

BIG HERO 6
**Professor
Granville**

There is a new leader at the San Fransokyo Institute of Technology. Professor Granville is a formidable presence. She is strict about the rules and for reasons he can't quite figure out is especially hard on hero. But it's a fun kind of gruff, because we slowly realize she has his best interest at heart, even if, short term, Granville is Hiro's worst nightmare.

1. GRANVILLE

Hiro Hamada, child genius who graduated high school at the tender age of thirteen. Then proceeded to squander his gifts consorting with miscreant bot fighting felons. Well, Mister Hamada, allow me to assure you, that here at San Fransokyo Institute of Technology my job is to invest equal attention to your mind and your buttocks. Specifically, keeping them out of jail. I've enjoyed this little chat. We're done here.

When Granville speaks to her teacher's pet, she's like a whole different, almost nice, person.

2. GRANVILLE

Karmi, come in! I have exciting news for you. You have been chosen for the President's scholarship. Of course, I'm the one that chose you. You're welcome. But you need to do me a little favor and not let this slip to-

(sees Hiro, changes
demeanor instantly)

Mister Hamada. Let me guess, you have inadvertently melted something in your lab again. I heard the fire trucks.
