

1. COACH SALMONS

(GRUFF AND GRIZZLED) My name is Coach Salmons and I'm the new gym teacher. I want you to listen real close because I don't talk like this... (SING SONGY & HAPPY) I TALK LIKE THIS! Now let's go out there and have some fun! Wheeeee!

2. COACH SALMONS

Let's see some push-ups, people. C'mon, you can do it! Alright there you go. Now we're talking. Don't give up. Push! Push! Push your hardest! C'mon! C'mon! C'mon! (BEAT) Alright, good work. That's one.

3. COACH SALMONS

I'm here, people! Physical fitness is about to begin because I'm here in the gymnasium. I'm here! And all of you are here, too. We couldn't do it without each other. Let's go!

4. COACH SALMONS

Physical education is the most important class in school, Principal Stickler. If you're going to cut something, cut history. That's old news!

5. COACH SALMONS

(Quietly threatening) You listen here, Lizard Coach. If you think I'm going to give up on these fish and go home with our fish heads hung down in shame, then you got a second think coming. And that second think is, "Wow, that Coach Salmons means business. I better do what he says."

6. COACH SALMONS

Milo, you remind me of myself when I was in high school. Except I was little taller, little thinner, little smarter, little braver, little more responsible, I had better hygiene, better luck with the ladies... come to think of it, the only thing we have in common is that we both went to high school. (BEAT) Now go out there and get 'em!
