student of friendship, of

you're good enough to teach me...

Trixie scowls - the gauntlet has been thrown.

91 92

107 TRIxie
Of course I am! (then) No fruit
calls in my class.

107A 32B
Discord shrugs and eats the banana whole in one gulp. Trixie
turns to the class, commanding attention--

108 TRIxie (CONT'D)
Magic is the most important element

Great and Powerful Trixie, will put

Discord smiles and <SNAPS> his fingers as Trixie reaches in
her hat and pulls out... A snarling BEAR head. Alarmed, she

and she pulls out a red-eyed BEAVER.

I've never run so fast in my life.
This is great! Scary. But great!

The Bugbear snarls and <SNAPS> near Yona's hooves. She <PANTS>, exhausted.

118 YONA
Yona...Can't run...Faster.

119 SANDBAR
Hey, Coach. We need a break.

120 DISCORD
Friendship is about honesty. So believe me when I say... We're not stopping!

The Bugbear is closing in on Yona. Silverstream and Sandbar try to help her along, but it's no use.

Suddenly, a BLAST OF MAGIC zips across the field, freezing the Bugbear in place.

REVEAL - it's Starlight (and Spike), and seeing the terrified Yona she has HAD IT.

121 STARLIGHT
Discord, that's enough! Endangering students crosses the line! I don't know why you're trying to ruin this school, but it stops now.

Discord loses the coach outfit and crosses his arms, dangerous.

122 DISCORD
I wouldn't be so sure.

Starlight powers up her horn--

123 STARLIGHT
This is your last warning...

Spike gets between them, arms up for peace.

124 SPIKE
Hey, take it easy, Starlight.
Discord's your friend, remember?

125 STARLIGHT
Well, he's not acting like it.

195 (196)

126 SPIKE
She's right, Discord. What's your problem?

44 45

127 DISCORD
My problem? How is the fact that Twilight decided to put an incompetent, power-hungry unicorn in charge of her school my problem?

It's too much for Starlight. She lets her magic go in a FLASH toward Discord. The magic ripples out across the field, and when it clears, Discord is gone.

The students gape in horror.

206 207

128 STARLIGHT
(fake cheer)
Don't worry. I just banished him from school grounds forever. He's fine.

The students head off, looking warily at Starlight.

207

129 SPIKE
That probably made things worse...
Why didn't you just talk to Discord?

She slumps, confides to Spike--

130 STARLIGHT
Because he's right about one thing. I've been doing a terrible job as Headmare.

131 SPIKE
No you haven't! I know Twilight would be proud of you. Discord is just being...Discord.

(210)

132 STARLIGHT
Maybe. But I wonder why me being in charge bothers him so much...

She looks thoughtful.

133 SPIKE
We can figure that out AFTER the Spellvenger Hunt. C'mon.

208 (209)

Starlight nods gratefully to Spike and they head off.

SC. 17 - INT. SCHOOL OF FRIENDSHIP - MAIN HALL - SOON

Starlight faces the gathered students as she explains--

212 221

134 STARLIGHT
For this afternoon's Spellvenger Hunt, you'll need to use the artifacts' history to find where they're hidden in the castle. When you spot one, touch it with a magic shield to keep track of your score.

Spike holds up a bucket of bracelets with SHIELDS on them.
(Think watches, with the Shield as the watch face, magically keeping track of each artifact found.)

135 SPIKE
Twilight left a list of your hunt partners before she left. I'll pass out the shields ~~one per team~~.

222 223 224 225

The students cheerfully step up for their shield bracelets.
Teams are: Smolder and Ocellus, Gallus and Silverstream, Yona and Sandbar, and ponies paired with each other.

220

136 STUDENT WALLA
This is gonna be great! / We'll find 'em all. / I read the artifact chapter twice! / Give me the shield.

Ready, set... Spellvenger Hunt!

The students take off as Starlight smiles. Spike beckons--

138 SPIKE
C'mon, we can use Twilight's observatory to watch the teams!

SC. 18 - INT. SCHOOL OF FRIENDSHIP - HALLWAY - SOON

Ocellus and Smolder (wearing a shield bracelet) hurry down a hallway.

226 227

139 SMOLDER
I hope you know where you're going.

140 OCELLUS
To the Helm of Yksler!

226 227
141 SMOLDER
(shrugs)
Works for me.

Ocellus stops in front of SEVERAL SUITS OF ARMOR.

142 OCELLUS
In our book, it says Yksler was an
honorable Yak warrior. Any enemies
that saw him put down their weapons
in peace. I think his artefact must
in one of these suits of armor.

228 229 230 231 233
Smolder eyes the armor helmets and spots one with horns - the
HELM OF YKSLEK.

227
143 SMOLDER
I'm guessing that one.

Smolder touches the helmet with her shield bracelet. The
bracelet glows magically with a <DING!>

144 OCELLUS
Yes! One down, five to go!

232
144A
Smolder and Ocellus high-five.

SC. 19 - EXT. SCHOOL OF FRIENDSHIP - TWILIGHT'S TOWER - SAME TIME

Spike turns knobs on Twilight's telescope and gestures for
Starlight to look through it.

234 235
145 SPIKE
Here. Now you can see anywhere in
the school you want.

Starlight smiles as she looks through--

146 STARLIGHT
Aw, Smolder and Ocellus found their
first artefact!
(then)
Wait. What's that...

TELESCOPE MATTE ON THE HALLWAY:

Ocellus and Smolder look up in fear as one of the suits of
armor has come to life and is <CLANKING> toward them.

Ocellus hides behind Smolder, trembling.

236 237

147 OCELLUS
I...Don't think that's part of the
Spellvenger Hunt.

The suit of armor charges! **Smolder** and Ocellus turn and run,
freaked out.

148 OCELLUS / SMOLDER
The school is haunted! / Not cool!

END ACT TWO

ACT THREE

SC. 20 - INT. SCHOOL OF FRIENDSHIP - LIBRARY - RESUME

Gallus leads Silverstream into the library.

149 SILVERSTREAM
We're totally gonna win this
Spellvenger Hunt!

150 GALLUS
Yeah, I doubt that. But at least I
know where one of the artifacts is.
Saw Spike hide it yesterday.

Gallus slams his shoulder against the library panels.
Finally, one of them flips to reveal - a PORTRAIT of A
GRIFFON wearing the CROWN OF GROVER.

151 GALLUS (CONT'D)
Score. The Crown of Grover. They
say it's magic, and King Grover
used it to become the first ruler
of Griffonstone.

(off Silverstream's awe)
I know, pretty sweet, right?

152 SILVERSTREAM
(head shake)
You paid attention in class!

Silverstream touches the shield to the painting. The
bracelet magically glows... And then the portrait COMES TO
LIFE, the Griffon's eyes glowing and jaws SNAPPING at Gallus.

153 GALLUS/SILVERSTREAM
Whoa! / 3-D painting!

The other portraits fly off the walls and chase the duo out
of the library. A ghostly **Discord** appears and <CHUCKLES> as
the students run out, <YELLING>.

PULL BACK TO SEE THIS SCENE through a telescope matte.

SC. 21 - EXT. SCHOOL OF FRIENDSHIP - TWILIGHT'S TOWER - SAME TIME

Starlight pulls her eye away from the telescope.

247 248 249

154 STARLIGHT
Yep, that's definitely Discord.
This is not good.

155 SPIKE
I thought you banished him from the school!

156 STARLIGHT
Only his body. Apparently his ghost can come and go just fine. Let's go - we have to stop this.

Starlight and Spike hops on a magical "elevator" - a platform that floats down from the tower into the school. As it floats-

157 SPIKE
How? No offense, but I don't think magic is the answer against Discord.

158 STARLIGHT
This time, I'm not using magic.

SC. 22 - INT. SCHOOL OF FRIENDSHIP - STAIRCASE - SAME TIME

Yona and Sandbar examine the staircase carefully.

159 YONA
What Yona look for?

160 SANDBAR
The shell of Knuckerbocker. It's like a seashell, but if you blow into it, you call a dragon! There's a sweet poem in our book about it. "Climb to the heights with dragon flight." Like flight of stairs!

161 YONA
Yona take pony word for it.

251

The duo examines the balustrades and steps. Yona puts a hoof down and a stair squishes beneath it.

247 (249)

162 YONA (CONT'D)
Huh?

She pokes it again, and her hoof sinks. Suddenly, all the stairs liquefy into QUICKSAND! Both Yona and Sandbar start to sink into them.

163 SANDBAR
<struggle> What's happening?!

164 YONA
Yona not know. But Yona DO know
Yona not like Spellvenger Hunt!!!

(250)

The ghostly spirit of Discord appears and laughs as he lifts a finial on the staircase and pulls out Knuckerbocker's Shell.

PULL WIDE ON THE MAIN HALL -

Meanwhile, the other panicked students run past, chased by the portraits, and armor.

165 STUDENT WALLA
<yells>

(2526)

Starlight and Spike rush in.

253 254 (255)

166 STARLIGHT
Everycreature, stop!

The chaos pauses for a second.

167 SILVERSTREAM
But the school is haunted!

168 STARLIGHT
It's not haunted. It's Discord.

With a POOF, the pictures, armor and quicksand disappears. In its place, ghostly Discord POOFS in, juggling the six Spellvenger artifacts.

169 DISCORD
Headmare Starlight! Look, I won the
Spellvenger Hunt! Well done me!
What's my prize?

Detention.

Discord droops.

49 (50) 53⁵⁴ 171 DISCORD
 Well, that's disappointing.
 Discord drops the artifacts. Spike dives to catch them.
 253 (255) 172 STARLIGHT
 Discord, you can't keep messing up
 the school.
 49 (50) 53⁵⁴ 173 DISCORD
 On the contrary, I rather think I
 can, and will.
 253 255 174 STARLIGHT
 Then I have just one thing to say
 to you. 256 257 B (258) C
 Discord does his best "Willy Wonka" lean.
 49 50 (53) 54⁵⁴ 175 DISCORD
 Do go on.
 253 (255) 176 STARLIGHT
 I'm sorry.
 This is not what Discord was expecting.
 49 (50) 53⁵⁴ 177 DISCORD
 What?
 Starlight uses her MAGIC in the reverse of the banishment
 spell we saw earlier, and Discord becomes "real" again.
 253⁵⁴ 255 178 STARLIGHT
 I had to stop thinking like a
 Headmare and start thinking like a
 Guidance Counselor to finally
 understand. You felt left out. 259
 Discord crosses his arms and turns his back to her.
 49 50 (51) 53⁵⁴ 179 DISCORD
 I don't know what you're getting
 at.
 253 255 180 STARLIGHT
 Nopony ever invited you to the
 school. And when you offered to
 help, I didn't listen. I was so
 worried about doing things
 Twilight's way, I didn't stop to
 think about being a good friend. 259
 PAN the students as they listen to this.

Back on Starlight as she earnestly tells Discord--

253 255

181 STARLIGHT (CONT'D)
I'd like to apologize for that.
And offer you the job of vice-headmare.

260

Spike and the students can't believe this.

184 SPIKE
You're new to the world of
education, aren't you?

Starlight smiles at Discord, totally onto him.

52 53 54

185 STARLIGHT
Next time you want something, just
ask for it, all right?

186 DISCORD
But then we'd miss out on all these
delightful misadventures.

Discord gives Spike a noogie.

268 269

187 SPIKE
Ah! Watch the wings!

188 STARLIGHT
Now, vice-headmare Discord, if
you'll help me get this Spellvenger
Hunt back in order...

Discord smiles and snaps his fingers.

200 TWILIGHT
Thanks for taking care of the school, Starlight.
