

Miss Skullnick

Miss Skullnick is one of Star's teachers at the Echo Creek Academy. She is an **older, cranky, bitter woman** -- a strict math teacher who hates math, detests kids and loathes her life in general. She ended up in Echo Creek because she followed an old boyfriend there before getting unceremoniously dumped. **Miss Skullnick always gets dumped, and usually on her birthday.** Although she complains a lot and sounds like she's completely given up on men, she would **like nothing more than to be swept off her calloused feet by a Prince Charming.** She's tried all the dating websites, but no one seems right... or responds. She has no problem venting to her students whom she views as a bunch of over-privileged, private school brats.

At one point, Star attempts to use her magic on Miss Skullnick to make her older so she'll be more attractive to men -- only when Star casts the spell with her Royal Magic Wand, she accidentally turns Miss Skullnick into large beastly troll! (Note: The actress or actor should have **two different voices: One for human Skullnick** and one for troll Skullnick. The voices can be much the same, only the troll voice needs to be deeper and craggier.)

As a large beastly troll, Miss Skullnick's personality is much the same, except now she knows she's even more pathetic. She spends a lot of time crying over her green skin and troll acne... until she surprisingly meets her Prince Charming, in the form of a muscular monster henchman from the Mewni dimension named Emmitt.

Miss Skullnick Sides:

1. Miss Skullnick (HUMAN)

OUTRAGED/VENTING: “How’d you like it if your man left you for an older woman?! An OLDER WOMAN?! When does that ever happen?! To me, that’s who! Why can’t I ever find the right guy? I’ve tried all the dating websites. Nobody writes me back on ‘Middle-Aged Minglers. Com.’ Or ‘Cougar Chat’ or “Ready to Seattle...”

2. Miss Skullnick (HUMAN)

BITTER/ANGER: “As you can see from your test scores, class, most of you have done a pathetic job. Just like every man in my life.”

3. Miss Skullnick (TROLL)

FRANTIC/SOBBING: “You can’t turn me back!? I have to spend the rest of my life tied up in a princess bedroom? Not that my old life was so great. Did I mention I always get dumped on my birthday? Wahhhhhh!”

4. Miss Skullnick (TROLL)

NERVOUS/SHY: “What?! No, really! You think he likes ME?! Ooooo! What should I do? Do I look all right? How’s my hair? You got a comb or a pick?”

5. Miss Skullnick (TROLL)

GRATEFUL/OVERJOYED: “Honey, please, I should give you an A+ for finding me Captain Biceps, here. But unfortunately for you, I can’t.... Because I’m leaving! I’m through teaching stupid math to stupid kids! I’m moving in with Emmitt. AND I’m going to start a new career as a villain! Exciting! Come on, Sugar Pants! Let’s go!
