806 Storybreak

Teaser

- CMC's are hanging out and get called by the map
- They're in the throne room and TS explains that not only are they being called, they're being called beyond Equestria (which none of them have experienced).
 - o TS can chaperone them as she needs to go to Mt. Aris to get permission slips signed (since the ponies are new to Hippogriffs, TS wants to make sure everything is in order. Do they have all their vaccines, etc.)

Act 1

- CMC takes the train to Mt. Aris and are really excited to be going there
- While on the train, we have expository on the seapony and hippogriffs
- They are dropped off at the base of the mountain and they're scanning the sky, looking for hippogriffs
- "I'm here!" They hear a splash and see Terramar (in his Seapony form), who transforms into a Hippogriff.
- "Oh you can turn! That's so cool!"
- CMC asks if he knows of anyone who has a friendship problem, who wants a Cutie mark, etc.
- Terramar doesn't, but TS needs to go up the mountain to get her permission slips signed, and Terramar can take them up there and give them a tour.
 - o We meet some of his cool relatives
 - o TS pops in and out, trying to get all of the signatures
- While in the mountain, the CMC look for creatures with possible problems, not really paying attention to the tour
 - o They see a two hippogriffs fighting
 - Turns out they're just having a really fun game of tug of war!
- Sweetie Belle gets really swept up by the mountains
 - o Very the "hills are alive with the sound of music" reaction/moment
 - o She loves the view, the beauty, the landscape, etc.
 - o She loves that she can sing and it's echoing all around her.
- SB – "You're very lucky to be a hippogriff", Terra – "I'm more than a hippogriff."
- CMC – "It's so cool you're of both worlds!" Terra – "Not so much, I'm conflicted about who I am".
- One of the CMC believes this must be their mission.

Act 2

- One of the CMC doesn't think this is their mission.
 - o "How can this be our mission?"
- Terramar feels torn between who to be, where to go, etc. He doesn't want to let anyone down

- “It’s not that simple being me”.
- “We’ve seen the mountain, we need to see the sea to give our unbiased opinion.”
- CMC take the train to the sea.
- There they meet more cool relatives.
 - They see fun cousins to play with
 - Uncles that get all the culture references
 - Grandmas that’s always giving out money
- They see TS who is trying to get signatures.
 - “I just got my hair dried!”
- Scootaloo loves the sea (“it feels like flying!”) and SB hates that she can’t really sing underwater.
- Terra sees how cool the CMC’s think both location is and is sad about it
 - This makes the CMC sad as they realize they really need to figure out what to do
 - They create a chart
- Song
 - Reveal CMC preference of the mountain or their sea (Scootaloo prefers the seas, Sweetie Belle the mountain)
 - Their arguments bloom in the song and they see that they can’t even decide which is better. AB is neutral about it all.
 - “You think the sea is better? You’re crazy!” “No, I’m not, you like the mountain!”
- SB and SC’s argument escalate and they’re at odds at the end of the song. They no longer speak to each other.
- AB – “how can we help if we can’t even decide amongst ourselves?” Terra – “see? Now you two aren’t even talking!”
- Terra runs off leaving AB with SB and Scootaloo who ignore each other.

Act 3

- TS runs into AB and offers some advice
- AB mediates between SB and Scootaloo. They are just a few feet away from each other, and are refusing to talk to each other.
 - “Hippogriffs are the best pony!”
- While AB runs back and forth between SB and Scootaloo, it occurs to both of them that both the sea and the mountain are great
 - “Why can’t they both be great?”
 - “Yeah! Why does he even have to choose?”
- Light Bulb! – “We know what to do!”
- CMC put a party together with both family members invited
- While at the party, each relative emphasizes how great it is to be a seapony or a hippogriff
 - After a swim – “That’s how a seapony does it!”
 - TS finally gets all the signature she needs...she just needs Silverstar...who is back at the School of Friendship.
- Terra has fun at the party and wishes he could do this all the time
 - CMC - “Why can’t you?” Terra – “Because I have to choose”, CMC – “Do you?”
- Terra goes to his family to prove that he has to choose between a seapony or a hippogriff

- Family are open to him spending time with them the way he wants, and being a seapony/hippogriff the way he wants to be
- Terra sees that he doesn't have to choose, he can be whoever he wants to be, wherever that is.
